**PROPORTIONATE SHARE AGREEMENT FOR  
TURKEY LAKE ROAD HOTEL**

---

**SAND LAKE ROAD AND TURKEY LAKE ROAD**

This Proportionate Share Agreement (the “Agreement”), effective as of the latest date of execution (the “**Effective Date**”), is made and entered into by and between Turkey LRA, LLC, a Florida limited liability company (“**Owner**”), with its principal place of business at 20801 Biscayne Boulevard, Suite 403, PMB 1006, Aventura, Florida 33180, and Orange County, a charter county and political subdivision of the State of Florida (“**County**”), with its principal address at P.O. Box 1393, Orlando, Florida 32802-1393. Owner and County may sometimes be referred to herein individually as “Party” and collectively as “Parties.”

WHEREAS, Owner holds fee simple title to certain real property, as generally depicted on Exhibit “A” and more particularly described on Exhibit “B”, both of which exhibits are attached hereto and incorporated herein by this reference (the “**Property**”); and

WHEREAS, the Property is located in County Commission District 1, and the proceeds of the PS Payment, as defined herein, will be allocated to Sand Lake Road and Turkey Lake Road; and

WHEREAS, Owner intends to develop the Property as 65 Room/Unit Hotel, referred to and known as Turkey Lake Road Hotel (the “**Project**”); and

WHEREAS, Owner received a letter from County dated October 24, 2024, stating that Owner’s Capacity Encumbrance Letter (“**CEL**”) application #24-06-050 for the Project was denied; and

WHEREAS, the Project will generate 4 deficient PM Peak Hour trips (the “**Excess Trips 1**”) for the deficient roadway segment on Sand Lake Road from Turkey Lake Road to International Drive (the “**Deficient Segment 1**”), and Zero (0) PM Peak Hour trips were available on the Deficient Segment 1 on the date the CEL was denied, as further described in Exhibit “C” attached hereto and incorporated herein; and

WHEREAS, the Project will generate 2 deficient PM Peak Hour trips (the “**Excess Trips 2**”) for the deficient roadway segment on Turkey Lake Road from Sand Lake Commons Boulevard to Sand Lake Road (the “**Deficient Segment 2**”), and Zero (0) PM Peak Hour trips were available on Deficient Segment 2 on the date the CEL was denied, as further described in Exhibit “C” attached hereto and incorporated herein; and

WHEREAS, the Excess Trips 1 and Excess Trips 2 shall be referred to herein collectively as the Excess Trips; and

WHEREAS, the Deficient Segment 1 and Deficient Segment 2 shall be referred to herein collectively as the Deficient Segments; and

WHEREAS, the Excess Trips will cause the Deficient Segments to operate below adopted Level of Service standards; therefore, pursuant to Section 163.3180(5)(h), Florida Statutes, as amended, Owner has offered to provide County with proportionate share mitigation for the Excess Trips; and

WHEREAS, Owner and County have agreed that the proportionate share payment necessary to mitigate the impact of the Excess Trips on the Deficient Segments through the current anticipated Project buildout is One Hundred Ten Thousand One Hundred Fourteen and 00/100 Dollars (\$110,114.00) (the “**PS Payment**”); and

WHEREAS, County and Owner desire to set forth certain terms, conditions, and agreements between them as to the development of the Property into the Project.

NOW, THEREFORE, in consideration of the premises contained herein and other good and valuable consideration exchanged by and between Owner and County, the receipt and sufficiency of which are hereby acknowledged, the Parties stipulate and agree as follows:

**Section 1. Recitals.** The above recitals are true and correct and are incorporated herein by this reference.

**Section 2. PS Payment; CEL.**

(a) *Calculation of PS Payment:* The amount of the PS Payment for the Deficient Segments, as described in Exhibit “C”, totals One Hundred Ten Thousand One Hundred Fourteen and 00/100 Dollars (\$110,114.00). This PS Payment was calculated in accordance with the

methodology outlined in Section 163.3180, Florida Statutes, as may be amended. Owner and County agree that the Excess Trips will constitute the Project's impact on the aforementioned Deficient Segments based upon (i) Owner's Traffic Study titled "Turkey Lake Road Hotel Transportation Concurrency Analysis" prepared by Kimley-Horn and Associates, Inc., dated August 2024, for Turkey LRA, LLC (the "**Traffic Study**"), which is incorporated herein by this reference, and (ii) upon the calculations described in Exhibit "C". The Traffic Study was accepted by the Orange County Transportation Planning Division on October 4, 2024, and is on file and available for inspection with that division (CMS #2024050). Owner and County further acknowledge and agree that the PS Payment as set forth above shall be the final and binding calculation of the amount the Owner is required to pay through the buildout of the currently approved Project as proportionate share mitigation for impacts of the Project upon roadways within County's jurisdiction, notwithstanding any subsequent variance in the actual cost of any improvement(s) to the Deficient Segments or actual traffic /travel impacts created by the Project; provided, however, that if Owner modifies the Project's development program and/or subsequently increases the number of units and/or square footage, as applicable, of the Project, the Project may then be subject to an additional concurrency evaluation and proportionate share agreement as set forth in Subsection 2(d) below. Owner and County further acknowledge and agree that the calculation of an agreement regarding the amount of the PS Payment constitute material inducements for the Parties to enter into this Agreement.

(b) *Timing of PS Payment, Issuance of CEL.* Not later than ninety (90) days following the Effective Date, Owner shall deliver a check to County in the amount of One Hundred Ten Thousand One Hundred Fourteen and 00/100 Dollars (\$110,114.00) as the PS Payment. The check shall be made payable to "Orange County Board of County Commissioners" and shall be delivered to the Fiscal and Operational Support Division of the Planning, Environmental, and Development Services Department. Within twenty-one (21) days following its receipt of the PS Payment, if the Property's future land use designation and zoning are consistent with the Project's proposed development, County shall issue a CEL sufficient to encumber traffic capacity for the Project, irrespective of any actual traffic deficiency on the Deficient Segments. Within the time frame provided in the CEL, Owner must reserve the encumbered trips by obtaining a Capacity Reservation Certificate as provided in Section 30-591 of the Orange County Code, as may be amended. An amount equal to the PS Payment shall be applied toward the amount of the initial capacity reservation payment (and any subsequent reservation payment(s), if the initial reservation payment does not exceed the amount of the PS Payment) as further set forth in Section 3 below. In the event Owner has not paid the PS Payment within ninety (90) days after the Effective Date, one extension of ninety (90) additional days may be granted by the manager of County's Transportation Planning Division. In the event Owner has not paid the PS Payment to County within one hundred eighty (180) days after the Effective Date, this Agreement shall become null and void.

(c) *Project Development.* Recordation of a subdivision plat and/or approval of a commercial site plan for the Project shall not be permitted prior to the issuance of a Capacity Reservation Certificate as contemplated in subparagraph 2(b) above.

(d) *Increase in Project Trips.* Any change or modification to the Project that increases the unit count and/or square footage, as applicable, may result in an increase in trips on the Deficient Segments or other segments within the transportation impact area, as defined by County. Owner understands and agrees that any such additional trips are neither vested nor otherwise permitted under this Agreement, and that Owner is precluded from asserting any such vesting. In addition, Owner understands and agrees that any such changes resulting in an increase in trips may cause this Agreement to become null and void, and/or may require application for and execution of an additional Proportionate Share Agreement, along with any other required documentation, for the number of increased trips.

(e) *Satisfaction of Transportation Improvement Requirements.* County hereby acknowledges and agrees that upon Owner's payment of the PS Payment as required herein, and absent any change or modification to the Project as set forth in Subsection 2(d) above, Owner shall be deemed to have satisfied all requirements for the mitigation of the traffic impacts of the Project on all roads affected by the Project within County's jurisdiction through buildout of the Project. Owner shall be entitled to fully and completely develop the Project, without regard to whether improvements to the Deficient Segments are actually constructed; provided, however, Owner shall be required to obtain a Capacity Reservation Certificate prior to the expiration of Owner's Capacity Encumbrance Letter and shall be required to maintain the validity of the Capacity Reservation Certificate in accordance with its terms. Additionally, nothing herein shall be construed to exempt Owner from meeting the requirements of all other applicable laws, rules, regulations, and/or Orange County Code provisions or from making the required payment of transportation and other impact fees applicable to the Project, subject to any credits as set forth in Section 3 below. For avoidance of doubt, nothing herein is intended to, nor shall, constitute prepayment of any densities and/or intensities of development or of any development program.

**Section 3. Transportation Impact Fee Credits.** County and Owner agree that in accordance with Section 163.3180(5)(h)(2)(e), Florida Statutes, as may be amended, Owner shall receive a credit on a dollar for dollar basis for impact fees, paid or payable in the future for the Project in an amount up to but not exceeding the PS Payment as specifically described in Exhibit "C". County further agrees that such credits may be applied on a dollar for dollar basis against capacity reservation fees at such time as capacity reservation fees may be required to be paid by Owner in connection with the issuance of a Capacity Reservation Certificate as contemplated in Section 2 above. In no event shall Owner receive credits in excess of the PS Payment and in the event the PS Payment exceeds either the applicable transportation impact fees or capacity reservation fees, as the case may be, Owner shall not be entitled to a refund for the amount of the PS Payment in excess of such transportation impact fees or capacity reservation fees. For

avoidance of doubt, nothing herein is intended to, nor shall, constitute prepayment of any densities and/or intensities of development or of any development program.

**Section 4. No Refund.** The PS Payment (including any capacity reservation fees paid with the PS Payment) is non-refundable and cannot be transferred or applied to another project or property.

**Section 5. Notice.** Any notice delivered with respect to this Agreement shall be in writing and be deemed to be delivered (whether or not actually received) (i) when hand delivered to the person(s) hereinafter designated, or (ii) upon deposit of such notice in the United States Mail, postage prepaid, certified mail, return receipt requested, addressed to the person at the address set forth opposite the party's name below, or to such other address or other person as the party shall have specified by written notice to the other party delivered in accordance herewith:

**Section 10.
