SUBJ: Extension of "No Parking" Zone on Winter Garden Vineland Road

A concerned citizen has requested that Orange County Traffic Engineering extend a "No Parking" zone previously installed on the east side of Winter Garden Vineland Road.

The parking of commercial vehicles along the east side of Winter Garden Vineland Road, south of Glenmuir Boulevard, is damaging the right of way and creating a safety hazard due to sight restrictions for vehicles exiting from Glenmuir Boulevard onto Winter Garden Vineland Road.

The extension of the "No Parking" zone on Winter Garden Vineland Road will eliminate the hazards being created; therefore, staff recommends the extension of the "No Parking" zone on the east side of Winter Garden Vineland Road from Glenmuir Boulevard, extending approximately 410 feet south.

Action Requested: Approval of extension of "No Parking" zone on the east side of Winter Garden Vineland Road from Glenmuir Boulevard, extending approximately 410 feet south. District 1.
