RE: APPROVAL AND EXECUTION OF RESOLUTION FOR THE ISSUANCE OF MULTI-FAMILY HOUSING REVENUE TAX EXEMPT BONDS, TO FINANCE

THE ACQUISITION, CONSTRUCTION, AND EQUIPPING OF THE WATERS APARTMENTS, A PROPOSED DEVELOPMENT IN, ORANGE COUNTY, FLORIDA, DISTRICT 2, IN AN AMOUNT NOT-TO-EXCEED \$41,000,000.

ORANGE COUNTY BOARD OF COUNTY COMMISSIONERS MEETING September 24, 2024 - CONSENT AGENDA.

The Tax Equity and Fiscal Responsibility Act of 1982 ("TEFRA") created a requirement that all industrial development bonds issued after December 31, 1982, for the purpose of financing multi-family housing developments require approval by the Orange County Housing Finance Authority (the Authority), and each governmental unit having jurisdiction over the area in which the bond financed facility will be located.

#### BACKGROUND

On July 5, 2023, the Authority received an application for Multi-Family Tax-Exempt Bonds in an amount not-to-exceed \$41,000,000 from Apopka Leased Housing Associates II, LLLP, to finance the acquisition, construction and equipping of a multi-family rental development. The proposed development, The Waters Apartments, will consist of 180 units of senior citizen housing of low, middle and moderate income. The project will be located at 1255 Plymouth Sorrento Road, Apopka, FL in Orange County, Florida.

At the County Commission Meeting conducted on October 10, 2023, the Orange County Board of County Commissioners (Board) approved a TEFRA Resolution (2023-B-08) for the issuance of Multi Family Housing Revenue Bonds to finance the acquisition, construction, and equipping of the proposed development.

## CURRENT

The Tax Equity and Fiscal Responsibility Act (TEFRA) Public Hearing is a federal requirement that must be complied with. In accordance with federal tax law, the Board's TEFRA approval is issued for one year, as a result the current approval will expire on October 10, 2024. We anticipate that the developer will not be in a position to secure financing, and close on the transaction before the expiration date of the current TEFRA.

Additionally, Volume Cap Allocations are administered by the State Division of Bond Finance (Division), which has submission requirements that all bond issuers must adhere to. As an issuer of Bonds, the Authority is required to have a current TEFRA approval prior to submitting a financing request to the Division.

In order to comply with the TEFRA, and Division of Bond Finance requirements, a new TEFRA Public Hearing was scheduled and conducted on **Thursday, August 22, 2024 at 10:00 A.M.** at the Orange County Administration Center, 3rd Floor, Conference Room Legal `A´, 201 South Rosalind Ave, Orlando, Florida, 32801.

## **Explanation for Needing Tax-Exempt Bonds**

The Apopka Senior development would not be financially feasible without the issuance of tax-exempt bonds. The issuance of tax-exempt bonds is required in order to obtain 4% low-income housing tax credits. The equity generated from the sale of low-income housing tax credits will generate an equity investment of approximately \$32,446,503, which is approximately 45% of the funds required for the development of the property.

The tax-exempt bonds and low-income housing tax credits will fund the necessary new construction development needed to create affordable housing. In addition, the issuance of tax-exempt bonds will integrate new affordable housing into the community. The proposed scope of improvements includes site and building improvements. The significant capital outlay will allow the property to provide safe, healthy, and affordable housing for over 15 years. Without the issuance of tax-exempt bonds by the Orange County Housing Finance Authority, we will not be able to provide the capital investment that the property requires.

## Financing Plan

The Apopka Senior development will be financed through a first mortgage (Deutsche Bank Private Placement), construction mortgage (Deutsche Bank and Colliers), and 4% low-incom e housing tax credit equity (Blackstone). The total tax-exempt bond issuance request is \$41,000,000.

## Permanent 1st Mortgage (Tax-Exempt)

The loan will be a Private placement loan with Deutsche Bank and is expected to be in the a mount of approximately \$23,150,000. The expected terms are as follows:

Amortization: 40 Years Term: 15 Years

Interest Rate: 6.04% + 0.15% Issuer Fee

DSCR: 1.15 LTV: 90%

## Tax-Exempt Bonds

In order to meet the 50% test and qualify for federal 4% low-income housing tax credits, the Borrower requests that the Authority issues not in excess of \$41,000,000 in tax-exempt bonds to finance a portion of the costs of developing the project.

## Construction Loan (Tax-Exempt)

This loan, in the approximate amount of \$41,000,000 will be used to finance construction period costs associated with the new construction of the apartment community.

## **Federal LIHTC Equity**

In conjunction with our application for tax-exempt bonds, we will be applying for an allocation of 4% federal low-income housing tax credits from the Florida Housing Finance Corporation. The estimated amount of tax credit equity is \$32,446,503. Tax credit equity will be invested into the project in installments, some of which will occur after construction. The equity investor is likely to be Blackstone.

Term sheets are not yet available for the First Mortgage, Equity Bridge Loan, and Tax Credit Equity but they will be sent to the authority when received.

## **MEMORANDUM**

TO: W.D. Morris, Executive Director

FROM: David Jones, CSG Advisors

**SUBJECT:** Orange County Housing Finance Authority

Multifamily Housing Revenue Bonds

(The Waters)

**DATE:** August 21, 2023

CSG Advisors serves as Financial Advisor to the Orange County Housing Finance Authority in connection with multifamily debt issues. In that capacity we are asked to comment on proposed multifamily debt issues under certain circumstances prior to submitting the TEFRA approval request to Orange County.

## **Summary Description**

The applicant for The Waters is Apopka Leased Housing Associates II, LLLP. The primary contact person for The Waters is Devon Quist of Dominium; a privately held real estate development, investment and management company headquartered in Minneapolis, Minnesota. Dominium has developed multiple affordable housing communities across Florida and in Orange County, and is now the second largest affordable housing development and management company in the nation while managing over 25,000 units.

The Waters is a proposed new construction senior multifamily development on an approximate 34-acre property to be located at 1255 Plymouth-Sorrento Road, Apopka, Florida in Orange County. The new construction affordable rental community is planned to consist of a total of 180 apartment units. The sponsors have proposed that Orange County Housing Finance Authority issue up to \$41,000,000 of multifamily housing revenue bonds. The Waters is a senior development, but there is also a family development adjacent to The Waters called, The Mira. This family development, The Mira, was awarded \$7,000,000 from the Orange County Housing Trust Fund earlier this year. The Mira is a larger proposed 300-unit Dominium community and already has a bond reservation from Florida Housing Finance Corporation.

In accordance with the tax-exempt bond requirements, a minimum of 40% of the rental units will be set aside for rental to persons or families with household incomes of 60% or less of the Area Median Income. The rent levels are expected to be set such that all units will be rented at less than 60% of the Area Median Income (AMI). It is expected that the development will contain 72 one-bedroom units, 80 two-bedroom units, and 28 three-bedroom units.

Orange County Housing Finance Authority Multifamily Housing Revenue Bonds (The Waters)

The tax-exempt mortgage revenue bonds are expected to be issued in the not-to-exceed amount of \$41,000,000. The permanent tax-exempt bonds are expected to be privately placed with Deutsche Bank with the construction debt provided by Colliers Bank. The bonds are not expected to be rated by any rating agency. The applicant will use RBC Capital Markets as its bond underwriter/placement agent, and meet all underwriting requirements of the Orange County Housing Finance Authority for such unrated bonds.

The sources of funds for this development including permanent sources of funds anticipate the following financing sources:

- (a) First mortgage tax-exempt bonds during construction of \$41,000,000 with Colliers, paying down to \$23,150,000 as permanent tax-exempt bonds held by Deutsche Bank,
- (b) Federal tax credit equity in the expected amount of \$32,446,503,
- (c) Deferred developer fees in the expected amount of 10,815,225,
- (d) Subordinate mezzanine debt of \$2,950,000,
- (e) Cash flow from operations of \$2,121,765,
- (f) Imputed interest on equity of \$809,135,
- (g) SB102 rebate of \$450,000, and
- (h) General partner equity of \$200.

The proposed financing plan after converting to permanent financing anticipates acquisition and rehab costs, financing, construction interest and other development costs currently expected to total approximately \$72,742,828.

## Equity

The tax credits are anticipated to be purchased by Blackstone as tax credit syndicator in return for at least a 99% limited partnership interest in the property.

## Credit Underwriting

Pursuant to Orange County Housing Finance Authority's policy, the proposed financing will be subject to credit underwriting by a third party firm qualified in affordable housing real estate underwriting and loan servicing. A credit underwriting report acceptable to the Orange County Housing Finance Authority will be required prior to authorizing the issuance of the bonds.

## **Investment of Proceeds**

To the extent that proceeds will be available to be drawn down during construction, the Orange County Housing Finance Authority will require such proceeds be invested pursuant to its investment policy. If applicable, CSG Advisors will oversee competitive bidding of any investment agreements.
