TO HAVE AND TO HOLD said easement unto said Grantee and its assigns forever.

GRANTEE shall make all commercially reasonable efforts to direct its employees, contractors, consultants and agents to undertake all work in the Easement Area in a safe and prudent manner, and in such manner that the normal, orderly construction and operation of any adjacent public school is not unreasonably disturbed. Grantee, its successors, assigns, employees, contractors, subcontractors, laborers, consultants, agents, licensees, guests and invitees shall not make any use of the Easement Area which is or would be a nuisance or unreasonably detrimental to the construction, use or operation of any adjacent public school, or that would weaken, diminish or impair the lateral or subjacent support to any improvement located or to be constructed on the campus of any adjacent public school. Further, Grantee shall comply with all applicable federal, state, and county laws, regulations and ordinances, and such permits that the Grantee requires, with respect to the construction, installation, repair, replacement, maintenance and use of the Facilities in the Easement Area; further, Grantee shall comply with Grantor's policies that are applicable to Grantee's activities under this easement to the extent such policies do not unreasonably impair Grantee's right provided herein.

GRANTEE herein and its assigns shall have the right to clear and keep clear, out of and away from the Easement Area, all trees, undergrowth and other obstructions that may interfere with the normal operation or maintenance of the Facilities placed thereon by the Grantee and its assigns; provided, however that Grantee shall have no responsibility for the general maintenance of the Easement Area.

GRANTOR retains the right to use, access and enjoy and to permit others to use, access and enjoy the Easement Area for any purpose whatsoever that will not unreasonably interfere with the Grantee's rights provided herein. If Grantor's future orderly development of the premises is in conflict with the Facilities, Grantor, at no cost to the Grantee, shall design, permit, and submit for approval to Grantee, plans to relocate, reconfigure, or modify the Facilities and Easement Area (the "**Permitted Relocation Plans**"). Grantee will cooperate with Grantor in the execution of an amendment to the easement, in a form acceptable to both parties, establishing the new limits of the Easement Area as depicted on the Permitted Relocation Plans approved by the Grantee, whereupon such relocated easement shall be subject to the terms hereof to the same extent they applied to the Easement Area prior to Grantor's relocation, reconfiguration, or modification of the Facilities and Easement Area. Any relocation of the Facilities as a result of Grantor's future orderly development shall be at no cost to Grantee and shall be subject to the terms hereof.

GRANTOR, its successors and assigns, agrees not to build, construct, or create, nor permit others to build, construct, or create any buildings or other structures within the Easement Area that interferes with the normal operation or maintenance of the Facilities. In the event any of the Facilities are located above-ground, Grantee shall have the right to build, construct or install fencing around the Facilities in the Easement Area if reasonably required to protect the safety and security of the Facilities and normal operation thereof; provided; however, the fencing shall not unreasonably interfere with Grantor's use of the Easement Area or the remaining property owned by Grantor, and the exact location and type of fencing must be previously approved by Grantor in writing, which approval shall not be unreasonably withheld, conditioned or delayed.

Project: Site 20 Elementary School
OCU File No. 97347

GRANTEE may at any time change the location of the Facilities within the boundaries of the Easement Area, or modify the size of the Facilities as it may determine in its sole discretion from time to time (the "**Modifications**") without paying any additional compensation to Grantor or Grantor's heirs, successors or assigns, provided Grantee does not expand its use beyond the Easement Area. Prior to commencing any Modifications, Grantee shall notify Grantor's Department of Facilities and furnish such department with a description of the proposed Modifications; further, Grantee shall notify the Principal of the adjacent public school prior to performing Modifications; provided, however, that no notification to the Department of Facilities or the Principal shall be required in the event the Grantee determines that Modifications must be performed on an emergency basis.

GRANTEE shall promptly repair any damage to any property, facilities or improvements of Grantor located in, or adjacent to, the Easement Area, including without limitation parking areas, driveways, walkways, recreational facilities, fencing, and landscaping, if such damage is incident to Grantee's use of the Easement Area. Grantee shall take all necessary immediate action to stabilize, secure, or make safe any facilities or improvements of Grantor located in, or adjacent to, the Easement Area on an emergency basis in such a manner that renders facilities and improvements of Grantor safe for Grantor's intended use until permanent repairs can be made if such damage is incident to Grantee's use of the Easement Area. Grantee's obligation to restore landscaping shall be limited to an obligation to restore to Orange County landscaping standards for Orange County right-of-way and shall not include an obligation to restore to exotic or enhanced landscaping standards.

GRANTEE shall exercise its rights and privileges hereunder at its own risk and expense. Through the term of this easement, Grantee shall maintain general liability insurance or self-insurance in compliance with the limits provided in Section 768.28, Florida Statutes. Upon request by Grantor, Grantee shall furnish evidence of such insurance or self-insurance to Grantor. For actions attributable to the exercise of its rights under this easement, Grantee will indemnify and hold harmless Grantor, its agents, employees and elected officials to the extent provided in Section 768.28, Florida Statutes, as same may be amended from time to time. The terms of this indemnification shall survive any termination of this easement.

GRANTEE expressly acknowledges and agrees to comply with all rules and regulations of the Jessica Lunsford Act and Rule 6A-1.0018, F.A.C. "School Safety Requirements and Monitoring," if applicable. Further, Grantee shall comply with all rules or regulations implemented by Grantor in order to comply with the Jessica Lunsford Act and Rule 6A-1.0018, F.A.C. "School Safety Requirements and Monitoring," if applicable.

Nothing herein shall be construed as a waiver of Grantee's sovereign immunity beyond that provided under Section 768.28, Florida Statutes, as same may be amended from time to time. The terms of this paragraph shall survive any termination of this easement.
