This particular request for Board approval will allow the Risk Management Division and Arthur J. Gallagher Risk Management Services, Inc. to participate in ongoing negotiations with insurance carriers up to March 31, 2019, to achieve optimum coverage and pricing. The Risk Management Committee has given their approval in the not-to-exceed amount of \$4,525,000 in premiums (in accordance with the intergovernmental self-insurance agreement adopted by the Board on August 6, 1997).

The requested not-to-exceed amount represents a decrease in the authority requested for the previous policy year.
