

Interoffice Memorandum

November 11, 2019

TO: Mayor Jerry L. Demings
and the Board of County Commissioners

FROM: Carrie Mathes, Manager, Procurement Division

CONTACT: Rafael Mena, Chief Information Officer, Information Systems and Services
Division
407-836-5200

SUBJECT: Ratification of Purchase Order M98910, Annual Maintenance, Equipment and
Technician Services for the E911 Positron Viper System

ACTION REQUESTED:

Ratification of PO M98910, Annual Maintenance, Equipment and Technician Services for the E911 Positron Viper System, with AT&T, in the estimated annual amount of \$894,373.44.

PROCUREMENT:

This purchase order provides Orange County Public Safety Answering Points (PSAPs) with annual maintenance, equipment, and technicians for the E911 Positron Viper System. The period of service is from October 1, 2019 through September 30, 2020.

FUNDING:

Funding is available in account number 1054-031-0677-3823.

APPROVALS:

The Information Systems and Services Division concurs with this recommendation.

REMARKS:

In April 2001, the Board approved AT&T as the sole provider of 911 services for Orange County. The Board further approved maintenance, equipment, and technician services for the E911 Positron Viper System with AT&T on September 13, 2016. This renewal period will be added as an addendum to the existing Master Agreement# FL07-D530-05.

A comparison of prices for similar services in Seminole County and Brevard County were used to determine the reasonableness of the cost for this maintenance. While the systems at both of these agencies have some dissimilarities to the system at Orange County, price analysis indicated that the pricing for this service was consistent with the prices paid by these entities.
