Dynamic Art Application Fee

On May 21, 2019, the Board adopted Ordinance #2019-06 which affected the use of land by amending Orange County Code provisions related to the I-Drive District Overlay Zone, in part to provide for Dynamic Art standards. The ordinance set forth an application process to permit Dynamic Art to be displayed on the exterior surface area of certain buildings or parking structures, subject to approval by the Planning Division Manager. In accordance with the ordinance, the County has determined the average cost of review and approval of such installations to be \$976.

The Office of Management and Budget has reviewed this proposed fee and concurs that it meets statutory requirements. Upon approval, this fee would be immediately effective.

ACTION REQUESTED: **Approval of revision to the Fee Directory Fiscal Year 2019-2020 adding a fee of \$976 for Dynamic Art Application. District 6**
