Notice is hereby given to all owners of lands located within the boundaries of Orange County, Florida that the Orange County Board of County Commissioners intends to use the uniform method for collecting the non-ad valorem assessments levied by the Orange County Board of County Commissioners as set forth in Section 197.3632, Florida Statutes.

These non-ad valorem assessments would be levied and would be collected by the Tax Collector on the **November 2020** real estate tax bill and each and every year thereafter until notification of discontinuance by the Orange County Board of County Commissioners. Failure to pay the assessment will cause a tax certificate to be issued against the property, which may result in a loss of title. Assessments are due and payable the same as property taxes and bear the same penalties for delinquency as property taxes, including potential loss of property title through tax certificate and tax deed sale.
