RE: EMSAC's Report and Recommendation on Affordable Transport, Inc.'s Application to Modify Certificate of Public Convenience and Necessity by Transferring to MedFleet, LLC.

In May 2025, Orange County's Office of the Medical Director/EMS Division ("EMS") notified Orange County's Emergency Medical Services Advisory Council ("EMSAC") that Affordable Transport, Inc. ("ATI") had applied to modify ATI's Certificate of Public Convenience and Necessity ("COPCN") by transferring ATI's COPCN to MedFleet, LLC ("MedFleet").

In accordance with Section 20-99 of the Orange County Code, EMSAC held a noticed meeting on May 28, 2025, to review ATI's modification application. At the meeting, EMS framed the issue, MedFleet presented the application, and EMSAC requested public comment. EMSAC reviewed the modification application which included all of the requirements for new COPCN applicants including, but not limited to, MedFleet's licensing information, a business agreement between MedFleet and a health care provider in Orange County, and MedFleet's certificates of insurance. Additionally, EMSAC reviewed the guidelines for determining the public convenience and necessity described in Section 20-95 of the Orange County Code. At the conclusion of the meeting, EMSAC recommended that the Board of County Commissioners grant ATI's application to modify ATI's COPCN by transferring ATI's COPCN to MedFleet.

RECOMMENDATION: Grant Affordable Transport, Inc.'s Application to Modify ATI's Certificate of Public Convenience and Necessity by Transferring ATI's COPCN to MedFleet, LLC.
