ORDER SUSPENDING PROPOSED SOLARTOGETHER PROGRAM TARIFF

BY THE COMMISSION:

Background

On March 13, 2019, Florida Power & Light Company (FPL) filed a petition for approval of its new voluntary community solar program (SolarTogether program) and associated tariff. The proposed SolarTogether program is designed to allow FPL customers to subscribe to a portion of new solar capacity built through the program and to receive a credit of a portion of the system savings produced by that solar capacity. This order addresses the suspension of the proposed tariff. We have jurisdiction over this matter pursuant to Sections 366.03, 366.04, 366.05, and 366.06, Florida Statutes (F.S.).

Decision

On March 13, 2019, FPL filed a petition for Commission approval of its SolarTogether program and associated tariff. Commission staff requested that the tariff be suspended to allow staff sufficient time to review the petition and gather all pertinent information in order to present this Commission with an informed recommendation on the tariff proposal.

Pursuant to Section 366.06(3), F.S., we may withhold consent to the operation of all or any portion of a new rate schedule, by delivering to the utility a reason or written statement of good cause for doing so within 60 days. We find that the reason stated above is good cause consistent with the requirement of Section 366.06(3), F.S.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Florida Power & Light Company's proposed SolarTogether program tariff shall be suspended. It is further
