Personal History: In my current position, I have designed bridges throughout the Central Florida area, and in fact throughout the state of Florida. Major projects for which I have been engaged in major highway bridge and foundation design include multiple segments of the Turnpike widening, the SR 429/Wekiva Parkway extension at the I-4 interchange, the SR 528/SR 436 Interchange, and others; I have done work for clients including Walt Disney World (Reedy Creek Improvement District), Central Florida Expressway, the Florida Turnpike Enterprise, and the Florida Department of Transportation, among others. Other tasks have	

included design of walls, mast arms, and other miscellaneous structures, as well as reviewing shop drawings, settling code disputes, and resolving issues encountered in the field. In my previous position (2016-2017), I designed hundreds of buildings in the vast majority of US states. Prior to this, I worked in design of steel joists and decking systems, as well as construction oversight, railing design, stair design, foundation design, and structural connection design; collaboration with fabricators and contractors regarding field conditions and modifications remained a constant throughout. During my employment and my time as an undergraduate and graduate engineering student, I have gained familiarity with various structural material codes, including (but not limited to) those for steel, masonry, concrete (reinforced and prestressed), and timber, as well as ASCE 7, the International Building Code, the Florida Building Code, and various municipal codes nationwide. I have technical experience, a passion to serve, and a sincere desire to distill complex concepts into easily digestible forms, enhancing the understanding and comfort level of the lay public in regard to the building code.

Personal History: I am passionate about improving services available to children. Working at a public high school in Seminole County, I frequently see students who have benefited from various services. Many of my students are currently in foster care and I see the struggle they go through to access services. I am also involved with the Foster Friends of Central Florida group which partners with group homes to provide activities, outings, special personal items, and birthday boxes to youth in the homes. I also volunteer with Children's Home Society's perinatal program. I would love the opportunity to get more involved with the Children and Family Services board and give back to my own county.

Personal History: I have resided in Orange County since 2005, specifically in District 4. I am genuinely interested in offering my time and experience for the benefit of our community. I am currently self employed as an attorney where my major areas of practice are family and immigration law. In June 2019, I will become the Chair of the Orange County Bar Association's Executive Family Law Committee. This term expires in May 2020. My past position as Chairman	

of the Massachusetts Civil Service Commission in Boston, granted me the honor of serving in a quasi judicial capacity from 2002 until 2005. While I oversaw the operations of the agency, I also presided over administrative hearings. I wrote decisions that were voted on by the larger commission body. I also served as the Executive Director of the Massachusetts State Office of Minority and Women Business Assistance from 1995 to 1998. This was a regulatory agency with an enforcement component. I also served as the Chair of the agency's appeal board. These positions afforded me the experience of hearing cases, weighing the evidence and applying the regulatory and statutory law to the facts presented through the written decisions. While I resided in Massachusetts I had the privilege of serving on the city of Lawrence Zoning Board from 1991-1995 and on the City of Methuen Community Development Board from 2004 -2005. On the personal side, I enjoy writing. I am fluent in Spanish (mostly speaking and reading). I am married and have one child. I hope that my professional and personal experience will be deemed sufficient to serve on and advisory board in Orange County. Thank you in advance for the consideration.
