

ORDINANCE NO. 2024- 21

AN ORDINANCE PERTAINING TO COMPREHENSIVE PLANNING IN ORANGE COUNTY, FLORIDA; AMENDING THE ORANGE COUNTY COMPREHENSIVE PLAN, COMMONLY KNOWN AS THE “2010-2030 COMPREHENSIVE PLAN,” AS AMENDED, BY ADOPTING AMENDMENTS PURSUANT TO SECTION 163.3184(3), FLORIDA STATUTES, FOR THE 2024 CALENDAR YEAR (FIRST CYCLE); AND PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF ORANGE COUNTY:

Section 1. Legislative Findings, Purpose, and Intent.

a. Part II of Chapter 163, Florida Statutes, sets forth procedures and requirements for a local government in the State of Florida to adopt a comprehensive plan and amendments to a comprehensive plan;

b. Orange County has complied with the applicable procedures and requirements of Part II of Chapter 163, Florida Statutes, for amending Orange County’s 2010-2030 Comprehensive Plan;

c. On August 13, 2024, the Board of County Commissioners held a public hearing on the adoption of the proposed amendments to the Comprehensive Plan, as described in this ordinance, and decided to adopt them.

Section 2. Authority. This ordinance is adopted in compliance with and pursuant to Part II of Chapter 163, Florida Statutes.

Section 3. Amendment to the Text of the Potable Water, Wastewater and Reclaimed Water Element. The Comprehensive Plan is hereby further amended by amending the text of the Potable Water, Wastewater and Reclaimed Water Element to read as follows, with underlines showing new numbers and words, and strike-throughs indicating repealed numbers and words.

(Words, numbers, and letters within brackets identify the amendment number and editorial notes, and shall not be codified.)

NOTE: Orange County Planning Division has distributed surveys to all private and public providers throughout the County in order for the above information to be updated.	

WAT1.2.6

When central wastewater service is required for development, the level of service standard shall be as listed in the table below, on an average daily flow basis. Interim wastewater systems (permanent package treatment plants are no longer allowed in Orange County) shall have the same level of service standard. Wastewater flow demands for commercial, industrial or other special developments differing from the flow values established by the serving utility

shall be established from existing records or by estimated projections, using the best available data. These levels of service shall also be applied for planning purposes.

UTILITY NAME	LEVEL OF SERVICE (LOS)
Orange County Utilities	225 200 gpd/equivalent residential unit (ERU)
City of Apopka	103 gpd/capita
City of Ocoee	270 gpd/ERU
City of Mount Dora	130 gpd/capita
Park Manor Utilities	230 gpd/ERU
Winter Park Utilities	333 gpd/ERU
City of Winter Garden	Not Available
Reedy Creek Improvement District	Does not have an adopted LOS per RCID
Seminole County Utilities	1 million gpd (UCF campus and Central Florida Research Park)
Florida Water Services	125 gpd/capita
Wedgfield Utilities Inc.	300 gpd/ERU
City of Orlando	
Land Use	LOS
Single Family Residential	284 gpd/du
Multifamily Residential	223 gpd/du
Office	0.1 gpd/sqft
Commercial	0.25 gpd/sqft
Industrial	0.15 gpd/sqft
Lodging	150 gpd/room
Government	0.1 gpd/sqft
Hospital	0.25 gpd/sqft
NOTE: Orange County Planning Division has distributed surveys to all private and public providers throughout the County in order for the above information to be updated.

CIE1.3.4 When central water service from Orange County Utilities is required for development, the level of service standard shall be ~~275~~ 225 gallons per day (average daily flow) per equivalent residential connection. Flow demands for commercial, industrial or other special developments differing from the flow values established by the serving utility shall be established from existing records or by estimated projections, using the best available data. These levels of service shall also be applied for planning purposes. (Amended 12/00, Ord. 00-25; Amended 5/13, Ord. 2013-11, Policy PW1.2.5-r)

- A. **Timing of Future Treatment Facility Expansion.** Orange County Utilities shall ensure that sufficient water supply facility (WSF) capacity is maintained, consistent with the requirements of the Florida Department of Environmental Protection (FDEP). When the WSF maximum daily demand exceeds 75% of maximum day water treatment capacity, a capacity analysis report shall be submitted to the FDEP. The capacity analysis report shall identify recommended improvements, improvement costs and the timing of such improvements. Facilities scheduled for design and construction, as identified by the capacity analysis report, shall be considered for inclusion into Orange County's Five Year and Ten Year Capital Improvements Programs. Facilities approaching build out shall be exempt from this requirement. F.

CIE1.3.5 When central wastewater service from Orange County Utilities is required for development, the level of service standard shall be ~~225~~ 200 gallons per day (average daily flow) per equivalent residential unit. Interim wastewater systems (permanent package treatment plants are no longer allowed in Orange County) shall have the same level of service standard. Wastewater flow demands for commercial, industrial or other special developments differing from the flow values established by the serving utility shall be established from existing

records or by estimated projections, using the best available data. These levels of service shall also be applied for planning purposes. (Added 8/92, Ord. 92-24; Amended 12/00, Ord. 00-25; Amended 5/13, Ord. 2013-11, Policy WW1.2.5- r)

- A. Timing of Future Treatment Facility Expansion.** Orange County Utilities shall ensure that sufficient water reclamation facility (WRF) capacity is maintained, consistent with the requirements of the FDEP. When the WRF maximum 3 month average daily flow exceeds 50% of the permitted wastewater treatment capacity, a capacity analysis report shall be submitted to the FDEP. The capacity analysis report shall identify recommended improvements, improvement costs and the timing of such improvements. Facilities scheduled for design and construction, as identified by the capacity analysis report, shall be considered for inclusion into Orange County's Five Year and Ten Year Capital Improvement Program. Facilities approaching build out shall be exempt from this requirement.

Section 5. Effective Date for Ordinance and Amendments.

- (a) This ordinance shall become effective as provided by general law.
- (b) In accordance with Section 163.3184(3)(c)4., Florida Statutes, no plan amendment adopted under this ordinance becomes effective until 31 days after the Department of Commerce (DOC) notifies the County that the plan amendment package is complete. However, if an amendment is timely challenged, the amendment shall not become effective until the DOC or the Administration Commission issues a final order determining the challenged amendment to be in compliance.
- (c) No development orders, development permits, or land uses dependent on either of these amendments may be issued or commence before the amendments have become effective.

ADOPTED THIS 13th DAY OF AUGUST, 2024.

ORANGE COUNTY, FLORIDA
By: Board of County Commissioners

By: *Jerry L. Demings*
for Jerry L. Demings
Orange County Mayor

ATTEST: Phil Diamond, CPA, County Comptroller
As Clerk to the Board of County Commissioners

By: *Jennifer Ann-Kinety*
Deputy Clerk
