SUBJ: Installations of "No Parking" Zones on Sections of Ward Road

Residents of Creekstone Phase 1 neighborhood have requested that "No Parking" zones be established in the north and south curves of Ward Road within the subdivision.

The Traffic Engineering Division has determined that parking of vehicles in the north and south curves creates a sight restriction and impedes the flow of vehicular traffic creating hazardous conditions to homeowners and pedestrians. The Traffic Engineering Division is requesting "No Parking" zones be established in the curves on Ward Road to eliminate the hazardous conditions.

Staff recommends that the Board approve the installation of "No Parking" zones between addresses 14397 through 14427 and between addresses 14565 through 14541 on Ward.

Action Requested: Approval of "No Parking" Zone installations between addresses 14397 through 14427 and between addresses 14565 through 14541 on Ward Road. District 4.
