SUBJ: **Approval to decrease the speed limit on Lakeville Road**

A concerned citizen has requested Orange County to review the posted speed limits along Lakeville Road between South Apopka Boulevard and Clarcona Ocoee Road. The posted speed limit on that section of Lakeville Road is 50 and 45 mph. The citizen believes the current posted speed limit is too high and creates a safety concern.

The posted speeds within the County shall be posted at the lower of the 85th percentile speed or the upper limit of the 10 mph pace. A speed study and field review of traffic conditions, conducted by staff, discovered that an upper limit of 10 mph pace was 35 mph and the 85th percentile speed was 40.5 mph. Based on the results, our staff recommends that the Board approve to decrease the posted speed limit from 50 and 45 mph to 35 mph on Lakeville Road between South Apopka Boulevard and Clarcona Ocoee Road.

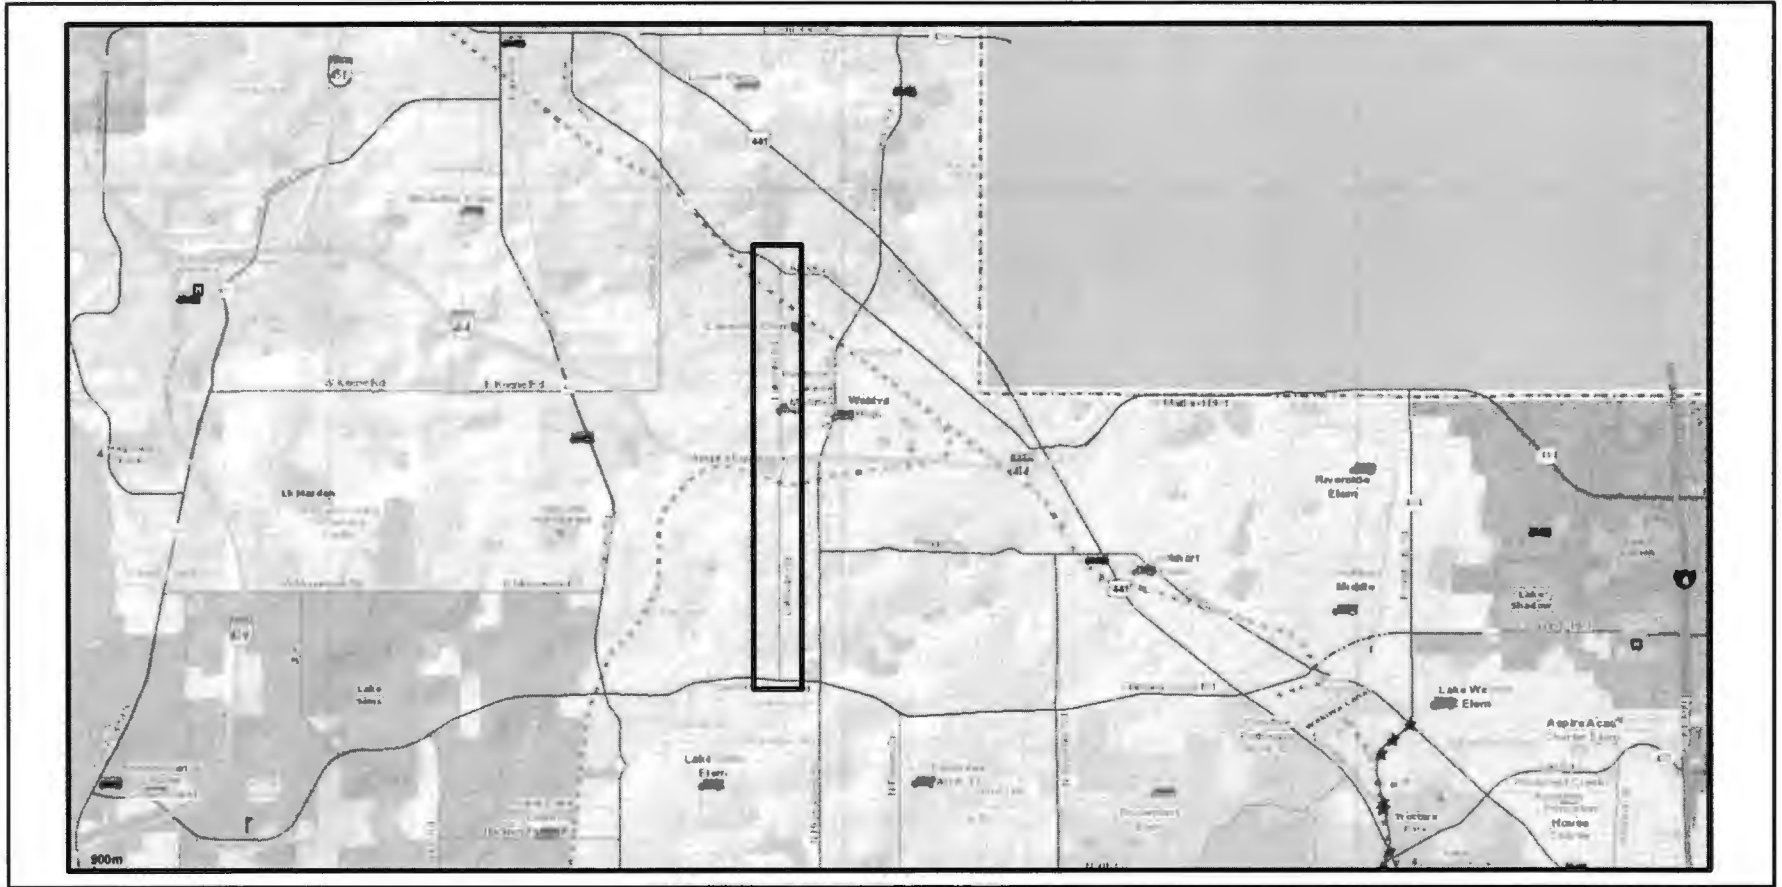

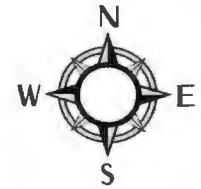

Action Requested: Approval to decrease the speed limit on Lakeville Road between South Apopka Boulevard and Clarcona Ocoee Road from 50 and 45 mph to 35 mph. District 2.
