Personal History: I worked for the Federal Government for almost 39 years at various agencies to include Homeland Security (Coast Guard HQ and Federal Law Enforcement Training Center HQ), Dept of the Army/Pentagon and U.S. Army Garrison Fort Stewart, Dept of Labor (Employment and Training Administration) and the Veterans Administration HQ. I served in the field of civil rights, diversity, compliance and equal employment opportunity. Age discrimination in employment is one of the areas that I managed. I had responsibility for ADEA training and investigations of allegations of discrimination and harassment in employment. I interned in the field of civil rights as an EEO Specialist with the U.S. Army and ultimately served as a Director of Diversity and EEO with the Army at the Pentagon, the Department of Labor ETA, the U.S. Coast Guard (for civilians and military personnel). I served as National Manager for Hispanic and Disability programs at the VA and FLETC, respectively. I live in Orange County and can offer support on issues affecting the aged in this county. My mom recently passed from Alzheimer's and I was very involved with her care over the past 5 years and educated on issues related to this disease and dementia. I am on LinkedIn if you want to find more information about my federal assignments.

Orange Blossom Trail Development Board

Personal History: As a resident of Orange County, I have a heart to serve our communities. Participating on the Orange Blossom Trail Development Board would afford me the opportunity to gain a more intimate understanding of the needs of our residents as well as the manner in which current leadership, local organizations, and community members are responding to said needs. In addition, it would better equip me to assist the customers who are served by the South Trail Branch of the Orange County Library System where we provide ESOL classes, technology and computer classes, printing/faxing/scanning services, social work services, family enrichment, children's literacy programs, Second Harvest Food assistance, and access to a myriad of resources that help our community learn and grow. In my personal life, I am a mother and wife and have conducted non-profit work in the field of early literacy and ESOL instruction. My professional experience includes serving as library manager for several branches, media specialist at an elementary school, and cultural instructor for an international recruitment firm. The immigrant experience is one that I truly appreciate, for my family moved to Florida from Puerto Rico when I was a child. We understand the process of learning English, adapting to a new culture, and seeking employment, housing, and, ultimately, community. As a result of my experiences and education, I am fluent in English and Spanish and am proficient in French, so I am able to interact effectively with community members of numerous ethnic backgrounds. I would like the opportunity to bring my skills and experiences to the Orange Blossom Trail Development Board.
