SUBJECT: January 29, 2019 – Public Hearing
Planning and Zoning Commission Appeal
Appellant: Ivan Matos
Applicant: Ivan Matos
Case # RZ-18-11-051 / District 4

This request is an appeal of the November 15, 2018, Planning and Zoning Commission (PZC) decision to recommend denial of the aforementioned rezoning application.

The applicant is seeking to rezone 1.63 acres of property located on Wetherbee Road, from I-1/I-5 (Industrial District) to I-4 (Industrial District) for a salvage yard use. A community meeting was not required for this request. This appeal was received from the appellant on November 29, 2018.

Finally, the required Specific Project Expenditure Report and Relationship Disclosure Forms have been completed in accordance with the requirements of Article X, Chapter 2, Orange County Code, as may be amended from time to time, and copies of these may be found in the Planning Division for further reference.

ACTION REQUESTED: **Make a finding of inconsistency with the Comprehensive Plan and deny the requested I-4 (Industrial District) zoning. District 4**

STAFF RECOMMENDATION

PLANNING

Make a finding of inconsistency with the Comprehensive Plan and recommend DENIAL of the requested I-4 (Industrial District) zoning.

ALTERNATIVE RECOMMENDATION

Make a finding of consistency with the Comprehensive Plan and recommend APPROVAL of the requested I-4 (Industrial District) zoning, subject to the following restrictions:

- 1) Billboards and pole signs shall be prohibited; and

- 2) The applicant / developer shall submit a site plan to demonstrate compliance with all Orange County Code requirements (including landscaping and paved surfaces) prior to the accommodation of any I-4 uses; and
- 3) The site shall be restricted to the salvage yard use and those uses permitted in the I-1/I-5 zoning district as identified by the letter "P" in the use table set forth in section 38-77 of the Orange County Code.

IMPACT ANALYSIS

Land Use Compatibility

The I-4 (Industrial District) zoning would allow for development that is incompatible with the character of the surrounding area and may impact adjacent properties.

Comprehensive Plan (CP) Consistency

The underlying CP Future Land Use Map (FLUM) designation of the subject property is Industrial (IND). While the requested I-4 (Industrial District) zoning is technically consistent with the underlying Industrial FLUM designation, it is inconsistent with the following Comprehensive Plan provisions:

FLU1.4.2 states that Orange County shall ensure that land uses changes are compatible with and serve existing neighborhoods.

FLU8.1.1 states that the zoning and future land use correlation shall be used to determine consistency with the Future Land Use Map. Land use compatibility, the location, availability and capacity of services and facilities, market demand, and environmental features shall also be used in determining which specific zoning district is most appropriate. Density is restricted to the maximum and minimum allowed by the Future Land Use Map designation regardless of zoning.

OBJ FLU8.2 states that compatibility will continue to be the fundamental consideration in all land use and zoning decisions.

FLU8.2.1 states that land use changes shall be required to be compatible with existing development and development trend in the area. Performance restrictions and/or conditions may be placed on property through the appropriate development order to ensure compatibility. No restrictions or conditions shall be placed on a Future Land Use Map change.

FLU8.2.11 states that compatibility may not necessarily be determined to be a land use that is identical to those uses that surround it. Other factors may be considered, such as the design attributes of the project, its urban form, the physical integration of a project and its function in the broader community, as well its contribution toward the Goals and Objectives in the CP. The CP shall specifically allow for such a balance of considerations to occur.

Max. Height: 50 feet (35 feet within 100 feet of any residential use or district)

Building Setbacks

Front: 35 feet
Rear: 10 feet
Side: 25 feet

Intent, Purpose, and Uses

The intent and purpose of the I-4 industrial district is to provide for industrial operations of all types, which may produce such by-products as odor, smoke, dust, and noise, to provide space for industries which employ the processing of bulk materials and which require space for open storage of materials, to establish and maintain standards which will permit a wide variety of processing activities, and to establish and maintain standards which will protect adjacent residential and commercial developments.

Specific uses shall be identified by the letter "P" in the use table set forth in section 38-77 of the Orange County Code.

SPECIAL INFORMATION

Subject Property Analysis

The subject property is located on Wetherbee Road, or generally located on the east side of Wetherbee Road, north of Jetstream Drive, and south of Palmbay Drive. The property is currently undeveloped and has no direct access to Wetherbee Road.

Today, the surrounding area is developed with varying intensities of industrial uses including warehousing, outdoor storage, automobile storage, and manufacturing. The more intense uses are generally located to the west of S. Orange Avenue with less intense uses, including the subject property, generally located to the east. Additionally,

the subject parcel is located adjacent to the Jetport Center PD, which prohibits junk, salvage, and wrecking yard uses.

Comprehensive Plan (CP) Amendment

A CP amendment is not required for this application, as the requested zoning is consistent with the underlying Industrial (IND) Future Land Use Map (FLUM) designation.

State of Florida Notice

Pursuant to Section 125.022, Florida Statutes, issuance of this development permit by the County does not in any way create any rights on the part of the applicant to obtain a permit from a state or federal agency and does not create any liability on the part of the County for issuance of the permit if the applicant fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law. Pursuant to Section 125.022, the applicant shall obtain all other applicable state or federal permits before commencement of development.

Community Meeting Summary

A community meeting was not required for this request.

Rural Settlement

The subject property is not located within a Rural Settlement.

Joint Planning Area (JPA)

The subject property is not located within a Joint Planning Area.

Overlay District Ordinance

The subject property is not located within and Overlay District.

Airport Noise Zone

The subject property is not located within an Airport Noise Zone.

Environmental

To prevent erosion along the boundary of the property, into adjacent wetlands and buffers, and into all drainage facilities and ditches, construction and operation will require Best Management Practices (BMPs) for erosion control.

Prior to commencement of any earth work or construction, if one acre or more of land will be disturbed, the developer shall provide a copy of the completed National Pollutant Discharge Elimination System (NPDES) Notice of Intent (NOI) form for stormwater discharge from construction activities to the Orange County Environmental Protection Division, NPDES Administrator. The original NOI form shall be sent to the Florida Department of Environmental Protection (FDEP) by the developer.

Any miscellaneous garbage, hazardous waste, yard waste (including excess fertilizers, herbicides and pesticides), and construction or demolition debris shall be disposed of off-site according to the solid waste and hazardous waste regulations. Call the Orange County Solid Waste Hotline at 407-836-6601 for information.

Any existing septic tanks or wells shall be properly abandoned prior to earthwork or construction. Permits shall be applied for and issued by the appropriate agencies. Contact the Department of Health (DOH) for any septic systems, and the Water Management District, as well as the DOH, for wells.

The property is located adjacent but outside the Orlando Jetport Center PD. It has been cleared since approximately 2002.

Transportation / Access

Based on the Concurrency Management System database dated 09/28/18, there are no failing roadway segments within the project impact area and capacity is available to be encumbered. This information is dated and subject to change. The applicant will be required to obtain an approved capacity encumbrance letter prior to obtaining a building permit. The applicant may be required to submit a traffic study prior to obtaining an approved capacity encumbrance letter and building permit.

Code Enforcement

There are no active Code Enforcement violations on the subject property.

ACTION REQUESTED

Planning and Zoning Commission (PZC) Recommendation – (November 15, 2018)

Make a finding of inconsistency with the Comprehensive Plan and recommend DENIAL of the requested I-4 (Industrial District) zoning.

PLANNING AND ZONING COMMISSION (PZC) PUBLIC HEARING SYNOPSIS

The staff report was presented to the PZC with the recommendation that they make a finding of inconsistency with the Comprehensive Plan and recommend denial of the requested I-4 (Industrial District) zoning.

Staff indicated that two hundred two (202) notices were mailed to surrounding property owners within a buffer extending beyond 1,500 feet from the subject property, with one (1) commentary received in favor of this request, and one (1) commentary received in opposition. The applicant was present and there were no members of the public present to speak about this request.

The applicant was asked to clarify how the site would be accessed. In response, the applicant noted there is an easement from the adjacent property allowing for access through the adjacent property to the west. The applicant has since provided documentation of the recorded easement to County staff. Following a discussion pertaining the compatibility of the requested I-4 (Industrial District) zoning with the surrounding area and access to the subject parcel, a motion was made by Commissioner DiVecchio and seconded by Commissioner Gusler to recommend denial of the requested I-4 (Industrial District) zoning. The motion carried on an 8-0 vote.
