Petition to Vacate: 20233 Macon Parkway

Dear Mr. Andrade

The property owner at 20233 Macon Parkway is in the process of requesting that Orange County vacate approximately 3 feet of an eight foot wide drainage and utility easement and a 3 foot wide portion of a six foot wide utility easement. The property owner had a concrete pad poured in his backyard and installed a shed. After the fact, he learned that the concrete pad encroaches into two platted drainage and utility easements. He is requesting that Orange County vacate a 3 foot wide portion of both easements in order to obtain the building permits after the fact to keep the improvements in place. The property lies within the Rocket City Unit 1 subdivision found in Plat Book Z, Page 29. Part of the vacation process is to provide letters showing no objection from utility companies who have jurisdiction in the neighborhood.

Please review your records, complete the form below and return this letter to me.

Sincerely,

Julie Alber

Hi Shawn,

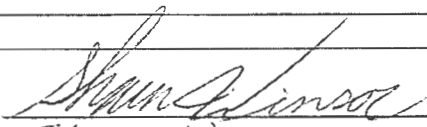

I am working with a customer who lives at 20233 Macon Parkway. He had a concrete pad poured in his backyard and installed a shed. After the fact, he learned that the concrete pad encroaches into two platted drainage and utility easements. He is requesting that Orange County vacate a 3 foot wide portion of both easements in order to obtain the building permits after the fact to keep the improvements in place. I have attached the sketch provided and highlighted the area that is being requested for vacation.

When he submitted his application package he did not submit a letter of no objection from the gas company that has jurisdiction in the area. I contacted Florida Transmission Company, and they pointed me to your direction. The site address is 20233 Macon Parkway and lies within the subdivision found in Plat Book Z, Page 29. Part of the vacation process is to provide letters showing no objection from utility companies who have jurisdiction in the neighborhood.

Please review your records, complete the form below and return this letter to me.
