Interoffice Memorandum

January 17, 2020

TO: Mayor Jerry L. Demings  
-AND-  
Board of County Commissioners

FROM: Kurt N. Petersen, Manager, Office of Management and Budget *K.N.P.*

SUBJECT: Budget Amendments

The purpose of this memorandum is to provide you with additional information related to the scheduled public hearing for the budget amendment on January 28, 2020.

The main purpose of the amendment package is to adjust the adopted budget for encumbrance rollovers (commitments of budgeted funds to purchase goods or services in FY 2018-19 but not received prior to October 1, 2019), grant rollovers/carryover funding, capital improvement program rebudget adjustments, and other necessary adjustments. In addition, the amendment is used to adjust the budget to reflect actual fund balance (also referred to as cash brought forward). You may recall from previous discussions, the basic formula for calculating estimated fund balance is:

Cash as of estimating date  
+ Estimated revenue through year end  
- Estimated expenditures through year end  
- Allowance for estimated encumbrance rollovers  
= Estimated fund balance

Changes in any of these factors result in excess or shortfall in fund balance. Examples of situations that may lead to differences in fund balance are: revenue received over/under amount estimated; timing fluctuations in capital projects that can increase or decrease actual expenditures; level of operating expenses impacted by various factors; and increases or decreases in encumbrance rollovers for items that were expected to be purchased in the new year.

The package includes the following amendments for your approval at the January 28, 2020 meeting:

Fund Balance Amendment #20-30 – Amends the adopted fund balance budget for the difference between actual and estimated fund balance with adjustments allocated between personal services, operating expenses, capital, and reserves.

Encumbrance Rollover Amendment #20-31 – Amends the adopted budget for all encumbrance rollovers for 56 non-grant funds.

Capital Improvement Amendment #20-33 – Amends project costs for the capital improvement budget for differences between actual and estimated rebudgets, revisions to fund balance, and other adjustments.

I have scheduled individual briefings with each of you to discuss the amendment package.
