Subject: Approval of Purchase Order M110618, Dual Fan Self Contained Odor
Control System High Pressure

ACTION REQUESTED:

Approval of Purchase Order M110618, Dual Fan Self Contained Odor Control System High Pressure, with Atmos Technologies, in the amount of \$109,000.

PURPOSE:

This unit is essential to the landfill operations and will assist with mitigating odors generated at the site.

FUNDING:

Funding is available in account number 4410-038-1036-6410.

APPROVALS:

The Solid Waste Division concurs with this recommendation.

REMARKS:

This unit will be utilized to reduce the amount of nuisance odors leaving the site and reaching the communities within proximity, which could result in loss of permit and incur fines.

Atmos Technologies provides a customized mobile odor control unit engineered and designed specifically for landfill applications. This customized mobile unit is only available through Atmos Technologies. Staff has confirmed that Atmos Technologies is the sole manufacturer and distributor of the odor control misting system. Price reasonableness has been established based on comparison to prior purchases and current market factors.
