WHEREAS, consistent with Section 163.3167, Florida Statutes, Orange County
40 ("County") is empowered and authorized to plan for future development and growth, adopt and amend a Comprehensive Plan ("Plan"), and implement the Plan through appropriate land
42 development regulations, including zoning ordinances; and

- WHEREAS, Orange County is responsible for ensuring that all land development regulations are consistent with the Plan, including the establishment of zoning districts and a map
 and the issuance of development orders in accordance with the Plan; and
- WHEREAS, Orange County has prepared an updated Comprehensive Plan, commonly referred to as "Vision 2050," that moves the County toward a more sustainable and resilient future
 and reflects changes in local conditions with new or modified goals, objectives and policies directing Orange County's future growth and development; and
- 52

WHEREAS, it is the intent of the Orange County Board of County Commissioners to adopt Vision 2050 as the Comprehensive Plan in order to preserve, enhance, and encourage the 54 most appropriate use of land, water and resources consistent with the public interest; promote, protect, and improve public health, safety, comfort, good order, appearance, convenience, law 56 enforcement and fire prevention, and general welfare; to prevent the overcrowding of land and avoid undue concentration of populations; to facilitate the adequate and efficient provision of 58 transportation, water, sewerage, schools, parks and recreation facilities, housing, solid waste, drainage, and other facilities and services; to conserve, appropriately develop, utilize, and protect 60 natural and historic resources; to adequately plan for and guide growth and development within the County; to coordinate local decisions relating to growth and development; and to ensure that 62 the existing rights of property owners are preserved in accordance with the Constitutions of the State of Florida and of the United States; and 64

66

WHEREAS, the County has caused to be prepared a comprehensive update to existing land development regulations to ensure consistency with the adopted Comprehensive Plan.
