Petition to Vacate PTV-24-08-030

March 10, 2026

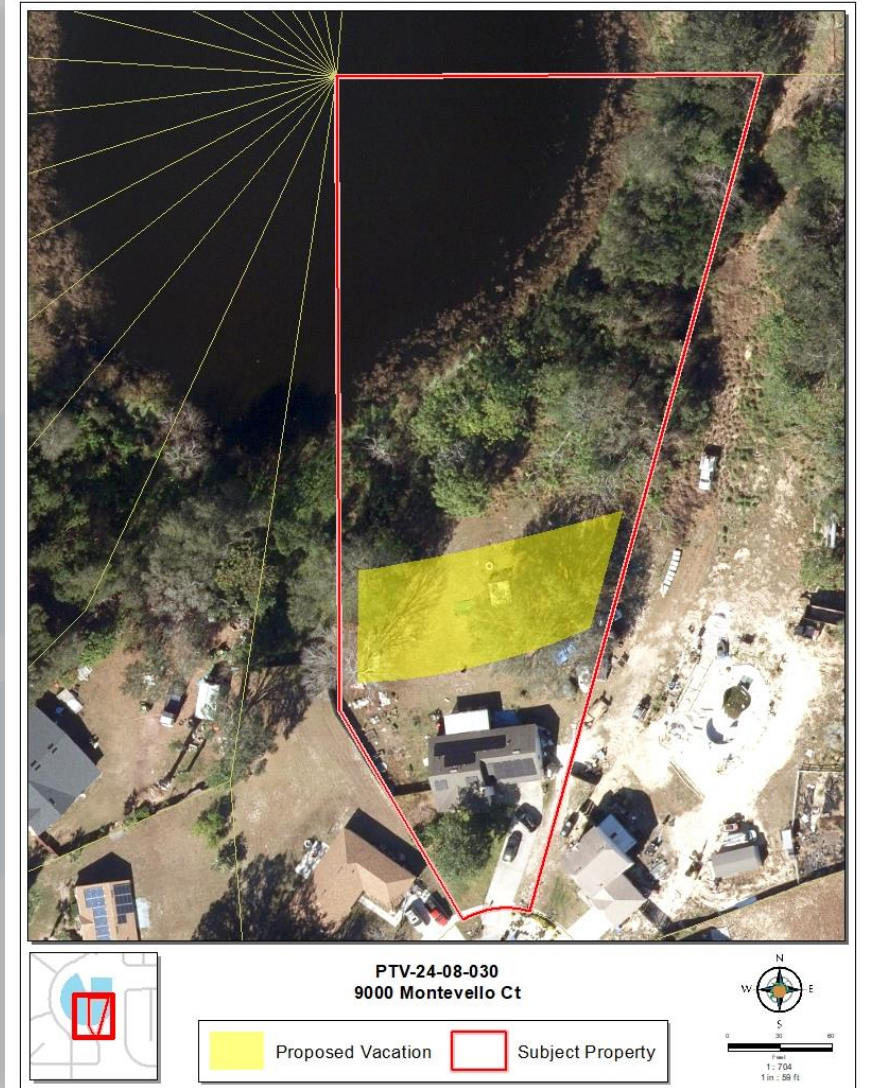

Applicant:

Miro and Danijela Lucanin

PTV-24-08-030

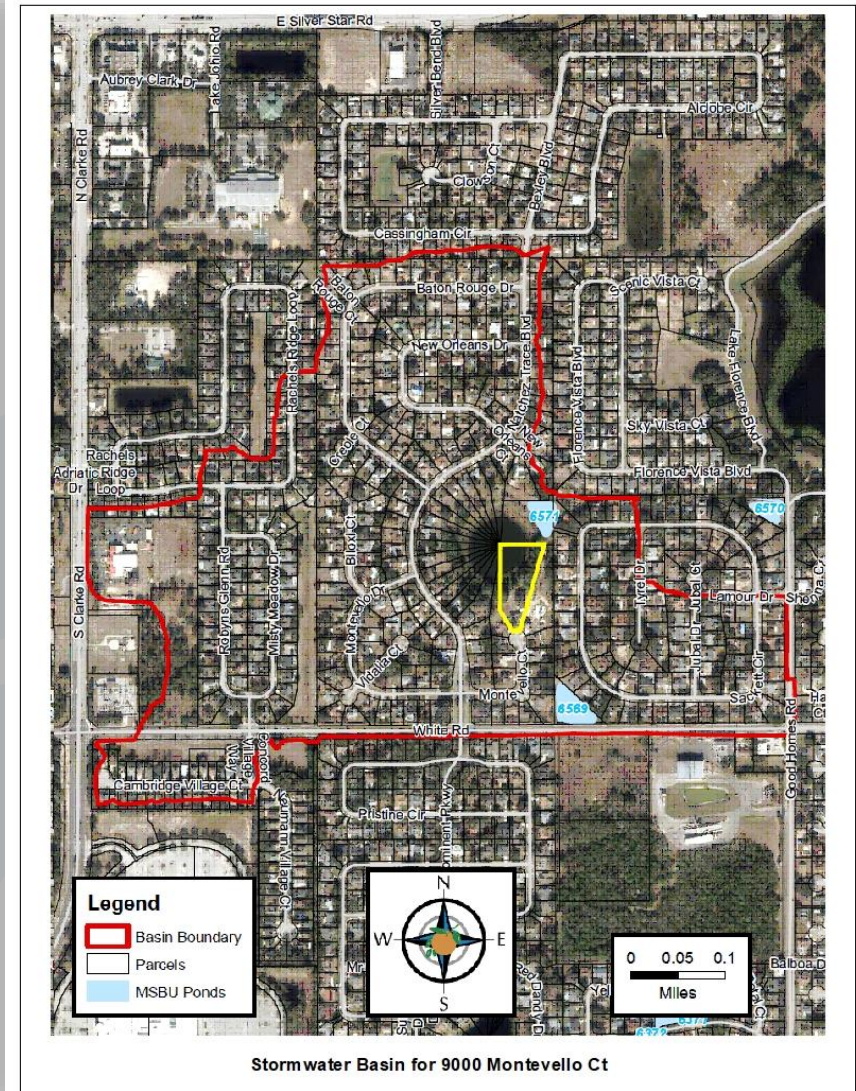

Location

- Map of area requested to vacate.
- 60-foot-wide portion of a 350-foot-wide drainage easement (less out 10 feet on the west and east side).

Stormwater Basin

- The property is located within a landlocked basin that relies on overland percolation and this pond for stormwater management.
- The drainage easement provides a natural buffer that contributes additional stormwater storage capacity
