Introduction

This is the final report of the Orange County 2025 Value Adjustment Board (VAB). The 2025 VAB is an independent board established by Florida law to provide property owners a way in which to address complaints regarding the Property Appraiser's (PA) assessment of property, denial of an exemption or classification, the denial of a tax deferral and / or refund of taxes for a catastrophic event. The five-member VAB consists of two members of the governing board of the county, one member of the school board, and two citizen members (one of which the Board of County Commissioners (BCC) must appoint and must own homestead property and the other of which the school board must approve and must own a business occupying commercial space located within the school district). The VAB appoints private counsel who has practiced law for over five years. The clerk to the governing board is the clerk of the VAB.

In counties, such as Orange, whose population is greater than 75,000, the VAB appoints special magistrates to conduct hearings and make recommendations to the VAB for final decision. All meetings of the VAB are open to the public and subject to Sunshine Laws.

This report contains a summary of appointments and timelines of the VAB, petition-filing results, hearing information, special magistrate recommendations, fees and expense statistics and illustrations.

General Applicable Timeframes of the 2025 VAB

- January 1st** Effective date of Property Appraiser’s valuation of real and tangible properties.

- March 1st** Deadline for taxpayers to file for exemptions, property classifications and portability applications with the Property Appraiser’s Office (PAO).

Taxpayers believing that they have been improperly denied an exemption and / or classification may file a petition with the VAB within 30 days following the mailing of the denial notice from the PAO.

- July** All taxing authorities set preliminary millage, i.e., tax rates.

- August** TRIM (truth in millage) notices are mailed by the PAO to taxpayers. The TRIM notice notifies taxpayers of the assessed value of their property.

- September** Taxpayers believing that their property value is incorrectly assessed may file an appeal with the VAB within 25 days of receipt of the TRIM Notice.

Taxpayers have 25 days after receiving the TRIM notice to file a petition challenging the assessed value. The taxpayer wishing to contest the PAO’s assessed value must pay 75% of the tax bill before the taxes are delinquent. If the partial tax payment is not made, the VAB must deny the VAB petition regardless of whether the special magistrate recommended a reduction.

Taxing authorities adopt final budgets and set the millage rates.

- November** The Tax Collector sends out the property tax bills to taxpayers.

- March 31st** (Following year) Deadline for taxpayers to pay taxes.

- April 20th** VAB must deny a petition by written decision by April 20th if the petitioner has not made tax payments required by Florida law.

Section 3

VAB Petition Filing Results

In comparison to the 2024 tax cycle, the 2025 tax cycle experienced a 13 percent decrease in the total number of parcels filed with the VAB clerk. The Annual VAB Petition Filing Results [**Exhibit A**] provides a summary of petition and parcel activity during the 2025 tax year as well as a comparison of that activity for the prior four tax years.

Late-Filed Petitions

Per Florida law, the VAB may not extend the time for filing a petition; further, the VAB is not authorized to set and publish a deadline for late filed petitions. However, failure to meet the statutory deadline for filing a petition to the VAB does not prevent consideration of such a petition when the VAB clerk determines that the petitioner has demonstrated good cause justifying consideration and that the delay will not be harmful to the performance of board functions in the taxing process.

Good cause means the verifiable showing of extraordinary circumstances, as follows:

1. Personal, family, or business crisis or emergency at a critical time or for an extended period of time that would cause a reasonable person's attention to be diverted from filing; or
2. Physical or mental illness, infirmity, or disability that would reasonably affect the petitioner's ability to timely file; or
3. Miscommunication with, or misinformation received from, the board clerk, property appraiser, or their staff regarding the necessity or the proper procedure for filing that would cause a reasonable person's attention to be diverted from timely filing; or
4. Any other cause beyond the control of the petitioner that would prevent a reasonably prudent petitioner from timely filing.

Of the 3,415 petitions filed, 91 petitions failed to meet good cause for missing petition-filing deadlines. Subsequently, these petitions did not move forward to a hearing. Forty-five late-filed petitions demonstrated good cause.

Suspended Petitions

The VAB clerk accepted for filing all completed petitions timely submitted on a form approved by the Department of Revenue (DOR), with payment if required. During the 2025 tax cycle, the VAB clerk suspended 394 petitions. There was a 49 percent increase in the number of suspended petitions compared to 2024.

Consistent with Florida law, when the VAB clerk received an incomplete or discrepant petition, VAB staff issued notice to the petitioner providing an opportunity to complete the petition within 10 calendar days. The completed petition was timely if completed within the period provided in the clerk's notice.

The VAB clerk relied on the licensure information provided by a licensed agent, or written authorization provided by an unlicensed agent, in accepting the petition.

One hundred and eighteen incomplete petitions remain suspended and were not scheduled for hearings for non-compliance with the provisions of Florida law.

Section 4

VAB Hearings & Special Magistrate Recommendations

During the 2025 tax cycle, there was a two percent increase in the number of petition hearings conducted by Special Magistrates compared to 2024. From October 1, 2025 – January 29, 2026, Special Magistrates conducted 2,153 petition hearings for properties located in Orange County. During the 2025 tax cycle, 2,168 parcels went to hearing, which resulted in a four percent decrease in the number of parcels that went to hearing during 2024.

The Orange County VAB Office continues to offer the ability to attend hearings virtually to both the petitioner and Property Appraiser's Office (PAO) using the WebEx platform.

No-Show Hearings

During the 2025 tax cycle, staff made continued efforts to reduce the total number of costly no-show hearings. Approximately two weeks prior to the scheduled hearing date, VAB staff provided a courtesy phone call to petitioners reminding them of their upcoming hearing date and inquired about the petitioner's preference to attend the hearing virtually or in-person. This call served as a friendly reminder to petitioners as the hearing notice was sent via the petitioner's preferred method of contact indicated on the petition at least 25 days prior to the scheduled hearing. At times, petitioners advised VAB staff they were no longer pursuing a remedy with the VAB and they withdrew their petitions from the hearing schedule. On other occasions, petitioners did not inform the VAB that they were no longer challenging the PA's assessment of property.

During the 2025 hearing cycle, of the 2,153 petition hearings conducted, the Special Magistrate determined the petitioner did not appear at the start of 526 hearings. The petitioner did not request to have the petition heard in their absence nor was the petition granted a good cause reschedule request. There was a markedly 10% increase in the number of no-show hearings compared to the 2024 hearing cycle.

Due to the increase in total number of no-show hearings from 2024, the clerk identified the number of no-show hearings by petitioner between tax years 2024 and 2025. The clerk found 40 petitioners did not appear for their scheduled hearing during the 2024 tax cycle. During the 2025 hearing cycle, 82 petitioners did not appear for their scheduled hearing. The clerk further discovered 73 percent of the no-show hearings conducted this year were petitions filed by four agents.

Good Cause Hearing Reschedule Requests

During the 2025 hearing cycle, the VAB received 405 good cause-hearing reschedule requests compared to 498 requests during tax year 2024. Effective tax year 2016, petitioners and the PA were each allotted one hearing reschedule for good cause. [Section 194.032\(2\)\(a\), Florida Statutes](#) defines good cause as “circumstances beyond the control of the person seeking to reschedule the hearing which reasonably prevent the party from having adequate representation at the hearing.” During the 2025 hearing cycle, the VAB granted 275 good cause-hearing reschedule requests compared to 439 requests during tax year 2024. The change in activity reflects a 37% decrease in the total number of rescheduled hearings for good cause.

Special Magistrate Recommendations

Special Magistrate Recommendations to the Board **[Exhibit B]** lists the recommendations for all petitions heard during the 2025 tax cycle.

The VAB clerk calculated the shift in taxes for each parcel granted a reduction in taxable value. Prior to the final meeting, the VAB clerk will confirm with the PA the net change in taxable values due to actions of the board.

Shift in Taxes by Property Type **[Exhibit C]** provides the reduction in taxable values, and further provides the shift in taxes based upon the current reduction in taxable values and the parcels’ millage rates. The VAB clerk completed the appropriate DR-488 form, Certification of the Value Adjustment Board, for both Real and Tangible Personal Property which will be filed with the state.

Section 5

2025 VAB Fees and Expenses

As required by [Section 194.013\(4\), Florida Statutes](#), “All filing fees collected by the VAB clerk shall be allocated and utilized to defray, to the extent possible, the costs incurred in connection with the administration and operation of the value adjustment board.” During its Organizational Meeting held on June 12, 2025, the 2025 VAB adopted a resolution, which imposed a \$15.00 filing fee for each petition filed for non-contiguous parcels of property, and further, imposed a \$15.00 filing fee for single-joint petitions, plus a \$5.00 fee for each contiguous parcel associated with the petition. At the time of the Organizational Meeting, this was the maximum allowable fee per Florida Law.

On June 30, 2025, the Governor signed into law an increase to the maximum VAB filing fee per parcel from \$15.00 to \$50.00, at the VAB’s discretion. The filing fee for homestead portability petitions remains \$15.00 irrespective of this amendment because Section 193.155(8)(j), Florida Statutes (the homestead portability petition statute) explicitly provides that the filing fee for a homestead portability petition is “[n]otwithstanding s. 194.013”.

During the Second VAB Meeting held on August 20, 2025, the VAB elected to keep the current filing fee of \$15.00 for the 2025 VAB cycle and recommended the 2026 Value Adjustment Board increase the petition filing fee to \$50.00.

Pursuant to [Section 194.015, Florida Statutes](#), two-fifths of the expenses of the board shall be borne by the district school board and three-fifths by the district county commission. VAB Fees and Expenses **[Exhibit D]** outline total VAB petition filing fees collected, VAB expenses incurred, and the portion of those expenses borne by the BCC and School Board during the previous four tax years. A comprehensive listing of 2025 VAB expenses is included. The VAB clerk collected \$51,045.00 in filing fees and further paid to date \$671,446.10 in expenses. At its Final Meeting, the VAB will authorize payment of all VAB expenses; and further will authorize the VAB clerk to finalize the administrative duties of the VAB for the year. Such duties include processing remaining VAB Legal Counsel and Special Magistrate invoices as well as additional advertising costs.
