SUBJECT: July 28, 2020 – Public Hearing
Planning and Zoning Commission Board-Called Rezoning
Applicant: Geoff Summitt, G.L. Summitt Engineering, Inc.
Case # RZ-20-03-019 / District 2

This is a Board-called rezoning hearing, in which the applicant is seeking to rezone 11.7 gross acres located at 615 and 627 N. Thompson Road; or generally east of N. Thompson Road and north of Votaw Road, from A-1 (Citrus Rural District) to R-1 (Single-Family Dwelling District). The applicant's intent is to subdivide the subject property to allow for the construction of 40 detached single-family dwelling units and associated infrastructure. On May 21, 2020, the Planning and Zoning Commission recommended approval of the request, subject to one restriction.

Finally, the required Specific Project Expenditure Report and Relationship Disclosure Forms have been completed in accordance with the requirements of Article X, Chapter 2, Orange County Code, as may be amended from time to time, and copies of these may be found in the Planning Division for further reference.

ACTION REQUESTED: Make a finding of consistency with the Comprehensive Plan and approve the requested R-1 (Single Family Dwelling District) zoning, subject to the restriction listed in the staff report. District 2

STAFF RECOMMENDATION

PLANNING

Make a finding of consistency with the Comprehensive Plan and recommend APPROVAL of the requested R-1 (Single Family Dwelling District) zoning.

SUBJECT PROPERTY ANALYSIS

Overview

Through this request, the applicant is seeking to rezone the 11.7 gross acres property from A-1 (Citrus Rural District) to R-1 (Single Family Dwelling District) in order to construct forty (40) single-family detached dwelling units. The subject property consists of two lots that have not been platted. The southern part of the subject property was developed with a manufactured home in 1978. This structure has since been demolished. The northern part of the subject property is currently undeveloped.

The immediate area is developed with single-family dwelling units on lots varying from eighty-five (85) feet in width to one hundred fifty eight (158) feet in width. The N. Thomson Road corridor is primarily developed with single-family homes that are situated on larger lots, up to three hundred (300) feet in width. The subject property is located within the boundary of Wekiva Study Area, and per policy OS1.3.6, the applicant is required to provide 35% of open space. The subject property is within the City of Apopka's wastewater territory and the applicant has indicated his commitment to extend wastewater lines to service the subject property.

Land Use Compatibility

The R-1 (Single Family Dwelling District) zoning would allow for development that is compatible with the character of the surrounding area and would not adversely impact adjacent properties.

Comprehensive Plan (CP) Consistency

The underlying CP Future Land Use Map (FLUM) designation of the subject property is Low Density Residential (LDR). The proposed R-1 (Single-Family Dwelling District) zoning is consistent with the Low Density Residential FLUM designation and the following Comprehensive Plan provisions:

FLU1.4.2 states that Orange County shall ensure that land uses changes are compatible with and serve existing neighborhoods.

FLU8.1.1 states that the zoning and future land use correlation shall be used to determine consistency with the Future Land Use Map. Land use compatibility, the location, availability and capacity of services and facilities, market demand, and environmental features shall also be used in determining which specific zoning district is most appropriate. Density is restricted to the maximum and minimum allowed by the Future Land Use Map designation regardless of zoning.

OBJ FLU8.2 states that compatibility will continue to be the fundamental consideration in all land use and zoning decisions.

FLU8.2.1 states that land use changes shall be required to be compatible with existing development and development trend in the area. Performance restrictions and/or conditions may be placed on property through the appropriate development order to

ensure compatibility. No restrictions or conditions shall be placed on a Future Land Use Map change.

FLU8.2.11 states that compatibility may not necessarily be determined to be a land use that is identical to those uses that surround it. Other factors may be considered, such as the design attributes of the project, its urban form, the physical integration of a project and its function in the broader community, as well its contribution toward the Goals and Objectives in the CP. The CP shall specifically allow for such a balance of considerations to occur.

ACTION REQUESTED

Planning and Zoning Commission (PZC) Recommendation – (May 21, 2020)

Make a finding of consistency with the Comprehensive Plan and recommend APPROVAL of the requested R-1 (Single Family Dwelling District) zoning, subject to the following restriction:

- 1) No lots shall be less than sixty (60) feet in width.**

PLANNING AND ZONING COMMISSION (PZC) PUBLIC HEARING SYNOPSIS

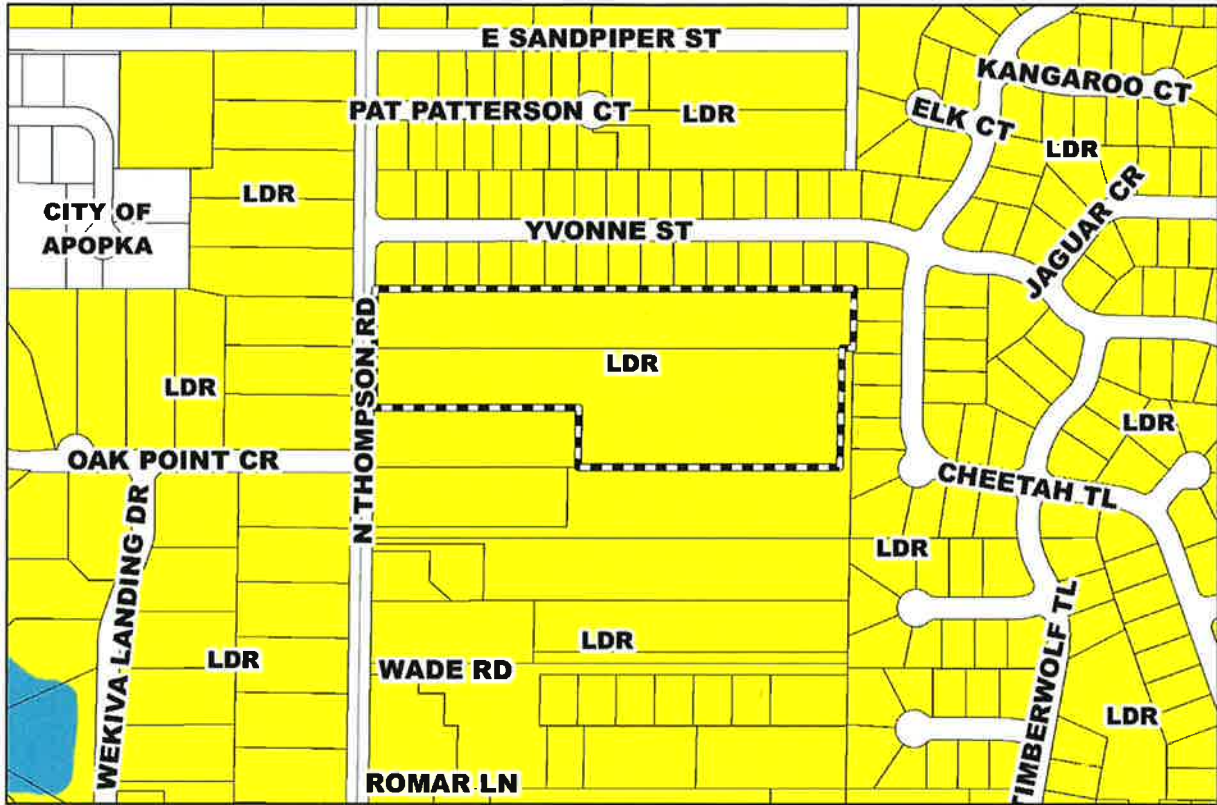

The staff report was presented to the PZC with the recommendation that they make a finding of consistency with the Comprehensive Plan and recommend APPROVAL of the requested R-1 (Single Family Dwelling District) zoning.

A project information presentation was held in a lieu of a community meeting and ten (10) residents provided a feedback form in opposition to the request. Staff indicated that three hundred and three (303) notices were sent to property owners extending beyond 600 feet surrounding the property, and that staff had received eight (8) commentaries in opposition to the request and zero (0) in favor. One (1) member of the public was present to speak on this request.

After discussion addressing the proposed use of the property and compatibility with the surrounding area, Commissioner Velazquez added a restriction to limit lots to no less than sixty (60) feet in width. Commissioner Velazquez then made a motion to recommend approval of the request, subject to the lot width restriction. The motion was seconded by Commissioner Dunn and passed on a 9-0 vote.
