Enclosed please find an invoice that includes the amount for your county's annual membership dues to the Florida Association of Counties for Fiscal Year 2025-26. The FAC membership approved a dues structure in 2018 which is based both on CPI-U and population. The FAC Board of Directors elected to waive the CPI-U increase for FY2025-26 dues for the second year in a row. The invoiced amount is based on the most recent changes in individual county populations, subject to a minimum and maximum dues amount.

We greatly appreciate your continued support of the Association. Your engagement is critical for all of Florida and your community alike. We look forward to serving you and your county in the coming year. Please do not hesitate to contact me directly via email at gdelegal@fl-counties.com if you have any questions or would like additional information.
