SUBJ: Installation of "No Parking" signs on 4th Street

Concerned citizens contacted Commissioner Mayra Uribe's office requesting that "No Parking" signs be installed on both sides of 4th Street between South Orange Avenue and 2nd Avenue.

Following a field review, Traffic Engineering staff has determined that vehicles parking along the unpaved shoulder of 4th Street are causing damage to the County's right of way. The large number of heavy trucks have initiated pavement failure and shoulder erosion which could cause costly repairs to bring the road into compliance. In addition, the trucks are creating line of sight concerns for drivers, forcing vehicles to pull into the travel lanes in an unsafe manner.

Staff recommends that the Board approve the installation of "No Parking" signs on both sides of 4th Street between South Orange Avenue and 2nd Avenue.

Action Requested: Approval of "No Parking" signs installation on 4th Street between South Orange Avenue and 2nd Avenue. District 3.
