SUBJ: Installation of "No Parking" Signs on Page Avenue and Dawley Avenue

Orange County Stormwater Management Division has requested that "No Parking" signs be installed on Page Avenue and Dawley Avenue at the fence line of the retention pond.

Traffic Engineering staff has determined that the parking of vehicles on the right-of-way is interfering with routine maintenance and is damaging County right-of-way; therefore, staff recommends the installation of "No Parking" signs.

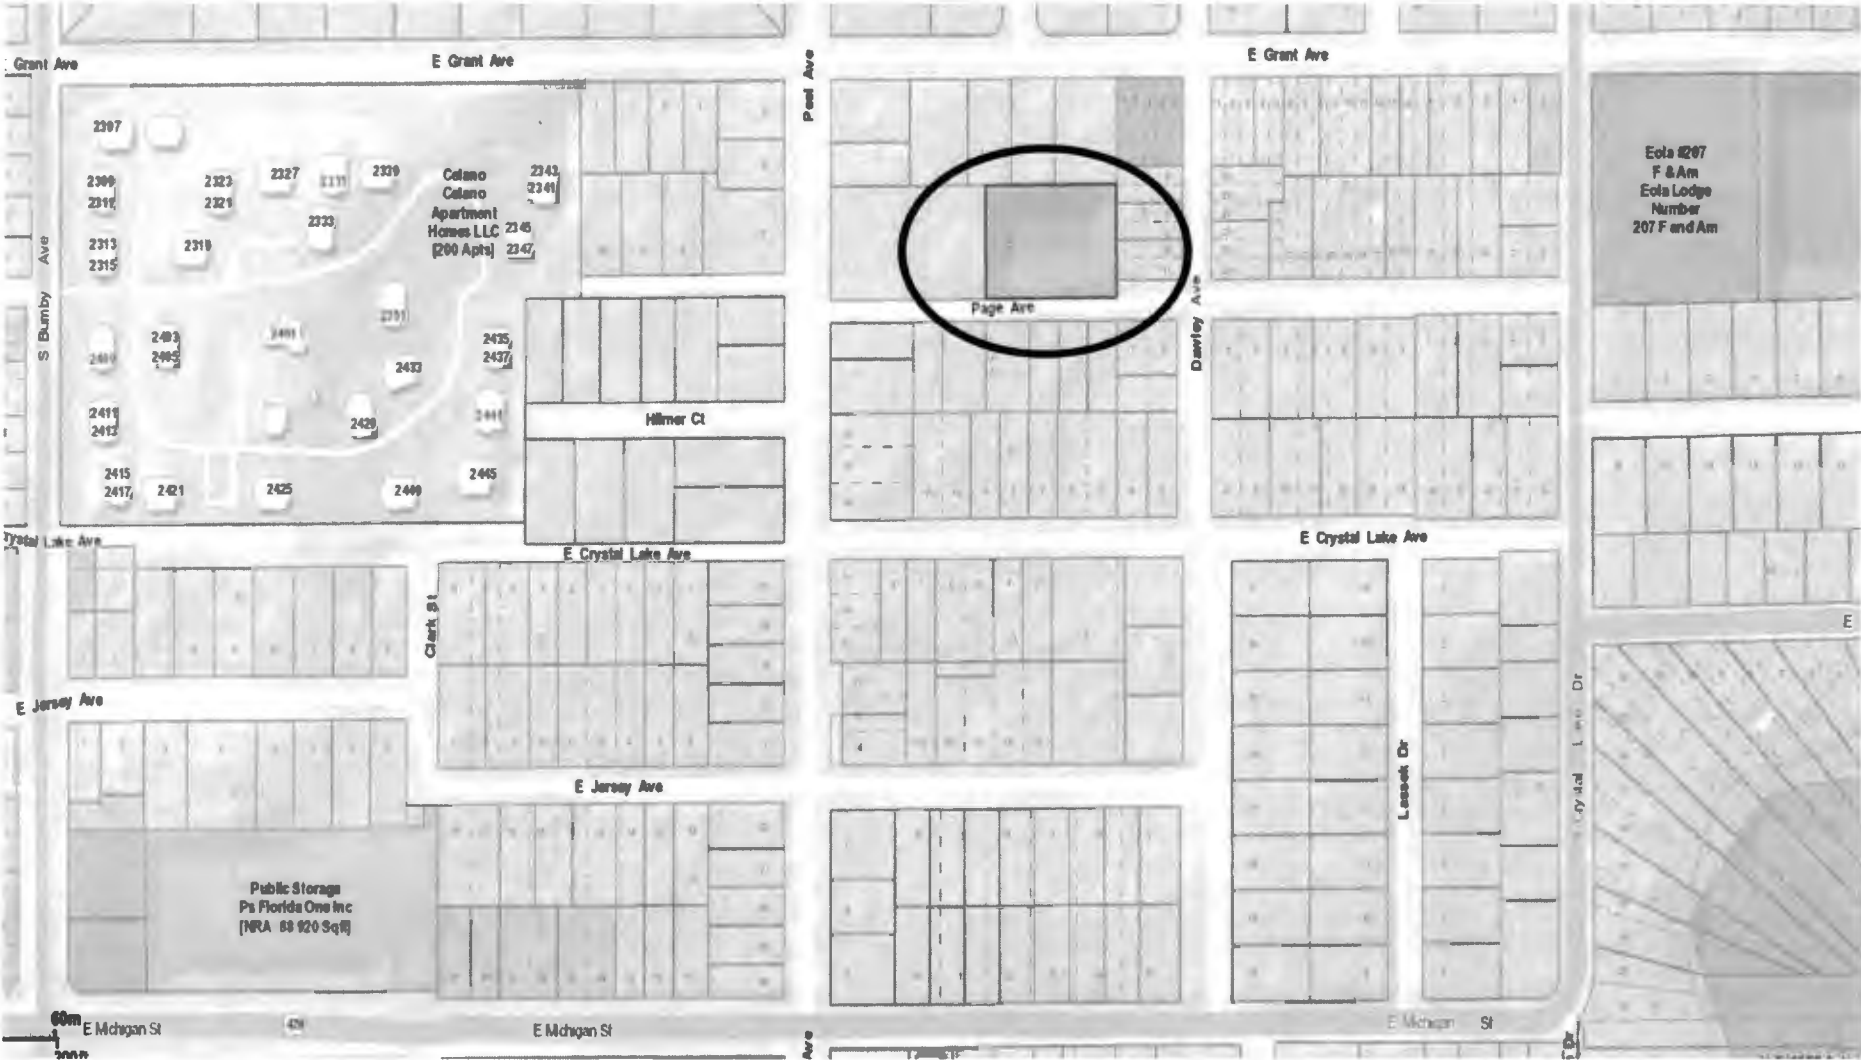

Staff recommends that the Board approve the "No Parking" signs installation on Page Avenue and Dawley Avenue.

Action Requested: Approval of "No Parking" signs installation on Page Avenue and Dawley Avenue at the fence line of the retention pond. District 3.
