SUBJ: Installation of "No Parking" signs on Magnolia Homes Road

A concerned citizen has requested that "No Parking" signs be installed on the west side of Magnolia Homes Road starting at Mallard Pointe Court extending north 500 feet.

Traffic Engineering staff have determined that the parking of vehicles along the unpaved shoulder of Magnolia Homes Road is damaging the roadway. The increased number of trucks has caused pavement failure and shoulder erosion creating unstable drop-off conditions. Therefore, staff recommends the installation of "No Parking" signs.

Staff recommends the Board approve installation of "No Parking" signs on Magnolia Homes Road starting at Mallard Pointe Court extending north 500 feet on the west side.

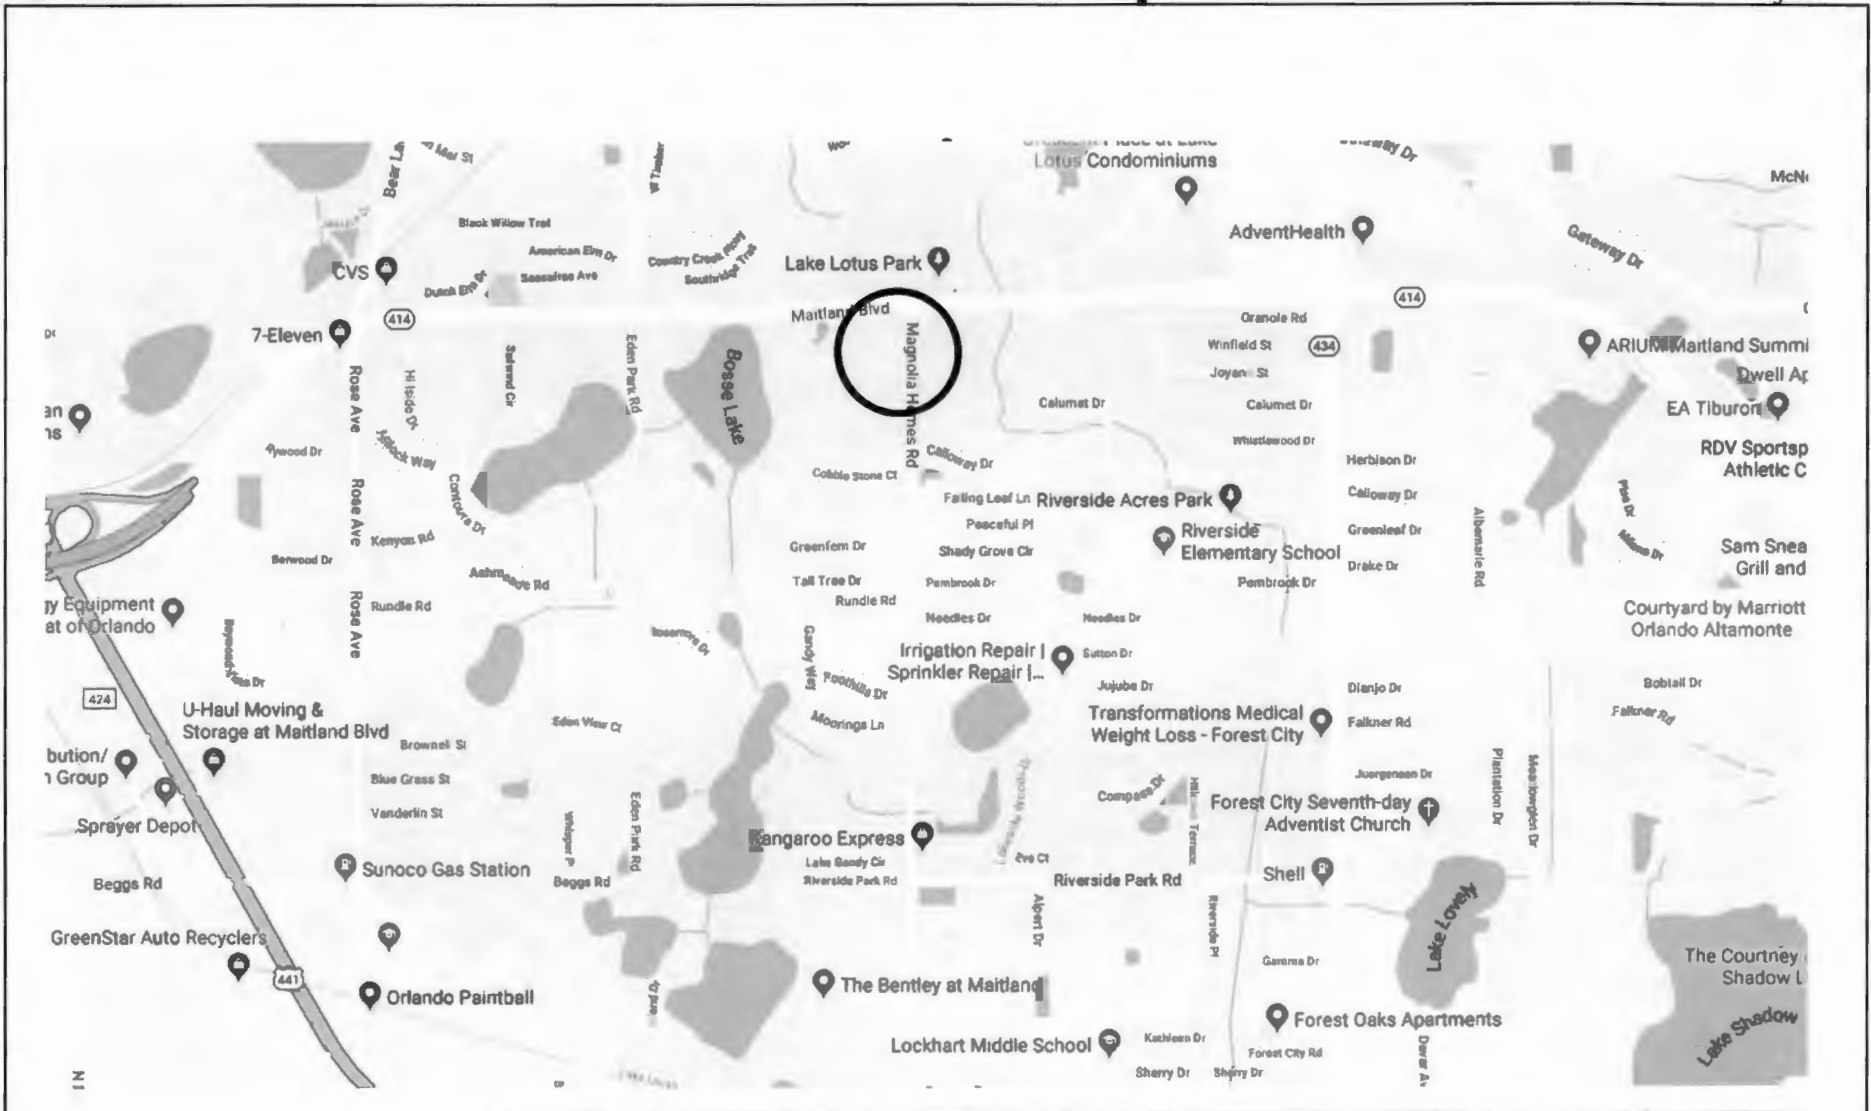

Action Requested: Approval of "No Parking" signs installation on Magnolia Homes Road starting at Mallard Pointe Court extending north 500 feet on the west side. District 3.
