

Interoffice Memorandum

April 18, 2023

TO: Mayor Jerry L. Demings
-AND-
County Commissioners

FROM: Joseph C. Kunkel, P.E., Director, Public Works Department

CONTACT PERSON: **Humberto L. Castellero, P.E., PTOE, Manager**
Traffic Engineering Division

PHONE NUMBER: (407) 836-7891

SUBJ: **Installation of "No Parking" signs on Overland Road**

The Orange County Roads and Drainage Division has requested that "No Parking" signs be installed on the east side of Overland Road from Keystone Heights Street and extending south 700 feet.

Following a field review, Traffic Engineering staff has determined that vehicles parking along the unpaved shoulder of Overland Road are causing damage to the County's right of way. The large number of heavy trucks have initiated pavement failure and shoulder erosion which could cause costly repairs to bring the road into compliance. In addition, the trucks are creating line of sight concerns for drivers, forcing vehicles to pull into the travel lanes in an unsafe manner.

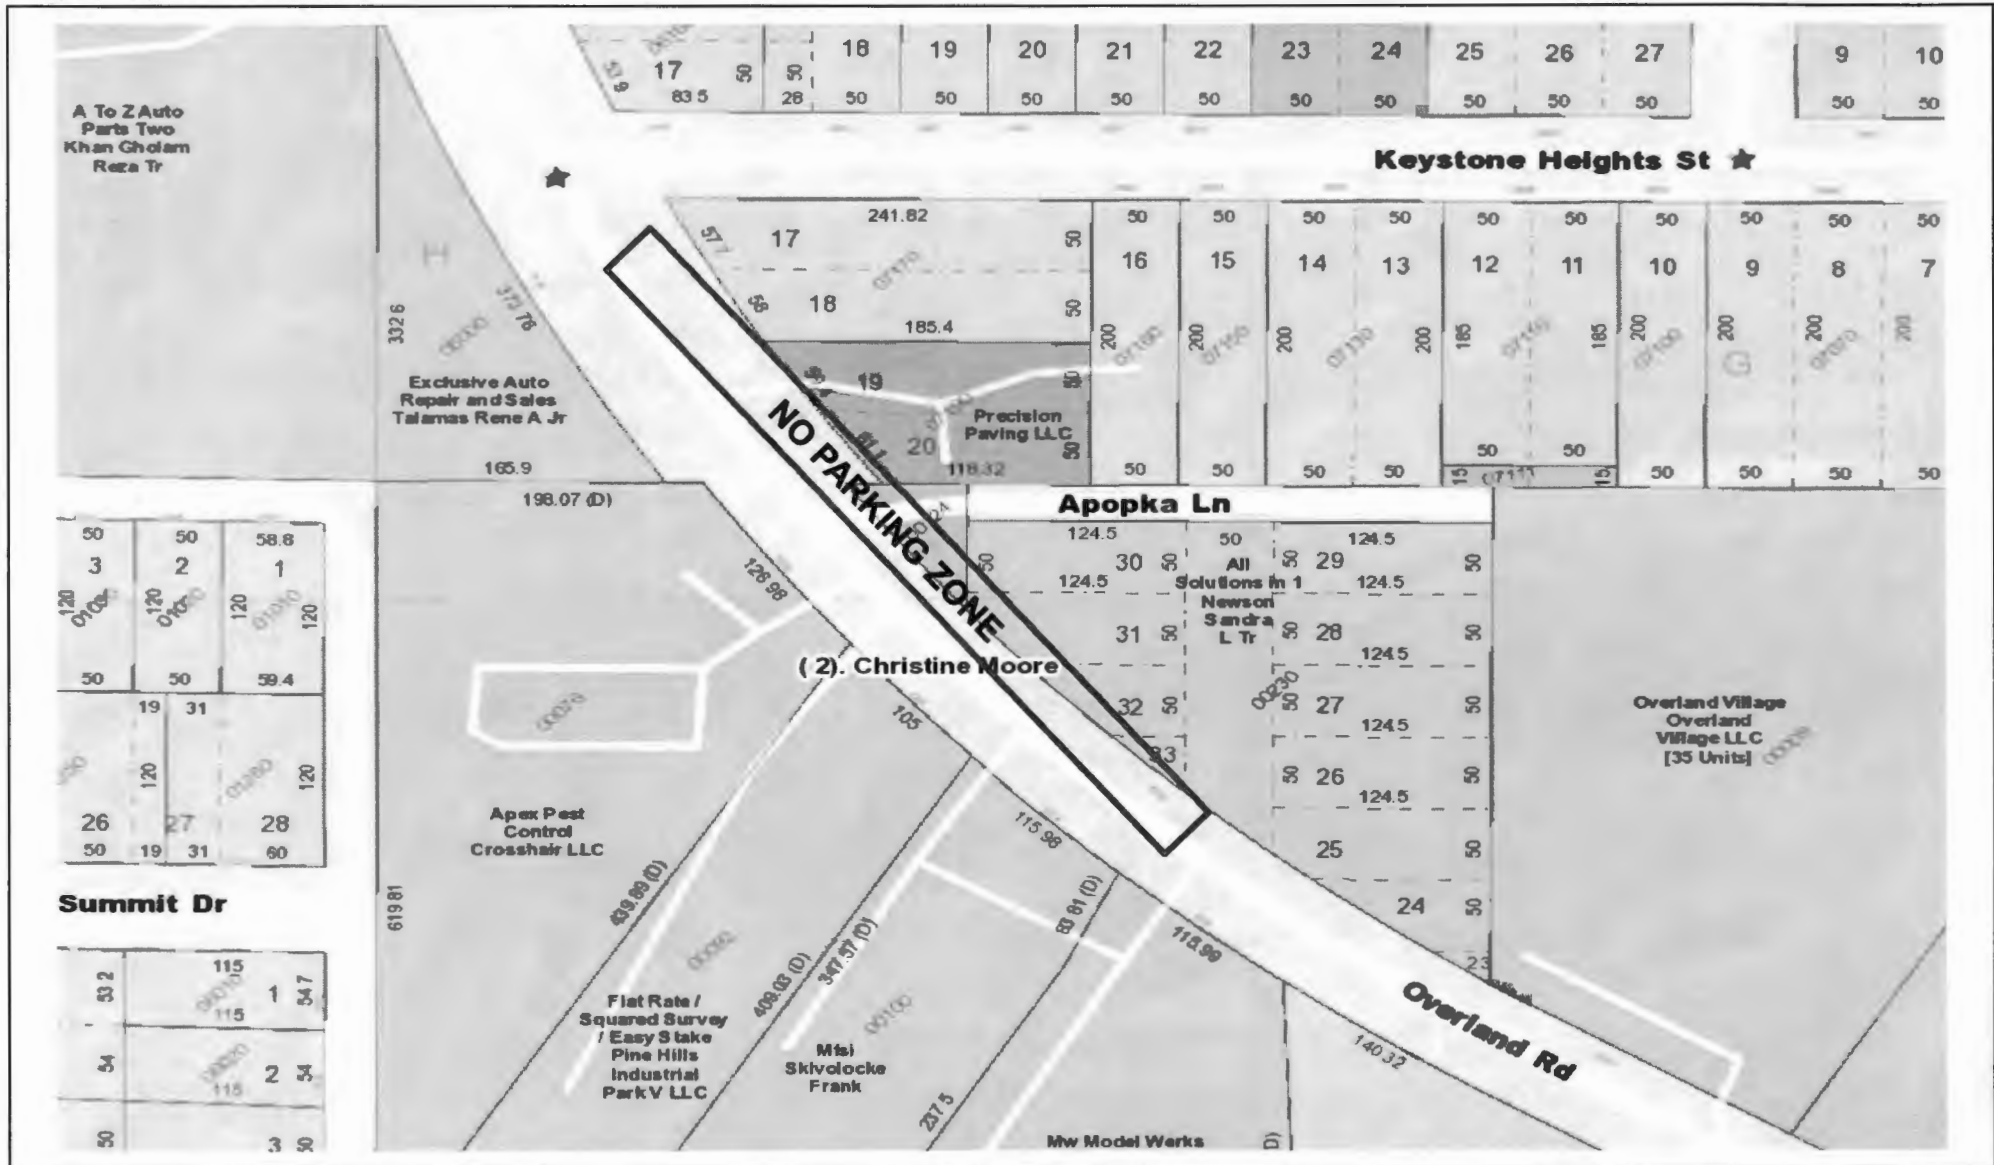

Staff recommends that the Board approve the installation of "No Parking" signs on the east side of Overland Road from Keystone Heights Street extending south.

Action Requested: Approval of "No Parking" signs installation on one side of Overland Road from Keystone Heights Street extending south 700 feet. District 2.
