SUBJ: Installation of "No Parking" signs on both sides of Lady Diana Place from Taborfield Avenue to Royal Estates Boulevard

A concerned citizen has requested the Traffic Engineering Division install "No Parking" signs on both sides of Lady Diana Place from Taborfield Avenue to Royal Estates Boulevard. Castleview Elementary School was built on Taborfield Avenue and parents are parking on Lady Diana Place to let students out of their cars and avoid the parent drop-off/pick-up loop.

Traffic Engineering staff have determined that parking on the roadway to drop-off/pick-up students creates a traffic hazard for both pedestrians and drivers on Lady Diana Place.

Staff recommends the Board approve installation of "No Parking" signs on both sides of Lady Diana Place from Taborfield Avenue to Royal Estates Boulevard.

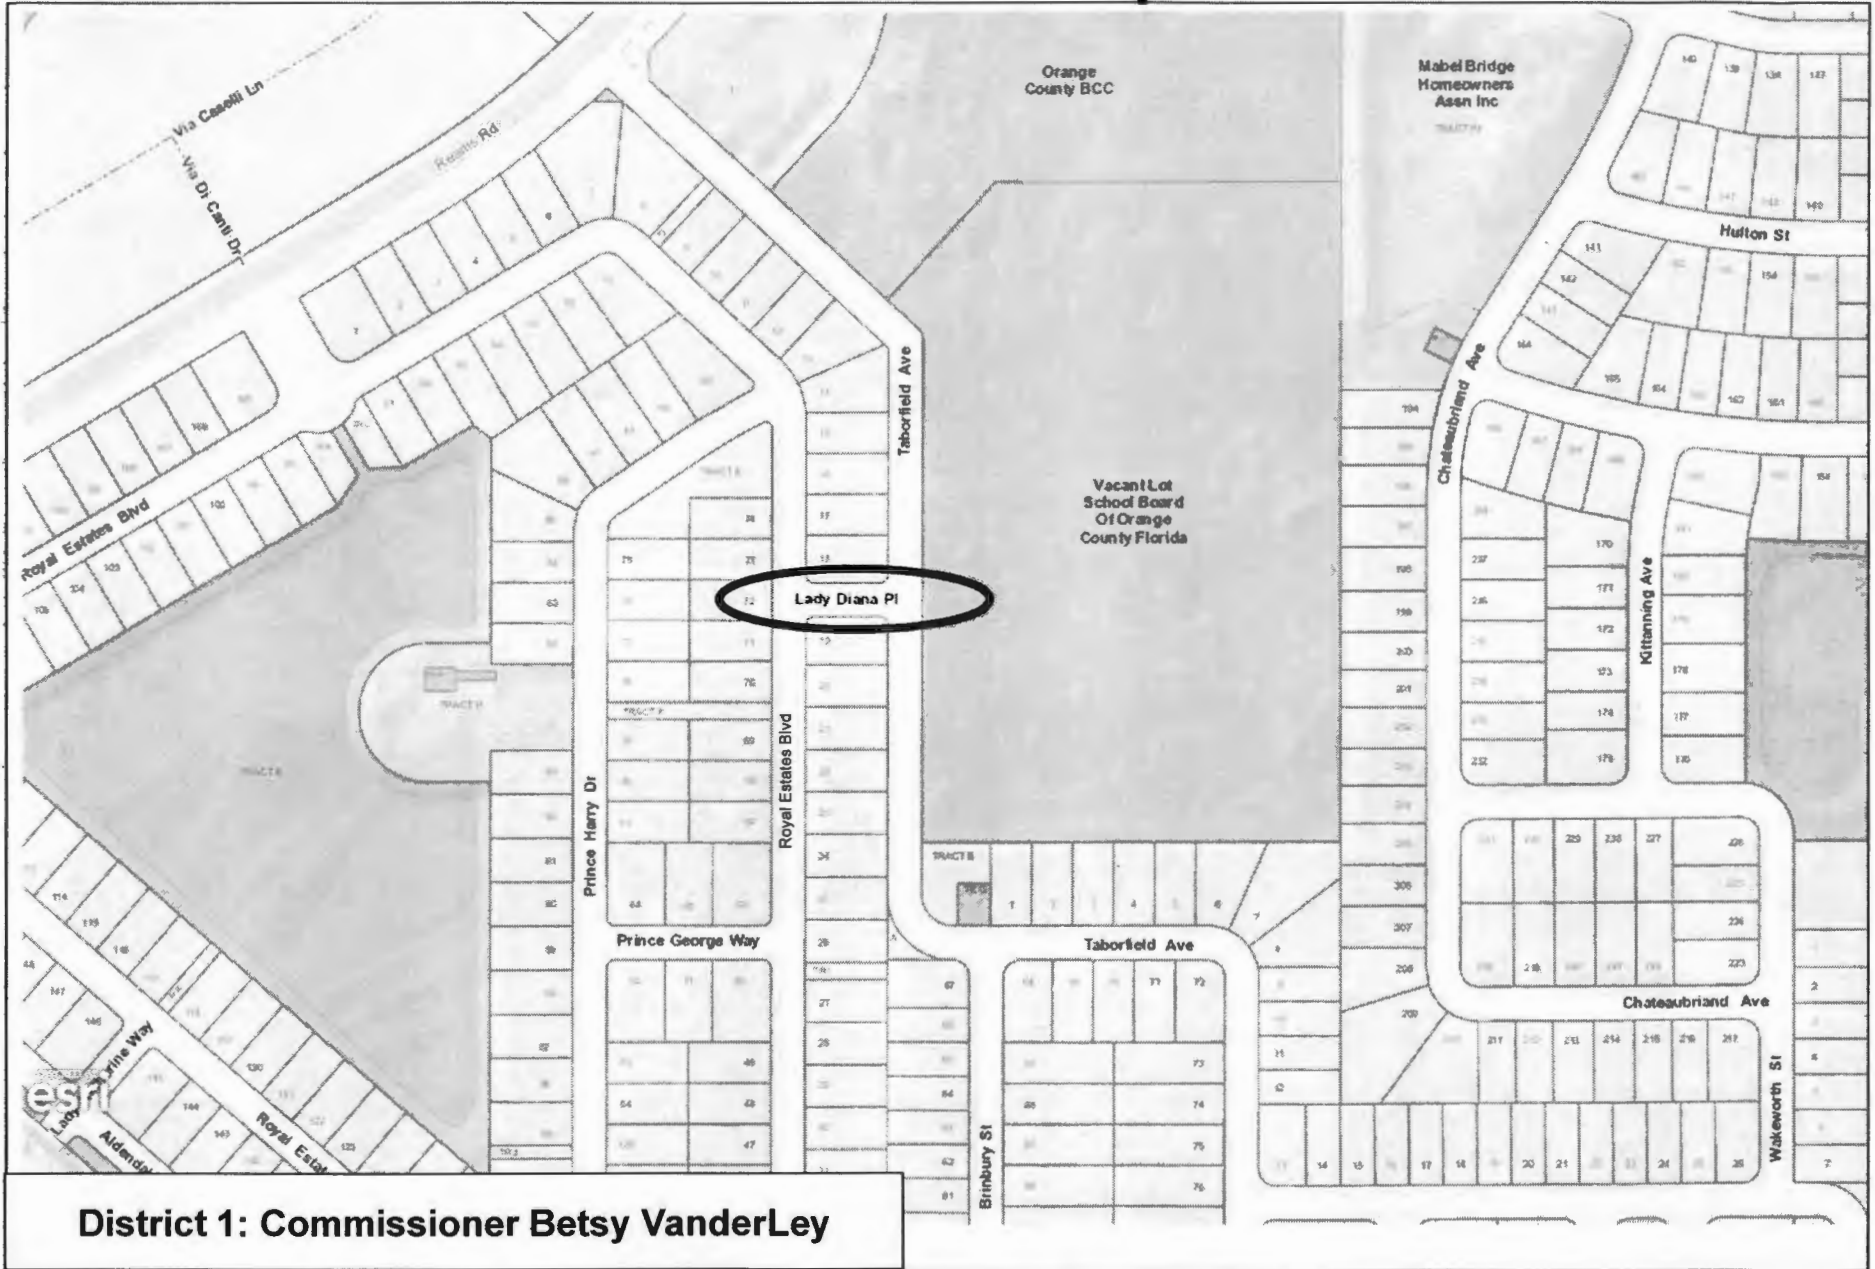

Action Requested: Approval of "No Parking" signs installation on both sides of Lady Diana Place from Taborfield Avenue to Royal Estates Boulevard. District 1.
