SUBJ: **Installation of "No Parking" Signs on Reams Road and Golden Creek Trail**

Citizens within the Windermere Trails subdivision have expressed concern regarding insufficient sight distance at the intersection of Reams Road and Golden Creek Trail.

The Traffic Engineering Division conducted a sight distance study and found that at least 156 feet is necessary to provide clear sight distance. Based on the Florida Department of Transportation Design Manual criteria and the findings from the study, staff suggests parking restriction at the first three parking bays on Reams Road and Golden Creek Trail intersection at all times.

Staff recommends that the Board approve the installation of "No Parking" signs on Reams Road and Golden Creek Trail.

Action Requested: Approval of "No Parking" signs installation on Reams Road and Golden Creek Trail. District 1.
