SUBJECT: Approval of Contract Y22-2203, Health Services Drug Court Program

### ACTION REQUESTED:

Approval of Contract Y22-2203, Health Services Drug Court Program, with Substance Abuse Services, Inc. dba RASE Project, in the total contract amount of \$127,470 for a one-year term.

### PROCUREMENT:

This contract will provide services aimed at improving and increasing participant ability to sustain long term recovery. Under this contract, the vendor is responsible for providing peer led recovery support services for the Drug Court program.

### FUNDING:

Funding is available in the account number 0001-060-0394-3159.

### APPROVALS:

The Drug Free Office concurs with this recommendation.

### REMARKS:

In accordance with the Code of Ordinances, Part 1, Chapter 17, Article III, Section 17-286 – Application and Exclusions, agreements between the Board and nonprofit organizations are excluded from competitive procurement requirements.

Drug Courts utilize a multidisciplinary team approach to treat eligible and appropriate drug addicted individuals involved in the criminal justice system. The Court provides review and oversight with swift and effective consequences for violation of program rules as well as incentives and rewards for compliance. Treatment follows a graduated model with constant drug testing and monitoring. Although consequences such as detention may occur, the focus and goal remain to modify behavior

in order to eliminate the cycle of substance abuse and recurring crime. Through this contract, Substance Abuse Services, Inc. dba RASE Project will be responsible for providing peer led recovery support services for the Drug Court Program. Certified Recovery Peer Specialists will prioritize building social support for our clients through recovery support specialist staff. This project is designed to bridge the gap between mandated treatment and community resources to demonstrate the benefits of a comprehensive, system-wide approach to treatment. Certified Recovery Peer Specialists will support Drug Court clients to obtain, improve, and retain the skills, knowledge, tools and support they need to recovery.
