SUBJ: **Establishment of Multi-Way Stop Control at the Intersection of North Shore Golf Club Boulevard and Marsh Pine Circle**

A citizen with safety concerns requested that the Traffic Engineering Division review the traffic control at the intersection of North Shore Golf Club Boulevard and Marsh Pine Circle.

Traffic Engineering conducted a qualitative evaluation of the intersection, which entailed a review of existing field conditions including critical approach speed, sight distance, traffic volumes, vehicle delay, and pedestrian movements. In support of the results and to improve safety, staff recommends that the Board approve the establishment of a multi-way stop control at North Shore Golf Club Boulevard and Marsh Pine Circle.

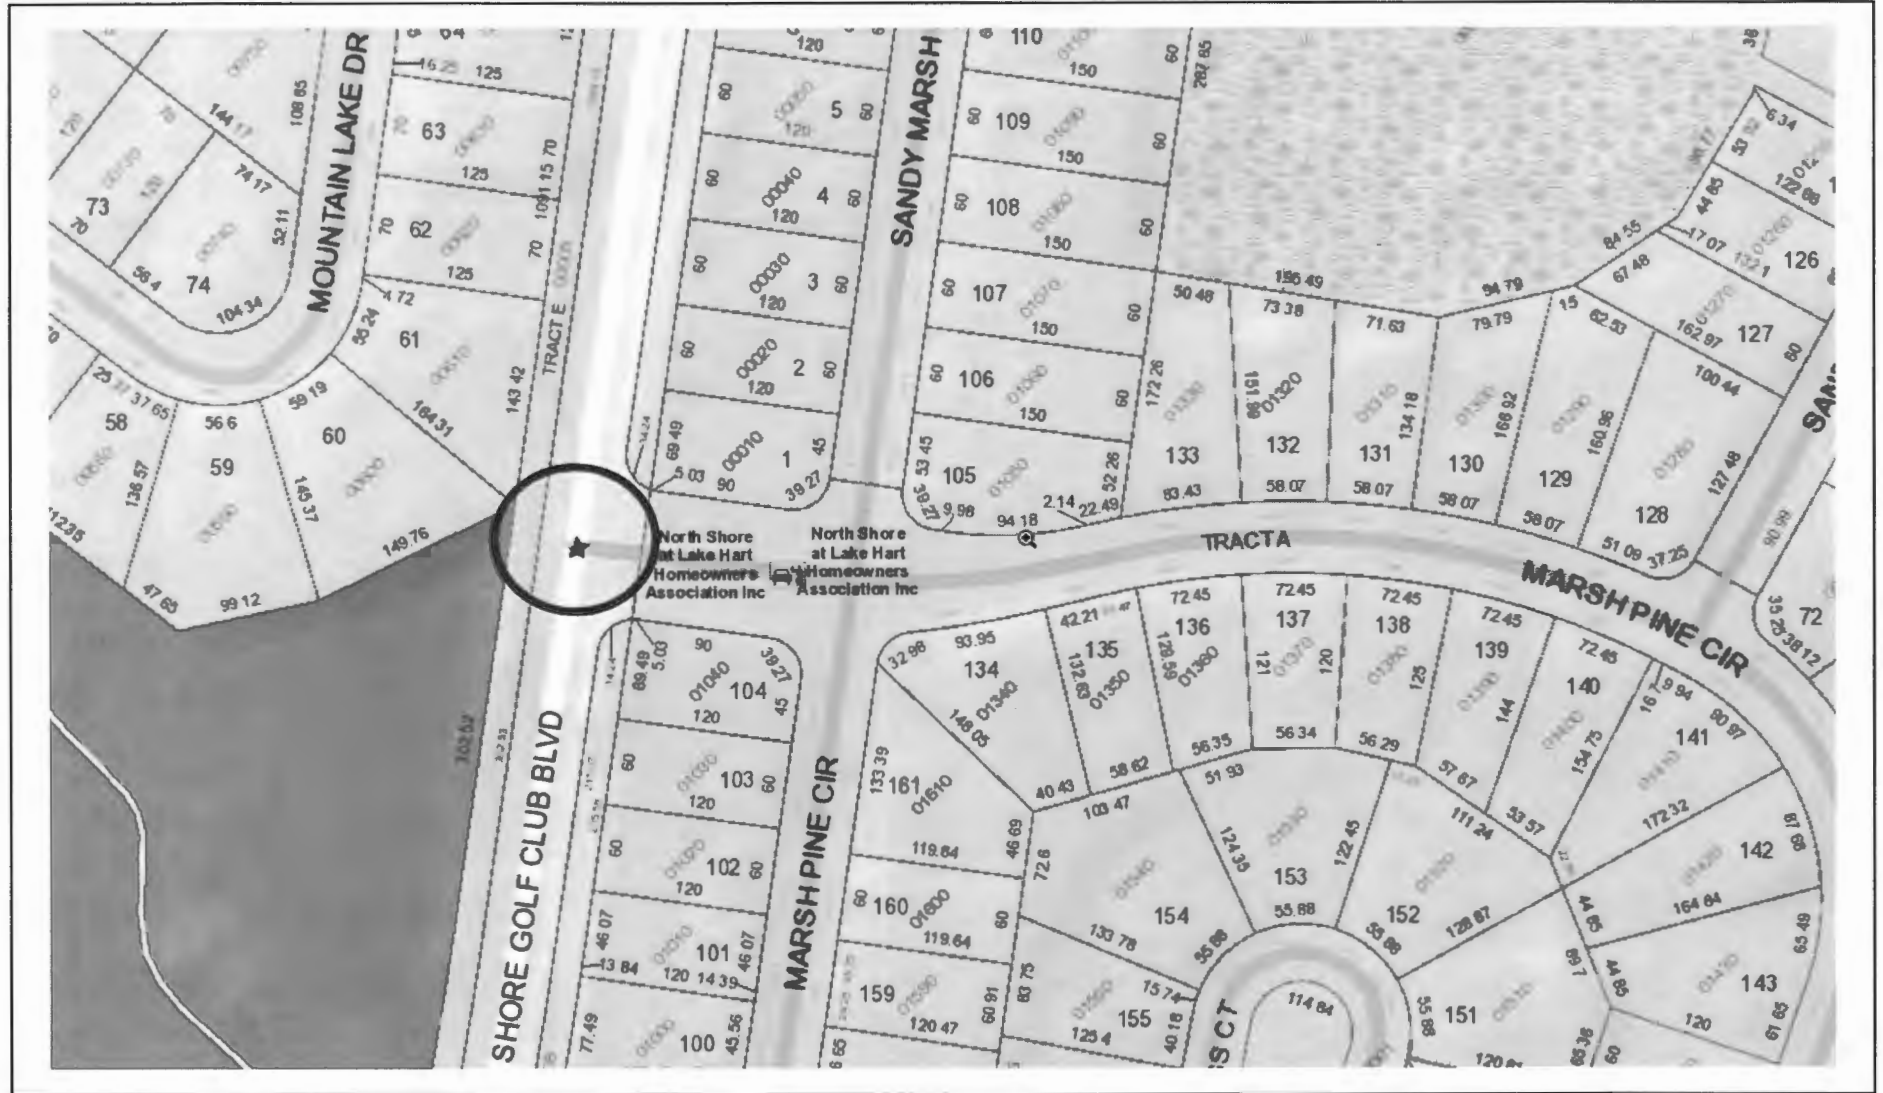

Action Requested: Approval of a multi-way stop control at the intersection of North Shore Golf Club Boulevard and Marsh Pine Circle. District 4.
