SUBJECT: January 11, 2022 – Consent Item
Administrative Street Renaming Process

On March 23, 2021, a work session took place before the Board in response to Mayor Demings' request for staff to develop a proposed administrative street renaming process for streets and roads within unincorporated Orange County. At the work session, staff provided an overview of the current constituent-initiated petition process and presented a proposed administrative street renaming process. The Board members outlined several items that they thought would be important to include in the process. Based on their suggestions, staff developed a resolution creating a process for the Board to administratively rename streets and roads within the County.

The resolution outlines a process for the Board to administratively rename streets and roads within the County.

ACTION REQUESTED: Approval and execution of Resolution of the Orange County Board of County Commissioners regarding the process to administratively change the names of streets and roads within the County's jurisdiction. All Districts
