<b>Personal History:</b> I am a concerned citizen with the love of Orange County that will help with progress. I think conservatively with spending money and pay attention to balance. My family is fifth generation Orange County/Apopka and has been able to make a great living here. I get along well with others when working in a group setting and I have the ability to help others find common ground when they disagree on what actions to take. Sometimes, it just takes a little negotiating to help reach a reasonable agreement that benefits everyone.
