**Personal History:** I been a retail manager for over 14 years with direct customer service , hiring ,training,inventory and challenging goals which they go up every quarter. Most of my experience was from Universal Studios which helped me to connect with the world and their needs by talking and finding their needs. As a homeowner I try to be very proactive when is about community involvement I do believe we should always do something for our neighborhood without expecting a direct benefit but more to give for the future of it. Currently I am studying to get my 215 license life and health insurance and work helping families organize their future. My background can show my dedication and passion that takes to get a solution and keep track of issues. My collective experience and financial stability are base on a life

balance that can let me enjoy what living in Orlando represents. I can speak 3 fluent languages and I am trained with DOS, POS, POWER POINT, EXCEL and other programs from HR like ADP and Kronos. I enjoy reading for fun and that includes Probate law and the congress reports . My presence in the board can help answer some of the diverse opinions due the fact we have a massive flock from every where. The Main goal in our district in my opinion should be keep our city clean and productive with community investment which could be defined with funds and efforts from participation for a better Orlando. I want to be part of the change and evolution of our magical town.

**Personal History:** I have been in the Human Services field for 17 years and have a lot of knowledge about child safety. As well as what our families need (services) in the community so they are successful parents thus reducing abuse and neglect. I feel I can be a great advocate as I am on the "front lines" so to speak when working within our communities. I work side by side with DCF and have gained specific child safety training.

**Personal History:** I have been a life long resident of Central Florida, growing up in St. Cloud. I have recently moved to the Williamsburg area and currently seeking ways to become more involved with my community. I am involved in Osceola County as a teacher, a member of the Kissimmee Valley Livestock Shows & Osceola County Fair, previously served as a Board of Director for the Osceola County Farm Bureau and St. Cloud Main Street Program. I was also selected to participate in a two-year program called Florida Young Farmers & Ranchers Program

though the Florida Farm Bureau Federation. Through that program, I was able to participate in legislative activities and it peaked my interest in government and politics. I would like to learn more about Orange County as I plan to run for an elected office in the near future.

**Personal History:** I have been a 25 year business owner in the planning field, I have been disabled for the last 3 years due to a fall. I have used a walker, wheelchair and a scooter. I am constantly challenged with accessibility on sidewalks, in public bathrooms, in government and privately owned buildings. I often travel alone so I have some scary stories. I believe we personally can make a difference! Perhaps I can raise awareness and offer possible advances in increasing accessibility, being retired, I use Access LYNX if my trip is of some distance and the scooter is needed. I appreciate the opportunity to serve our aging population and increase mobility.

**Personal History:** I would be an asset to the Commission on Aging owing to my experience, interests, and current business activities. I have a wide range of experience regarding a number of topics pertaining to aging and retirement. Beginning in December 2014 until July 2015, I was the interim CEO of a social networking website for individuals who are 50 years of age and older. The website focused on creating unique content on a variety of topics for the age demographic in question to keep them healthy, engaged, and enjoying life to their fullest past retirement. I have always enjoyed helping others and contributing to my community. Upon passing the California bar and becoming an attorney, I focused on business law and nonprofit

law. However, I also had the opportunity to work on some cases involving financial elder abuse. The experiences working with my clients, as well as researching the laws and familiarizing myself with past cases, have given me significant appreciation for the various problems seniors face and the necessity that it's prevalent for seniors to be educated about their protections and rights. It was especially angering for me to see people target and prey on particularly vulnerable people in society and it's heartening to see that Florida's financial elder abuse laws are more progressive than California's. Lastly, since November 2017, I have owned an in-home caregiving service which covers the territory of Orlando and Kissimmee. The Commission on Aging would benefit from having someone with my experience owning an in-home caregiving service. This keeps me up to date with the most recent figures and analyses regarding costs of care, changing state and federal laws and how they will affect community members, and changing trends within the aging community. I am able to communicate directly with members in the community about important topics affecting them and a position as a board member would give me the potential to be proactive, rather than just serve as

**Personal History:** I am interested in serving as a board member for the Commission on Aging due to my passion for serving the aged community. I continue to actively serve the aging population through community engagement activities at the state and local level through my church and other community volunteer events and associations. In addition, I have served and serve as a caregiver on a professional and personal level. In order to effectively serve the aging community, I pursued a Certificate in Gerontology from University of California (UC) Davis, serve as a member of American Society of the Aging (ASA), and as a volunteer at the Veterans Hospital, Lake Nona. I believe that my experience and expertise working with the elderly and the stakeholders on all levels in diverse social environments, as well as my background in donor relations, will assist in achieving the organizations mission and goals. I have provided guidance and oversight, and created and developed policy and guidance for meeting stakeholder needs; developed, monitored and tracked annual project budgets, as well as planned meetings and provided the organizations progress on a continuing basis. My skills in stakeholder management will be an asset to the board and the community as it will allow me to be an efficient and effective representative to deliver quality customer engagement services for the aging. Through diverse engagement vehicles, I would be able to foster an inclusive environment that would include advocacy support, training and educational seminars and workshops, community forums, and advancing partnership initiatives.
