

ORANGE COUNTY, FLORIDA
and
THE ORANGE COUNTY SUPERVISOR OF ELECTIONS

FACILITY USE AGREEMENT FOR THE 2025 ELECTION YEAR

THIS FACILITY USE AGREEMENT FOR THE 2025 ELECTION YEAR (“**Agreement**”) entered into by and between Orange County, Florida, a charter county and political subdivision of the State of Florida (“**County**”), and the Orange County Supervisor of Elections (“**SOE**”). The County and SOE may be individually identified as a “party” or collectively as the “parties.”

RECITALS

- A.** Pursuant to Section 101.71, Florida Statutes, a polling place is to be provided in each precinct of the County.
- B.** In accordance with Section 101.71(5), Florida Statutes, upon the request by the SOE, public tax-supported buildings are to be made available for use as polling places.
- C.** SOE has requested to use certain County-owned properties as polling places for voting activities for elections to be held in the 2025 calendar year.
- D.** The parties have agreed to enter into this Agreement to establish the terms and conditions under which the SOE may utilize those certain County-owned properties.

NOW, THEREFORE, in consideration of the mutual covenants and conditions set forth herein, the sufficiency of which are hereby mutually acknowledged, County and SOE agree as follows:

1. **Recitals.** The recitals set forth above are true and correct and are incorporated herein by this reference, as a material part of this Agreement.
2. **Polling Places.** The location of the polling places contemplated under this Agreement shall be as more specifically identified in **Exhibit A**, attached hereto and incorporated herein by reference (collectively referred to as “**Polling Places**”). SOE shall coordinate with the County Facilities Management Division (“**Facilities Management**”) prior to the use of any Polling Place provided for under this Agreement to allow for HVAC schedule adjustment for each respective facility. Notification shall be made by SOE directly to Facilities Management by e-mail with a copy provided to the identified County contact person for each respective Polling Place, if needed.
3. **Election Schedule.** The parties agree that use of the Polling Places for voting activities under this Agreement shall be limited to the dates set forth in the election schedule, as more specifically described in **Exhibit B**, attached hereto and incorporated herein by reference (“**Election Schedule**”).

4. **Permitted Use.** Permitted use of the Polling Places by the SOE shall be limited to the carrying out of election activities including, but not limited to, delivery, set up, administration of early or election day voting activities, and pick-up of election equipment and supplies.

5. **Polling Place Access.** Access to the Polling Place facilities, by SOE staff, shall be as set forth in **Exhibit C**, attached hereto and incorporated herein by reference (collectively “**Operating Hours**”). SOE shall ensure its staff members remain at their respective Polling Place until the completion of all voting activities. The parties acknowledge and mutually agree to extend the Operating Hours and provide notice thereof to appropriate staff in the event election activities are not completed within the times set forth in **Exhibit C**.

6. **Staffing by SOE.** SOE agrees to provide adequate staff at the Polling Places to ensure smooth operations of all voting activities contemplated under this Agreement. SOE agrees to provide one (1) poll worker for each Polling Place (“**Clerk**”) to manage poll operations during each day of the Election Schedule. SOE’s Clerk will oversee the operations at the Polling Place, which will include, but not be limited to, managing poll workers assigned to that location.

7. **Staffing by County.** County agrees to identify and designate staff that will assist the SOE at each of the Polling Places to ensure that the facility is open during the Hours of Operation. County’s designated staff will also agree either to assist with securing the location at the end of the voting day or to instruct the SOE as to how to secure the location at the completion of each day of the Election Schedule following the exit of the poll workers from the Polling Places. County staff will be responsible for granting access to designated areas within the Polling Places, for coordinating and facilitating the use of the designated areas within the Polling Places, and for providing maintenance and custodial support.

8. **Access by SOE.** County may permit SOE to gain access to Polling Places up to two (2) weeks prior to and three (3) days after each Early Voting Election Schedule and up to three (3) days before and after each Election Day, as necessary, for purposes of carrying out election activities including, but not limited to, delivery, set-up, and pick-up of all election equipment, supplies and other necessary materials. Arrangements with regard to dates and times for delivery and pick-up of computer and voting equipment, supplies, and other materials shall be by mutual agreement between the parties. SOE shall be responsible for coordinating such arrangements with the County identified contact person for each respective Polling Place which shall be as more specifically identified in **Exhibit D**, attached hereto and incorporated herein by reference. In the event the SOE determines that the designated area within a Polling Place is unusable for any reason, SOE shall promptly notify County’s representative for that specific location to implement any necessary contingency plans.

9. **Use of Polling Places.** The parties agree that the Polling Places identified under this Agreement shall be used only for the times established per Section 5 (“Polling Place Access”) above and **Exhibit C** of this Agreement. If, in the SOE’s sole opinion, any Polling Place requires additional scheduled cleaning, prior to the scheduled date(s) of use, SOE shall coordinate with, and provide payment to, the County for such additional cleaning services. SOE shall use its best effort to ensure the flooring in each Polling Place is protected from damage as a result of moving equipment and/or furniture. SOE shall ensure Polling Places are returned to the County in the same condition that the Polling Places were received prior to each scheduled Election Date, excluding normal wear and tear. County shall remain solely responsible for all costs associated with routine maintenance and repairs for all Polling Places. SOE shall be responsible for compliance with The Americans with Disabilities Act (“**ADA**”) requirements as they relate to voting activities. The County shall remain responsible for any modifications or alterations to the Polling Places for ADA compliance. The SOE shall limit its voting activities to the area(s) of each Polling Place as

designated by the County and shall avoid any undue interruption of the County's continued use of the remaining portion of each Polling Place facility.

10. **Utilities.** County shall allow SOE to utilize existing power and internet service at no charge. SOE will pay for any telephone charges that may be necessary, including installation charges for additional lines as necessary to ensure the proper operation of the Polling Place. Prior to use by the SOE, the County shall permit and inspect all installations. SOE shall, at the County's request, ensure the proper removal of all lines, cables, and other items installed as a result of the SOE's use of the Polling Places.

11. **Liability and Sovereign Immunity.** Nothing in this Agreement constitutes an agreement by either party to assume any liability of any kind for the acts, omissions, and/or negligence of the other party or the other party's officers, employees, agents, or contractors. Nothing in this Agreement constitutes a waiver of either party's sovereign immunity or the provisions of Section 768.28, Florida Statutes.

12. **Law Enforcement; Solicitation.** County acknowledges that, pursuant to Section 102.031, Florida Statutes, SOE possesses "full authority to maintain order at the polls and enforce obedience to its lawful commands during an election and the canvass of the votes" including the deployment of law enforcement officers to have disruptive or unruly persons removed from the Polling Places. SOE agrees to enforce the applicable provisions of Florida's Election Code regarding solicitation.

13. **Miscellaneous.** County and SOE agree to the following additional conditions:

a. Early Voting can only be suspended, cancelled, or extended upon the issuance of an Executive Order from the Florida Governor or by Order of a Court of competent jurisdiction. County will be expected to assist SOE with compliance with any applicable Executive or Court Orders issued.

b. Parking Spaces at the Polling Places shall be available on a first-come, first-serve basis. SOE acknowledges that parking for the voting activities contemplated under this Agreement will be shared with County staff and patrons. County reserves the right to reserve an adequate number of parking spaces for use by County staff. The number and location of such parking spaces shall be at the sole discretion of the County.

c. SOE shall be solely responsible for ensuring that all proposed Polling Places, more specifically identified in **Exhibit A**, are suitable for SOE needs.

14. **Special Elections.** The SOE will notify the County of any additional Special Elections scheduled for the 2025 calendar year that are not already contemplated by this Agreement and may necessitate the SOE's use of County facilities. Upon receiving the SOE's notice, the parties may mutually agree to a written amendment of this Agreement modifying this Agreement's terms including, but not necessarily limited to, the list of Polling Places and Elections Schedule.

15. **Polling Place Relocation.** In the event that the County or SOE determines that any of the Polling Places are no longer suitable for voting activities, the SOE and County will diligently pursue alternative sites that would be suitable for such voting activities. SOE and County will then enter into a written amendment to this Agreement outlining the dates and location for such alternative location.

16. **Agreement Amendments.** Amendments to this Agreement shall be in writing and executed by both parties. Through its execution of this Agreement, the County hereby delegates limited

signature authority for amendments to this Agreement to the Manager of County's Real Estate Management Division specifically related to amendment to the following provisions of this Agreement:

- a. Election Schedule (**Exhibit B**);
- b. Hours of Operation (**Exhibit C**);
- c. Polling Place Contact (**Exhibit D**).

17. **Notices.** Notices to either party provided for herein shall be sufficient if sent by interoffice mail.
