Tenant shall provide Landlord written notice of Tenant's intent to exercise an option no less than nine (9) months in advance of the expiration of the then-current term.

2.2. Initial Condition of Premises. Landlord is not required to alter, remodel, improve, repair, decorate or paint the Premises or any part thereof, except as expressly provided in this Lease. By accepting the Premises, Tenant will be deemed to have first inspected the same and to hereby lease and accept the Premises "AS-IS, WHERE-IS, WITH ALL FAULTS". Landlord makes no representation or warranty of any kind, express or implied, with respect to the Property (including

without limitation, any representation or warranty as to the habitability or fitness of the Premises for any particular purpose).

2.3. **Plans and Approvals.** Prior to commencing the construction or installation of the Tenant's Improvements, Tenant shall, at Tenant's sole cost and expense, furnish to Landlord, for Landlord's prior approval, all drawings, plans and specifications (including, without limitation, mechanical, electrical and plumbing) with respect to the Premises, prepared by architects and/or engineers licensed in the State of Florida and approved by Landlord in advance, which approval shall not be unreasonably withheld or delayed. Further, Tenant shall not connect any apparatus, machinery, equipment or device requiring the use of existing water lines at the Building without the consent of Landlord. Tenant will not do or permit anything to be done upon or bring or keep or permit anything to be brought or kept upon the Property which will invalidate or increase Landlord's rate of insurance on the Property. If any insurance premium increases by reason of Tenant's failure to comply with the terms of this Lease, or by reason of Tenant's occupancy (even though permitted or contemplated by this Lease), Tenant will reimburse Landlord for any such difference caused by Tenant or Tenant's occupancy at the Premises within three (3) days after demand by Landlord; provided, however, that such payment shall not cure any default by Tenant. Tenant agrees to comply with any requests or recommendations made by Landlord's insurance company. Without limiting the generality of the foregoing, TENANT shall not allow said Leased Premises to be used for any improper, immoral, unlawful, or objectionable purpose. Tenant shall not serve or sell alcoholic beverages. There shall be no food preparation or cooking on premises.

3.2. Compliance with Law. The Premises shall not be used or occupied in any way which conflicts with or violates any law, statute, ordinance, code, permit, approval or governmental rule or regulation or requirement now in force or which may hereafter be enacted or promulgated (collectively "Laws"). Failure to comply with this section is considered a default under this lease.

3.3. Rules and Regulations. Tenant shall comply with the Rules and Regulations annexed to this Lease as Exhibit "A" and all reasonable modifications and additions to such Rules and Regulations from time to time adopted by Landlord (the "Rules and Regulations"). Landlord shall not be responsible to Tenant for the non-performance of any of the Rules and Regulations by any other Tenant or occupant of the Building. TENANT will cause its employees, agents, and guests or others permitted by TENANT to occupy or enter the Leased Premises or Property, to at all times abide by the rules and regulations. In the event of any such breach of the rules and regulations, LANDLORD shall have all remedies in the Lease provided for in the event of default by TENANT, and shall, in addition, have any remedies available at law or in equity, including the right to enjoin any breach of such rules and regulations. The existence of the Rules and Regulations shall not be construed to impose upon Landlord any duty or obligation to enforce the Rules and Regulations.

4. RENT

4.1. Rent. Tenant shall pay to Landlord, at Landlord's Mailing Address or at such other place as Landlord may from time to time designate, the Rent. The payment of all amounts under this Lease shall be due and payable in legal tender of the United States of America in advance without notice, demand, deductions, right of reduction to setoff of any kind on the first day of each month *Notwithstanding the foregoing*, if a monetary default occurs, if a check is returned because of insufficient funds, or if two or more payments of Rent are not paid in full when due in any year, Landlord may require all future Rent payments be made by certified or cashier's check or another method specified by Landlord. The first such installment shall be paid on or before the Rent Commencement Date and each additional installment of Rent shall be paid on or before the first day of each and every successive calendar month thereafter during the Term, unless expressly otherwise provided in the Rent schedule contained in the Informational Provisions above. If Tenant takes possession on a date other than the first of the month or this Lease terminates on a date other than the last day of the month, the monthly installment of Rent will be prorated.

assessed and which become payable during the Term upon Tenant's equipment, furniture, fixtures and other personal property located in the Premises, directly to the appropriate governmental taxing authority.

Tenant shall also pay all damages sustained by Landlord due to such holding over. In the alternative, if Landlord gives written notice to Tenant of Landlord's election thereof, in Landlord's sole and absolute discretion, such holding over shall constitute a tenancy at sufferance or a month to month tenancy only. Notwithstanding the foregoing, acceptance by Landlord of Rent after such Termination Date shall not constitute Landlord's acceptance of any renewal option available to Tenant, if any, and nothing contained herein shall waive Landlord's right of re-entry or any other right or remedy available to Landlord under this Lease, at law or in equity. During any period during which Tenant holds over, Landlord shall have no obligations to Tenant under this Lease or otherwise.

4.4. Interest and Late Charges. Notwithstanding anything to the contrary contained herein, in addition to any other amounts due and payable by Tenant, Tenant shall pay a "late charge" of ten percent (10%) of the total amount overdue when any payment of Base Rent or Additional Rent is received by Landlord after the tenth (10th) day of the month. This late charge is Additional Rent for extra expenses incurred by the Landlord in handling delinquent payments and shall not be considered interest or penalty. TENANT agrees to pay forty dollars (\$45.00) to LANDLORD for each of TENANT'S checks, ACH, EFT, or fund wire transfers which are returned to LANDLORD unpaid. In addition, any Rent or Additional Rent not paid by the tenth (10th) day of the month, shall bear interest from the date due at eighteen percent (18%) per annum until payment is made.

If the Building is less than ninety-five percent (95%) occupied, the calculation used to determine Tenant's obligation will be grossed up to reflect the Building being a minimum of ninety-five percent (95%) occupied. "Operating Expenses" means and includes any and all costs and expenses paid or incurred by Landlord (or on Landlord's behalf) with respect to, in connection with and/or by reason of the repair, replacement (subject to the provisions hereinafter set forth), remodeling, maintenance and/or operation of the Property, including, without limitation, the following: (A) salaries, wages, medical, surgical, union and welfare benefits (including without limitation, group life insurance) and pension payments of Landlord's employees employed within the Property; (B) payroll taxes, worker's compensation insurance, uniforms and related expenses for such employees; (C) the cost of all charges for any and all utilities furnished to the Property, including, without limitation, gas (if any), steam (if any), electricity, water, sewer, trash and garbage collection; (D) the cost of painting, caulking, waterproofing and weatherproofing the Building (and other improvements within the Building), together with the cost of repaving and restriping the parking areas of the Property; (E) intentionally deleted; (F) the cost of all premiums for insurance and endorsements thereon as Landlord deems necessary and/or appropriate, including without limitation, fire and extended coverage, rents liability and fidelity; (G) the costs of all supplies (including without limitation, cleaning and bathroom supplies), tools, materials and equipment; (H) the costs for window and other cleaning and janitorial services and security systems and services; (I) amounts incurred by Landlord and amounts charged to Landlord by contractors for labor, services, materials and supplies furnished in connection with the operation, maintenance, repair, remodeling and/or replacement of any part of the Property (other than portions of the Building that are occupied by Tenants for which such

4.6. Real Estate Taxes. Tenant shall pay Tenant's Pro-Rata Share of the amount by which Real Estate Taxes incurred in any subsequent calendar year period after the Base Year (2021) exceeds the Real Estate Taxes incurred in the Base Year "**Real Estate Escalation**", as Additional Rent. If less than ninety-five percent (95%) of the rentable area of the Building is occupied, the calculation used to determine Tenant's obligation will be grossed up to reflect the amount Tenant would have been required to pay if ninety-five percent (95%) of the rentable area of the Building was occupied. "**Real Estate Taxes**" shall mean and include: (A) the total of all real estate taxes, personal property taxes and ad valorem taxes attributable to the Property and/or improvements within the Building, or any part thereof, including, without limitation, those made by any Tenant (including without limitation Tenant) or occupant or by Landlord), and/or attributable to the installation in the Building or any part thereof of fixtures, machinery or (including, without limitation, those made by any Tenant (including without limitation Tenant) or occupant or by Landlord), assessments, water and sewer rents and other governmental impositions, levies and charges (of or by any federal, state, municipal or other governmental or public authority, including without limitation, any school district) of every kind and nature whatsoever, extraordinary as well as ordinary, foreseen and unforeseen, and each and every installment thereof, which shall or may be levied, assessed, imposed, become due and payable, or liens upon, or arise in connection with the use, occupancy and/or possession of, or grow due or payable out of, or from the Property or any part thereof or improvements therein or thereto; (B) any special or other assessment or levy which is imposed upon the Property; (C) any taxes attributable to or assessed by reason of any personal property located within the Building, except that which is assessed or imposed directly against a Tenant and paid for by such Tenant; (D) any tax charge, levy or excise on rents or other charges payable hereunder; (E) any tax, impost, charge, levy or excise (except income tax), however described, which is levied, assessed or imposed against Landlord on account of the Rent or other charges payable hereunder; (F) any tax, impost, charge, levy or excise, however described ("**Other Tax**") which is not included in Real Estate Taxes pursuant to the other provisions of this Section but which is or shall be a substitute, in whole or in part, for any item which is, was or would be or become included in Real Estate Taxes pursuant to the other provisions of this Section, or which is or shall be intended to produce revenue for a purpose for which any item which is, was or would be or become included in Real Estate Taxes pursuant to the other provisions of this Section was, is or shall be intended to produce revenue (whether or not such Other Tax is or shall be levied, assessed, imposed or collected by the same body); and (G) any and all costs, fees, and expenses paid to attorneys, outside appraisers and consultants for the purposes of reviewing, negotiating and/or contesting the amount of the Real Estate Taxes, the valuation or assessment of the Property (or any portion thereof) for tax purposes and any and all costs, fees and

expenses arising out of or by reason of any legal or administrative proceedings related to the Real Estate Taxes. The term Real Estate Taxes shall not include personal property taxes which are payable by Tenant directly to the taxing authority. Tenant shall not contest, challenge or appeal any Real Estate Taxes

4.7. Payment of Shared Expenses. Commencing on January 1 of the calendar year immediately following the Base Year, and continuing thereafter during the Term, Tenant shall pay to Landlord, monthly in advance on the first day of each month, without notice or demand and without any deduction, offset or abatement, one-twelfth (1/12th) of the amount of Tenant's Pro-Rata Share of the Shared Expenses as estimated by Landlord to be incurred for the calendar year in which the monthly payments are to be made. If the Termination Date is not December 31, the monthly payments owing hereunder during the last partial calendar year of this Lease shall be appropriately adjusted. Notwithstanding the foregoing, Landlord shall provide such notice of adjustment to Shared Expenses no later than April 30 of any calendar year.

4.8. Adjustments to Shared Expenses and Tenant's Pro-Rata Share. As of the date of this Lease, Tenant's Pro-rata Share of Shared Expenses and the determination of Shared Expenses are based on the aggregate Shared Expenses and the aggregate rentable area of the multiple buildings that collectively constitute the Building for purposes of this Lease. At any time and from time to time, Landlord may elect to delete one or more buildings located on the Land from the calculation of Real Estate Taxes and Operating Expenses and to separately allocate and bill the Tenants in one or more of the individual buildings on the Land with respect to just the Real Estate Taxes and/or Operating Expenses allocable to such individual building(s). In such event, Landlord shall have the right to reasonably re-determine Tenant's Pro-Rata Share of the Real Estate Tax Escalation and/or Operating Expense Escalation Tenant will pay based on the aggregate rentable area of the building in which the Premises is located and such other buildings on the Land, if any, whose Real Estate Taxes and Operating Expenses are then aggregated by Landlord for billing purposes, if any. Landlord may also elect to separately bill Tenant and/or the Tenants in one or more but less than all of the buildings for the Operating Expenses relating to the building it/they occupy, separate and apart from the Operating Expenses Landlord incurs to maintain common parking areas, exterior lighting, landscaping and other expenses that are common to the Land and parking areas ("Non-Building Operating Expenses") rather than the Buildings. In such event, Landlord will determine Tenant's Pro-Rata Share of Operating Expense Escalation and Real Estate Tax Escalation relating to the building or buildings that Landlord elects to bill together (based on Tenant's rentable area divided by the total rentable area of all such aggregated buildings (with such expenses grossed up to 95% occupancy) and Landlord will separately calculate Tenant's Pro-Rata Share of Operating Expense Escalation relating to Non-Land Operating Expenses (based on Tenant's rentable area divided by the total rentable area of all such buildings located on the Land (with such expenses grossed up to 95% occupancy)). In the event any of the foregoing occurs, Landlord shall send Tenant written notice of the changes to Tenant's Pro-Rata Share of Shared Expenses, and thereafter Tenant shall be billed and pay on such basis.

3.1. Maintenance and Repairs. The parties comply with, pay for, and fulfill, their respective responsibilities regarding the Leased Premises as shown in the *Maintenance and Repair Responsibility* list attached to this Lease Agreement as "Exhibit C."

3.1.1. Tenant shall, at Tenant's expense, keep the Premises, and the fixtures and appurtenances contained therein, in good condition and repair, in a sanitary and safe condition and shall commit no waste at the Premises or any other portion of the Property. Tenant shall, at Tenant's expense, repair,

replace and/or restore any damage to the Premises (and/or any other portion of the Property) including, but not limited to, the maintenance and repair of all plumbing, bathrooms, walls, paint, glass, ceilings, floors, floor coverings, windows, window dressings, fixtures, electrical systems, and other mechanical equipment located within or on the roof of the premises, Tenant's signs and doors (including garage doors) which provide ingress and egress to and from said Premises caused by Tenant (and/or Tenant's Representatives). Notwithstanding the foregoing, in the event an emergency condition within the interior of the Premises exists which Tenant, operating in good faith, is unable to timely repair, Tenant may provide Landlord with written notice thereof (an "Emergency Repair Request") and Landlord shall repair such condition within a commercially reasonable period of time thereafter. Should Tenant deliver an Emergency Repair Request, Tenant shall: i) reimburse Landlord for all costs incurred by Landlord, ii) make payment to Landlord of a reasonable service fee, and iii) hold Landlord harmless from any claims related to Landlord's presence in the Premises (gross negligence and intentional misconduct excluded).

3.1.2.If Tenant fails to make repairs and/or to maintain the Premises or any part thereof in a manner reasonably satisfactory to Landlord, Landlord shall have the right, in addition to Landlord's other rights and remedies, to make such repairs or perform such maintenance on behalf of Tenant, and Tenant shall pay to Landlord as Additional Rent the costs incurred by Landlord in performing such repair and/or maintenance. Failure to comply with this section is considered a default under this lease.

3.1.3.**HVAC MAINTENANCE CONTRACT.** Landlord shall maintain at all times a heating ventilation and air conditioning maintenance contract (HVAC Contract) with quarterly service no less than 4 times per year at its sole cost and expense, for the routine performance of standard HVAC system maintenance and repair, including but not limited to, periodic replacement of filters, oiling of mechanical components, maintaining drain lines, and inspection for wear and tear.

3.2.Alterations. Tenant shall not make allow or suffer to be made any alterations, additions or improvements to or at the Premises (or any part thereof) without the express prior written consent of Landlord, which consent may be withheld in Landlord's sole and absolute discretion. In the event Landlord consents to any alterations, additions, or improvements to the Premises by Tenant, Tenant shall undertake such alterations, additions or improvements at Tenant's sole cost and expense and any contractor or person selected by Tenant shall first be approved in writing by Landlord. Any alterations, additions or improvements (except movable furniture and trade fixtures) shall at once become a part of the Premises and become the property of Landlord; provided, however, that upon the expiration or earlier termination of this Lease, Landlord may request that Tenant remove the same, in which event Tenant shall, at Tenant's sole cost and expense, immediately remove any alterations, additions, or improvements made by Tenant, designated by Landlord to be removed, and Tenant shall, immediately and at its sole cost and expense, repair any damage to the Premises caused by such removal and restore the Premises to its original condition, reasonable wear and tear excepted.

3.3.Surrender of Premises. Upon the expiration or termination of this Lease, by lapse of time or otherwise, Tenant shall vacate and surrender the Premises in the same condition in which it was received, improvements excepted, excepting only reasonable use and wear and tear, free and clear of liens or encumbrances created by, through or under Tenant. Tenant shall clean the Premises, including removing all Tenant's personal property and trash. Tenant shall repair any damage to Landlord's property resulting from such removal. Should Tenant fail to perform any of the obligations above, Landlord may restore the Premises and the Building at the sole cost and expense of Tenant. In addition, if Tenant fails to remove any of Tenant's personal property, or any alterations, additions or improvements that Landlord has requested be removed by Tenant, from the Premises or the Building upon the termination or expiration of this Lease, Landlord may at its option remove the same and store or dispose of the same without liability to Tenant for the loss thereof or damage thereto. Tenant shall, on demand, reimburse Landlord for any and all expenses incurred in such removal and storage, including, without limitation, reasonable court costs and attorney's fees. Landlord may, in its sole and absolute discretion, and without notice to Tenant, sell Tenant's personal property or any part thereof in any manner (including, without limitation, at private sale and without legal process) and for any price that

Landlord deems fit. Landlord shall apply the proceeds of the sale first to the expenses incurred in connection with the removal (and storage) of Tenant's personal property and any alterations, additions or improvements and/or the sale of the personal property and then to any amounts due and owing by Tenant to Landlord pursuant to this Lease. Landlord shall hold any remaining balance of the proceeds of such sale, without interest, for the benefit of Tenant. This provision shall survive the expiration or sooner termination of this Lease.

3.4.Liens.

3.4.1.Mechanic's Liens. In accordance with the applicable provisions of the State of Florida's Mechanic's Lien Law and specifically Florida Statutes, Section 713, no interest of Landlord whether personally or in the Premises, the Building, the Land, or the leasehold interest therein, or any portion of the foregoing, shall be subject to liens for improvements made by Tenant or caused to be made by Tenant hereunder. Further, Tenant acknowledges, with respect to improvements or alterations made by Tenant or caused to be made by Tenant hereunder, Tenant shall promptly notify the contractor making such improvements to the Premises of the terms of this Section 7.4. Notwithstanding the foregoing, if any lien is claimed against the Premises, the Building, the Land or any improvements made by Tenant or caused to be made by Tenant, Tenant shall have ten (10) days after receipt of notice thereof to remove said lien at Tenant's expense. If Tenant fails to do so, such failure shall constitute an event of default hereunder and, in addition to any other right or remedy of Landlord, Landlord may, but shall not be obligated to, discharge the same. Any amounts paid by Landlord pursuant to this Section 7.4 shall be paid by Tenant to Landlord within ten (10) days after receipt of Landlord's demand therefore. Tenant shall, prior to commencing any work for which a notice of commencement is required pursuant to Florida Statutes, Section 713, record such notice in the public records of the county in which the Property is located, identifying Tenant as the party for whom the work is being performed, summarizing the provisions of this Section excepting Landlord's interests from liens and requiring the service of all notices, liens or claims of lien upon Landlord. Tenant shall send a copy of the notice to Landlord.

3.4.2.Intentionally Omitted.

3.5.Signs and Other Structures. Tenant shall not place or maintain or permit or suffer to be placed or maintained any signs, awnings structures, materials or advertisements of any kind whatsoever on the exterior of the Premises or the Building (including, without limitation, on any exterior windows in said Building) or within the Premises (including, without limitation, on the interior walls, partitions or doorways) if the same may be visible from the public hallways or other Common Areas of the Building without the prior written consent of Landlord which consent may be withheld in Landlord's sole and absolute discretion. TENANT agrees to submit to LANDLORD, two (2) copies of a drawing of any proposed sign for LANDLORD'S approval. TENANT agrees to strictly adhere to the Center Sign Criteria, which is annexed hereto as **Exhibit "B"**, and any requirements of any applicable governmental authority. Tenant shall, at Tenant's expense, maintain, in good condition and repair and in accordance with Landlord's policies, any signs approved by Landlord. Tenant shall immediately remove any signs, awning structures, materials or advertisements which are installed in violation of the foregoing and/or not maintained in accordance with this Lease, and, if Tenant fails to do so, such failure shall constitute an event of default hereunder and, in addition to any other right or remedy of Landlord, Landlord may, but shall not be obligated to, remove the same and any amounts paid by Landlord pursuant to this Section 7.5 shall be paid by Tenant to Landlord within ten (10) days after receipt of Landlord's demand therefore. TENANT agrees to remove any signs from the exterior building fascia at the termination of this lease and to restore said fascia to its original condition. Any expenses incurred in connection with the provisions of this paragraph shall be paid by TENANT. Landlord shall list Tenant's name on any directory for the Building. Additionally, Landlord will install Building standard identification signage on or adjacent to Tenant's suite door.

3.6.Internet and Telephone. Tenant has the right to select and provide its own internet and telephone service provider for the Premises from the list of service providers at the Building to be

provided by Landlord.

3.7. Landlord's Name. Nothing contained in this Lease shall be construed to grant Landlord or Tenant any right to use, and Landlord and Tenant shall not use, the other party's name and/or any marks or logos associated with the other party; provided, the foregoing shall not be deemed a limitation on Landlord's right to make reference to Tenant as a current tenant of the Property in Landlord's marketing or advertising material(s) relating to the lease or sale of the Property, in whole or in part

4. UTILITIES AND SERVICES

4.1. Landlord's Obligations. Landlord shall furnish to the Premises, subject to the Rules and Regulations, the following services (collectively, the "Services"):

Automatically operated elevator service, public stairs and water at those points of supply provided for general use of Tenants at all times and on all days throughout the year.

4.1.1. No Liability. Tenant's obligations under this Lease, including, without limitation, its obligation to pay Rent, are independent of Landlord's obligations under this Lease. Landlord shall not be liable for any failure to furnish any of the Services and Tenant shall not be entitled to any abatement, deduction or setoff of Rent by reason of such failure or for any other reason. Landlord shall not be liable for any loss or injury to Tenant's (or Tenant's Representatives') property, however occurring, in connection with, arising from or incidental to the failure to furnish any Services, nor shall any such failure be construed as a constructive eviction or relieve Tenant of or from Tenant's duty to pay the full amount of Rent and any other sums due under this Lease. Except for loss or damage arising out of LANDLORD'S gross negligent acts, LANDLORD shall not be liable to Tenant or to Tenant's employees, agent or invitees, for any injury or damage to person or property in or about the property.

4.1.2. Maintenance and Repair. Landlord shall be responsible for the repair and maintenance of the Property (other than the Premises) including the Common Areas, roof, foundation, exterior walls and structural components consistent with the operation of similar office buildings in the vicinity of the Building, except that Tenant shall be responsible for any repair and/or maintenance required due to, resulting from, or relating to, directly or indirectly: (i) any default by Tenant under this Lease; (ii) any negligent or willful act or omission including, but not limited to those, Tenant or Tenant's Representatives, invited or uninvited guests, or customers; or (iii) any use of the Premises not consistent with normal office use (by way of example and not limitation, Landlord shall only be responsible for the removal of trash normally produced by normal office use) in Landlord provided dumpsters in back of building.

4.1.3. Duty to Report Defective Conditions. Tenant shall report immediately in writing to Landlord any defective condition in, on or about the Premises known to Tenant whether Tenant is obligated to repair such defective condition or not. Failure to report any such defective condition shall make Tenant liable to Landlord for any expense or damage resulting from such failure to notify Landlord.

5. PARKING AND COMMON AREAS In addition to the Premises, Tenant shall have the non-exclusive use of the automobile parking areas and other Common Areas (as designated by Landlord from time to time), subject to the Rules and Regulations regarding the use thereof, as may from time to time be prescribed by Landlord, and subject to applicable Laws; provided that Tenant and its employees, vendors, contractors and invitees may not, in the aggregate, use more than four (4) parking spaces for each one thousand (1,000) rentable square feet of area contained within the Premises. All vehicles shall be parked only in areas designated by Landlord. No specific parking spaces shall be assigned to TENANT unless otherwise agreed by lessor in writing. LANDLORD shall have the right to reserve parking spaces and to condition the changes as it deems necessary to maintain and control adequate parking facilities for the Building. Tenant shall not park (or permit or suffer any of Tenant's

Representatives to park) any vehicle on the Property overnight or extended periods of time. Vans, recreational, service or any oversized vehicles are not permitted on the Property at any time. Landlord shall not be liable for any damage of any nature whatsoever or any theft of vehicles or the contents thereof, while in or about the parking areas. Landlord may tow any vehicle, at Tenant's expense, which is in violation of these restrictions. The Common Areas are subject to the exclusive management and control of Landlord and may be utilized by Landlord for any purpose or in any manner. Landlord reserves the right to change, reduce, expand, alter and/or reconfigure the Common Areas.

6. INSURANCE; WAIVER AND INDEMNIFICATION

6.1. Indemnity of Landlord. To the extent permitted by law, Tenant shall defend, indemnify and hold Landlord and Landlord's Affiliates (defined below) (collectively, the "**Landlord Indemnified Parties**"), harmless from and against all Claims (defined below), relating to, arising from or out of, or alleged to have arisen from or out of, Tenant's negligent or wrongful act or any failure by Tenant to perform any of the agreements, terms, covenants or conditions on Tenant's part to be performed under this Lease. To the extent that any of the foregoing indemnity obligations are violative of or unenforceable under applicable law including the principle of sovereign immunity, such provisions shall be deemed stricken from this Lease and the balance of this Subsection shall be reformed to be compliant with applicable law. Anything to the contrary notwithstanding, for so long as the Premises is subleased by Tenant to the Florida Department of Health ("Department of Health"), the foregoing shall not apply to Claims relating to the Department of Health, provided however, for the duration of the aforementioned sublease, Tenant shall require the Department of Health to maintain insurance consistent with the requirements of this Section 10. This Section 10.1 shall survive the expiration or any sooner termination of this Lease.

6.2. Landlord's Insurance. Landlord shall insure the Building and shall maintain general liability and other insurance in such amounts as may be required by Landlord's mortgagee or in such amounts as Landlord, in its sole and absolute discretion, may deem appropriate. In the event the premium charged for any such policies shall be increased due to the type of merchandise sold or the services rendered by TENANT, TENANT shall within thirty (30) days or receipt of notice thereof by LANDLORD, pay to LANDLORD such excess in premium. All such insurance shall be for the sole benefit of Landlord and, if required, Landlord's mortgagee.

6.3. Tenant's Insurance. Tenant shall, at Tenant's sole expense, obtain and keep in force during the Term (including, without limitation, any extension or renewal thereof, if any) and pay all premiums therefor as they become due:

6.3.1. All risk/special-form property insurance (or an equivalent policy that becomes the insurance industry standard in the future as to a comparable geographic region) of fire (12) months;

2. plate glass insurance covering all plate glass on the Demised Premises at full replacement value;

3. construction policies designated necessary by LANDLORD with regard to TENANT's, or TENANT's contractors' work, as well as with regard to the construction of alterations including, but not limited to, contingent liability and "all risk" builders' risk insurance; and

4. on all of its personal property, including, without limitation, removable trade fixtures, located in the Premises, and on all leasehold improvements and all additions and improvements made by Tenant for not less than the full replacement cost thereof;

5. comprehensive general liability insurance, including contractual liability coverage, insuring Landlord, Landlord's Affiliates and any mortgagees designated by Landlord (as an

additional insured and referred to herein as the "Additional Insureds") and Tenant against any liability arising out of the ownership, use, occupancy or maintenance of the Premises and all areas appurtenant thereto with minimum limits of One Million Dollars (\$1,000,000.00) for any loss of or damage to property from any one accident, and Two Million Dollars (\$2,000,000.00) for death of or injury to any one person from any one accident and a general aggregate limit of no less than Three Million Dollars (\$3,000,000.00);

6. if and to the extent required by applicable Laws, workman's compensation and employer's liability insurance with minimum limits of One Million Dollars (\$1,000,000.00) or such greater amount as required by applicable Laws;

7. commercial automobile liability coverage, with combined single limits acceptable to Landlord, for Tenant and any of Tenant's employees (including independent contractors) working at, or using, the Premises; and

8. such other additional insurance coverages/amounts as are commonly insured against in the case of premises similarly situated to the Premises.

2. Tenant's insurance shall be with insurance companies approved by Landlord. No insurance shall be approved by Landlord if the company is not: (i) a responsible insurance carrier authorized to issue the relevant insurance, (ii) licensed in the State of Florida, and (iii) at least A- rated in the most current edition of Best's Insurance Reports. All of Tenant's insurance coverage shall be primary and not contributory to any insurance carried by Landlord, Landlord's Affiliates and/or any mortgagees designated by Landlord and shall contain a severability of interest clause. Each policy of insurance shall contain an endorsement affording thirty (30) days prior notice (except ten (10) days prior notice for non-payment of premium) to Landlord by certified mail in the event of cancellation, non-renewal, material modification or reduction in coverage and such endorsement must be evidenced on the certificate of insurance. The policies shall also provide that any property losses payable thereunder shall be adjusted with Landlord, Landlord's Affiliates and/or any mortgagees designated by Landlord, and proceeds shall be paid according to the insurable interests of each party; and shall contain a provision to the effect that the policy shall not be invalidated, and shall remain in full force and effect, if any insured provides a waiver of subrogation and a provision whereby the insurer itself provides a waiver of subrogation against Landlord, Landlord's Affiliates and/or any mortgagees designated by Landlord. Tenant shall immediately notify (and cause its insurers or insurance broker to notify) Landlord in writing of receipt by Tenant of any notice of pending or actual cancellation or rescission received from an insurance carrier referring to or relating to any of the policies required by this Lease.

3. The insurance requirements set forth herein shall not limit Tenant's liability. The inclusions, coverage and limits are minimums. The required minimum policy limits shall not be construed as a limitation of Landlord's rights under any policy with higher limits, and no policy maintained by Tenant shall be endorsed to include such a limitation. Nothing contained herein shall be construed as limiting the type, quality or quantity of insurance coverage that Tenant should maintain. Tenant is responsible for determining appropriate inclusions, coverage and limits, which may be in excess of the minimum requirements set forth herein. If Tenant shall fail to procure and maintain the insurance, Landlord may, but shall not be required to, procure and maintain same, but at the expense of Tenant.

4. Tenant shall deliver to Landlord, prior to occupancy of the Premises, copies of Tenant's insurance policies and applicable endorsements (not Certificates) evidencing the existence and amount of such insurance, with loss payable clauses satisfactory to Landlord. Notwithstanding anything herein to the contrary, Landlord shall have the right to review Tenant's insurance every year and may require Tenant to alter its insurance coverage to cover the effects of inflation and to include or eliminate certain provisions in Tenant's insurance policy that reflects the then-current industry standards for the type of insurance coverage.

2. Mutual Release and Waiver of Subrogation. All policies shall name LANDLORD and any successors or assigns as additional insured and shall be obtained from a company satisfactory to LANDLORD. Notwithstanding anything herein to the contrary, Landlord and Tenant, and all parties claiming, by, through or under them, mutually release and discharge each other from all claims and liabilities arising from or caused by any casualty or hazard covered or required hereunder to be covered in whole or in part by property insurance on the Premises or in connection with property on or activities conducted on the Premises, and waive any right of subrogation which might otherwise exist in or accrue to any person on account thereof and further agree to evidence such waiver by endorsement to the required insurance policies. All policies of insurance required to be maintained by Tenant, and policies of Tenant's contractors and subcontractors, shall contain a Waiver of Subrogation Endorsement in favor of all Additional Insureds. If Tenant is permitted to self-insure for any of the insurance coverages required to be provided herein, Tenant hereby waives against Landlord, its parents, partners, joint venturers, subsidiaries and affiliates, property managers, and against the Additional Insureds if not listed above, all claims, including any and all rights of subrogation which may exist, for all losses and damages no matter how caused, which were or could have been insured for under any policy of insurance required to be obtained by Tenant. This waiver of liability and waiver of subrogation expressly includes any cause of loss due to the sole or concurrent negligence of any Additional Insured. If Tenant shall, for any reason, fail to obtain from its insurance carrier(s) the required Waiver of Subrogation Endorsement, the Tenant shall fully and completely defend and indemnify the Landlord and all Additional Insureds from any claims and demands, including lawsuits, brought against Landlord and/or the Additional Insureds by any insurance company which insured Tenant for a paid loss and which seeks to recover amounts paid under Tenant's policy.

3. Work Performed by Tenant in the Premises. Any time Tenant, with Landlord's approval, retains any contractors or subcontractors to perform any work in the Premises (including any Tenant Improvements, if provided for in this Lease) Tenant shall, at Tenant's sole expense, obtain and keep in force, and/or require its contractor and all subcontractors, at such contractor's and/or subcontractor's sole expense, during the performance of any work within the Premises, the insurance described in Section 10.3. No work shall commence unless and until all required insurance documentation has been delivered to and approved by Landlord.

1. Defined Terms. As used herein, the following terms shall have the following meanings:

1.2. "Affiliate" shall mean, as to an entity, any entity that, directly or indirectly, controls, is controlled by or is under common control with such entity and the respective shareholders, members, officers, directors, managers, partners, agents, employees, sublessees, assignees, designees, contractors, subcontractors, delegees, concessionaires, licensees, franchisees, invitees, representatives, successors and assigns of each; *provided, however*, that in no event shall Tenant and Landlord be affiliates of each other.

1.3. "Claims" shall mean any and all obligations, settlements, judgments, liabilities, losses, damages, injunctions, claims, suits, actions, proceedings, fines, fees, penalties, liens, demands, costs, charges, expenses and assessments of every kind or nature, including reasonable fees of attorneys and other professionals through all appeals, and disbursements which may at any time be imposed on, incurred by, or asserted or awarded against a person or entity required to be indemnified pursuant to this Lease.

2. Waiver. Landlord, its agents and employees, shall not be liable for, and Tenant waives all claims for, loss or damage, including but not limited to consequential damages, to person, property or otherwise, sustained by Tenant or any person claiming through Tenant resulting from any accident, casualty or occurrence in or upon any part of the Property including, but not limited to, claims for damage resulting from: (a) any equipment or appurtenances becoming out of repair; (b) Landlord's failure to keep any part of the Property in repair; (c) injury done or caused by wind, water, or other natural element; (d) any defect in or failure of: plumbing, heating or air conditioning equipment; electric

wiring or installation thereof; gas, water, and steam pipes; stair; porches; railings; or walks; (e) broken glass; (f) the backing up of any sewer pipe or downspout; (g) the bursting, leaking or running of any tank, tub, washstand, water closet, waste pipe, drain or any other pipe or tank in, upon or about the Premises; (h) the escape of steam or hot water; (i) water, snow or ice upon the Property; (j) the falling of any fixture, plaster or stucco; (k) damage to or loss by theft or otherwise of property of Tenant or others; (l) acts or omissions of: persons in the Premises; other Tenants in or on the Property; occupants of nearby properties; or any other persons; and (m) any act or omission of: owners of adjacent or contiguous property; Landlord, its agents or employees. All property of Tenant kept in the Premises shall be so kept at Tenant's risk only and Tenant shall save Landlord harmless from claims arising out of damage to the same, including subrogation claims by Tenant's insurance carrier.

2. DAMAGE BY CASUALTY AND CONDEMNATION

1. Damage by Casualty. If the Premises or the Building are damaged by fire or other casualty, and Landlord has adequate insurance coverage, Landlord shall repair the damage, provided the repairs can be made within one hundred eighty (180) days from the date of casualty and provided Landlord receives insurance proceeds adequate to pay for the cost of the repairs. During the period of repair, this Lease shall remain in full force and effect except that Tenant shall be entitled to a proportionate reduction in Rent and other monetary obligations while such repairs are being made, as determined by Landlord. The proportionate reduction shall be based upon the extent to which the damage or casualty materially affects the ability of Tenant to use the Premises for the Permitted Use. If Landlord determines that the repairs cannot reasonably be made within the one hundred eighty (180) day period, or if insurance proceeds are not available to cover the cost of said repairs, Landlord shall have the option either: (1) to repair or restore such damage, this Lease continuing in full force and effect but the Rent to be proportionately reduced as above stated; or (2) give notice to Tenant at any time within one hundred and twenty (120) days after the date of the casualty terminating this Lease. Landlord shall not be liable (i) for any damage to Tenant's property located in the Demised Premises, regardless of the cause of such damage, (ii) for any acts or omissions of other Tenants of the Property, nor (iii) for any condition of the Demised Premises whatsoever unless Landlord is responsible for the repair thereof and has failed to make such repair after notice from Tenant of the need therefore, and expiration of a reasonable time for the making of such repair.

2. Lease Termination by Landlord. If Landlord gives notice to Tenant terminating this Lease, all Rent and other sums shall be paid up to the date of casualty. If the Premises was rendered unusable by such casualty, Landlord shall refund to Tenant any Rent theretofore paid applicable to any period of time subsequent to the applicable date of such termination. Notwithstanding anything to the contrary contained in this Lease, Landlord shall not be required to repair any injury or damage by fire or other casualty to, or to make repairs or replacements of, any paneling, decorations, partitions, railings, ceilings, floor coverings, office fixtures and/or any other property installed in the Premises by Tenant.

3. Tenant's Negligence. If the leased premises or any portion of the building be damaged by fire or other casualty resulting from the fault or negligence of TENANTS, its officers, agents or employees or any other persons on the property with the permission of TENANT, the rent hereunder shall not be diminished or abated during the repair of such damage and TENANT shall be liable to LANDLORD for the cost of the repair and restoration of the building causes thereby, as well as other cost and expense thereby incurred by LANDLORD, to the extent that such cost and expense is not covered by LANDLORD'S insurance proceeds.

4. Condemnation. If all or a material portion (as determined by Landlord) of the Premises, the Building or the Land (notwithstanding the fact that the Premises may not be affected by such taking or appropriation) shall be taken or appropriated by any public or quasi-public authority under the power of eminent domain, Landlord shall have the right at its option, to terminate this Lease, and Landlord shall be entitled to any and all income, rent, awards and other compensation, and any and all interest therein, whatsoever that may be paid or made in connection with such public or quasi-public taking, use or

purpose and Tenant shall have no claim against Landlord or the condemning authority for the value of the unexpired portion of the Term, if any, or otherwise, except as expressly provided herein. Tenant may, however, in a separate, subsequent proceeding make a claim for trade fixtures installed in the Premises, at Tenant's expense, Tenant's moving costs and Tenant's attorney's fees. If only a non-material portion of the Premises, the Building or the Land shall be so taken or appropriated, and Landlord does not terminate this Lease in accordance with the foregoing, then this Lease shall continue in full force and effect and the Rent thereafter to be paid shall be equitably reduced. Tenant may terminate this Lease by reason of taking or an appropriation under eminent domain authority only if such taking or appropriation shall be of such extent and nature as to substantially handicap, impede or impair Tenant's use of the Premises for the Permitted Use.

2. ASSIGNMENT AND SUBLETTING

Tenant may not, without the prior written consent of Landlord, which consent may be withheld by Landlord in its sole and absolute discretion, assign, transfer, mortgage, pledge, hypothecate or encumber this Lease, or any interest therein, by operation of applicable Laws or otherwise, nor sublet the Premises or any part thereof, or permit any party other than Tenant and its employees to use the Premises. Consent by Landlord to one assignment or sublease shall not destroy or waive this provision and all other assignments and subleases shall likewise be made only upon the prior written consent of Landlord. In the event of a proposed sublease or assignment, Landlord may, in lieu of consenting or denying such assignment or sublease, cancel this Lease as to the space proposed to be assigned or sublet. If such cancellation is only for part of the Premises, then equitable adjustments shall be made to the Base Rent and other sums payable by Tenant pursuant to this Lease. If Landlord consents to an assignment or sublet (i) Tenant shall not be released from such obligations or liabilities under this Lease, and (ii) any extensions, renewals, first refusal rights or options hereunder will automatically be of no force or effect for the assignee or sublessee or Tenant. If Tenant is an entity, any change to the structure of such entity or any disposition(s) of any of the interests therein by sale, assignment, operation of law or otherwise, or any change in the power to vote the interests therein, will be treated as a prohibited assignment of this Lease requiring Tenant to obtain Landlord's prior written consent. If any assignment or subleasing is consented to by Landlord, Tenant shall pay to Landlord any Rent or other consideration received by Tenant in excess of the amount of Rent and other sums which Tenant is paying to Landlord during the term of the assignment or sublease (apportioned as appropriate). Each sublessee and assignee shall become and shall expressly agree in writing to become liable to Landlord for all obligations and liabilities of Tenant, without relieving Tenant's liability therefor. Any attempt by Tenant to sublease or assign its interest hereunder without Landlord's consent shall be null and void and of no effect. Furthermore, such attempted assignment or sublease shall constitute a default hereunder. If this Lease is assigned by operation of law under any bankruptcy or insolvency Laws, the assignee shall provide Landlord with adequate assurance of future performance of this Lease.

3. SALE OR MORTGAGE BY LANDLORD

3.1. Mortgagee's Rights. This Lease is and shall be subject, subordinate and inferior to any mortgage, mortgage deed and/or other security agreement or instrument now or in the future encumbering the Property (or a portion thereof), any and all amendments, renewals, enlargements, expansions and replacements thereof, and to all advances already made, or which may be hereafter made, thereunder or with respect thereto. If any mortgagee, its successors or assigns, or any purchaser of the Premises at a foreclosure sale or by deed in lieu of foreclosure, acquires title to the Premises and elects not to terminate this Lease, such mortgagee or purchaser shall not be bound by any Rent paid by Tenant for more than one (1) month in advance, subject to any offset or deduction against any prior Landlord, or be liable for any default under this Lease by any prior Landlord, or be liable for the payment of any of the Tenant's Improvements or other work performed by or on behalf of Tenant, or for any other allowance or concession, or for the return of any Security Deposit not delivered to it. While the aforesaid subordination is automatic, Tenant shall, nonetheless, upon request, execute any document which Landlord may deem necessary or appropriate to memorialize or accomplish that end. If Tenant

B

fails to do so within five (5) days after Landlord's request, the same may, at Landlord's election, in its sole and absolute discretion, terminate this Lease or Landlord may execute such document or documents in the name of the Tenant and as the act and deed of Tenant and Landlord is hereby granted an automatic power of attorney by Tenant and this authority and power is hereby declared to be coupled with an interest in real estate and not revocable.

3.2. Estoppel Certificates. Tenant, at any time and from time to time, at the request of Landlord (including at the time of the Commencement Date), or of any mortgagee or purchaser or any prospective mortgagee or purchaser of the Property (or a portion thereof), will execute, acknowledge and deliver to Landlord, or such mortgagee or purchaser or prospective mortgagee or purchaser requesting the same, a certificate executed by an officer of Tenant certifying:

3.2.1. That this Lease is unmodified and in full force and effect (or, if there had been modifications, that the same is still in full force and effect as modified and stating the modifications);

3.2.2. Whether or not there are then existing any offsets or defenses against the enforcement of any of the terms hereof (and, if so specifying same);

3.2.3. That there exists no condition or event which constitutes an event of default hereunder or which, after notice or lapse of time, or both, would constitute an event of default or if any such condition or event exists, specifying the nature and period of existence thereof and what action Tenant has taken, is taking and proposes to take with respect thereof;

3.2.4. The date through which the Rent and other sums or other charges and deposits have been paid in advance; and

3.2.5. The amount of rentable square footage comprising the Premises and the Commencement Date of this Lease.

The certificate shall also include other information reasonably requested by Landlord. It is agreed by Tenant that any such certificate may be relied upon by Landlord, any purchaser or prospective purchaser and any mortgagee or prospective mortgagee of the Property (or a portion thereof).

The Orange County Board of County Commissioners hereby delete limited signature authority to the Manager of the Real Estate Management Division to execute such estoppel certificate.

1. Terminate this Lease, in which event Tenant shall immediately surrender the Premises to Landlord. Should Tenant fail to surrender the Premises, Landlord may, without further notice and without prejudice to any other remedy Landlord may have under this Lease, in law or at equity, enter the Premises, refuse to repair and/or maintain, or disconnect any mechanical or electrical system or to provide services to the Premises and expel or remove Tenant and Tenant's personal property. Landlord shall not be liable for any injury to person or damage to property or for any other loss, damage or expense in connection with, relating to or arising from the foregoing. Tenant releases and shall indemnify, defend and hold harmless Landlord for all Claims in connection with, relating to or arising from the foregoing and all losses and damages that Landlord may suffer by reason of such termination, whether through inability to re-let the Premises, or through decrease in Rent, or otherwise;

2. Declare the entire amount of Rent and other sums that would otherwise have become due and payable through the remainder of the Term to be due and payable immediately, in which event Tenant shall pay the same to Landlord within five (5) days after request by Landlord. Landlord and Tenant agree that such payment shall not constitute a penalty or forfeiture but is payment of liquidated damages. Furthermore, the acceptance of such payment by Landlord shall not constitute a waiver of any failure of Tenant to comply with any term, provision, or covenant of this Lease;

3. Enter the Premises as the agent of Tenant and re-let the Premises as the agent of Tenant, and receive the Rent therefor, and Tenant shall pay to Landlord, on demand, any deficiency that may arise in the event of such reletting, including, but not limited to, any deficiency in Rent paid by the new Tenant compared to the Rent payable by Tenant hereunder, brokerage commissions that Landlord may pay in connection with such reletting and any amounts Landlord expends for Tenant improvements in connection with such reletting. Landlord shall not be liable for any injury to person or damage to property or for any other loss, damage or expense in connection with, relating to or arising from the foregoing. Tenant releases and shall indemnify, defend and hold harmless Landlord for all Claims in connection with, relating to or arising from the foregoing and all losses and damages that Landlord may suffer by reason of such termination, whether through inability to relet the Premises, or through decrease in Rent, or otherwise; and/or

4. As agent of Tenant, do whatever Tenant is obligated to do under this Lease and enter the Premises in order to accomplish this purpose. Tenant shall reimburse Landlord immediately upon demand for any expense that Landlord may incur in effecting compliance with this Lease on behalf of Tenant, and Tenant further agrees that Landlord shall not be liable for any injury to person or damage to property or for any other loss, damage or expense in connection with, relating to or arising from the foregoing. Tenant releases and shall indemnify, defend and hold harmless Landlord for all Claims relating to or in connection with the foregoing and all losses and damages that Landlord may suffer by reason of such termination, whether through inability to relet the Premises, or through decrease in Rent, or otherwise.

2.No Limitation of Rights. Pursuit by Landlord of the any of the options set forth in Section 14.2 shall not constitute an election of remedies nor shall it preclude or limit any other rights and/or remedies available to Landlord under this Lease, at law or in equity. Further, no termination of this Lease by lapse of time or otherwise shall affect Landlord's right to collect any Rent due, outstanding and/or accrued during the Term. No action or omission by Landlord or its employees and agents during the Term shall be deemed an acceptance or surrender of the Premises nor a constructive eviction by Landlord and an agreement to accept a surrender of the Premises shall only be valid if in writing and signed by an officer of Landlord.

1. **Abandonment.** If the Premises is abandoned, in conjunction with the non-payment of Rent or another default under this Lease, any personal property belonging to Tenant and left on the Premises shall, at the option of Landlord, be deemed abandoned, and the rights conferred upon Landlord by this Lease with regard to the disposition of said personal property shall remain in full force and effect.

2. **Right of Landlord to Perform.** All covenants and obligations to be performed by Tenant under this Lease shall be performed by Tenant at Tenant's sole cost and expense and without any abatement of Rent or other sums due. If Tenant shall fail to pay any sum of money, other than the payment Rent, or shall fail to perform any action so required under this Lease, and such failure shall continue for ten (10) days after notice thereof by Landlord (provided, however, in the event of an emergency no such notice shall be necessary), Landlord may, but shall not be obligated to, perform any such acts on Tenant's behalf. Any cost so incurred by Landlord, together with interest thereon, at the reasonable market rate by applicable Laws, shall be payable

to Landlord on demand. Landlord's performance of the foregoing shall in no way waive or release Tenant from any obligation of Tenant under this Lease, or limit or affect any of Landlord's rights or remedies under this Lease, at law or in equity.

3. Dishonored Checks. If Tenant makes payment to Landlord with a check which is refused by the drawee because of lack of funds, or credit, Landlord shall have the right, in addition to Landlord's other rights and remedies, to collect a service charge of Forty Dollars (\$45.00) (or the maximum amount as permitted by Florida Statute 832.08), or five percent (5%) of the face amount of the check, whichever is greater. This charge is for extra expenses incurred by the Landlord in handling delinquent payments and shall not be considered interest or penalty. If it is necessary for Landlord to bring a legal action for recovery, Tenant shall be additionally liable for court costs and attorney's fees.

2.Repetitive Default. Notwithstanding anything to the contrary contained in this Lease, where Tenant is entitled to receive notice and opportunity to cure a default or breach, Tenant shall only be entitled to such notice and opportunity to cure on account of the same or similar default or breach only one (1) time during any twelve (12) calendar month period, and any subsequent default, breach or failure of the same or similar type during such twelve (12) calendar month period shall automatically constitute an event of default without the giving by Landlord of any notice or opportunity to cure whatsoever.

1. Re-Entry and Reletting. Exercise by Landlord of any remedy or remedies shall not be deemed to be an acceptance of surrender of the Premises by Tenant. Surrender can be affected only by the written agreement of Landlord and Tenant. No alteration of locks or other security devices and no removal or other exercise of dominion or repossession by Landlord over any property at the Premises, whether by distress warrant, forcible detainer proceedings, sequestration proceedings or otherwise, shall be deemed unauthorized or constitute a conversion (and all Claims for damages by reason thereof are hereby waived by Tenant). Tenant specifically agrees that any re-entry by Landlord may be pursuant to a judgment obtained in forcible detainer proceedings or other legal proceedings or without the necessity for any legal proceedings as Landlord may elect in accordance with applicable Laws, and Landlord shall not be liable in trespass or otherwise. Landlord shall not have any obligation to relet or attempt to relet the Premises, or any portion thereof, or to collect Rent after reletting, and in the event of reletting, Landlord may relet the whole or any portion of the Premises for any period, to any Tenant, and for any use and purpose and in no event shall Tenant be entitled to any excess of any rental obtained by reletting over and above the rental herein reserved.

2.Recapture. If this Lease is terminated due to a default by Tenant, then the unamortized portion of: (i) any brokerage fees expended by Landlord to procure this Lease; (ii) any amounts expended by Landlord to perform any work to make the Premises ready for occupancy by Tenant; (iii) any amounts which Landlord may have advanced or reimbursed to Tenant for amounts expended by Tenant in performing any Tenant Improvements to the Premises (if any); and (iv) any free rent provided to Tenant, if any, shall become immediately due and payable to Landlord.

3.Landlord's Default. Landlord shall be deemed to be in default of this Lease only if Landlord fails to satisfy any of its obligations under this Lease and Landlord does not cure its failure within thirty (30) days after receipt of Tenant's written notice; provided, however, that if more than thirty (30) days are reasonably required to complete such performance, Landlord shall not be in default if Landlord commences such performance within the thirty (30) day period and thereafter diligently pursues its completion.

2. ARTICLE FIFTEEN - MISCELLANEOUS PROVISIONS

1.Right of Entry. Upon three (3) days' notice, Landlord shall have the right at any time and from

time to time to enter the Premises without notice to Tenant to: (i) make repairs; (ii) supply janitorial services; (iii) perform any service requested by Tenant; (iv) post appropriate or lawful notices; (v) in an emergency; (vi) inspect the Premises; (vii) perform any services required to be made by Landlord; (viii) show the Premises to prospective purchasers or Tenants; and (ix) to alter, improve or repair the Premises and/or any portion of the Building; provided, however, in the event of an emergency, Landlord shall have the right to immediately enter the Premises, without necessity of notice or consent. In such event Landlord agrees to use good faith efforts to notify Tenant of said emergency, provided that such notice shall not serve as a condition precedent to Landlord's right of entry. Notwithstanding anything contained herein, Landlord acknowledges that Tenant is a provider of medical services and is bound by law to protect patient information. Therefore, except in the event of an emergency, upon entering the Premises Landlord shall comply with Tenant's visitor's commercially reasonable policies, which policies may include, but may not be limited to, identification of visitors, restricted entry while business is in operation, no visits outside or normal business hours without Tenant's express consent, personal protective equipment requirements, temperature screening, and visitor logs. Anything to the contrary notwithstanding, in no event shall any Tenant policies create an obligation upon Landlord to incur any expense. Tenant shall take all necessary efforts to properly secure and store all sensitive materials in such a manner that Landlord's presence in the Premises will not cause a violation of any of Tenant's requirements under applicable law. While in the Premises, Landlord shall use commercially reasonable efforts to limit Landlord's exposure to materials that would be reasonably construed as sensitive based upon their appearance and/or manner of storage. Any such entries shall be without abatement of Rent or other sums. Landlord may, for the foregoing purposes, erect scaffolding and/or any other structures reasonably required to perform the work, provided that entry to the Premises shall not be prevented. Tenant waives any Claims for damages or injury or inconvenience to or interference with Tenant's business and loss of occupancy or quiet enjoyment of the Premises. For each of the aforesaid purposes, Landlord shall at all times retain a key with which to unlock all of the doors to the Premises. Landlord shall have the right to use any and all means which Landlord may deem proper to open doors to the Premises in an emergency and any entry to the Premises obtained by Landlord by any of said means, or otherwise, shall not under any circumstances be deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an eviction of Tenant from the Premises or any portion thereof.

2. Real Estate Broker. Tenant represents and warrants that neither Tenant nor any of Tenant's Representatives have dealt with or consulted any real estate broker in connection with this Lease other than the Brokers, if any. Without limiting the effect of the foregoing, Tenant agrees to indemnify, defend and hold Landlord harmless against any claim or demand made by any real estate brokers and/or agents claiming to have dealt or consulted with Tenant or any of Tenant's Representatives contrary to the foregoing representations and warranty. Tenant specifically waives any right to interpose or be represented by a broker for any renewal, extension, expansions of this Lease or the Premises, or any new negotiation for any other space in the Building after the date of execution of this Lease by Landlord.

3. Nonwaiver. The waiver by Landlord of any term, covenant or condition herein shall only be effective if in writing and shall not be deemed to be a waiver of such term, covenant or condition or any subsequent breach of the same or any other term, covenant or condition contained in this Lease. Neither Landlord's failure to insist upon strict performance of any term, covenant or condition hereof, the acceptance of Rent by Landlord with knowledge of a breach of this Lease, nor waiver of any right or remedy on one occasion, shall be deemed a waiver of any rights or remedies that Landlord may have or a waiver of any subsequent breach. Tenant waives its right to bring a declaratory judgment action with respect to any notice of an event of default by Tenant. Tenant also waives its right to seek injunctive relief that would stay, extend, or otherwise toll: (i) the curative time periods with respect to any event of default by Tenant; (ii) any other time limitations set forth in this Lease; (iii) any provisions of this Lease; or (iv) any notice sent by Landlord to Tenant with respect thereto.

4. Notices. Whenever it is provided herein that notice, demand, request, consent, approval or other communication shall or may be given to, or served upon, either of the parties by the other, or whenever either of the parties desires to give or serve upon the other any notice, demand, request, consent,

approval or other communication with respect hereto, each such notice, demand, request, consent, approval or other communication (referred to as a "**Notice**") shall be in writing (whether or not so indicated elsewhere in this Lease) and shall be effective for any purpose only if given or served by: (i) certified or registered U.S. Mail, postage prepaid, return receipt requested, (ii) personal delivery with a signed receipt, or (iii) a recognized national courier service that obtains a signed receipt from the recipient. Rejection or other refusal by the addressee to accept the Notice, and inability to deliver the Notice because of a change of address of the party of which no notice was given to the other party, shall be deemed to be the receipt of the Notice on the third day following the date postmarked by the United States Postal Service or on the second day following the date accepted by the courier service. All Notices by Tenant to Landlord shall be sent to Landlord's Mailing Address. All Notices by Landlord to Tenant shall be sent to the Premises (or, prior to the date that the Tenant acquires possession of the Premises to such other address as Landlord has for Tenant). Either party may, from time to time, by delivering Notice to the other party, designate another place or recipient for Notice.

9. Severability. This Lease is intended to comply with all applicable Laws. If any provision of this Lease is determined to be unconstitutional, unenforceable void, invalid or inoperative by any tribunal exercising competent jurisdiction, such provision shall be deemed automatically adjusted to conform to the requirements for validity as declared at such time, and, as so adjusted, shall be deemed a provision of this Lease as though originally included herein. If the provision is of such a nature that it cannot be adjusted such provision of this Lease shall be stricken from and construed for all purposes not to constitute a part of this Lease as though that provision had never been entered into, and the remaining provisions of this Lease shall remain in full force and effect and shall, for all purposes, constitute this entire Lease, provided such fundamental terms and conditions of this Lease remain legal and enforceable. If the remaining provisions of this Lease cannot operate as intended by the parties when entering into this Lease without such provision, this Lease may be terminated by either party, the Security Deposit shall be refunded to Tenant in accordance with Section 5 of this Lease, and neither party shall have any obligations to the other, except for those which survive any termination of this Lease.

This Lease contains the entire agreement of the parties, and no representations, inducements, promises or agreements, oral or otherwise, between the parties not embodied in this instrument shall be of any force or effect. No amendment, modification or variation of this Lease or any of its terms or provisions shall be effective, binding or valid unless and until it is reduced to writing and executed by the parties. No failure of Landlord to exercise any power given

Landlord by this instrument, or to insist upon strict compliance by Tenant of any obligations hereunder, and no custom or practice of the parties at variance with the terms hereof shall constitute a waiver of Landlord's right to demand exact compliance with the terms of this Lease. The exhibit(s) referred to in, and attached to, this Lease are hereby incorporated in full by reference. Unless otherwise expressly provided in the Exhibit or the body of this Lease, in the event of any conflict or inconsistency with the provisions contained in the body of this Lease and the exhibit(s), the provisions contained in the body of this Lease shall control.

Nothing in this Lease shall be construed or deemed to create, or to express an intent to create, a partnership, joint venture, "joint employer" or agency relationship of any kind or nature whatsoever between the parties. Nothing in this Lease shall confer any rights or benefits upon any person or entity other than the parties hereto, and no person or entity shall be a third party beneficiary of this Lease, other than any of Landlord's mortgagees and/or Affiliates as to the rights contained herein for their benefit. Notwithstanding anything to the contrary contained in this Lease, the provisions hereof which from their sense and/or context are intended to survive the expiration or sooner termination of this Lease shall so survive, including, without limitation, any indemnity and defense obligations and any obligation to pay money. This Lease has been reviewed and negotiated by the parties hereto and their respective counsel, so no weight shall be placed upon which party drafted the provisions being interpreted.

14. FORUM AND VENUE FOR LEGAL PROCEEDINGS/WAIVER OF JURY TRIAL. TENANT FURTHER WAIVES THE RIGHT TO INTERPOSE ANY NON-COMPULSORY COUNTERCLAIM OF ANY NATURE IN ANY ACTION OR PROCEEDING COMMENCED BY LANDLORD TO OBTAIN POSSESSION OF THE PREMISES. IF TENANT VIOLATES THIS PROVISION BY FILING A NON-COMPULSORY COUNTERCLAIM, WITHOUT PREJUDICE TO LANDLORD'S RIGHT TO HAVE THE COUNTERCLAIM DISMISSED, THE PARTIES STIPULATE THAT SHOULD THE COURT PERMIT TENANT TO MAINTAIN THE COUNTERCLAIM, THE COUNTERCLAIM SHALL BE SEVERED AND TRIED SEPARATELY FROM THE ACTION FOR POSSESSION UNDER RULE 1.270(b) OF THE FLORIDA RULES OF CIVIL PROCEDURE OR OTHER APPLICABLE LAWS. 18. Landlord's Liability. Notwithstanding any provisions herein to the contrary, Tenant specifically agrees to look solely to Landlord's interest in the Property (including casualty or condemnation proceeds) for the recovery of any judgment from Landlord, it being agreed that neither Landlord nor its Affiliates shall ever be personally liable for any such judgment.

If Tenant learns of the discharge upon the Premises of any Hazardous Materials under Tenant's control, Tenant shall immediately undertake to contain, remove, and abate the discharge. Failure of Tenant to comply with the provisions of this Paragraph 15.19 shall constitute an event of default. This indemnification obligation shall survive the expiration or termination of this Lease, and shall be binding personally on all officers, directors or other individuals of any entity that Tenant may be executing this Lease. The term "**Hazardous Materials**" shall mean any material that, because of its quantity, concentration or physical or chemical characteristics, is deemed by any governmental authority to pose a present or potential hazard to public health, welfare or the environment. Hazardous Material includes, without limitation, asbestos in any form; mold; urea formaldehyde foam insulation; transformers or other equipment which contain dielectric fluid containing levels of polychlorinated biphenyls in excess of fifty (50) parts per million; petroleum, including, without limitation, crude oil or any fraction thereof; or any material or substance defined as a "hazardous substance", "hazardous waste", "pollutant" or "contaminant" pursuant to any federal, state, county, regional, local or other governmental authority or which, even if not so regulated, may or could pose a hazard to the health and safety of the occupants of the Premises or premises adjacent to the Premises. Tenant shall immediately notify Landlord: (x) of any visible signs of mold; (y) of any water leak or excessive water condensation in the Premises; or (z) if Tenant has reasonable cause to believe that mold has or will occur in the Premises. Tenant shall use its best efforts to remove immediately any excess water caused by such leak and return the Premises to its condition as it existed immediately prior to such leak. Should an assessment of the Premises disclose the presence of mold and remediation be recommended, Tenant shall, if the presence of mold is due to the act or omission of Tenant, have the remediation performed by a qualified licensed mold remediation contractor approved by Landlord and in accordance with Florida Statutes Section 468.84, et. seq., pursuant to a remediation plan approved by Landlord, at Tenant's sole cost and expense.

Landlord reserves the right to use, install, monitor, and repair pipes, ducts and conduits within the walls, columns, and ceilings of the Premises.
