Personal History: As the owner of a small minority women owned business for 20+ years, I feel that my position has afforded me the opportunity to see the disparity across all racial and ethnic situations in the construction industry. During my lifetime, I have always tried to make a difference in making sure I did my part in where injustice was done, that I spoke up for those that do not have a voice. I believe that I can serve this board with impartiality and honesty towards the goals set forth for the M/WBE advisory committee.
