**SUBJ: Installation of "No Parking" Signs on Grand River Drive**

A concerned citizen has requested that "No Parking" signs be established on both sides of Grand River Drive from River Canyon Drive to Red Bone Lane.

The request for parking restrictions is to address pedestrian safety incidences and hazardous driving conditions caused by vehicles parking on both sides of the road. Ballots were mailed to the property owners impacted. Upon receipt of the ballots confirming that two-thirds of residents are in favor of the "No Parking" signs, the County will proceed with the installation request. The result of the survey indicated that 85% of the property owners approve the "No Parking" signs.

Staff recommends that the Board approve the installation of "No Parking" signs on both sides of Grand River Drive between River Canyon Drive and Red Bone Lane.

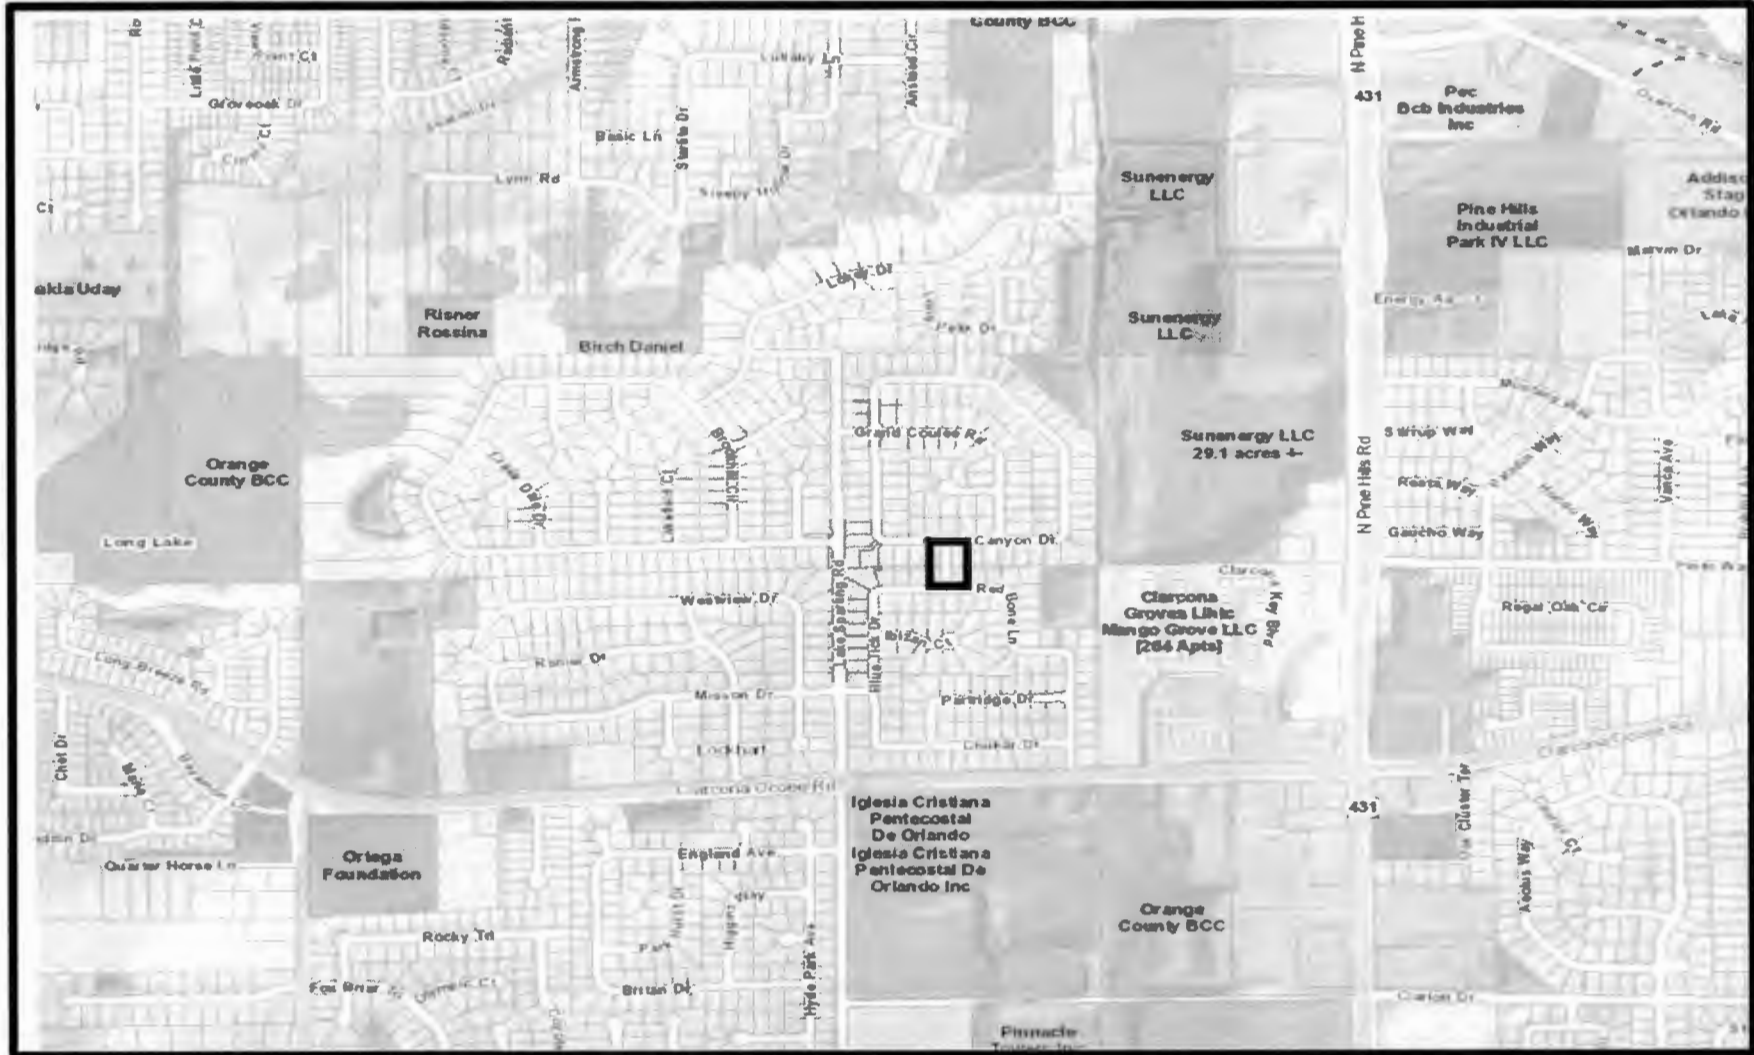

**Action Requested: Approval of "No Parking" signs installation on both sides of Grand River Drive from River Canyon Drive to Red Bone Lane. District 2.**
