PROJECT: 2025-2026 Annual Action Plan

PURPOSE: The Housing and Community Development Division has developed the 2025-2026 Annual Action Plan for housing and community development programs funded through the United States Department of Housing and Urban Development (HUD). The Annual Action Plan is the operating plan designed to identify specific activities that Orange County intends to pursue through the Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME), Emergency Solutions Grant (ESG), and other state and local housing and community development programs, to address the objectives identified in the 2022-2026 Orange County Consolidated Plan. The Action Plan will cover the period starting October 1, 2025 through September 30, 2026.

A considerable amount of public participation and consultation was solicited in the development of the Annual Action Plan including:

- Two public notices were advertised in local newspapers (in English and Spanish) to inform the public;
- Two Technical Assistance workshops were conducted on March 13, 2025, to explain the application process;
- A public hearing was conducted on June 18, 2025 to receive public input on the Annual Action Plan;
- Action Plan Executive Summary was available on the Orange County's website, and at the Orange County Public Library and Housing and Community Development Division offices; and
- A 30-day public comment period was provided to solicit comments on the draft Annual Action Plan.

The Annual Action Plan will provide much needed services to the homeless, disabled, elderly and low-income residents of Orange County. Attached is the proposed budget for the Annual Action Plan, which includes the projects and activities that will be implemented during Fiscal Year 2025-2026. The Annual Action Plan includes funding from CDBG in the amount of \$7,439,307; HOME Investment Partnerships Program in the amount of \$2,673,793.48; and Emergency Solutions Grant in the amount of \$644,990, for a total budget of \$10,758,090.48.

The 2025-2026 Budget has been approved by the Community Development Advisory Board and will be submitted to the U.S. Department of HUD for approval on or before August 15, 2025

EXECUTIVE SUMMARY

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

Orange County's Action Plan is the annual operating plan of the County's Consolidated Plan designed to identify specific activities that Orange County intends to pursue. The Action Plan represents an official application to the U.S. Department of Housing and Urban Development (HUD) for the following federal entitlement programs: Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME), and the Emergency Solutions Grant (ESG). The 2025-2026 Action Plan will continue to address priorities identified in the 2022-2026 Consolidated Plan, and it is effective starting October 1, 2025, through September 30, 2026.

Orange County anticipates receiving approximately \$10,758,090.48 to pursue community development and housing activities as follows:

- Community Development Block Grant (CDBG) – \$7,439,307
- HOME Investment Partnerships Program (HOME) – \$2,673,793.48
- Emergency Solutions Grants (ESG) – \$644,990

These federal programs, which are part of the 2025-2026 Action Plan, are intended to satisfy a variety of community development and housing needs in Orange County. The CDBG program is utilized for capital improvement projects, affordable housing, public service activities, and grant administration, to include fair housing activities. Under the CDBG funding allocation, the amount spent on public service activities is limited to fifteen percent (15%), while administration costs are limited to twenty percent (20%) of the total allocation.

Under the HOME program, the activities to be implemented include homeowner housing rehabilitation, tenant based rental assistance (TBRA), homebuyer assistance, affordable rental housing activities, housing activities in partnership with Community Housing Development Organizations (CHDOs), and program administration. The program may also support new housing construction activities. Administration costs for the HOME Investment Partnerships Program are limited to 10 percent (10%) of the total allocation, while the amount spent on CHDO activities is a minimum of 15 percent (15%) of the annual allocation.

Orange County has expanded a range of its HOME activities to ensure the optimal use of funds, with funded activities detailed in this Annual Action Plan and the Consolidated Annual Performance and Evaluation Report (CAPER). The County reserves the right to modify its program details as deemed necessary to maintain ongoing alignment with the County's goals and priorities. Any updates or changes to the HOME program will be documented in the program's policies and procedures and will remain compliant with 24 CFR Part 92.

CDBG and HOME grants are designed to assist very low, and low- to moderate-income residents (income up to 80 percent of the area's median income). The County, however, designates its allocated funding under

these grants primarily to local programs and activities that typically target low-income persons (income up to 50% of the area’s median income).

ESG program funds will be used to assist with emergency shelter operations (including operational expenses and essential services), street outreach, rapid re-housing and homelessness prevention (including financial assistance and stabilization services) for households at risk of homelessness. Additionally, ESG funds will be used to conduct collection of data on the homeless individuals served with ESG funds, and to support management of the Homeless Management Information System (HMIS). Under the ESG funding allocation, the combined amount spent on shelter operations and street outreach is limited to 60 percent (60%) of the total allocation, while administrative costs are capped at 7.5 percent (7.5%).

On January 10, 2025, HUD made a special allocation of \$512,694 in ESG funds to address the needs of homeless individuals and families, or individuals and families at risk of homelessness in areas affected by major disasters declared pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act. These funds must benefit people whose needs are not otherwise served or met by existing Federal disaster relief programs, including the Transitional Sheltering Assistance (TSA) program under such Act. This special allocation of “Rapid Unsheltered Survivor Housing” (RUSH) funding was in response to the President’s major disaster declarations for Hurricane Helene (DR-4828-FL) and Hurricane Milton (DR-4834-FL). Eligible activities under RUSH funding include those similar to the activities of the ESG program, and they address the goals and priorities identified in the 2022-2026 Five-Year Consolidated Plan, to include the goal of eradicating and preventing homelessness.

Orange County’s Action Plan explains how federal funds are leveraged and provides information on planned activities, their allocated funding for the grant year, and how these activities will help the County meet the Consolidated Plan’s goals. The 2025-2026 Action Plan is leveraged by other federal and local programs, such as the State Housing Initiatives Partnership (SHIP) Program and local general revenue funds targeted for homelessness and housing activities.

The other major components of the Action Plan include consultation and plan participation process; identification of annual goals and objectives; projects and activities to be implemented with formula grant funding; activities planned to meet priority needs established by the County; activities related to addressing affordable housing needs; homeless and other special needs activities that will be implemented; and other actions.

This Action Plan also includes required certifications, public comments, and program-specific requirements.

2. Summarize the objectives and outcomes identified in the Plan

Orange County’s 2022-2026 Five-Year Consolidated Plan, of which this Annual Action Plan is a part, is centered around these three goals:

- Transform low to moderate-income communities into resilient communities.
- Expand and preserve housing affordability, safety, and stability for low to moderate-income households and vulnerable populations.
- Work in collaboration with local government agencies, nonprofit organizations, and industry partners to eradicate and prevent homelessness.

The U.S. Department of Housing and Urban Development (HUD) requires each of the proposed projects and activities contained in this plan to be linked to a specific outcome, objective, and performance indicator. HUD has established a performance measurement system for formula grant programs to evaluate Orange County's performance under each project and activity through the specific outcomes that have been established in the Action Plan.

Additionally, Orange County utilizes the Integrated Disbursement and Information System (IDIS), a real-time web-based application that provides tracking and reporting on all grant activities. IDIS provides timely performance information regarding established goals and outcomes.

3. Evaluation of past performance

Orange County is required to assess its performance each fiscal year as part of the Consolidated Annual Performance and Evaluation Report (CAPER). The CAPER is the reporting tool that HUD utilizes to monitor and measure performance relating to each Action Plan under the Five-Year Consolidated Plan. The CAPER summarizes accomplishments and outcomes for all activities implemented in the previous program year, as well as the efforts to ensure that the activities were consistent with the program regulations and federal requirements. Orange County submits the CAPER to HUD for review by December 30th of each year.

Orange County received a CDBG allocation of \$7,350,003 for the fiscal year 2023-2024, of which \$3,473,808 was allocated for capital improvement projects, \$1,315,605 to housing projects, \$1,090,590 to public services, with the remainder of the funds allocated to general administration of the grant and fair housing activities. CDBG expenditures in FY 2023-2024 totaled \$7,888,280.16, including expenditures from previous year's projects. Apart from general administration, one hundred percent (100%) of the activities implemented and funded by the CDBG program benefited individuals and families in the low-to-moderate income category.

Public services funded under CDBG included, but were not limited to, services for homeless individuals, victims of domestic violence and their families, health/mental health and substance abuse services for homeless and low-income persons, case management for low-income families going through a financial crisis, employment training and placement services for individuals with disabilities, and a meal delivery service for low-income seniors with disabilities. Approximately 5,813 low- to moderate-income and homeless individuals were assisted with CDBG public services in FY 2023-2024.

Housing activities funded under CDBG included housing rehabilitation services, rental housing rehabilitation, and housing administration. The total funding allocated for CDBG housing activities in FY 2023-2024 was \$1,315,605. In addition to CDBG-funded activities, housing rehabilitation staff also oversee homeowners' rehabilitation activities paid for by other funding sources, including those funded under HOME, State Housing Initiatives Partnership (SHIP) Program, local Affordable Housing Trust Fund and Tangelo Park CRA programs. In the 2023-2024 fiscal year, the County spent a total of \$4,117,332.62 from various funding sources (including CDBG and SHIP funds) to provide minor and major home repairs to 138 qualified homeowners. Additionally, although not funded in the FY 2023-2024 Action Plan, a total of \$7,707.72 in prior year's funds was spent on the Lead Based Paint Hazard Program, which includes such activities as testing and abatement. More specifically, twenty-eight (28) homes constructed before 1978 were tested for lead-based paint.

There were two rental housing rehabilitation projects completed in FY 2023-2024 utilizing funding allocated in FY 2021-2022. Grand Avenue Economic Community Development Corp. was funded for renovations that

included fire alarm installation, window replacement on 180 units, and new HVAC on 7 units; Catholic Charities of Central Florida, Inc. was funded for the Phase III of renovations on the Monsignor Bishop Manor apartment complex, which included the replacement of windows and sliding doors on 47 units.

In FY 2023-2024, a total of six (6) multi-year capital projects were completed, which included sidewalk improvements within the City of Apopka municipal limits, completion of Phase II of renovations on the Multicultural Center located in the Pine Hills neighborhood, roof replacement on The Salvation Army emergency shelter facility for women and children, and other projects.

Orange County also received \$3,203,744 in HOME funds for the FY 2023-2024. The HOME program requires a 25 percent (25%) match of the total grant amount minus administration, or a minimum of \$786,268. The State SHIP funds are generally used to provide the required match for the HOME program. HOME funds were primarily used for the Tenant Based Rental Assistance (TBRA) program. Under the TBRA program, rental subsidies were provided to 193 seniors and/or individuals with disabilities. Relocation allowances totaling \$3,000 in HOME funds were expended in FY 2023-2024 on homeowner rehabilitation and/or rental housing rehabilitation.

The HOME program requires that jurisdictions commit a minimum of 15 percent (15%) of their HOME funds to projects conducted in collaboration with certified Community Housing Development Organizations (CHDOs). In FY 2023-2024, the County had three (3) certified CHDOs – Future Leaders CDC, HELP CDC, and MLJ Land Trust. Orange County did not award new funds to CHDO projects in FY 2023-2024 but is working on increasing its CHDO activity.

The ESG program serves homeless individuals and families or those at risk of becoming homeless with incomes up to 30 percent of the Area's Median Income (AMI). In FY 2023-2024, the Emergency Solutions Grant (ESG) provided \$639,743 in funding for activities that included homeless emergency shelter operations (including shelter for victims of domestic violence and their children), homelessness prevention, rapid rehousing, and stabilization services.

Shelter operation activities funded under the ESG program included essential services for homeless individuals and families. The shelter operation activity was funded in the amount of \$343,845, just over 53 percent (53%) of the total ESG allocation for FY 2023-2024, with services being implemented by the following agencies: Coalition for the Homeless of Central Florida, Inc., Family Promise of Greater Orlando, Inc., and Harbor House of Central Florida, Inc. (shelter for victims of domestic violence and their children). A total of 2,087 homeless individuals, including adults and children, were assisted with shelter and related services. J.U.M.P. Ministries, Inc. was awarded \$40,000 to offer Street Outreach services to assist individuals with basic needs and connections to appropriate homeless services, including shelters. The agency assisted 53 homeless individuals (49 households).

In the FY 2023-2024 Action Plan, \$87,918 and \$100,000 in ESG funds was awarded to Christian Service Center for Central Florida, Inc. and Family Promise of Greater Orlando, Inc., respectively, to implement their homelessness prevention programs. These two agencies assisted 98 households (262 individuals) with homelessness prevention services, to include short- and medium-term rental assistance and stabilization, financial assistance, as well as housing stability case management.

ESG Rapid Rehousing activities were conducted by Catholic Charities of Central Florida, Inc. The agency was awarded \$138,000 in FY 2022-2023 funds to assist qualified individuals and families. The agency collaborates with the Homeless Services Network of Central Florida, Inc., the lead agency for the local Continuum of Care (CoC), on the provision of rapid re-housing services for individuals and families in need. The agency experienced a delay in implementation of the program, and the subrecipient agreement with the agency was subsequently extended to June 30, 2024. The agency has assisted 33 individuals (11 households) and expended all remaining funds by the end of the agreement date.

Finally, a total of \$20,000 of ESG funds was awarded to Homeless Services Network of Central Florida, Inc. for the administration and management of the Homeless Management Information System (HMIS) and provision of technical assistance to ESG-funded agencies.

In addition to ESG funds, the County used \$70,000 in general revenue funds for 9 units of bridge housing located on the Coalition for the Homeless of Central Florida, Inc.'s campus. Orange County also provided \$564,168 in general funding to Grand Avenue Economic Community Development Corp. for 40 permanent supportive housing units at the Maxwell Terrace apartment complex; \$1,089,729 in funding to Aspire Health Partners, Inc. for 30 units of transitional housing; and \$2,183,146 in funding to Homeless Services Network of Central Florida, Inc. to offer permanent supportive housing for 220 households.

Overall, the County continues to be one of the largest funders of homeless services in the region. In addition to funding bridge housing, transitional housing, and permanent supportive housing units, the County also allocates \$1.55M in general revenue funds annually for rapid re-housing of homeless families (250 households served annually), and \$872,000 for the Homelessness Diversion Program implemented by Coalition for the Homeless of Central Florida, Inc., which served 1,469 individuals in FY 2023-2024. Furthermore, the County contributes \$163,000 annually to cover operational expenses at the Samaritan Resource Center, a daily drop-in center for homeless individuals located in East Orange County. The agency served 2,638 unduplicated individuals in FY 2023-2024.

Moreover, a Rapid Re-housing program is being funded by the SHIP Program and implemented by Coalition for the Homeless of Central Florida, Inc. In FY 2023-2024, a total of 103 households (126 individuals) received assistance through this program.

Orange County was awarded \$10,554,916 in HOME funds under the American Rescue Plan (HOME-ARP) to address additional needs for homelessness assistance and supportive services that emerged as a result of the COVID-19 pandemic. The HOME-ARP Allocation Plan was adopted as an amendment to the FY 2021-2022 Annual Action Plan and approved by HUD in April of 2023. The Allocation Plan budgeted \$1,000,000 for supportive services, \$5,000,000 for Tenant-Based Rental Assistance (TBRA), and \$3,000,000 for the development of affordable housing to serve qualifying populations. The program has a goal to serve 60 households annually over a period of five years.

Other federal programs administered by the Orange County Housing and Community Development Division include the Housing Choice Voucher Program, Mainstream Voucher Program, Emergency Rental Assistance Vouchers Program, and several programs addressing affordable housing needs. The County is currently closing out two federal Neighborhood Stabilization Programs (NSP-1 and NSP-3), and the program income generated from these funds will be transferred to the CDBG program prior to the program close-out.

Orange County's Section 8 Housing Choice Voucher Program administers rental housing subsidies for low-income households. In FY 2023-2024, rental subsidies were provided to approximately 1,217 households,

with an additional 651 out-of-state vouchers for a total of 1,868 vouchers serviced during this fiscal year. Homeless individuals receiving HOME-ARP supportive services were also issued fourteen (14) rental vouchers to assist them in securing and maintaining housing. An additional twenty-two (22) vouchers were issued since the beginning of FY 2024-2025, for a total of thirty-six (36) HOME-ARP rental assistance vouchers to date. Additionally, 62 veterans received subsidies under the Veterans Administration Supportive Housing (HUD-VASH) program.

The County received funds as part of the Mainstream Voucher Program, which provides housing vouchers targeted for non-elderly, head or co-head of households with disabilities who are at risk of homelessness or were previously homeless. The County utilized 61 vouchers allocated to the County during FY 2023-2024. The County also received 66 Emergency Housing Rental Assistance (EHV) vouchers for homeless households and utilized 60 emergency rental assistance vouchers in FY 2023-2024. There were 56 EHV active vouchers in FY 2024-2025 with no additional vouchers available. All vouchers have been utilized to assist homeless individuals including youth ages 18-24, and persons fleeing domestic violence and human trafficking.

Finally, Orange County Housing and Community Development Division and the Orange County Citizen Resource and Outreach Division work in partnership to administer the Shelter Plus Care (S + C) program, which provides rental subsidies to chronically homeless individuals with disabilities. A total of 62 clients were assisted in FY 2023-2024. Federal funding for the S+C program is awarded through the Continuum of Care Competition and Renewal process; funding in the amount of \$1,348,953 was authorized on May 13, 2025.

Since 2020, Orange County has received a total of \$12,303,808 in CDBG-CV (CDBG-CV1 and CDBG-CV3) and \$7,040,661 in ESG-CV (ESG-CV1 and ESG-CV2) funds for COVID- 19 related projects and activities. The County processed several amendments to FY 2019-2020 Action Plan to incorporate the funds and allocate them to activities aimed at preparing for, preventing, and responding to the COVID-19 pandemic. To date, the County has expended most of the CDBG-CV funds awarded and closed out the ESG-CV program. The majority of CDBG-CV funded public services ended during FY 2021-2022, with one funded activity related to the provision of housing-related legal services and counseling extending into 2023-2024 fiscal year. Community Legal Service of Mid-Florida, Inc. provided legal services and legal clinics to 201 individuals affected by the pandemic under the contract extension that ended in March of 2024.

The CAPER also reports on state and local contributions to affordable housing in Orange County. The most important local revenue source is the SHIP program that is utilized as a HOME Program match and used for housing rehabilitation, affordable rental housing development, housing counseling and affordable homeownership activities. In FY 2023-2024, the SHIP program provided down payment assistance to a total of 253 households. Of those households served by the program, six (6) were very low-income households, eighty-one (81) were low-income households, and 166 were moderate income households. The total amount of assistance provided to qualified households to purchase homes was \$8,357,916.46. Orange County utilized four (4) non-profit credit counseling agencies – Housing and Neighborhood Development Services (HANDS) of Central Florida, Housing and Education Alliance, HELP CDC, and Habitat for Humanity Greater Orlando and Osceola County, Inc. to provide pre-purchase counseling and homebuyer education through the SHIP program to approximately 914 individuals.

Regarding locally funded affordable housing projects and activities, Orange County Housing and Community Development Division has moved forward on several initiatives related to the local Affordable Housing Trust Fund, most notably the Impact Fee Subsidy Program funded through SHIP. This program provides impact

fee subsidies on certified affordable housing units, to include single-family/ owner-occupied and rental units, to incentivize construction of affordable housing. There were eleven (11) impact subsidies totaling \$103,395 in SHIP funds provided for construction of owner-occupied single-family homes. Additionally, the County conveyed twelve (12) properties through its Surplus Lot Program to four non-profit agencies that will construct up to thirteen (13) new, affordable “starter homes”. All income-eligible homebuyers of these homes could also qualify for down payment assistance on these properties through Orange County’s SHIP program.

To incentivize affordable homeownership development, the County issued its largest Multifamily Affordable Housing Gap Financing Request for Proposals (RFP Y24-1031-AH) in April of 2024. The RFA, which totaled \$21 million, included \$19 million from the Affordable Housing Trust Fund and \$2 million from the SHIP Program funds. The Orange County Board of County Commissioners approved the selection of five (5) multifamily projects in September of 2024, which, combined, will produce a total of 573 affordable units. Under this RFA, Orange County is currently in the process of drafting developer agreements for all five projects.

Overall, Orange County’s record indicates that the County is on track in meeting and exceeding the goals of its Five-Year Consolidated Plan for housing and community development activities. Tracking and evaluation of Orange County’s performance is an ongoing process that involves reviewing progress and performance reports through the Integrated Data Information System (IDIS), and ongoing monitoring of programs and services. Strong internal controls also contribute to executing programs that comply with the Housing and Community Development Act and other applicable laws and regulations.

Additional details about activities and past performance can be obtained from Orange County’s 2022-2026 Consolidated Plan and the 2023-2024 CAPER by visiting the County’s website at

<http://www.ocfl.net/NeighborsHousing/CommunityDevelopment.aspx>

4. Summary of citizen participation process and consultation process

To encourage public participation in community development activities throughout the County, and in keeping with HUD requirements, Orange County established a Citizen Participation Plan, the latest version of which was adopted in November of 2023 as part of amendments to the CDBG-DR Action Plan. The Citizen Participation Plan establishes procedures and standards for citizen participation. All Orange County citizens, in particular low- and moderate-income persons and those living in slum and blighted areas, are encouraged to participate in the planning, implementation and assessment of its Community Development Block Grant, HOME Investment Partnerships and Emergency Solutions Grants programs.

Citizens are encouraged to participate in all stages of the planning process, including funding allocations, and implementation and evaluation of program activities designed to meet high-priority needs. The following steps were taken to broaden citizen participation in the consolidated planning process.

- A public notice announcing the funding opportunities and making an initial announcement of the 2025-2026 Action Plan was published in the local newspapers *La Prensa* (Spanish) and *Orlando Sentinel* (English) on February 27, 2025, and on March 2, 2025, respectively.
- A Request for Applications (RFA) process for non-profit organizations, community organizations, County Divisions, and participating jurisdictions interested in submitting proposals to address the housing and community development needs in the community was done in March-April of 2025.

Two pre-award technical assistance workshops were conducted on March 13, 2025, to assist applicants with the RFA process. A public meeting was held on April 23, 2025, to entertain project proposals (via virtual presentations to the Community Development Advisory Board). A second public meeting was held on May 21, 2025, to discuss project recommendations and the proposed 2025-2026 Action Plan budget.

- The second public notice was published in *La Prensa*, a Spanish newspaper of general circulation on Thursday, June 5, 2025, and also in the *Orlando Sentinel* (English) on Sunday, June 8, 2025, announcing availability of the draft Action Plan document and the dates for the public comment period. Public Notices are included in **Appendix A** of the Action Plan.
- Upon the publication of the second notice, the draft plan was made available to the public through the internet, at the local public library, and at the Office of Housing and Community Development. Comments and suggestions were recorded and considered as additions and/or revisions to the plan. The comment period for these documents was from June 10, 2025 through July 10, 2025.
- Orange County residents were provided with another opportunity to comment on the proposed Action Plan at a public hearing held on June 18, 2025, at 6:00 p.m., at the Orange County Internal Operations Center located at 400 E. South Street in Orlando. All comments recorded during the public review period and public hearings are added to the final 2025-2026 Action Plan. The second public hearing with the Board of County Commissioners (BCC) is scheduled for August 5, 2025.

Finally, it should be noted that the County entertains proposals for affordable housing projects throughout its program year. Once selected utilizing a comprehensive request for proposals (RFP) or request for applications (RFA) processes, the projects are primarily funded with general revenue and/or SHIP funds.

5. Summary of public comments

The County held a 30-day comment period from June 10, 2025, to July 10, 2025, and invited members of the public to attend a public hearing before the Community Development Advisory Board, which took place on June 18, 2025, to receive input from residents and stakeholders on the draft Annual Action Plan prior to approval by the Board of County Commissioners and submission to HUD. Any comments received during the public hearing or within the 30-day review period, as well as any subsequent responses, are included in **Appendix B** of the Action Plan.

Regarding the special allocation of ESG-RUSH funds, HUD has waived consultation and citizen participation requirements for this allocation. To access this funding, Orange County posted a public notice regarding the proposed use of ESG-RUSH funds on its website and submitted an amendment to the FY 2024-2025 Annual Action Plan to HUD for approval.

6. Summary of comments or views not accepted and the reasons for not accepting them

All citizen comments received have been accepted by the County and are incorporated into the final plan documents, in accordance with 24 CFR Part 91.

7. Summary

During the development of the 2022-2026 Consolidated Plan, a set of priority needs were identified. These priorities include housing affordability and condition, capital improvements, public services, homeless services, and program administration. This Annual Action Plan outlines a selection of financial resources

expected to be available to address these priorities over the 2025-2026 program year and contains goals, measurable objectives, and implementation actions for each of the plan's elements.

Narrative

The Orange County Housing and Community Development Division, which is part of the Planning, Environmental, and Development Services Department (PEDS), serves as the lead agency responsible for administering the programs and activities outlined in the 2022-2026 Consolidated Plan and the 2025-2026 Annual Action Plan.

Orange County completed an Urban County re-qualification process in 2023. As a result, the County currently has Community Development Block Grant (CDBG) interlocal agreements with the following municipalities for the PYs 2024-2026: cities of Maitland, Ocoee, Winter Garden and Winter Park, and towns of Eatonville, Oakland and Windermere.

AP-10 Consultation – 91.100, 91.200(b), 91.215(I)

1. Introduction

Orange County consulted with various public and private entities when developing its 2025-2026 Annual Action Plan. To ensure success of its community revitalization efforts and quality of services provided in the community, the County routinely solicits input from community organizations, non-profit agencies and service organizations, housing authorities, other jurisdictions, and various entities within the region. The Housing and Community Development Division staff work closely with other Orange County Departments and Divisions, this includes but is not limited to, the Planning Division, Neighborhood Services Division, and the Department of Community and Family Services of Orange County (Mental Health and Homelessness and Community Action Divisions), to ensure services for low-income and homeless individuals are provided in a consistent and efficient manner.

In relation to these collaborative efforts, the County regularly holds focus groups, one-on-one meetings, and other outreach engagements with numerous nonprofit and service organizations, including affordable housing providers, for all HUD-related programs and funding activities. The following section provides a summary of the consultation process, including identification of the agencies that participated in the process. Orange County's efforts to enhance coordination between public and private agencies are specified below.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I)).

To sustain the strong relationships between public agencies and non-profit organizations, the County regularly enters into partnerships with local agencies to fund activities that advance the goals and objectives of the 2022-2026 Consolidated Plan and address the issues of affordable housing, quality of life and homelessness. More specifically, Orange County coordinates with a variety of agencies to provide affordable and supportive housing and services to homeless individuals, homeless children, and special needs populations, including elderly/frail elderly, persons with disabilities, people in need of mental health and substance abuse services, and victims of domestic violence.

The County also coordinates with the Orlando Housing and Winter Park Housing Authorities on the provision of public housing to very low, low, and moderate-income persons, especially the elderly and individuals with disabilities. Both agencies have provided input and information for FY 2025-2026 Action Plan. Additionally, the County collaborates with agencies that provide permanent supportive housing to persons with disabilities (i.e., Primrose Center, Inc. and Life Concepts, Inc.), as well as with other non-profit agencies whose mission is to develop affordable housing. The majority of those agencies participated in this year's Request for Applications (RFA) process, during which projects were selected for funding as part of the FY 2025-2026 Annual Action Plan. Some projects were selected to be funded with state and local resources, while others were awarded CDBG and/or HOME funds.

The services for persons with HIV/AIDS are coordinated among the City of Orlando, Orange County's Ryan White Care Act Office and HIV Health Services Planning Council. All three agencies work together to find mechanisms to incorporate HOPWA services with Ryan White benefits to provide housing and support to people with HIV/AIDS and their families.

Since 2016, the County has been closely collaborating with neighboring jurisdictions to address the affordable housing crisis in the region. In 2019, Orange County adopted a Housing for All 10-Year Action Plan, and the following year a local Affordable Housing Trust Fund Plan was adopted to facilitate production and preservation of affordable housing units. The Housing Trust fund dollars can be leveraged with federal and state funds to provide increased affordable housing options that benefit low to moderate-income households in Orange County. The local Affordable Housing Trust Fund Plan outlines strategies for using these dollars, including gap financing for affordable developments, incentives for preservation, land banking, impact fee subsidies, and additional support for housing construction, among other initiatives.

Finally, over the course of the last year, the County staff has participated in a number of events and meetings related affordable housing and fair housing issues, to include interviews, roundtable discussions, and presentations to the local community organizations.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Orange County Housing and Community Development Division (HCD) works in conjunction with the Homeless Services Network of Central Florida, Inc. (HSN), the lead agency for the local Continuum of Care (CoC), also known as the Central Florida Commission on Homelessness (CFCH), which encompasses the geographic area of Orange, Osceola, and Seminole counties. HSN performs coordination, planning, and administrative functions for CFCH partner agencies dedicated to providing direct crisis, recovery, and housing services. Its primary functions are to assist CFCH stakeholders in community-wide planning towards the goal of ending homelessness, maintain a Coordinated Entry System (CES), prioritize services to those most in need, operate a Homeless Management Information System (HMIS) to serve clients, provide data to enhance intervention performance, develop a housing pipeline and sustain tenancy for chronically homeless individuals, and maximize the development and utilization of financial resources. Orange County staff continues to be involved in CFCH activities and initiatives by participating in monthly membership meetings and taking part in several subcommittees. Additionally, County staff frequently participate in the review of agency applications for NOFA related projects and assists with the regional Point-In-Time Count. HSN's staff annually participates in the review of applications for the County's ESG dollars, and, more recently, ESG-RUSH funds.

Orange County Government continues to be the largest funder of public services for the homeless in Central Florida. Besides funding bridge housing, transitional housing, and permanent supportive housing units, the County annually allocates general revenue dollars for rapid re-housing activities, provides support for the Homelessness Diversion Program offered by the Coalition for the Homeless of Central Florida, Inc., and funds operational expenditures associated with the Samaritan Resource Center (drop-in center for the homeless located in East Orange County).

In FY 2025-2026, along with ESG funds, Orange County will allocate a total of \$139,165 in CDBG funds for services for homeless individuals and families as part of the CDBG public services. The County will also continue to use SHIP dollars for a rapid re-housing program administered by the Coalition for the Homeless of Central Florida, Inc.

Additionally, Orange County will provide 185 households who are homeless or were previously homeless with rental subsidies through the following programs: HUD-VASH (62), Shelter Plus Care (62), and Mainstream Vouchers program (61). Supplementary to the above programs and funds, the County allocated \$1.5M in HOME funds for FY 2025-2026 to the Tenant-Based Rental Assistance (TBRA) program that will assist an estimated 200 very low- and low-income senior and/or disabled households. The County will also offer TBRA under the HOME-ARP program,

through referral and partnerships from community partners. Homeless individuals receiving HOME-ARP supportive services were issued fourteen (14) rental vouchers to assist them in securing and maintaining housing. An additional twenty-two (22) vouchers were issued since the beginning of FY 2024-2025, for a total of thirty-six (36) HOME-ARP rental assistance-vouchers to date. In FY 2025-2026, the County intends to transfer households receiving assistance under the Emergency Housing Vouchers Program (EHV) to the HOME-ARP TBRA program due to the closeout of the EHV program. As a result, up to 60 additional households might be assisted by the HOME-ARP TBRA.

Finally, Orange County serves chronically homeless adults, veterans and vulnerable families and children through a variety of commissions and programs, including the following: Families, Health and Social Services programs; Domestic Violence and Child Abuse Commission; Youth Mental Health Commission; the Belvin Perry Jr. Central Receiving Center (CRC), and the Prescription Drug Task Force.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS.

Orange County advertised its Request for Applications (RFA) for the CDBG public services and ESG homeless services funding on February 27, 2025 (Spanish) and March 2, 2025 (English). The County asked the CoC's lead agency, the Homeless Services Network of Central Florida, Inc. (HSN), to participate in the review and evaluation of homeless project proposals to be funded under the ESG program. A total of twelve (12) proposals were submitted as part of this year's RFA process, with eleven (11) proposals reviewed by the HSN staff (one proposal was submitted by the HSN itself for the administration of the Homeless Management Information System (HMIS)). Orange County has also annually provided funding to HSN to support the administration of HMIS training and technical support for ESG-funded agencies, and provision of data and research for the County's Consolidated Annual Performance Evaluation Report (CAPER). Furthermore, Orange County has provided the CFHC with a copy of the draft FY 2025-2026 Annual Action Plan and a public meeting notice, for the purpose of sharing this information with the CoC membership.

Additionally, a representative from Homeless Services Network of Central Florida, Inc. participated in review of applications submitted for the ESG – Rapid Unsheltered Survivor Housing (ESG-RUSH) funding, a special allocation of ESG funds to address the unmet needs of individuals affected by Hurricanes Helene and Milton disaster events. As a result, three (3) agencies were awarded funds for projects to be implemented during FY 2024-2025 and FY 2025-2026 (homelessness prevention, rapid re-housing, and street outreach activities).

Orange County continues to focus on effectively using the Housing First approach to quickly stabilize and rapidly re-house homeless individuals and families. The County supports the CFCH's efforts to enhance the system support by improving the data quality in HMIS and expanding the use of the Coordinated Entry System (CES) among providers of homeless services in the Central Florida region. All ESG-funded agencies are required to use HMIS (or a compatible database for DV providers) to submit monthly and annual reports as part of invoicing, and to use CES for program referrals, when an established process is in place.

Additionally, Orange County, through its participation in the CFHC subcommittee meetings, has an opportunity to comment on program policies and procedures that aim to ensure consistency in the delivery of services for homeless individuals and families among the agencies within the Continuum.

Orange County staff participated in a fair housing summit hosted by the agency during the month of April 2025.

Identify any Agency Types not consulted and provide rationale for not consulting

Efforts were made to consult a wide variety of community stakeholders throughout Orange County. No agency types were excluded from outreach efforts.

Other local/regional/state/federal planning efforts considered when preparing the Plan

Table 3 – Other local / regional / federal planning efforts

Name of Plan	Lead Organization	How do the goals of your Strategic Plan overlap with the goals of each plan?
Housing For All 10-Year Action Plan	Housing For All Task Force	The Housing for All 10-Year Action Plan addresses housing affordability and supply, including specific interventions to remove regulatory barriers, creating new financial resources for housing, targeting areas of access and opportunity, and engaging the community and industry in the effort. These actions significantly overlap FY 2025-2026 Action Plan housing priorities and goals.
Affordable Housing Trust Fund Plan	Orange County Housing and Community Development Division	The local Affordable Housing Trust Fund, a program resulting from the implementation of the “Housing for All” recommendations, was established by Orange County for the purpose of providing the financial resources and leverage necessary to create and preserve affordable housing units.
Destination 2030 Comprehensive Plan	Orange County Community, Environmental, and Development Services	The Comprehensive Plan represents the adopted goals, objectives, and policies of the County with regard to land use. Included in the plan are long-term goals and strategies for such areas as housing, neighborhoods, recreation, and public infrastructure. Review of the County’s Plan established goals is helpful in programming CDBG and related funding toward identified needs. The Comprehensive Plan, to include housing and community development policies, is currently being updated as part of the Vision 2050 effort administered by the County.
Sustainable Operations and Resilience Action Plan	Orange County	The Action Plan outlines a strategy to achieve measurable goals within six focus areas including water use, buildings and infrastructure, and energy.
Central Florida Continuum of Care (CoC) Plan: Gaps, Opportunities and Challenges	Homeless Services Network of Central Florida	The goals of the Central Florida Continuum of Care are to assess and prioritize the gaps in the homeless service delivery system and establish a budget for programs and projects to overcome these gaps. The FY 2025-2026 Action Plan’s goal of eradicating and preventing homelessness is consistent with and overlaps these CoC goals.

Narrative (optional)

In addition to the agencies listed above that were consulted on the issues and strategies described in FY 2025-2026 Annual Action Plan, Orange County has had multiple opportunities to participate in discussions related to housing needs of the County's residents, as well as a variety of fair housing issues and their relation to affordable housing.

Orange County also cooperates in Florida's State Housing Initiatives Partnership (SHIP) Program, which provides funding for the County to produce and preserve affordable homeownership and rental housing. The State of Florida's SHIP funds supply a substantial source of funding, in addition to the Consolidated Plan's resources, for qualified housing activities, and County staff are in regular contact and coordination with the State regarding this program. The County uses SHIP funds primarily to provide affordable housing, with a portion designated for a rapid re-housing program administered by Coalition for the Homeless of Central Florida, Inc.

The City of Orlando is located within Orange County; however, it is a separate entitlement jurisdiction which independently manages its own Consolidated Plan and allocation of HUD funds. The County staff recognize the benefit of close coordination and meet regularly with the City of Orlando staff to discuss housing and community development activities, both planned and underway, to ensure efficient delivery of services and avoid duplication of efforts. Staff also consults frequently with the Orlando Housing Authority and the Winter Park Housing Authority, with both entities providing input on the sections of the Annual Action Plan related to public housing.

AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/efforts made to broaden citizen participation

Summarize citizen participation process and how it impacted goal-setting

To encourage public participation in community development activities throughout the County, and in keeping with HUD requirements, Orange County established a Citizen Participation Plan, the latest version of which was adopted in late 2023 (as part of the amendments to the CDBG-DR Action Plan). The County utilizes a designated process based on this plan to determine community development needs and identify activities that can address these needs through federally funded housing and community development programs.

The process for the 2025-2026 Action Plan included input from the Community Development Advisory Board, a Request for Applications (RFA) process for potential projects, two (2) technical assistance workshops, two (2) public notices, and a public comment period from June 10, 2025, to July 10, 2025. Additionally, a public hearing to obtain comments on the proposed 2025-2026 Action Plan was held on June 18, 2025.

Notably, HUD waived the customary public notification process for ESG-RUSH funding in order to expedite the distribution of ESG-RUSH funds and rapidly provide homeless assistance for homeless individuals and families and those at risk of homelessness in areas affected by the major disasters, Hurricane Helene (DR-4828-FL) and Hurricane Milton (DR-4834-FL). Orange County utilized a separate Request for Applications (RFA) process for this special allocation of \$512,694 in ESG-RUSH funds. The ESG-RUSH RFA opened on Monday, March 3, 2025, for state-certified, 501(c)(3) organizations experienced in providing homeless services. A pre-award technical assistance workshop for ESG-RUSH funding was conducted virtually, on March 6, 2025, from 10:00 a.m. to 11:00 a.m. The ESG-RUSH RFA closed on Friday, March 28, 2025, at 5 p.m.

Public Notices, Public Hearings and Period of Availability

Orange County citizens have an opportunity to comment on the draft Action Plan prior to its approval by the Board of County Commissioners. A public notice to announce the proposed budget, availability of the draft Action Plan and stating the public comment period and date of the public hearing, is advertised in the local newspaper prior to the public comment period. Public Hearings are conducted by the Community Development Advisory Board (CDAB) during the course of its regular monthly meetings. Additionally, the draft Action Plan is available for a minimum period of 15 days to provide an opportunity for citizen input and clarifications on the Action Plan.

A public notice containing information about the proposed Action Plan budget, announcement of a public hearing, and dates for public review and comment period for the Action Plan was published in La Prensa, a Spanish newspaper of general circulation on Thursday, June 5, 2025, and also in the Orlando Sentinel (English) on Sunday, June 8, 2025. A public hearing was held on Wednesday, June 18, 2025. The public comment period ran from Tuesday, June 10, 2025, to Thursday, July 10, 2025.

A draft of the Annual Action Plan was available for public review at the following locations: Orange County Housing and Community Development Division, 525 East South Street, Orlando, FL 32801; Orange County Public Library, Planning and Local Government Section, 101 East Central Avenue, Orlando, FL 32801. The document was also posted

on the Division website at: <https://www.ocfl.net/NeighborsHousing/CommunityDevelopment.aspx>. Any comments received during the public hearing, or during the public comment period, as well as subsequent responses, are incorporated into the final Action Plan document.

Non-English Speaking and Handicapped Provisions

The Orange County Housing and Community Development Division has full-time bilingual staff available to assist non-English speakers. Bilingual translators and information for non-English speaking persons are made available to residents that express a desire to participate in the process. Public notices are also published in La Prensa, a Spanish newspaper of general circulation, which is available at no cost to the general public.

Orange County has developed collaborations and partnerships with numerous organizations serving individuals with disabilities. Appropriate measures are undertaken to provide accommodations should individuals who are physically disabled, blind, or speaking or hearing impaired express a desire to participate. Additionally, the County has in place a Limited English Proficiency (LEP) Plan that identifies essential title documents that must be translated into various languages, in accordance with the U.S. Department of Justice regulations. The LEP Plan is reviewed on an annual basis.

EXPECTED RESOURCES

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

Orange County is eligible to receive funding from three CPD formula grants (CDBG, HOME, and ESG). Combined, the County will receive an anticipated \$10,758,090.48 in HUD formula grant funds for the 2025-2026 program year. Additionally, HUD provided a special allocation of \$512,694 in ESG funds, known as Rapid Unsheltered Survivor Housing (ESG-RUSH) funding, to the County to address the needs of homeless individuals and families at risk of homelessness in areas affected by the major disasters, Hurricane Helene (DR-4828-FL) and Hurricane Milton (DR-4834-FL).

On May 22, 2025, Orange County was notified by HUD’s Office of Community Planning and Development (CPD) that during a recent review, the Department discovered an administrative error in the allocations of the HOME-ARP funds. This error resulted in Orange County inadvertently being allocated \$15,858 less of HOME-ARP funds than it was legally entitled to receive. Orange County is in the process of amending its HOME-ARP Allocation Plan to include the additional amount of \$15,858, in compliance with section V.C.6 of HUD Notice CPD-21-10 and requirements of the Citizen Participation Plan.

The County also administers additional federal, state, and local funds that extend or complement the activities funded by CDBG, HOME, and ESG. The table below outlines anticipated funding levels by program.

The program serves very low to moderate-income families. The SHIP program provided down payment assistance to 253 households, and pre-purchase counseling and homebuyer education were provided to approximately 914 individuals.</p> <p>SHIP funds are also used as a match for HOME and/or to meet other matching requirements.</p>

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The HOME program requires a twenty-five percent (25%) non-federal match of the total grant amount (minus administrative costs) for eligible HOME activities. Orange County will continue to use State Housing Initiatives Partnership (SHIP) Program funds to provide the required match. Orange County expects to receive approximately \$9M in SHIP funds in the upcoming fiscal year.

The Emergency Solutions Grant regulations (24 CFR Part 576) require a 100% match for every dollar of ESG funds allocated. ESG match requirements are met by counting non-federal funds and resources contributed by ESG-funded agencies toward programs and activities supported with the ESG funds. The County ensures the matching requirements for all ESG subrecipients are in order prior to the commitment of ESG funds and includes the match requirements as part of the project administration agreements that Orange County enters into with all ESG-funded agencies. The sources of match and necessary backup documentation are reviewed as part of the monthly reimbursement requests submitted by the agencies and further discussed during the annual on-site monitoring visits and technical assistance meetings (scheduled as needed). Agencies awarded ESG funds are made aware of the matching requirements during the post-award technical assistance sessions held by the Housing and Community Development Division staff. Administration funds utilized under ESG (up to 7.5% of the total allocation) will be matched by the County. It should be noted that the match requirement was waived for the special allocation of ESG funds, the Rapid Unsheltered Survivor Housing (ESG-RUSH) funds, awarded to the County in the beginning of 2025 to assist individuals and families experiencing homelessness or at risk of homelessness residing in a “declared disaster area” (for Hurricanes Helene and Milton) and whose needs were not otherwise served or fully met by existing federal disaster relief programs. The ESG-RUSH funds were incorporated into the County’s programming through a substantial amendment to FY 2024-2025 Annual Action Plan.

Housing affordability is a high-priority need in Orange County, and the County will continue to make use of any significant opportunities to leverage other funding sources in order to meet this need. The State of Florida’s SHIP funds supply a substantial source of revenue, in addition to the Consolidated Plan resources, for qualified housing activities. The County uses SHIP funds primarily to provide affordable housing, with a portion designated for a rapid re-housing program administered by Coalition for the Homeless of Central Florida, Inc. In 2023, Orange County received a special allocation of SHIP funds, under the Hurricane Housing Recovery Program (HHRP), to address damages from Hurricanes Ian and Nicole. The funds were awarded to two agencies, Grand Avenue Economic Community Development Corp. and Habitat for Humanity Greater Orlando and Osceola County, Inc., for rental and homeowner housing rehabilitation activities. These projects will continue into FY 2025-2026, but no additional allocation are expected to occur. Updates on these projects will be included in FY 2024-2025 CAPER.

Additionally, the County’s local Affordable Housing Trust Fund, which was established in 2020 as an outgrowth of the Housing for All 10-Year Action Plan, will continue to provide general revenue dollars for the production and preservation of affordable housing units in Orange County, and it will offer significant leverage and additional resources to the strategies identified in the Consolidated Plan. A total of \$160M are expected to be contributed over a 10-year period, with FY 2025-2026 allocation of over \$17M in general revenue funds.

To further the goal of eradicating and preventing homelessness, the County remains one of the largest funders of homeless services in the region. Besides funding bridge housing, transitional housing, and permanent supportive housing units, the County allocates general revenue funds annually for rapid re-housing of homeless families (~\$1.63M allocated for FY 2025-2026), and for the Diversion Program implemented by Coalition for the Homeless of Central Florida, Inc. (~\$990K allocated for FY 2025-2026). Additionally, the County contributes funds annually to

cover operational expenses at the Samaritan Resource Center, a daily drop-in center for homeless individuals located in East Orange County. For FY 2025-2026, the County will contribute just over \$1.1M for operations and the bridge house program offered by the Samaritan Resource Center. Additional new programs being funded include 70 transitional housing units offered through the Central Florida Community Health Systems and a short-term rental assistance for pregnant and postpartum women offered by the Healthy Start Coalition. Overall, the County's annual contribution of general revenue dollars for various activities to address homelessness totals close to \$9.8M in FY 2025-2026.

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The Housing and Community Development Division (HCD) continue to conduct regular assessments of surplus County-owned properties suitable for residential development. Nearly 50 such properties have been identified since 2020, with 28 properties transferred to nonprofits for the development of affordable housing to date, and another 12 properties in the process of being transferred. All income-eligible homebuyers of these homes could also qualify for down payment assistance on these properties through Orange County's SHIP program.

The involvement of the County's Planning, Utilities and Development Engineering Divisions and local Affordable Housing Trust Fund resources have been instrumental in past efforts to use publicly owned land and/or acquired property for affordable housing development. This coordination will help address the housing goal of the County's Consolidated Plan and aid in implementing recommendations of the *Housing for All 10-Year Action Plan*.

Discussion

Formula grants under the Consolidated Plan are noncompetitive awards allocated to the County based on a predetermined HUD formula. These grants include the following three programs, listed here with the amount of federal funding allocated for the 2025 program year, the fourth of five years covered by the 2022-2026 Consolidated Plan:

- Community Development Block Grant (CDBG): \$7,439,307.00
- HOME Investment Partnerships Program (HOME): \$2,673,793.48
- Emergency Solutions Grants (ESG): \$644,990.00

Orange County also administers the Housing Choice Voucher Program (Section 8) under which over \$18 million (to include HUD-VASH) will be used in FY 2025-2026 to provide rental subsidies to 1,217 low-income households in the County. In addition, the Housing and Community Development Division administers 62 HUD-VASH rental vouchers for veterans and 651 out-of-state vouchers from the HUD Section 8 portability program. Another 61 Mainstream Vouchers are administered by the County to provide rental assistance to non-elderly persons with disabilities who are at risk of homelessness or were previously homeless. Furthermore, Shelter Plus Care (S+C) funding in the amount of \$1,348,953 is used to help 62 chronically homeless individuals access permanent housing and supportive services.

Florida's State Housing Initiatives Partnership (SHIP) program allocation funds, along with remaining prior year's funds and program income, are generally targeted to affordable housing development, down payment assistance, affordable housing preservation and pre-purchase housing counseling, as well as a rapid re-housing program and impact fee subsidies for new developments.

Some CDBG and HOME activities generate program income, which is income the County receives as a direct result of its CDBG and HOME-funded investments. All program income received is entered into IDIS and drawn before any program funds.

Goal Descriptions

Goal 1: Transform low to moderate-income communities into resilient communities

Provision of capital improvements and infrastructure improvements to enhance community safety and livability, and to increase accessibility for persons with disabilities; support for services offered by nonprofit organizations, to include services that help increase housing stability and self-sufficiency; provide job training and placement; and meeting the special needs of vulnerable populations such as children, the elderly, and people with disabilities.

Goal 2: Expand and preserve housing affordability, safety and stability for low to moderate-income households and vulnerable populations

Rehabilitation of rental and homeowner housing to benefit extremely low-, low-, and moderate-income households; construction of new affordable housing units for rent and homeownership; provision of tenant-based rental assistance and other rental subsidies; and using CHDO funds to support development of new housing and rehabilitation of existing affordable housing units.

Goal 3: Work in collaboration with local government agencies, nonprofit organizations, and industry partners to eradicate and prevent homelessness

Provision of housing and services for residents experiencing homelessness and those at risk of becoming homeless; support for homelessness prevention, case management, wraparound services, and rapid re-housing; availability of emergency shelter facilities for homeless individuals and families; provision of Homeless Management Information System (HMIS) support; and street outreach for unsheltered individuals and families.

Goal 4: Program Administration

Planning and administration of funding for community development and housing activities; and provision of services to County residents and housing providers to advance fair housing.

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Annually, the Orange County Housing and Community Development Division establishes its allocation priorities based on factors such as the percentage of low- and moderate-income population, existing substandard housing stock, and the need for other improvements. Additionally, the 2022-2026 Consolidated Plan priorities, determined with extensive input obtained from neighborhood meeting attendees, stakeholder focus groups, and consultation with other jurisdictions and local partners, also influence allocations. This combined information confirms that there are ongoing, unmet needs for public services, homeless services, and capital improvements.

Housing affordability also remains a critical need in Orange County and has only increased in priority over recent years. With ongoing increases in housing prices, and a continuing influx of new residents into the Central Florida region, Orange County now ranks as one of the least affordable places to live in the nation. At the same time, low-

to moderate-income communities continue to need capital improvement projects and public services to help stabilize neighborhoods, expand economic opportunities for low-income families and individuals, and meet an increased demand for social services.

	Location Description	Location of projects is within Orange County boundaries.
	Planned Activities	Costs associated with planning and administration of grant funds including, but not limited to, salaries, supplies, rent, travel, training, etc. The County will also allocate \$20,000 from CDBG Administration funds for various fair housing activities, such as educational workshops, training, and development of fair housing materials for distribution.
6	Project Name	2025 HOME Tenant Based Rental Assistance
	Target Area	County-wide
	Goals Supported	Expand and preserve housing affordability, safety and stability for low to moderate-income households and vulnerable populations
	Needs Addressed	Housing Affordability and Condition
	Funding	HOME: \$1,500,000
	Description	The project provides rental subsidies for seniors and persons with disabilities, including formerly homeless individuals.
	Target Date	9/30/2026
	Estimate the number and type of families that will benefit from the proposed activities	200 low-income senior households or households of persons with disabilities, including those who were formerly homeless.
	Location Description	Location of projects is within Orange County boundaries.
Planned Activities	This project under the HOME Program will provide rental subsidies to serve approximately 200 households.	

7	Project Name	2025 HOME Homeowners Single Family Rehabilitation
	Target Area	County-wide
	Goals Supported	Expand and preserve housing affordability, safety and stability for low to moderate-income households and vulnerable populations
	Needs Addressed	Housing Affordability and Condition
	Funding	HOME: \$205,345
	Description	Orange County has designated \$205,345 in HOME funds to provide very low and low-income homeowners with housing rehabilitation assistance. CDBG funds and local SHIP funds are also used for this purpose. As part of implementing the Housing for All 10-Year Action Plan, a local Affordable Housing Trust Fund Plan was adopted in 2020. The Trust Fund resources can be leveraged with federal dollars for increased affordable housing options that benefit low to moderate-income households in Orange County.
	Target Date	9/30/2026
	Estimate the number and type of families that will benefit from the proposed activities	3-5 low-income households are expected to benefit from home-owner single-family rehabilitation activities funded with HOME funds.
	Location Description	Location of projects is within Orange County boundary.
	Planned Activities	This project will involve rehabilitation activities, including as major repairs necessary to ensure the health and safety of the residents, as well as the complete rebuilding of properties no longer suitable for habitation.
8	Project Name	2025 HOME Affordable Rental Housing Projects
	Target Area	County-wide
	Goals Supported	Expand and preserve housing affordability, safety, and stability for low to moderate-income households and vulnerable populations; Transform low to moderate-income communities into resilient communities.
	Needs Addressed	Housing Affordability and Condition
	Funding	HOME: \$300,000
	Description	HOME funds will be used to support the development and preservation of affordable rental housing projects for low-income households. Project to be selected through targeted outreach and/or an RFA process.

	Target Date	9/30/2026
	Estimate the number and type of families that will benefit from the proposed activities	24 low-income persons with disabilities are expected to benefit from the HOME-funded rental housing rehabilitation activities.
	Location Description	Location of projects is within Orange County boundaries.
	Planned Activities	<p>In FY 2025-2026, various projects will receive funding for activities such as pre-development, new construction, acquisition, and rehabilitation of supportive housing and group homes serving low-income households and persons with disabilities. HOME funds may be used to leverage additional financing for these projects, including resources from the Local Housing Trust Fund and State Housing Initiatives Partnership (SHIP) program.</p> <p>As part of the annual RFA, Primrose Center, Inc. was preliminary awarded \$149,792 in HOME funds for rehabilitation of the Cypress Civitan group home facility that provides housing to 24 individuals with intellectual and developmental disabilities.</p>
9	Project Name	2025 HOME Community Housing Development Organizations
	Target Area	County-wide
	Goals Supported	Expand and preserve housing affordability, safety and stability for low to moderate-income households and vulnerable populations
	Needs Addressed	Housing Affordability and Condition
	Funding	HOME: \$401,070
	Description	The County will continue to solicit project proposals through a biannual RFA process to ensure compliance with the requirement that a minimum of 15% of HOME funds be set aside for activities involving certified Community Housing Development Organizations (CHDOs).
	Target Date	9/30/2026
	Estimate the number and type of families that will benefit from the proposed activities	At least one (1) very low- to low-income household is expected to benefit from CHDO activities funded with HOME funds.
	Location Description	Location of projects is within Orange County boundaries.

	Planned Activities	<p>Funding will be used for activities eligible under the CHDO set-aside. All projects funded with CHDO set-aside must meet HOME eligibility criteria, including CHDO qualification status and a risk assessment of the project.</p> <p>In 2025, Orange County certified nine (9) qualified non-profit agencies as CHDOs. As part of the CHDO projects RFA, four (4) proposals have been submitted and are being evaluated by the County. The County might utilize CHDO funds from prior years, in addition to FY 2025-2026 funds, for qualified projects.</p>
10	Project Name	2025 HOME Administration
	Target Area	County-wide
	Goals Supported	Program Administration
	Needs Addressed	Program Administration
	Funding	HOME: \$267,378.48
	Description	The HOME program allows up to 10% of the total allocation for planning and administration activities.
	Target Date	9/30/2026
	Estimate the number and type of families that will benefit from the proposed activities	N/A

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Under HUD’s grant program regulations, the Orange County entitlement jurisdiction includes block groups within Orange County, excluding the City of Orlando. This means Orange County may use its CDBG, HOME and ESG grant funds in unincorporated areas of the County, as well as the cities of Winter Park, Maitland, and Ocoee, Winter Garden, and the towns of Eatonville, Oakland and Windermere, which are considered participating jurisdictions and have interlocal agreements in place with Orange County to share in the HUD-funded programs.

The map below identifies low- and moderate-income block groups (51% or more low- and moderate-income population) in Orange County. Each year, the County strives to fund projects that serve areas with the greatest need, as determined by factors such as percentage of low- and moderate-income population, substandard housing stock, and need for other improvements. Additionally, the County funds projects that address priority needs of income-eligible households and special needs populations living throughout Orange County.

Rationale for the priorities for allocating investments geographically

Each year, the County will select projects and activities that meet the priorities and goals identified in the Consolidated Plan. This process will utilize a variety of methods to select projects, such as consultation with County staff and current subrecipients, implementation of other standing County plans, and formal Requests for Proposals. Projects and activities must best meet priority needs based on project eligibility, availability of funds, number of anticipated beneficiaries served, and readiness to proceed. The County does not identify target areas for the use of HUD grant funds.

AFFORDABLE HOUSING

AP-55 Affordable Housing – 91.220(g)

Introduction

Orange County’s 2022-2026 Consolidated Plan lists affordable housing as one of its main goals. More specifically, the Consolidated Plan states that the County will expand and preserve housing affordability, safety and stability for low to moderate-income households and vulnerable population through construction of new affordable housing units, rehabilitation activities, and provision of tenant-based rental assistance and other rental subsidies. Orange County will continue focusing on addressing affordable housing as a goal through this FY 2025-2026 Action Plan.

Orange County is deeply committed to increasing its supply of affordable housing through implementation of the Housing For All 10-Year Action Plan. The goal of the 10-Year Action Plan is to produce or preserve 33,300 housing units in the County, of which at least 11,000 will be affordable to very low, low, and moderate-income households. As part of the 10-Year Action Plan, the County established its own Affordable Housing Trust Fund in 2020. Resources from the Trust Fund provide financial leverage for affordable housing production and preservation activities. Through its various Consolidated Plan housing activities, Orange County expects to provide affordable housing for the following numbers of extremely low-income, low-income, and moderate-income families over the 2025 Program Year.

AP-60 Public Housing – 91.220(h)

Introduction

Orange County, excluding the City of Orlando, offers 171 public housing units located in the City of Winter Park and 205 public housing units through the Orlando Housing Authority. The Orange County Housing and Community Development Division also provides 1,279 Section 8 housing choice vouchers (to include HUD-VASH). When the City of Orlando is included in these counts, Orange County offers a total of more than 4,000 housing choice vouchers. The Orlando Housing Authority offers 2,481 of these vouchers, which may be located both, within the City of Orlando or in other locations in Orange County.

The Orlando Housing Authority (OHA), owns and manages 1,235 public housing units (including 94 public housing/low-income housing tax credit units) in 12 complexes throughout Orlando and Orange County, Florida. The OHA also owns 569 affordable, non-public housing units. In June 2025, 65% of public housing residents have incomes at or below 30% of the area median income; 18% are very low-income, and 7% are low-income. The average gross income for public housing residents is \$22,801. Of all public housing residents, 51% are disabled (non-specified), and 36% are elderly. There are 19,008 households on the public housing pre-application waiting list. The OHA's public housing pre-application waiting list is closed.

Actions planned during the next year to address the needs to public housing

The Orlando Housing Authority (OHA) is the only public housing agency within the City of Orlando that provides public housing rentals to low- and very low-income persons. The OHA also administers the HUD Housing Choice Voucher Program (Section 8). For FY 2025-2026, the OHA anticipates receiving \$66,051,949 in federal funding. The anticipated allocations from primary funding sources are as follows:

- Housing Choice Voucher Program: \$56,318,015;
- Public Housing Operating Subsidy: \$4,894,941; and
- Capital Fund Program: \$4,838,993

The OHA acknowledges the unmet capital needs within its public housing inventory due to dwindling HUD funding. HUD is redirecting its focus on repositioning public housing by allowing housing authorities flexibility to preserve affordable housing within their communities.

The OHA evaluated its public housing inventory and identified six (6) sites for demolition and redevelopment as part of a long-term housing revitalization strategy. The OHA submitted six (6) demolition applications to HUD in 2019. HUD approved the demolition of Griffin Park, the OHA's oldest public housing site, in February of 2023. The OHA relocated Griffin Park residents into other OHA-owned public housing from June 2021 to August 2022. The OHA also received HUD Tenant Protection Vouchers (Section 8), which provided an option for interested and eligible families to move to private housing. The OHA plans to redevelop Griffin Park into a new, vibrant, mixed-income (affordable and market rate) housing community with state-of-the-art amenities, new infrastructure, roadways, and integrated parks/greenspace. The new site will also feature historic elements to commemorate the rich legacy and significance of the site and its former residents.

The Orlando Housing Authority and Lift Orlando, Inc. will complete the comprehensive planning process for the HUD Choice Neighborhoods Planning Grant for the West Lakes target area, which includes the OHA's Lorna Doone and Lake Mann Homes public housing sites.

Winter Park Housing Authority (WPHA). Over the next year, the Winter Park Housing Authority (WPHA) plans to implement a series of target initiatives to address the needs of its public housing residents. These actions are rooted in our ongoing commitment to providing safe, affordable, and supportive living environments for its communities.

The WPHA will expand resident services by increasing access to case management and wraparound support. This includes partnerships with local organizations to deliver on-site services, such as financial literacy workshops, mental health support, and transportation assistance. In addition, the Resident Opportunities & Self Sufficiency (ROSS) Program focuses on support services for our residents in public housing as well.

In addition, the WPHA looks to enhance its communities with improved maintenance and upgrades to unit conditions, enhance security and community safety, adding additional programming for youth and seniors, and building an active community of residents through engagement and focused services.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The Orlando Housing Authority (OHA). The Orlando Housing Authority has active Resident Associations at several of its public housing complexes. Additionally, Resident Association presidents meet monthly with the OHA's President/CEO and staff to discuss programs and policies, upcoming activities, and resident concerns. Residents may obtain information and referrals for supportive services at the OHA's Moving to Work (MTW) Resource Center, and the OHA's Resident Opportunities and Self Sufficiency and Family Self-Sufficiency Program.

In 2010, the United States Department of Housing and Urban Development (HUD) awarded the Orlando Housing Authority the prestigious Moving to Work (MTW) designation that allows housing authorities to implement innovative programs (usually not permitted) to develop programs and activities that encourage self-sufficiency. The goals, objectives, and activities of the MTW Program are grounded in 3 statutory objectives established by HUD:

- Reduce costs and achieve greater costs effectiveness in Federal expenditures.
- Give incentives to families with children where the head of household is working, is seeking work, or is preparing for work by participating in employment support programs/training to improve self-sufficiency; and
- Increase housing choices for low-income families.

One of the initial activities under the MTW Program was an increase of the OHA's rent floor to \$225 per month. Residents unable to pay the \$225 must participate in the services available at the Moving to Work (MTW) Resource Center. The elderly and disabled are exempt from this requirement. Through the Resource Center, residents develop individual action plans and set goals to move toward self-sufficiency. The MTW Resource Center offers job readiness training, job recruiting services, childcare, and transportation assistance, if needed.

As an MTW Demonstration Agency, the OHA can move beyond the boundaries of traditional public housing and Section 8 to address critical needs within the community. For example, the OHA is implementing a program to provide transitional housing in the form of project-based housing choice voucher (Section 8) assistance to support homeless individuals for up to 24 months at West Oaks Apartments (OHA-owned, non-public housing). The OHA also

partners with local homeless service agencies to provide case management support to participants as needed.

Winter Park Housing Authority (WPHA). The WPHA firmly believes that public housing residents should have meaningful opportunities to participate in the management of their communities and take steps toward long-term housing independence and self-sufficiency. In FY 2025-2026, the WPHA will implement several strategies to enhance resident engagement and promote pathways to homeownership.

The WPHA residents are encouraged to be involved with management through community meetings, Resident Advisory Boards, and participation in community surveys that provide feedback from the residents and foster a culture of involvement and engagement. To maximize these efforts, having representation on the WPHA Board of Commissioners with a Resident Commissioner aids in community involvement within the agency.

Public housing residents can receive support and referral services through the ROSS (Resident Opportunities & Self Sufficiency) Grant and partnership with local organizations, such as Self Help Credit Union and various partners that host credit readiness, saving strategies, and down payment assistance programs. The WPHA will also work closely with local lenders and nonprofit developers to identify affordable homeownership opportunities for qualified residents.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The Central Florida Commission on Homelessness serves as the organizing entity for the Continuum of Care (CoC) for Orange, Osceola, and Seminole counties. The CoC brings together housing and service providers to meet the needs of individuals and families experiencing homelessness. Over the next year, the County will continue to partner with the CoC to address homelessness and the essential needs of homeless individuals and families, including homeless sub-populations.

Describe the jurisdiction’s one-year goals and actions for reducing and ending homelessness including: Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The County continues to work in partnership with the Continuum of Care (CoC), through its participation in monthly membership meetings and various subcommittee meetings, to determine gaps in housing and service needs of the homeless population. As the principal agency for the Orlando/Orange, Osceola, and Seminole Counties CoC, the Homeless Services Network of Central Florida, Inc. (HSN) maintains a Coordinated Entry System (CES) to prioritize services to those most in need. In addition to outreach and assessment on an individual or family level, the County and HSN also work to understand homeless needs throughout Orange County. Each year, HSN conducts a single-day Point-in-Time (PIT) count for sheltered and unsheltered persons and works to ensure the Homeless Management Information System (HMIS) delivers data needed for HUD and local government reporting.

Various homeless service organizations provide outreach services in Orange County. The Homeless Outreach Partnership Effort (H.O.P.E.) team operated by Health Care Center for the Homeless, Inc. is made up of outreach specialists, mental health and medical providers, and others who work to build trust with residents experiencing homelessness, assess their needs and eligibility, and connect residents with services such as transportation assistance and housing navigation. Health Care Center for the Homeless, Inc. will receive CDBG funds for its mental health counseling program in FY 2025-2026. Covenant House Florida, Inc. conducts outreach for youth ages 18-24 who are experiencing homelessness, and the agency awarded \$50,000 in CDBG funds for FY 2025-2026 to support housing stability case management and engagement in supportive services at the agency’s Community Service Center. Additionally, the County will provide \$100,000 in ESG-RUSH funds for street outreach activities carried out by SALT Outreach, Inc. These funds will be used for outreach activities, case management and other supportive services for individuals who are homeless.

Orange County awarded \$175,000 in ESG funds to the Coalition for the Homeless of Central Florida, Inc. for operations of an emergency shelter; \$71,000 to Family Promise of Greater Orlando, Inc. for case management services and a portion of shelter operational expenses; and \$90,000 to Harbor House of Central Florida, Inc. for emergency domestic violence shelter operational expenses. In FY 2025-2026, the County will provide \$271,870 in CDBG funds to Matthew’s Hope Ministries, Inc. for rehabilitation of its Drop-In Center (located in West Orange County), where various services to individuals who are homeless are provided through the agency’s Outreach Service Days Program. Orange County also utilizes general revenue funds to support operations and programming at the Samaritan Resource Center, where services to unsheltered homeless persons and families are offered.

During the 2025-2026 program year, the County will provide a total of \$139,165 in CDBG funding for services for homeless individuals and families, including identification services and mental health services; \$50,000 for housing

stability and wraparound services; and \$211,000 for economic stability and self-sufficiency efforts.

The County, through its participation in the monthly membership meetings and various subcommittee meetings, will continue to collaborate with the CoC in its efforts to determine gaps in housing and service needs of the homeless population, improve the data quality and ensure use of HMIS for recordkeeping and reporting related to the homeless and services provided, promote utilization of the Housing First approach, the Coordinated Entry System, and Housing Navigators to enhance access to appropriate services and speed up the re-housing process.

Addressing the emergency shelter and transitional housing needs of homeless persons

ESG funds are awarded annually to eligible nonprofit agencies that provide emergency shelter and transitional housing services. The County has traditionally used local and federal funding to support operations, maintenance, and programming at local emergency shelters and transitional housing facilities. The County will allocate \$336,000 to shelter operations in partnership with the following agencies: Coalition for the Homeless of Central Florida, Inc., Family Promise of Greater Orlando, Inc., and Harbor House of Central Florida, Inc. These three agencies are expected to assist a total of 955 individuals with overnight shelter accommodation and supportive services. Additionally, the County will provide \$1,256,250 in CDBG funds to cover Phase II of the pre-development work (construction of geo-rock foundations and installation of utilities) associated with the construction of a new emergency homeless shelter (Center for Women and Children) on the downtown campus of the Coalition for the Homeless of Central Florida, Inc.

The County will provide federal funding for supportive services to assist individuals who are homeless or precariously housed in securing or maintaining housing. Ability Housing, Inc was awarded \$50,000 in CDBG funds to fund supportive services at the Wayne Densch Center, which provides housing to individuals who are homeless or at risk of homelessness; \$44,622 was allocated to IMPOWER, Inc. to support transitional housing and a case management program for former foster care youth who are unstably housed and/or at risk of becoming homeless; and \$44,543 to Grand Avenue Economic Comm. Dev. Corp. to fund wraparound case management and support services for formerly homeless individuals diagnosed with mental illness to help them secure and stabilize in housing.

Planned activities under the Emergency Solutions Grant – Rapid Unsheltered Survivor Housing program (ESG-RUSH) include an allocation of \$258,000 to Coalition for the Homeless of Central Florida, Inc. to provide rapid re-housing services for homeless individuals and households. Furthermore, Covenant House Florida, Inc. was funded in the amount of \$116,242 to expand their Rights of Passage Apartment Living (ROPAL) program which provides housing support to qualified unaccompanied youth (ages 18-24). These two projects will benefit homeless individuals and families or individuals and families at risk of homelessness who were impacted by the hurricanes Helene and/or Milton.

It should also be noted that Orange County general revenue funds (in the amount of \$989K) are utilized by Coalition for the Homeless of Central Florida, Inc. for their Diversion Program to ensure that shelter beds are utilized by those most in need. Housing counselors within the diversion program help homeless individuals and families find housing options outside the homeless services system. Additionally, the County funds 30 beds of transitional housing managed by Aspire Health Partners, Inc. (\$592K); 30 units of bridge housing offered through services administered by the Samaritan Resource Center; 70 units of transitional housing administered through the Central Florida Community Health Systems (\$1.1M); and short-term rental assistance for pregnant and postpartum women administered through the Healthy Start Coalition (\$150K).

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent

housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The Continuum of Care (CoC) uses the Housing First approach to ending homelessness, which prioritizes providing permanent housing to people experiencing homelessness before attending to less critical needs, such as getting a job, budgeting, or addressing substance abuse issues. The Continuum of Care's permanent supportive housing (PSH) programs, which include wraparound services, are key to keeping formerly homeless persons housed.

The County utilizes federal Shelter Plus Care (S+C) funding to provide permanent supportive housing for elderly people with disabilities. The HUD-VASH program will allocate 62 rental assistance vouchers to Orange County. Participants will have an opportunity to engage in wraparound case management and clinical services. A total of 61 Mainstream Vouchers will be available to assist non-elderly persons with disabilities with rental subsidies. These vouchers target those individuals who might be at risk of becoming homeless. In 2024-2025, homeless individuals receiving HOME-ARP supportive services were issued fourteen (14) rental vouchers to assist them in securing and maintaining housing. An additional twenty-two (22) vouchers have been issued since then for a total of thirty-six (36) HOME-ARP rental assistance vouchers to date. The current recipients of Emergency Housing Vouchers (EHV) (60 households) will be transferred into the HOME-ARP TBRA program prior to the EHV program closeout, resulting in 96 HOME-ARP vouchers being utilized in FY 2025-2026.

Orange County will continue to use funds and resources to assist with case management for various individuals, including families, victims of domestic violence, and youth, to shorten the period of homelessness and guide them towards independent living. Harbor House of Central Florida, Inc., the County's only certified domestic violence shelter, will be awarded \$50,000 in CDBG funds for its Children's Services Program, which provides childcare and intensive case management services for homeless children (0-18) staying at the shelter. Boys & Girls Clubs of Central Florida, Inc., will also receive \$55,000 in CDBG funds for their MAGIC of Literacy afterschool and tutoring program for low-income children, to include children from homeless families. IDignity, Inc. will be funded in the amount of \$50,000 to provide legal identification services for homeless and precariously housed/low-income individuals, which, in turn, can help them obtain jobs and housing. Furthermore, Jewish Family Services of Greater Orlando, Inc. will receive \$61,000 in CDBG funds for crisis intervention, comprehensive case management, and financial counseling for at-risk individuals to help them gain self-sufficiency.

Finally, in FY 2025-2026, Orange County will provide \$88,195 in ESG funds to Society of St. Vincent de Paul South Pinellas, Inc. to offer rapid re-housing services to six (6) households. Additionally, the County expects to assist 120 households with rapid re-housing services funded with general revenue dollars (through Homeless Services Network of Central Florida, Inc.), and another 50 households funded by SHIP funds (administered by Coalition for the Homeless of Central Florida, Inc), for a total of 196 households expecting to benefit from County-funded rapid re-housing services in the 2025-2026 program year.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private

agencies that address housing, health, social services, employment, education, or youth needs

Orange County has used Emergency Solutions Grant funds and the special allocation of ESG-RUSH funds to assist individuals and families at risk of homelessness. The County will provide a total of \$160,000 in ESG funds to three agencies (Catholic Charities of Central Florida, Inc., Christian Service Center for Central Florida, Inc., and Family Promise of Greater Orlando, Inc.) to serve about 61 families through homelessness prevention during the 2025-2026 program year. Additionally, another 5 households are expected to be served by Covenant House Florida, Inc. utilizing ESG-RUSG funds. This funding includes costs to cover rental assistance, arrears, and personnel expenses.

Additionally, preserving the existing affordable housing stock and adding more units are also important activities contributing to helping families avoid homelessness. CDBG dollars, as well as State and local funds will be used to fund rehabilitation of units owned by very low and low-income households, who are primarily elderly and persons with disabilities. It is estimated that a total of 155 homeowners will benefit from rehabilitation activities administered by the County and its partner agencies.

Finally, to enhance health equity, increase the quality of life for low-income individuals and families, and to prevent households from becoming homeless, Orange County will fund the following CDBG public service activities.

- **Health Services** (\$120,000 in CDBG funds): \$65,000 in funds for Health Care Center for the Homeless, Inc. to provide mental health and substance abuse services; and \$55,000 for Shepherd's Hope, Inc. to provide healthcare and wraparound services to uninsured patients to help prevent hospitalizations.
- **Services for the homeless** (\$139,165 in CDBG funds): \$50,000 for Covenant House Florida Inc. for housing instability case management and engagement in supportive services at the agency's Community Service Center; \$44,622 for IMPOWER, Inc. for transitional housing and extended support services for former foster care youth; and \$44,543 for Grand Ave. Econ. Comm. Dev. Corp. to provide wraparound case management services at the Pathways Drop in center facility for mentally ill and homeless individuals.
- **Children services** (\$205,000 in CDBG funds): \$55,000 in CDBG funds for Boys and Girls Clubs of Central Florida, Inc. to support childcare and afterschool program for children from homeless and low-income families; \$100,000 in CDBG funds for Orange County School Readiness Coalition, Inc. dba Early Learning Coalition of Orange County to provide childcare financial assistance/subsidies to low- and moderate-income working families; and \$50,000 for Harbor House of Central Florida, Inc. to fund childcare and case management services for homeless children staying at the domestic violence shelter.
- **Services for elderly and persons with disabilities** (\$355,000 in CDBG funds): \$190,000 will be allocated to Seniors First, Inc. to provide in-home meal delivery for homebound low-income seniors; \$65,000 for Life Concepts, Inc. to fund self-sufficiency services for persons with disabilities; \$50,000 for Special Hearts Farm, Inc. to provide agriculture-based learning to improve employment and health outcomes of individuals with developmental disabilities; and \$50,000 in funds for Primrose Center, Inc. to provide employment training and placement for persons with severe developmental disabilities.
- **Economic stability and self-sufficiency services** (\$211,000 in CDBG funds): \$50,000 for IDignity, Inc. to offer identification services for homeless and precariously housed/low-income individuals; \$61,000 for Jewish Family Services, Inc. to conduct case management, financial counseling, and crisis intervention for at-risk individuals and families; \$50,000 for Per Scholas, Inc. to provide low-income jobseekers with basic digital skills training, career coaching, and job placement services; and \$50,000 to United Against Poverty Inc. to provide the Success Training and Employment Program (STEP) to increase employability and career development.

- **Housing stability and wraparound services** – Orange County will provide a total of \$50,000 in CDBG funds to Ability Housing, Inc. to offer wraparound case management services for homeless persons and individuals at risk of homelessness to help them remain stably housed.

AP-75 Barriers to Affordable Housing – 91.220(j)

Introduction:

Orange County’s 2022-2026 Consolidated Plan lists affordable housing as one of its main goals. More specifically, the Consolidated Plan states that the County will expand and preserve housing affordability, safety and stability for low to moderate-income households and vulnerable populations through construction of new affordable housing units, rehabilitation activities, and provision of tenant-based rental assistance and other rental subsidies. Orange County will continue focusing on addressing affordable housing needs, to include barriers to affordable housing, as a goal in this FY 2025-2026 Action Plan.

Orange County, like other counties in Central Florida and across the country, is experiencing an affordable housing crisis that can be attributed to the continuous population increase, changing demographics, historically lower wages associated with the predominance of the tourism industry, and a lack of affordable housing units in the region for both – rent and homeownership. In addition, the long-term effects of the COVID-19 pandemic are still being felt in the Central Florida housing market. *The Gap: A Shortage of Affordable Homes Report*, released in March 2025, indicates that in the Orlando Metro Area, for households at 30% and 50% Area Median Income (AMI), only 19 and 24 units of housing are available and affordable for each 100 households in need of housing, respectively. The deficit of affordable units in the region is staggering – with over 97,000 units needed for those at or below 50% AMI, showing an increase in the deficit since 2024. According to the *Out of Reach Report (2024)*, the housing wage needed to afford a 2-bedroom rental unit in Orange County is \$35.71/hour, while the estimated hourly mean renter wage is \$23.10/hour.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

In its 2019 *Housing for All 10-Year Action Plan*, Orange County’s Housing for All Task Force identified several regulatory barriers to affordable housing and residential investment. These regulatory barriers found the zoning code included restrictions on accessory dwelling units, and a need to reduce minimum living area requirements, increase or eliminate household occupancy limits, reduce parking requirements, and allow flexible lot configurations. Since the creation of the plan, the County has amended its zoning code to allow accessory dwelling units by right in all residential zoning districts. In June of 2025, the Orange County Board of County Commissioners adopted the Vision 2050 Comprehensive Plan and Orange Code Land Development Code updates that will create more incentives and reduce barriers to the production of new housing units, to include a diversity of housing types and higher residential densities in appropriate areas of the County. Additionally, Vision 2050 offers a new incentive of “flexible densities” for projects that seek affordable/attainable housing certifications.

Through the local Affordable Housing Trust Fund (HTF), the Orange County Board of County Commissioners plans to allocate \$17,715,610 in FY 2025-2026 toward the creation and preservation of affordable housing stock (at the discretion of the Commission). The HTF continues to be the County’s primary tool for advancing its housing goals, including affordable rental unit creation and missing middle housing creation. Other planned initiatives include the utilization of undeveloped County land to build affordable homeownership units through the County’s Surplus Lot Program. The Board of County Commissioners approved the transfer of 12 County-owned surplus properties to nonprofit housing development agencies in 2024, and construction is expected to begin in late 2025 – early 2026.

AP-85 Other Actions – 91.220(k)

Introduction:

This section details the County's plans to identify and ensure access to safe and affordable housing for its residents, meet necessities, decrease poverty, cultivate institutional structure, and heighten coordination between public and private sector housing and community development agencies.

Actions planned to address obstacles to meeting underserved needs

The County continually undertakes efforts to build community capacity to meet the needs of the County's residents through partner agencies within the community. However, limited staff capacity and financial resources among these agencies remain a primary obstacle. Taking into consideration these limitations, the careful analysis and detailed community engagement represented by the Consolidated Plan process are key to allocating the County's federal funding to the highest-priority needs. The County will continue to use its resources carefully and strategically with a focus on serving the community's priority and critical needs. Additionally, some organizations are reluctant to administer federally funded programs using CDBG, HOME, or ESG funds due to the complex requirements attached to these grant funds. The County will continue to periodically offer training and technical assistance to current and prospective sub-recipient organizations to strengthen their ability to responsibly manage federal funding.

The County will continue to leverage federal, state, and local funds to meet critical needs by creating and preserving affordable housing units, providing public services and homeless services, and funding capital projects and infrastructure enhancements to improve the quality of life for low to moderate-income residents of Orange County.

Actions planned to foster and maintain affordable housing

A lack of affordable housing is a primary obstacle to addressing unmet housing needs. The County will continue to support its goal of improving housing opportunities by creating and preserving decent, safe, affordable rental and homeownership housing. Through its annual CDBG allocation, the County will fund single-family and rental housing rehabilitation activities. To further foster the development of affordable housing, the County's annual HOME allocation will be directed to developers and sub-recipients, including certified Community Housing Development Organizations (CHDOs), proposing to rehabilitate or build new housing that meets HUD affordability guidelines. The HOME allocation will also continue to provide Tenant-Based Rental Assistance and support single-family and rental housing rehabilitation.

The County's local Affordable Housing Trust Fund, established in 2020, is intended to incentivize the construction and preservation of affordable and attainable housing, encourage missing middle housing types, and meet other housing needs identified by the 10-Year Action Plan. The County projects that a minimum of 6,500 certified affordable units will be produced or preserved in Orange County by 2030 as a result of the Housing Trust Fund.

In FY 2025-2026, Trust Fund dollars (General Revenue) will be used to rehabilitate 145 units of affordable rental housing at the Lancaster Villas complex owned and managed by HANDS of Central Florida, Inc. The HTF funds will also be used to fund the Minor Rehabilitation Program operated by Rebuilding Together Tampa Bay, Inc., with 20 homeowners expected to benefit from the program. The County will also provide CDBG funds, in the amount of \$750,000, to Habitat for Humanity Greater Orlando and Osceola County, Inc. to continue offering its Roof

Replacement Program (35 homeowners to benefit). The County's own Homeowner Housing Rehabilitation Program, administered by the Housing and Community Development Division and funded with CDBG, HOME and SHIP funds, will offer minor, major, and emergency repairs to up to 100 income-qualified Orange County residents. Additionally, 10 homeownership units are expected to be created through the Impact Fee Subsidy Program funded with SHIP and General Revenue dollars, 13 affordable homeownership units are expected to be built on the surplus lot properties currently being transferred to non-profit agencies, and 230 households are projected to benefit from the Down Payment Assistance Program funded with SHIP and HOME dollars.

The County has recently certified nine (9) Community Housing Development Organizations (CHDOs) and received four proposals for CHDO projects, which are currently being reviewed. Selected projects will be funded using FY 2025-2026 and prior years CHDO set-asides. Orange County also plans to fund rehabilitation of several group home facilities in FY 2025-2026, owned and operated by Life Concepts, Inc. (6 group homes) and Primrose Center, Inc. (1 group home). The available funding includes HOME and SHIP dollars.

Finally, the County will provide rental assistance to up to 2,415 households in 2025-2026 program year through the following programs: HOME TBRA, HOME-ARP TBRA, Section 8, Shelter Plus Care, HUD-VASH, Mainstream vouchers, and homelessness prevention programs.

Actions planned to reduce lead-based paint hazards

An important initiative emanating from HUD in the last decade is the reduction of lead-based paint hazards, and many jurisdictions around the country have focused on reaching this goal. The federal Residential Lead-Based Paint Hazard Reduction Act of 1992 (Title X of the Housing and Community Development Act of 1992) amends the Lead-Based Paint Poisoning Prevention Act of 1971, which is the law covering lead-based paint in federally funded housing. These laws and subsequent regulations issued by the U.S. Department of Housing and Urban Development (24 CFR part 35) protect young children from lead-based paint hazards in housing that is financially assisted or being sold by the federal government.

In FY 2025-2026, Orange County set aside \$82,346 in CDBG funds for the Lead-Based Paint Hazard Program. Through this program, the County will continue to implement HUD's Lead-Based Paint Hazard Reduction strategy, which includes incorporating appropriate regulations into all federally funded housing programs operated by the Housing and Community Development Division and implemented by subrecipients of funds. The program will assist in the detection and abatement of lead-based paint hazards during housing rehabilitation activities for the purpose of providing safe and decent housing for low- to moderate-income households. Should the County undertake any property rehabilitation projects, it will assess whether lead-based paint might be present and, if so, follow the guidelines set forth in the Residential Lead-Based Paint Hazard Reduction Act of 1992. The County is committed to testing and abating lead in all pre-1978 housing units assisted with federal grant funds in any of the housing programs it implements. The program funding can also be used to conduct lead-based inspections of emergency shelters funded under the ESG program.

In addition to the Lead-Based Paint Hazard program administered by Orange County, all capital improvement and housing projects that involve renovations to the structures constructed prior to 1978 are required to submit results of the lead-based paint testing as part of the annual Request for Applications (RFA) process. If such test results are not available, the agency is made aware of its responsibility to conduct testing and submit the results of it prior to execution of a project administration agreement with the agency. The funding might be contingent upon the results of the testing.

Furthermore, as appropriate, public service and housing rehab sub-recipient agencies are required to provide information concerning lead hazards to their beneficiaries. The County's CDBG and HOME program staff are trained regarding the implementation of the Lead-Based Paint Rule and implementation of the rule in conjunction with all CDBG and HOME funded rehabilitation projects, as required.

Actions planned to reduce the number of poverty-level families

CDBG, HOME, and ESG funding is integrated into existing programs that address poverty and homelessness by participating agencies and sub-recipients. ESG funding is directed toward agencies participating in the Central Florida Commission on Homelessness and funds vital services to assist residents living in poverty, including those at risk of becoming homeless and those who are currently homeless and residing in emergency shelters or living on the streets. In FY 2025-2026, three (3) agencies will be funded to offer homelessness prevention services, and one agency will receive ESG funding for a rapid re-housing program. Furthermore, the County will use CDBG dollars to fund public services related to provision of health and mental health services; services for homeless individuals and families; children services, to include childcare subsidies for working families; services for elderly and persons with disabilities; economic stability and self-sufficiency services, to include identification, crisis intervention, and job training and placement; and housing stability services to help individuals stay stably housed. Combined, these services will help reduce the impact of poverty and provide income growth for families living in poverty.

Similar to the prior years, in FY 2025-2026, Orange County plans to utilize CDBG funding for the rehabilitation and improvements to community and/or social service facilities serving limited clientele. For instance, the Coalition for the Homeless of Central Florida, Inc. will receive CDBG funding for the Phase II of the construction of a new emergency shelter for homeless persons; Friends of Children and Families, Inc. will be funded for storm-readiness related improvements on two (2) community-based group home facilities; Matthew's Home Ministries, Inc. will receive funding for improvements on a drop-in center facility located in West Orange County; and Primrose Center will be funded for several improvements on the agency's campus serving adults with disabilities.

Finally, preserving the existing affordable housing stock and adding more units are also important activities contributing to reducing the number of poverty-level families and helping them to avoid homelessness. CDBG dollars, as well as State and local funds, will be used to fund the rehabilitation of units owned by very low and low-income households, who are primarily elderly and persons with disabilities. It is estimated that a total of 155 homeowners will benefit from rehabilitation activities administered by the County and its partner agencies. Additionally, 145 rental units owned and operated by HANDS of Central Florida, Inc. (Lancaster Villas) will be rehabilitated using local HTF funds, and up to 7 group homes owned by two non-profits agencies – Life Concepts, Inc. and Primrose Center, Inc. – and housing 79 individuals with disabilities will be rehabilitated using state SHIP funds and federal HOME funds.

Actions planned to develop institutional structure

The Orange County Housing and Community Development Division works in conjunction with community stakeholders, local and regional public service agencies, neighborhood revitalization organizations, and area housing partners who have a mutual interest in CDBG and HOME program goals and objectives. The Division partners with these stakeholders on a wide range of programs including the Consolidated Planning process and the annual Request for Applications (RFA) process.

These community partnerships are part of an effort to assess community and regional needs and to enhance the coordination of community projects and programs. The Housing and Community Development Division continually

seeks to broaden these partnerships and identify opportunities to partner with new organizations that further deepen the County's community reach and strengthen the community's social service network.

Furthermore, partnerships between various divisions of Orange County help advance goals related to the production and preservation of affordable housing through the implementation of strategies and initiatives outlined in the Housing for All 10-Year Action Plan and local Affordable Housing Trust Fund Plan, and by making changes to the County's Comprehensive Plan and Land Development Code. The Division also partners with the local Continuum of Care, known as the Central Florida Commission on Homelessness, and the County's Mental Health and Homelessness Division to address the Consolidated Plan goal related to homelessness and help advance county-wide and regional initiatives.

Actions planned to enhance coordination between public and private housing and social service agencies

Public agencies, for-profit, and non-profit private organizations all play a part in the provision of affordable housing, social services, capital improvements, and economic development. However, the lack of financial resources for development, operations, and support services is a significant gap to overcome. By coordinating between agencies and local organizations, the County helps to create a more comprehensive network of services and programs for its residents while reducing duplication and making efficient use of limited financial resources.

The County's Housing and Community Development Division will continue to regularly host and attend meetings with community stakeholders. The County plans to continue to attend monthly general membership meetings and subcommittee meetings with the Central Florida Commission on Homelessness (local Continuum of Care), which helps coordinate services between homeless individuals, homeless providers, health and mental health organizations. As consultations between each CoC and local jurisdictions on homelessness and Emergency Solutions Grant (ESG)-related needs are required by HUD, the Division continues to solicit feedback from the CoC on applications received under the ESG funding opportunity(ies). More recently, the CoC participated in review and selection of projects to be funded under the ESG-RUSH (Rapid Unsheltered Survivor Housing) program. This type of collaboration will continue in FY 2025-2026.

Orange County coordinates annually with regional CDBG grantees and public housing authorities when developing its annual action plan. Additionally, the County continues to engage its Community Development Advisory Board (CDAB) and Affordable Housing Advisory Board (AHAB) regarding the implementation of community housing initiatives and affordable housing projects, to include projects funded by the local Affordable Housing Trust Fund.

To enhance strategies aimed at increasing affordable housing and homeownership opportunities, Orange County is working on selecting projects to be implemented by recently certified and/or recertified Community Housing Development Organizations (CHDOs), under the HOME program. The CHDO RFA was open in Spring of 2025, the project selection will take place in Summer of 2025, with project implementation beginning in FY 2025-2026. The Division staff are working on putting together training opportunities for certified CHDOs to help increase their organizational capacity for taking on and successfully implementing affordable housing projects. Additionally, to increase affordable homeownership, the County partners with four (4) non-profit credit counseling agencies – Housing and Neighborhood Development Services (HANDS) of Central Florida, Housing and Education Alliance, HELP CDC, and Habitat for Humanity of Greater Orlando and Osceola County, Inc. to provide pre-purchase counseling and homebuyer education through the SHIP program to first-time homebuyers receiving down payment assistance through the County.

Finally, the internal coordination between the County’s Housing and Community Development Division and Planning and Neighborhood Services Divisions will enable CDBG and HOME Program funding to advance goals and strategies outlined for eligible LMI areas.

Discussion:

In addition to pursuing goals listed previously in the 2025-2026 Annual Action Plan, the County will advance the strategies described within this section to further improve community conditions for Orange County residents by increasing the capacity of service providers, reducing poverty conditions, addressing lead-based paint hazards, and generally strengthening the structure within which these actions are administered.

PROGRAM SPECIFIC REQUIREMENTS

AP-90 Program Specific Requirements – 91.220(I)(1,2,4)

Introduction:

In addition to federal guidelines, there are specific program requirements that a jurisdiction must comply with for projects planned with CDBG, HOME and ESG funds. This section of the Action Plan addresses special conditions and provisions applicable to projects funded under these programs.

**Community Development Block Grant Program (CDBG)
Reference 24 CFR 91.220(I)(1)**

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

Program Income	
1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	\$0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan	\$0
3. The amount of surplus funds from urban renewal settlements	\$0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan.	\$0
5. The amount of income from float-funded activities	\$0
Total Program Income	\$0

Other CDBG Requirements	
1. The amount of urgent need activities	\$0
2a. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit – A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan.	95%
2b. Specify the years covered that include this Annual Action Plan.	2025 Program Year

HOME Investment Partnership Program (HOME)
Reference 24 CFR 91.220(I)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

Orange County does not intend to use other forms of investment for the HOME program that are not described in the United States Code of Federal Regulations Title 24, Part 92 Section 92.205(b).

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

Pursuant to 24 CFR 92.254 Orange County shall recapture HOME funds if the assisted housing no longer serves as the principal residence of the family for duration of the Period of Affordability. If all or any part of the property or any interest therein is sold, rented, refinanced, conveyed, or transferred, the HOME investment in the property shall be recaptured. The amount to be recaptured shall be subject to the available net sales proceeds. Recapture provisions for single-family homeownership and rehabilitation assistance are enforced in the deed and through a promissory note.

HOME funds may be forgiven contingent upon the per unit subsidy amount received, with a minimum affordability period of five (5) years. In the event of default, Orange County will recapture the full amount of assistance provided. The total amount of HOME funds subject to be recaptured will solely be based on the assistance identified in the promissory note and deed used to finance the purchase of the unit.

While the County prioritizes the use of SHIP funds for DPA, the HOME program may be utilized in limited capacity/under urgent circumstances when SHIP funds are depleted or otherwise unavailable, or if there is a surplus of HOME funds. In such cases, HOME funds would serve as a backup funding source to ensure continued support for eligible homebuyers in need. HOME program policies and procedures will be updated with DPA program requirements prior to the utilization of HOME funds for down payment assistance.

Under SHIP guidelines, any assistance exceeding \$15,000 results in a ten (10) year lien on the property. When HOME funds are used for down payment assistance, the amount of HOME funds subject to recapture is based on the amount of assistance identified in the promissory note and deed that enabled the homebuyer to purchase the property. Orange County will recapture the full amount of assistance upon default. In the event of a foreclosure, short sale, or transfer in lieu of foreclosure, recapture provisions will be recovered based on the

net proceeds available from the sale as established by the written agreement. If no net proceeds from the foreclosure are available, repayment is not required, and HOME requirements are considered satisfied.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds. See 24 CFR 92.254(a)(4) are as follows:

If HOME funds are used to acquire affordable units, the amount of HOME funds subject to recapture will be based on the amount of assistance identified in the promissory note and deed of the purchased property. The amount of HOME assistance provided shall be recaptured by Orange County in full upon resale, transfer of ownership, abandonment or as established by the written agreement.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

There are no plans to utilize HOME funds to refinance existing debt secured by multifamily housing.

**Emergency Solutions Grant (ESG)
Reference 91.220(l)(4)**

1. Include written standards for providing ESG assistance (may include as attachment)

The purpose of the ESG program is to assist with the provision of emergency shelter, housing stabilization and essential services for homeless individuals and households and those at risk of becoming homeless, to provide street outreach, and to assist with data collection through the Homeless Management Information System (HMIS). Eligible projects and/or activities selected to be funded must be consistent with priorities and needs within Orange County identified in the Consolidated Plan, and, if funded, will become part of an Annual Action Plan.

Eligible Activities and Costs

ESG funds may be used for five program components: street outreach, emergency shelter, homelessness prevention, rapid re-housing assistance, and HMIS; as well as administrative activities (up to 7.5% of a recipient's allocation can be used for administrative activities). More specifically, ESG funds may be used for the following:

- **Street Outreach** – Funds are intended to meet the immediate needs of unsheltered homeless persons by connecting them with emergency shelter, housing, and/or critical health services. Eligible costs and program requirements are provided at 24 CFR 576.101.
- **Emergency Shelter** – Funds may be used for renovation of existing shelters or conversion of buildings to shelters, paying for operating costs, and providing essential services. Eligible costs and program requirements are provided at 24 CFR 576.102.
- **Homelessness Prevention** – Funds are used to prevent a person or family from moving into an emergency shelter or living in a place not meant for human habitation by relocation and stabilization services and short-and/medium-term rental assistance. Eligible costs and program requirements are provided at 24 CFR 576.103.

- **Rapid Re-Housing** – Funds are used to quickly move homeless persons into permanent housing through housing relocation and stabilization services and short- and/or medium-term rental assistance. Eligible costs and program requirements are provided at 24 CFR 576.104. The rapid re-housing assistance must be provided in accordance with the housing relocation and stabilization services requirements in § 576.105, the short- and medium-term rental assistance requirements in § 576.106, and the written standards and procedures established under § 576.400.
- **Homeless Management Information System (HMIS)** – Funds are used to cover costs associated with management and/or administration of the HMIS and comparable database costs, as specified at 24 CFR 576.107.

Program Eligibility

The minimum eligibility criteria for ESG beneficiaries are as follows: For essential services related to street outreach, beneficiaries must meet the criteria under paragraph (1)(i) of the “homeless” definition under § 576.2. For emergency shelter, beneficiaries must meet the “homeless” definition in 24 CFR 576.2. For essential services related to emergency shelter, beneficiaries must be “homeless” and staying in an emergency shelter (which could include a day shelter). For homelessness prevention assistance, beneficiaries must meet the requirements described in 24 CFR 576.103par. For rapid re-housing assistance, beneficiaries must meet the requirements described in 24 CFR 576.104. Further eligibility criteria may be established at the local level in accordance with 24 CFR 576.400(e).

Income Limits

The “Extremely Low Income (ELI) families” limits do NOT apply to ESG. ESG does not use the ELI measure to establish income limits but instead uses the 30% of Area Median Income (AMI) income limits. Subrecipients must use the 30% AMI table (provided annually by Orange County) to avoid incorrect determination of eligibility for some applicants.

- ESG income eligibility is based on the HUD income limits in effect at the time of income verification, and not on the HUD income limits that correspond with the grant year under which ESG funds were awarded.
- **Rapid Re-housing Income Requirements:** An income assessment is not required during the initial evaluation. At re-evaluation, (not less than once annually), the participant’s household annual income must not exceed 30% of area median family income, as determined by HUD, with adjustments for family size.
- **Homelessness Prevention Income Requirements:** ESG limits eligibility for homelessness prevention assistance to individuals and families with incomes below 30 percent of AMI at intake, and incomes that do not exceed 30 percent of AMI at re-evaluation (not less than once every 3 months).

Recordkeeping and Reporting Requirements

Acceptance into an ESG-funded program and/or activity should be based upon meeting program eligibility, to include meeting the definition of homeless, and, when applicable, ESG income limits. All subrecipients are required to document homeless status of program participants at intake. The priority of obtaining such evidence is as follows: third-party documentation first, intake worker observations second, and certification from the person seeking assistance third. However, lack of third-party documentation must not prevent an individual or

family from being immediately admitted to emergency shelter, receiving street outreach services, or being immediately admitted to shelter or receiving services provided by a victim service provider.

HMIS records, or comparable database used by victim service or legal service providers, are acceptable evidence of third-party documentation and intake worker observations when the HMIS retains an auditable history of all entries, including the person who entered the data, the date of entry, and the change made.

Summary of Policies and Procedures for Rapid Re-housing and/or Homelessness Prevention

The homelessness prevention and rapid re-housing assistance must be provided in accordance with the housing relocation and stabilization services requirements in §576.105, the short- and medium-term rental assistance requirements in §576.106, and the written standards and procedures established under §576.400.

The following requirements apply to **housing relocation and stabilization services**:

- a) **Financial assistance costs:** ESG funds may be used to pay rental application fees, security deposits, last month's rent, utility deposits, utility payments, moving costs, and amounts owed for breaking a lease to ensure an emergency transfer.
- b) **Services costs:** ESG funds may be used to pay for housing search and placement, housing stability case management, mediation, legal services, and credit repair.
- c) **Maximum amounts and periods of assistance:** except for housing stability case management, the total period for which any program participant may receive the services must not exceed 24 months during any 3-year period. The limits on the assistance under this section apply to the total assistance an individual receives, either as an individual or as part of a family.
- d) **Use with other subsidies:** financial assistance cannot be provided to a program participant who is receiving the same type of assistance through other public sources or to a program participant who has been provided with replacement housing payments under the URA, during the period of time covered by the URA payments.

The following requirements apply to **rental assistance** provided with ESG funds:

- a) A program participant might be provided with up to 24 months of rental assistance during any 3-year period. This assistance may be short-term rental assistance, medium-term rental assistance, payment of rental arrears, or any combination of this assistance.
 - Short-term rental assistance is assistance for up to 3 months of rent.
 - Medium-term rental assistance is assistance for more than 3 months but not more than 24 months of rent.
 - Payment of rental arrears consists of a one-time payment for up to 6 months of rent in arrears, including any late fees on those arrears.
 - Rental assistance may be tenant-based or project-based.
- b) Orange County reserves the right to establish the maximum levels of assistance. Should the County choose to do so, the maximum levels of assistance and any additional information pertaining to the

provision of rental assistance under the rapid re-housing and homelessness prevention programs will be specified in the County's ESG Program Policies and Procedures Manual that is updated regularly.

- c) **Use with other subsidies:** Except for a one-time payment of rental arrears on the tenant's portion of the rental payment, rental assistance cannot be provided to a program participant who is receiving tenant-based rental assistance or living in a housing unit receiving project-based rental assistance or operating assistance, through other public sources.
- d) **Rent restrictions:** rental assistance cannot exceed the Fair Market Rent established by HUD, and it should comply with HUD's standard of rent reasonableness.
- e) **Late payments:** subrecipients must make timely payments to each owner in accordance with the rental assistance agreement. The subrecipient is solely responsible for paying late payment penalties that it incurs with non-ESG funds.
- f) **Lease:** each program participant receiving rental assistance must have a legally binding, written lease for the rental unit, unless the assistance is solely for rental arrears.
- g) **Changes in household composition:** the limits on assistance under this section apply to the total assistance an individual receives, either as an individual or as part of a family.

Additional Requirements

- **Match:** Urban county recipients must match grant funds with an equal amount of contributions, which may include cash, donated buildings or materials, and volunteer services. For the specific match requirements, see 24 CFR 576.201.
- **Expenditure Limits and Deadlines:** The total amount of the recipient's fiscal year grant that may be used for street outreach and emergency shelter activities cannot exceed the greater of: (1) 60 percent of the recipient's fiscal year grant; or (2) the amount of Fiscal Year 2010 grant funds committed for homeless assistance activities. The total amount of ESG funds that may be used for administrative activities cannot exceed 7.5 percent of the recipient's fiscal year grant. All grant funds must be expended within 24 months after HUD signs the grant agreement with the recipient. Further obligation and expenditure requirements are specified at 24 CFR 576.203.
- **Data Collection and Reporting:** It is a requirement of the ESG that data on all persons served and all activities assisted under ESG are entered into the applicable community-wide HMIS in the area in which those persons and activities are located, or a comparable database, in accordance with HUD's standards on participation, data collection, and reporting under a local HMIS. If the subrecipient is a victim service provider or a legal services provider, it may use a comparable database that collects client-level data over time (i.e., longitudinal data) and generates unduplicated aggregate reports based on the data.
- **Use of the Coordinated Entry System (CES):** ESG regulations require use of a coordinated assessment tool to determine program eligibility and to ensure prioritization of services to those most in need. The local Continuum of Care has developed a Coordinated Entry System (CES) to conduct screening, assessment and referral of program participants consistent with written requirements of various programs being implemented by agencies within the Continuum.
- **Coordination between Service Providers:** On an annual basis, Orange County consults with the Homeless Services Network of Central Florida (HSN), a lead agency for the local Continuum of Care (CoC), in determining allocation of ESG funds and developing performance standards and outcomes for projects and

activities assisted under ESG program. The County also solicits input from HSN in reviewing applications for ESG funds received during the annual Request for Applications process, which takes place in March-April of each year. Additionally, all ESG-funded subrecipients are encouraged to participate in relevant CoC meetings and attend subcommittees to ensure coordination of services, avoid duplication, and to provide services in the most efficient manner.

- **Access to Mainstream Services:** Subrecipients receiving ESG funds for emergency shelter, homeless prevention and rapid rehousing should provide program participants with information and assist in accessing the following services if it aids in meeting identified needs of program participants: 211 local information hotline for social services; social security benefits; food stamps assistance; affordable housing database; job training programs; health services; education programs; services for victims of domestic violence; veteran services; etc.
- **Written Standards for Provision of Assistance:** Orange County will require all subrecipients of ESG funds to create agency-level ESG policies and procedures.
- **Protection for Victims of Domestic Violence:** ESG assistance cannot be denied or terminated solely because an applicant or tenant is a victim of domestic violence, dating violence, sexual assault, or stalking applied upon enactment of VAWA 2013 on March 7, 2013.
- **Conflict of Interest:** Subrecipients must avoid any conflict of interest in carrying out activities funded by ESG, to include organizational and individual conflicts of interest. Orange County and subrecipients of ESG funds must comply with 2 CFR Parts 200.317 and 200.318 for the procurement of goods and services.
- **Monitoring of Subrecipients:** During the year, the County conducts site-specific monitoring of its ESG-funded agencies and provides technical assistance. Sub-recipients are monitored through desk monitoring, annual reviews, site visits, and contacts by various means, including meetings, correspondence, telephone and e-mail contact. Subrecipients are also required to provide their most recent annual external audit reports and copies of current insurance coverage. To supplement routine desk monitoring procedures, the County's Division conducts formal annual performance reviews of subrecipients of the ESG program.
- **Other Requirements:** All projects by subrecipients will require a project administration agreement that delineates the specific project requirements, including but not limited to, project budget, timelines, payment procedures, project outcomes and records of beneficiaries served within the term of the project agreement. Projects implemented by subrecipients are also subject to all federal requirements including but not limited to ESG regulations, fair housing laws, HUD issued certifications, and standards under 2 CFR Part 200.

During natural disasters, health emergencies, or other unpredicted events, HUD might issue additional waivers for programs administered by the Housing and Community Development Division of Orange County, to include the ESG Program. Should such waivers become available through notices issued by HUD, the County staff will evaluate their potential applicability to projects and activities funded through the ESG Program and apply for such waivers if needed. The subsequent changes to ESG Program Policies and Procedures document will be made to reflect such waivers or uncommon situations, and they are incorporated here by reference. Please refer to the latest copy of the ESG Program Policies and Procedures, on file with Orange County Housing and Community Development Division.

The ESG Program Policies and Procedures Manual is updated regularly by the Housing and Community Development Division's staff, in consultation with the Continuum of Care, and it is available to potential

applicants for ESG funds during the application process, and to community partners and stakeholders providing services to homeless individuals and families and those at risk of homelessness. Orange County requires all of the subrecipients of ESG funds to become familiar with the County's ESG Program Policies and Procedures and to update their agency's policies for ESG-funded program and activities for consistency.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

ESG regulations require the use of a coordinated assessment tool to determine program eligibility and to ensure prioritization of services to those most in need. The local Continuum of Care has developed a Coordinated Entry System (CES) to conduct screening, assessment and referral of program participants consistent with written requirements of various programs being implemented by agencies within the Continuum. The CES currently effectively conducts referrals into family shelters (using the Shelter Prioritization Tool) and rapid re-housing programs for families. The local Domestic Violence shelter has a different entry process, and the CoC is working with the ESG-funded youth shelter to figure out a more coordinated referral process. There is not a developed and centralized process to rapidly re-house individuals and to conduct referrals into homelessness prevention programs.

Additionally, it is a requirement of the ESG that data on all persons served and all activities assisted under ESG are entered into the applicable community-wide Homeless Management Information System (HMIS) in the area in which those persons and activities are located, or a comparable database, in accordance with HUD's standards on participation, data collection, and reporting under a local HMIS. If the subrecipient is a victim service provider or a legal services provider, it may use a comparable database that collects client-level data over time (i.e., longitudinal data) and generates unduplicated aggregate reports based on the data. Information entered into a comparable database must not be entered directly into or provided to an HMIS.

For all ESG funded providers of emergency shelter, homelessness prevention and rapid rehousing services, Orange County requires monthly HMIS (or compatible database) reports to be submitted as part of the reimbursement requests. Annual performance reporting for all ESG-funded agencies is done using the Sage HMIS Reporting Repository.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

The process of making sub-awards under ESG is performed on a competitive basis. Once Orange County receives HUD's funding notification, the Request for Applications (RFA) process begins with a public notice that is published in the local newspapers announcing the expected ESG award and dates for the technical assistance workshops for prospective applicants. The RFA process, which is open for state certified 501(c)(3) organizations who have been in operation for a minimum of two (2) years, lasts approximately 45 to 60 days. Once the applications are received, staff from the Housing and Community Development Division will review the applications and make recommendations for funding to the members of the Community Development Advisory Board (CDAB). It is a general practice to solicit input from the Homeless Services Network of Central Florida, Inc. (HSN), the lead agency for the local CoC, in review of the ESG applications received. HSN is also informed of all of the public hearings and provided with a copy of the draft Action Plan for review and comments, and to distribute the copy to its network of homeless providers and stakeholders.

With many aspects that must be considered in selecting the projects that will be funded with federal funds under the Action Plan, including the Emergency Solutions Grant (ESG), Orange County utilized the following process to determine if federal funds will be used to fund an activity with ESG:

Step #1: Determine if the activity is eligible in accordance with federal statutes.

Step #2: Determine if any of the proposed activities fall within a category explicitly ineligible (such as assistance for the general conduct of government, political or religious activities paid with HUD funds or others identified in the statutes).

Step #3: Determine if beneficiaries of the project are eligible. The ESG activity benefits eligible homeless persons in accordance with the provisions established in Part 576.2.

Step #4: Review the proposed costs of the activity to determine if they appear to be necessary and reasonable. Conduct a financial risk analysis in accordance with 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles and Audit Requirements.

Step #5: Determine if there is a need to fund the project with ESG funds.

Step #6: Determine the organization's experience and capacity to carry out the project.

Step #7: Determine funding availability for the project.

A public hearing is held in the month of June to solicit comments from the public about the recommendations for funding. The Orange County Board of County Commissioners must approve all funding recommendations prior to final submission to HUD, on or before August 15 of any given fiscal year.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

Consultation with the Continuum of Care is critical for the development of homeless strategies for the Consolidated Plan and Annual Action Plan. The CoC's lead agency, the Homeless Services Network of Central Florida, Inc., also participates in the evaluation of project proposals. Additionally, recommendations are received from homeless agencies and community networks through our citizen participation process. Other consultations include the Affordable Housing Advisory Board and the Community Development Advisory Board. Both boards are comprised of representatives from each district in Orange County, and an at-large member appointed by the mayor.

Orange County is an active participant of the local CoC, currently known as the Central Florida Commission on Homelessness, and County staff regularly participate in its monthly membership meetings, regional meetings pertaining to homelessness and affordable housing, subcommittees and focus groups to discuss homeless issues that are used in considering policies and funding decisions. Finally, County staff participates reviews of the Continuum-wide ESG policies and standards for a variety of homeless programs and activities.

5. Describe performance standards for evaluating ESG.

Orange County consults with the Homeless Services Network of Central Florida, Inc., the lead CoC agency, in creating performance standards for evaluating the proposed ESG programs and activities, to ensure that the

funds are spent in the most effective and efficient manner. Additionally, the performance standards aid in determining the subrecipients' success in achieving the following:

- Targeting individuals and families in most need of services and assistance (measured by using the prioritization tools developed by the CoC);
- Reducing the number of individuals and families living on the streets, in places not meant for human habitation, and in emergency shelters (measured by annual Point-in-Time counts of shelters and unsheltered populations);
- Shortening the time individuals and families spent homeless (measured by using HMIS at intake, and the CES tool to prioritize placing qualified individuals and families who are most vulnerable into housing); and
- Reducing housing barriers and improving housing stability of individuals and families (emphasized by the Housing First approach; measured by HMIS/connecting persons to mainstream resources, increasing their income while in the programs, improving self-sufficiency).

These performance standards are intended to complement and contribute to the Continuum of Care program performance measures detailed in Section 427 of the McKinney-Vento Act, as amended by the HEARTH Act, which generally include the following:

- The length of time individuals and families remain homeless;
- The length of time individuals exiting homelessness experience additional spells of homelessness;
- The thoroughness of grantees in the geographic area in reaching homeless individuals and families;
- Overall reduction in the number of homeless individuals and families;
- Jobs and income growth for homeless individuals and families;
- Success at reducing the number of individuals and families who become homeless; and
- Other accomplishments by the recipient related to reducing homelessness.

ANNUAL ACTION PLAN FISCAL YEAR 2025-2026

FOR FEDERAL GRANT PROGRAMS: COMMUNITY DEVELOPMENT BLOCK GRANT (E25-UC-12-0003) (CFDA 14.218)

EMERGENCY SOLUTIONS GRANT (E25-UC-12-0003) (CFDA 14.231),

EMERGENCY SOLUTIONS GRANT – RAPID UNSHELTERED SURVIVOR HOUSING (E-25-JW-12-003) (CFDA 14.231)

HOME INVESTMENT PARTNERSHIPS PROGRAM (M25-UC-12-0213) (CFDA 14.239)

Orange County, through its Housing and Community Development Division, is in the process of developing an Annual Action Plan for the Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), and the HOME Investment Partnerships Program (HOME) funded by the U.S. Department of Housing and Urban Development (HUD). The Action Plan lists the activities Orange County intends to pursue through the CDBG, ESG and HOME programs to address the needs that were identified in the 2022-2026 Consolidated Plan, a five-year strategic plan for housing and community development activities in Orange County, Florida. Additionally, Orange County has received a special allocation of Emergency Solutions Grant funds – Rapid Unsheltered Survivor Housing funding (ESG-RUSH), to address the housing and service needs of persons experiencing homelessness, which were exacerbated by Hurricane Helene (DR-4828-FL) and Hurricane Milton (DR-4834-FL).

The primary objective of the CDBG program is the development of viable urban communities by providing decent housing, a suitable living environment and expanding economic opportunities for persons of low- to moderate-income. The primary objective of the ESG program is the provision of housing stabilization and services to homeless individuals and families. The primary objective of the HOME program is the provision of decent affordable housing to low-income households and leveraging efforts to preserve and expand affordable housing stock.

Orange County anticipates receiving the following formula allocations for eligible activities and grant administration: CDBG – \$7,338,797, ESG – \$645,988, and HOME – \$2,597,142.10. A Request for Applications (RFA) process for CDBG, ESG, and HOME funds will begin on Tuesday, March 4, 2025, and it will end on Friday, April 11, 2025, at 5:00 p.m. for state certified 501(c)(3) organizations, public entities, jurisdictions participating in Orange County's Urban County program, and neighborhood organizations. Proposals will be reviewed for consistency with federal regulations, priority needs, feasibility of the project(s), and other criteria outlined in the RFA.

The priorities for FY 2025-2026 are aligned with the 2022-2026 Consolidated Plan goals and include the following: 1) Expand and preserve housing affordability, safety, and stability for low to moderate-income households and vulnerable populations; 2) Transform low to moderate-income communities into resilient communities; and 3) Work in collaboration with local government agencies, nonprofit organizations, and industry partners to eradicate and prevent homelessness. Please note that priority consideration will be given to multi-year projects already in implementation, projects that can be implemented in the least amount of time or "shovel ready", and projects that prove to provide a direct benefit to limited clientele (presumed low-income populations in accordance with HUD) and low-income populations.

Proposals are specifically requested for, but are not limited to, the following categories:

- 1. CDBG Capital Improvement Projects** – To include capital improvement projects in low-income neighborhoods and rehabilitation and/or construction of public facilities serving low-income populations. Priority will be given to Orange County's multi-year projects.
- 2. CDBG/HOME Housing Projects** – To include funding for experienced nonprofit organizations for projects that create or preserve affordable housing, and housing projects for individuals with special needs. (Please note that Orange County will have a separate application process for proposals being submitted by Certified Housing Development Organizations (CHDO) – to be released in late March of 2025).
- 3. CDBG Public Services** – To include services for limited clientele such as seniors and disabled individuals, and services that contribute to the safety and stability of low-income individuals and households.
- 4. ESG Homeless Services** – To include funding for the operation of homeless shelters, street outreach, homeless prevention and rapid re-housing services.

The pre-award technical assistance workshops for CDBG, ESG and HOME Programs will be conducted in person on Thursday, March 13, 2025, at the Orange County Administration Building (Commission Chambers, 1st Floor) located at 201 S. Rosalind Avenue, Orlando, Florida 32801. The workshops are scheduled as follows:

- CDBG Capital Improvements Projects, public facilities, and housing projects – 9:30 a.m. to 11:00 a.m.
- CDBG Public Services/ESG Homeless Services – 11:30 a.m. to 1:00 p.m.

The workshops will provide technical assistance and information about funding criteria for project submissions and details about the application process. Organizations interested in submitting proposals are required to attend the workshop(s). To confirm attendance, please e-mail Carmen.Perez@ocfl.net.

On January 10, 2025, the U.S. Department of Housing and Urban Development (HUD) made a special allocation of \$512,694 in ESG funds, known as Rapid Unsheltered Survivor Housing (ESG-RUSH) funding, to Orange County, FL to

address the needs of homeless individuals and families, or individuals and families at risk of homelessness in areas affected by major disasters – Hurricane Helene (DR-4828-FL) and Hurricane Milton (DR-4834-FL). The funds can be spent on a variety of activities, such as rapid re-housing, homelessness prevention, housing relocation and stabilization, and street outreach, to aid individuals and households who meet the following criteria:

- 1) Are homeless or at risk of homelessness; and
- 2) Have been residing in an area affected by a major declared disaster; and
- 3) Have needs that will not be served or fully met by the TSA program and other existing federal disaster relief programs.

Orange County will begin a separate Request for Applications (RFA) process for ESG-RUSH funds starting Monday, March 3, 2025, for state-certified 501(c)(3) organizations experienced in providing homeless services. The ESG-RUSH RFA will close on Friday, March 28, 2025, at 5 p.m. The pre-award technical assistance workshop for ESG-RUSH funding will be conducted virtually on March 6, 2025, from 10:00 a.m. to 11:00 a.m. Organizations interested in submitting proposals should contact Anna Scott at Anna.Scott@ocfl.net to register and receive the link to the virtual meeting. The workshops will provide technical assistance and information about funding criteria for project submissions and details about the application process.

As required by federal guidelines, Orange County has in place a framework for evaluating the risks posed by applicants before they receive federal awards. This evaluation incorporates an assessment of the capacity of the applicant to carry out the project, financial stability of the organization, quality of management systems, the applicant's record in managing federal awards, reports and findings from audits and the quality of the application.

Request for Applications (RFA) may be accessed at:

<http://www.ocfl.net/NeighborHousingCommunityDevelopment.aspx>, and must be completed and submitted online through ZoomGrants™. No paper copies will be accepted. If you experience difficulty finding the RFA, you may contact InaBert.Ramirez@ocfl.net for additional information and assistance.

All funding recommendations are contingent upon the Board of County Commissioner's approval and HUD's final approval of the Annual Action Plan. Orange County reserves the right to accept or reject any or all applications, and to fund applications that best serve the interest of Orange County. If you have additional questions about the RFA process and requirements, please contact Janna Souvorova, Chief Planner, at (407) 836-0963, or via email at Janna.Souvorova@ocfl.net.

AVISO DE OPORTUNIDADES DE FINANCIACIÓN – ANUNCIO INICIAL A TODAS LAS ORGANIZACIONES, AGENCIAS Y PERSONAS INTERESADAS

PLAN DE ACCIÓN ANUAL AÑO FISCAL 2025-2026

PARA PROGRAMAS FEDERALES:

SUBVENCIÓN EN BLOQUE PARA EL DESARROLLO COMUNITARIO (B25-UC-12-0003) (CFDA 14.218)

SUBVENCIÓN PARA SOLUCIONES DE EMERGENCIA (E25-UC-12-0003) (CFDA 14.231),

SUBVENCIÓN DE SOLUCIONES DE EMERGENCIA – VIVIENDA RÁPIDA PARA SOBREVIVIENTES SIN REFUGIO (E-25-UW-12-003) (CFDA 14.231)

PROGRAMA DE ASOCIACIONES DE INVERSIÓN EN EL HOGAR (M25-UC-12-0213) (CFDA14.239)

El Condado de Orange, Florida, a través de su División de Vivienda y Desarrollo Comunitario, está en el proceso de desarrollar un Plan de Acción Anual para la Subvención en Bloque para el Desarrollo Comunitario (CDBG), la Subvención para Soluciones de Emergencia (ESG) y el Programa de Asociaciones de Inversión HOME (HOME) financiado por el Departamento de Vivienda y Desarrollo Urbano de Estados Unidos (HUD). El Plan de Acción enumera las actividades que el Condado de Orange pretende implementar a través de los programas CDBG, ESG y HOME para abordar las necesidades identificadas en el Plan Consolidado 2022-2026, un plan estratégico de cinco años para actividades de desarrollo comunitario y de vivienda en el Condado de Orange. Además, el Condado de Orange ha recibido una asignación especial de fondos de la Subvención para Soluciones de Emergencia: Vivienda Rápida para Sobrevivientes Sin Refugio (ESG-RUSH), para abordar las necesidades de vivienda y servicios a personas sin hogar que fueron exacerbadas por el huracán Helene (DR-4828-FL) y el huracán Milton (DR-4834-FL).

El objetivo principal del programa CDBG es el desarrollo de

comunidades urbanas viables proporcionando viviendas dignas, un entorno de vida adecuado y ampliando oportunidades económicas para personas de ingresos bajos a moderados. El objetivo principal del programa ESG es la prestación de servicios y estabilización de vivienda a personas y familias sin hogar. El objetivo principal del programa HOME es proporcionar viviendas asequibles y decentes a hogares de bajos ingresos y aprovechar los esfuerzos para preservar y ampliar el parque de viviendas asequibles.

El Condado de Orange prevé recibir la siguiente fórmula de asignaciones para actividades elegibles y administración de subvenciones: CDBG – \$7,338,797, ESG – \$645,988, y HOME – \$2,597,142.10. Un proceso de Solicitud de Solicitudes (RFA) para fondos CDBG, ESG y HOME comenzará el martes 4 de marzo de 2025 y finalizará el viernes 11 de abril de 2025 a las 5:00 p.m. para organizaciones 501(c)(3) certificadas por el estado, entidades públicas, jurisdicciones que participan en el programa del Condado Urbano del Condado de Orange y organizaciones vecinales. Se revisará la coherencia de las

propuestas con las regulaciones federales, las necesidades prioritarias, la viabilidad de los proyectos y otros criterios descritos en la RFA.

Las prioridades para el año fiscal 2025-2026 están alineadas con las metas del Plan Consolidado 2022-2026 e incluyen lo siguiente: 1) Ampliar y preservar la asequibilidad, la seguridad y la estabilidad de la vivienda para hogares de ingresos bajos a moderados y poblaciones vulnerables; 2) Transformar comunidades de ingresos bajos a moderados en comunidades resilientes; y 3) Trabajar en colaboración con agencias gubernamentales locales, organizaciones sin fines de lucro y socios de la industria para erradicar y prevenir la falta de vivienda. Tenga en cuenta que se dará consideración prioritaria a los proyectos plurianuales que ya están en implementación, los proyectos que se pueden implementar en el menor tiempo posible o "listos para comenzar" y los proyectos que demuestren brindar un beneficio directo a una clientela limitada (clientes que presuntamente son de ingresos bajos por designación de HUD) y poblaciones de bajos ingresos.

Se solicitan propuestas específicamente, entre otras, para las siguientes categorías:

1. Proyectos de mejoras de capital de CDBG: incluye proyectos de mejoras de capital en vecindarios de bajos ingresos y rehabilitación y/o construcción de instalaciones públicas que atienden a poblaciones de bajos ingresos. Se dará prioridad a los proyectos multianuales del Condado de Orange.

2. Proyectos de vivienda CDBG/HOME: incluye fondos para organizaciones sin fines de lucro con experiencia para proyectos que crean o preservan viviendas asequibles y proyectos de vivienda para personas con necesidades especiales. (Tenga en cuenta que el Condado de Orange tendrá un proceso de solicitud separado para las propuestas presentadas de HOME para Organizaciones Certificadas de Desarrollo de Vivienda (CHDO), que se publicará a fines de marzo de 2025).

3. Servicios Públicos CDBG: incluye servicios para una clientela limitada, como personas mayores y discapacitadas, y servicios que contribuyen a la seguridad y estabilidad de las personas y hogares de bajos ingresos.

4. Servicios ESG para personas sin hogar: incluye fondos para el funcionamiento de refugios para personas sin hogar, divulgación en las calles, prevención de personas sin hogar y servicios de realojamiento rápido.

Los talleres de asistencia técnica previos a la adjudicación para los programas CDBG, ESG y HOME se llevarán a cabo en persona el jueves 13 de marzo de 2025 en el Edificio de Administración del Condado de Orange (Cámaras de la Comisión, 1er piso) ubicado en 201 S. Rosalind Avenue, Orlando, Florida 32801. Los talleres están programados de la siguiente manera:

• **Proyectos de Mejoras de Capital, instalaciones públicas y proyectos de vivienda de CDBG** – 9:30 a.m. to 11:00 a.m.

• **Servicios Públicos CDBG/Servicios ESG para Personas sin Hogar** – 11:30 a.m. to 1:00 p.m.

Los talleres proporcionarán asistencia técnica e información sobre los criterios de financiación para la presentación de proyectos y detalles sobre el proceso de solicitud. Las organizaciones interesadas en presentar propuestas deben asistir a los talleres. Para confirmar la asistencia, envíe un correo electrónico a Carmen.Perez@ocfl.net.

El 10 de enero de 2025, el Departamento de Vivienda y Desarrollo Urbano (HUD por sus siglas en inglés) hizo una asignación especial de \$512,694 en fondos ESG, conocidos como fondos de Vivienda Rápida para Sobrevivientes Sin Refugio (ESG-RUSH), al Condado de Orange para abordar las necesidades de las personas y familias sin hogar, o las personas y familias en riesgo de quedarse sin hogar en áreas afectadas por desastres causados por el huracán Helene (DR-4828-FL) y el huracán Milton (DR-4834-FL). Los fondos se pueden utilizar en actividades como el realojamiento rápido, la prevención de la falta de vivienda, la reubicación y estabilización de viviendas, y la divulgación de servicios en las calles, para ayudar a las personas que cumplen con los siguientes criterios:

1. no tienen hogar o corren el riesgo de quedarse sin hogar; y
2. haber residido en una zona afectada por un desastre grave declarado; y
3. tienen necesidades que no serán atendidas o satisfechas en su totalidad por el programa TSA y otros programas federales de ayuda por desastre existentes.

El Condado de Orange comenzará un proceso de Solicitud de Solicitudes (RFA, por sus siglas en inglés) por separado para los fondos ESG-RUSH a partir del lunes 3 de marzo de 2025, para organizaciones 501 (c) (3) certificadas por el estado con experiencia en la prestación de servicios

para personas sin hogar. La RFA de ESG-RUSH se cerrará el viernes 28 de marzo de 2025 a las 5 p.m. El taller de asistencia técnica previo a la adjudicación de la financiación ESG-RUSH se llevará a cabo de manera virtual, el 6 de marzo de 2025, de 10:00 a.m. a 11:00 a.m. Las organizaciones interesadas en presentar propuestas deben ponerse en contacto con Anna Scott en Anna.Scott@ocfl.net para registrarse y recibir el enlace a la reunión virtual. Los talleres proporcionarán asistencia técnica e información sobre los criterios de financiación para la presentación de proyectos y detalles sobre el proceso de solicitud.

Como lo requieren las pautas federales, el Condado de Orange cuenta con un sistema para evaluar los riesgos que plantean los solicitantes antes de recibir las adjudicaciones federales. Esta evaluación incorpora elementos como la capacidad del solicitante para llevar a cabo el proyecto, la estabilidad financiera de la organización, la calidad de los sistemas de gestión, el historial del solicitante en la gestión de adjudicaciones federales, informes y hallazgos de auditorías y la calidad de la solicitud. La solicitud (RFA) se obtiene en el siguiente enlace

<http://www.ocfl.net/NeighborsHousing/CommunityDevelopment.aspx> y debe completarse y enviarse en línea a través de ZoomGrants™. No se aceptarán copias en papel. Si tiene dificultades para encontrar la RFA, puede comunicarse con: Inabert.Ramos@ocfl.net para obtener información y asistencia adicionales.

Todas las recomendaciones para el financiamiento de proyectos dependen de la aprobación de la Junta de Comisionados del Condado y la aprobación final del Plan de Acción Anual de HUD. El Condado de Orange se reserva el derecho de aceptar o rechazar cualquiera o todas las solicitudes, y de financiar las solicitudes que mejor sirvan a los intereses del Condado de Orange. Si tiene preguntas adicionales sobre el proceso y los requisitos de RFA, comuníquese con Janna Souvorova, Planificadora Principal, al (407) 836-0963, o por correo electrónico al Janna.Souvorova@ocfl.net.

APPENDIX B: CITIZEN PARTICIPATION COMMENTS AND RESPONSE

To encourage public participation in community development activities throughout Orange County, and in keeping with HUD requirements, Orange County established a Citizen Participation Plan, the latest version of which was adopted in November of 2023. The County utilizes a designated process based on this plan to determine community development needs and identify activities that can address these needs through federally funded housing and community development programs.

The County held a 30-day comment period from June 10, 2025, to July 10, 2025, and invited members of the public to attend a public hearing before the Community Development Advisory Board on June 18, 2025, to receive input from the residents and stakeholders on the draft Annual Action Plan prior to approval by the Board of County Commissioners and submission to HUD.

No comments were received on the proposed Annual Action Plan during the public comment period.

APPENDIX D: 2025 POINT-IN-TIME COUNT – ORANGE COUNTY, FL

As the lead agency for the Orange, Osceola, and Seminole counties Continuum of Care, the Homeless Services Network of Central Florida, Inc. conducts a single-day Point-in-Time (PIT) count for sheltered and unsheltered persons and works to ensure the Homeless Management Information System (HMIS) delivers data needed for HUD and local government reporting.

ORANGE COUNTY
POINT-IN-TIME
COUNT
2025

Orange County Sheltered/Unsheltered Count

PIT Introduction **January 27th, 2025**

The Point-in-Time (PIT) Count is a survey that collects estimates on the number of people experiencing homelessness on a single night in January.

During the PIT Count, trained volunteers and outreach workers go out into the community and count the number of people who are unsheltered. Shelter providers count the number of people in emergency shelter and transitional housing. The data collected during the count is used to better understand the scope of homelessness in Central Florida.

Sheltered Count

The Sheltered Count includes people in emergency shelters (56%) and people in transitional housing (44%).

Shelter capacity has been growing the last few years, with the addition of new funding sources and non-congregate shelter options driving the majority of capacity gains.

Adult-only households in shelter has increased by 15% since 2022.

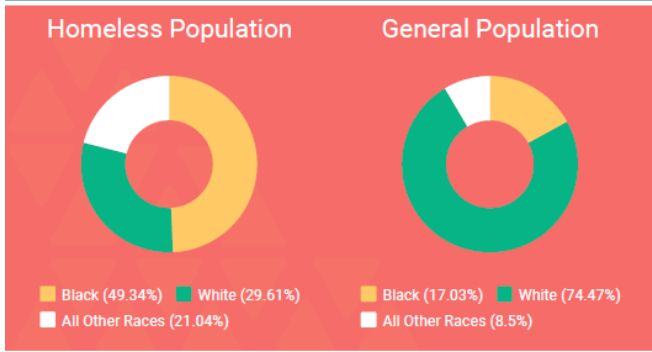

PIT Demographics - Orange County

Racial and Ethnic disparities continue to be present amongst those experiencing homelessness in Central Florida, compared to the general population.

Race

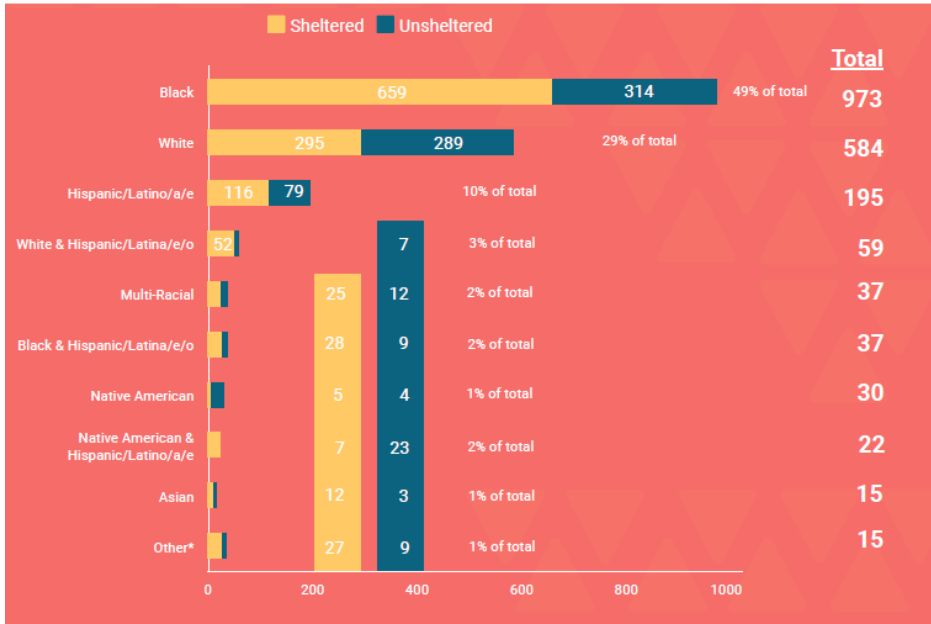

U.S. Census Bureau average estimate of race breakdown for Central Florida (July 1, 2022):

- White (74.47%)
- Black (17.03%)
- All Other Races (8.5%)

* The "Other" category includes the following races (values too small to picture):

- Multi-Racial & Hispanic/Latino/a/e (9)
- Middle Eastern (4)
- Native Hawaiian/Pacific Islander (4)
- Native Hawaiian/Pacific Islander & Hispanic/Latino/a/e (1)
- Asian and Hispanic/Latino/a/e (2)
- Middle Eastern & Hispanic/Latino/a/e (0)

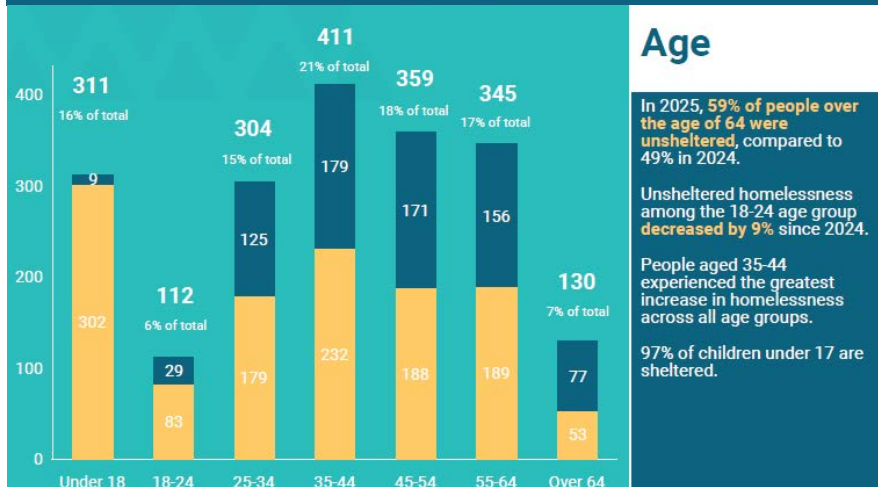

People who identify as male (74%) are **more likely to experience unsheltered homelessness** compared to people who identify as female (26%).

Women experienced an **overall decrease in homelessness of almost 2%**.

Thank you to everyone who assisted with the 2025 PIT Count.

www.hmiscfl.org
www.hsncl.org

In 2025, **59% of people over the age of 64 were unsheltered**, compared to 49% in 2024.

Unsheltered homelessness among the 18-24 age group **decreased by 9%** since 2024.

People aged 35-44 experienced the greatest increase in homelessness across all age groups.

97% of children under 17 are sheltered.

GRANTEE CERTIFICATIONS AND SF-424 FORMS

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing --The jurisdiction will affirmatively further fair housing.

Uniform Relocation Act and Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

Anti-Lobbying --To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction --The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan --The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction’s consolidated plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 75.

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2025 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.

Title

Specific HOME Certifications

The HOME participating jurisdiction certifies that:

Tenant Based Rental Assistance -- If it plans to provide tenant-based rental assistance, the tenant-based rental assistance is an essential element of its consolidated plan.

Eligible Activities and Costs -- It is using and will use HOME funds for eligible activities and costs, as described in 24 CFR §§92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in §92.214.

Subsidy layering -- Before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing:

Title

Emergency Solutions Grants Certifications

The Emergency Solutions Grants Program recipient certifies that:

Major rehabilitation/conversion/renovation – If an emergency shelter’s rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation.

If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion.

In all other cases where ESG funds are used for renovation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

Essential Services and Operating Costs – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the recipient will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the recipient serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

Renovation – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services – The recipient will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal, State, local, and private assistance available for these individuals.

Matching Funds – The recipient will obtain matching amounts required under 24 CFR 576.201.

Confidentiality – The recipient has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement – To the maximum extent practicable, the recipient will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

Consolidated Plan – All activities the recipient undertakes with assistance under ESG are consistent with its consolidated plan.

Discharge Policy – The recipient will establish and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.

Instructions for the HUD 424-B Assurances and Certifications

As part of your application for HUD funding, you, as the official authorized to sign on behalf of your organization or as an individual, must provide the following assurances and certifications. The Responsible Civil Rights Official has specified this form for use for purposes of general compliance with 24 CFR §§ 1.5, 3.115, 8.50, and 146.25, as applicable. The Responsible Civil Rights Official may require specific civil rights assurances to be furnished consistent with those authorities and will specify the form on which such assurances must be made. A failure to furnish or comply with the civil rights assurances contained in this form may result in the procedures to effect compliance at 24 CFR §§ 1.8, 3.115, 8.57, or 146.39.

By submitting this form, you are stating that all assertions made in this form are true, accurate, and correct.

As the duly representative of the applicant, I certify that the applicant: [Insert below the Name and title of the Authorized Representative, name of Organization and the date of signature]:

*Authorized Representative Name:

Jerry L. Demings

*Title: Orange County Mayor

*Applicant/Recipient Organization:

Orange County, Florida

1. Has the legal authority to apply for Federal assistance, has the institutional, managerial and financial capability (including funds to pay the non-Federal share of program costs) to plan, manage and complete the program as described in the application and the governing body has duly authorized the submission of the application, including these assurances and certifications, and authorized me as the official representative of the application to act in connection with the application and to provide any additional information as may be required.

2. Will administer the grant in compliance with Title VI of the Civil Rights Act of 1964 (42 U.S.C 2000(d)) and implementing regulations (24 CFR part 1), which provide that no person in the United States shall, on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any program or activity that receives Federal financial assistance OR if the applicant is a Federally recognized Indian tribe or its tribally designated housing entity, is subject to the Indian Civil Rights Act (25 U.S.C. 1301-1303).

3. Will administer the grant in compliance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and implementing regulations at 24 CFR part 8, the American Disabilities Act (42 U.S.C. §§ 12101 et seq.), and implementing regulations at 28 CFR part 35 or 36, as applicable, and the Age Discrimination Act of 1975 (42 U.S.C. 6101-07) as amended, and implementing regulations at 24 CFR part 146 which together provide that no person in the United States shall, on the grounds of disability or age, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance; except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.

4. Will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and the implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion sex (including gender identity and sexual orientation), disability, familial status, or national origin and will affirmatively further fair housing; except an

applicant which is an Indian tribe or its instrumentality which is excluded by statute from coverage does not make this certification; and further except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.

5. Will comply with all applicable Federal nondiscrimination requirements, including those listed at 24 CFR §§ 5.105(a) and 5.106 as applicable.

6. Will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601) and implementing regulations at 49 CFR part 24 and, as applicable, Section 104(d) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(d)) and implementing regulations at 24 CFR part 42, subpart A.

7. Will comply with the environmental requirements of the National Environmental Policy Act (42 U.S.C. 4321 et seq.) and related Federal authorities prior to the commitment or expenditure of funds for property.

8. That no Federal appropriated funds have been paid, or will be paid, by or on behalf of the applicant, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, and officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding of this Federal grant or its extension, renewal, amendment or modification. If funds other than Federal appropriated funds have or will be paid for influencing or attempting to influence the persons listed above, I shall complete and submit Standard Form-L.L.L. Disclosure Form to Report Lobbying. I certify that I shall require all subawards at all tiers (including sub-grants and contracts) to similarly certify and disclose accordingly. Federally recognized Indian Tribes and tribally designated housing entities (TDHEs) established by Federally-recognized Indian tribes as a result of the exercise of the tribe's sovereign power are excluded from coverage by the Byrd Amendment, but State-recognized Indian tribes and TDHs established under State law are not excluded from the statute's coverage.

I/We, the undersigned, certify under penalty of perjury that the information provided above is true and correct. WARNING: Anyone who knowingly submits a false claim or makes a false statement is subject to criminal and/or civil penalties, including confinement for up to 5 years, fines, and civil and administrative penalties. *Authorized Representative Name:

Jerry L. Demings

*Title: Orange County Mayor

*Applicant/Recipient Organization:

Orange County, Florida

1. Has the legal authority to apply for Federal assistance, has the institutional, managerial and financial capability (including funds to pay the non-Federal share of program costs) to plan, manage and complete the program as described in the application and the governing body has duly authorized the submission of the application, including these assurances and certifications, and authorized me as the official representative of the application to act in connection with the application and to provide any additional information as may be required.

2. Will administer the grant in compliance with Title VI of the Civil Rights Act of 1964 (42 U.S.C 2000(d)) and implementing regulations (24 CFR part 1), which provide that no person in the United States shall, on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any program or activity that receives Federal financial assistance OR if the applicant is a Federally recognized Indian tribe or its tribally designated housing entity, is subject to the Indian Civil Rights Act (25 U.S.C. 1301-1303).

3. Will administer the grant in compliance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and implementing regulations at 24 CFR part 8, the American Disabilities Act (42 U.S.C. §§ 12101 et seq.), and implementing regulations at 28 CFR part 35 or 36, as applicable, and the Age Discrimination Act of 1975 (42 U.S.C. 6101-07) as amended, and implementing regulations at 24 CFR part 146 which together provide that no person in the United States shall, on the grounds of disability or age, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance; except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.

4. Will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and the implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion sex (including gender identity and sexual orientation), disability, familial status, or national origin and will affirmatively further fair housing; except an

applicant which is an Indian tribe or its instrumentality which is excluded by statute from coverage does not make this certification; and further except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.

5. Will comply with all applicable Federal nondiscrimination requirements, including those listed at 24 CFR §§ 5.105(a) and 5.106 as applicable.

6. Will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601) and implementing regulations at 49 CFR part 24 and, as applicable, Section 104(d) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(d)) and implementing regulations at 24 CFR part 42, subpart A.

7. Will comply with the environmental requirements of the National Environmental Policy Act (42 U.S.C. 4321 et seq.) and related Federal authorities prior to the commitment or expenditure of funds for property.

8. That no Federal appropriated funds have been paid, or will be paid, by or on behalf of the applicant, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, and officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding of this Federal grant or its extension, renewal, amendment or modification. If funds other than Federal appropriated funds have or will be paid for influencing or attempting to influence the persons listed above, I shall complete and submit Standard Form-L.L.L. Disclosure Form to Report Lobbying. I certify that I shall require all subawards at all tiers (including sub-grants and contracts) to similarly certify and disclose accordingly. Federally recognized Indian Tribes and tribally designated housing entities (TDHEs) established by Federally-recognized Indian tribes as a result of the exercise of the tribe's sovereign power are excluded from coverage by the Byrd Amendment, but State-recognized Indian tribes and TDHs established under State law are not excluded from the statute's coverage.

I/We, the undersigned, certify under penalty of perjury that the information provided above is true and correct. WARNING: Anyone who knowingly submits a false claim or makes a false statement is subject to criminal and/or civil penalties, including confinement for up to 5 years, fines, and civil and administrative penalties. (18 U.S.C. §§287, 1001, 1010, 1012, 1014; 31 U.S.C. §3729, 3802).

Instructions for the HUD 424-B Assurances and Certifications

As part of your application for HUD funding, you, as the official authorized to sign on behalf of your organization or as an individual, must provide the following assurances and certifications. The Responsible Civil Rights Official has specified this form for use for purposes of general compliance with 24 CFR §§ 1.5, 3.115, 8.50, and 146.25, as applicable. The Responsible Civil Rights Official may require specific civil rights assurances to be furnished consistent with those authorities and will specify the form on which such assurances must be made. A failure to furnish or comply with the civil rights assurances contained in this form may result in the procedures to effect compliance at 24 CFR §§ 1.8, 3.115, 8.57, or 146.39.

By submitting this form, you are stating that all assertions made in this form are true, accurate, and correct.

As the duly representative of the applicant, I certify that the applicant: [Insert below the Name and title of the Authorized Representative, name of Organization and the date of signature]:

*Authorized Representative Name:

Jerry L. Demings

*Title: Orange County Mayor

*Applicant/Recipient Organization:

Orange County, Florida

1. Has the legal authority to apply for Federal assistance, has the institutional, managerial and financial capability (including funds to pay the non-Federal share of program costs) to plan, manage and complete the program as described in the application and the governing body has duly authorized the submission of the application, including these assurances and certifications, and authorized me as the official representative of the application to act in connection with the application and to provide any additional information as may be required.

2. Will administer the grant in compliance with Title VI of the Civil Rights Act of 1964 (42 U.S.C 2000(d)) and implementing regulations (24 CFR part 1), which provide that no person in the United States shall, on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any program or activity that receives Federal financial assistance OR if the applicant is a Federally recognized Indian tribe or its tribally designated housing entity, is subject to the Indian Civil Rights Act (25 U.S.C. 1301-1303).

3. Will administer the grant in compliance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and implementing regulations at 24 CFR part 8, the American Disabilities Act (42 U.S.C. §§ 12101 et.seq.), and implementing regulations at 28 CFR part 35 or 36, as applicable, and the Age Discrimination Act of 1975 (42 U.S.C. 6101-07) as amended, and implementing regulations at 24 CFR part 146 which together provide that no person in the United States shall, on the grounds of disability or age, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance; except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.

4. Will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and the implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion sex (including gender identity and sexual orientation), disability, familial status, or national origin and will affirmatively further fair housing; except an

applicant which is an Indian tribe or its instrumentality which is excluded by statute from coverage does not make this certification; and further except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.

5. Will comply with all applicable Federal nondiscrimination requirements, including those listed at 24 CFR §§ 5.105(a) and 5.106 as applicable.

6. Will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601) and implementing regulations at 49 CFR part 24 and, as applicable, Section 104(d) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(d)) and implementing regulations at 24 CFR part 42, subpart A.

7. Will comply with the environmental requirements of the National Environmental Policy Act (42 U.S.C. 4321 et.seq.) and related Federal authorities prior to the commitment or expenditure of funds for property.

8. That no Federal appropriated funds have been paid, or will be paid, by or on behalf of the applicant, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, and officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding of this Federal grant or its extension, renewal, amendment or modification. If funds other than Federal appropriated funds have or will be paid for influencing or attempting to influence the persons listed above, I shall complete and submit Standard Form-LLL, Disclosure Form to Report Lobbying. I certify that I shall require all subawards at all tiers (including sub-grants and contracts) to similarly certify and disclose accordingly. Federally recognized Indian Tribes and tribally designated housing entities (TDHEs) established by Federally-recognized Indian tribes as a result of the exercise of the tribe's sovereign power are excluded from coverage by the Byrd Amendment, but State-recognized Indian tribes and TDHs established under State law are not excluded from the statute's coverage.

I/We, the undersigned, certify under penalty of perjury that the information provided above is true and correct. OF COUNTY COMMISSIONERS

CERTIFICATIONS

AUG 05 2025

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing --The jurisdiction will affirmatively further fair housing.

Uniform Relocation Act and Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR Part 24. It has in effect and is following a residential anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

Anti-Lobbying --To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction --The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan --The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction's consolidated plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 75.

Specific Community Development Block Grant Certifications

BCC Mtg. Date: August 5, 2025

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2025 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.

Specific HOME Certifications

AUG 05 2025

The HOME participating jurisdiction certifies that:

Tenant Based Rental Assistance -- If it plans to provide tenant-based rental assistance, the tenant-based rental assistance is an essential element of its consolidated plan.

Eligible Activities and Costs -- It is using and will use HOME funds for eligible activities and costs, as described in 24 CFR §§92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in §92.214.

Subsidy layering -- Before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing;

Emergency Solutions Grants Certifications

BCC Mtg. Date: August 5, 2025

The Emergency Solutions Grants Program recipient certifies that:

Major rehabilitation/conversion/renovation – If an emergency shelter’s rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation.

If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion.

In all other cases where ESG funds are used for renovation, the recipient will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

Essential Services and Operating Costs – In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the recipient will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the recipient serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

Renovation – Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services – The recipient will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal State, local, and private assistance available for these individuals.

Matching Funds – The recipient will obtain matching amounts required under 24 CFR 576.201.

Confidentiality – The recipient has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement – To the maximum extent practicable, the recipient will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

Consolidated Plan – All activities the recipient undertakes with assistance under ESG are consistent with its consolidated plan.

Discharge Policy – The recipient will establish and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.

Instructions for the HUD 424-B Assurances and Certifications

As part of your application for HUD funding, you, as the official authorized to sign on behalf of your organization or as an individual, must provide the following assurances and certifications. The Responsible Civil Rights Official has specified this form for use for purposes of general compliance with 24 CFR §§ 1.5, 3.115, 8.50, and 146.25, as applicable. The Responsible Civil Rights Official may require specific civil rights assurances to be furnished consistent with those authorities and will specify the form on which such assurances must be made. A failure to furnish or comply with the civil rights assurances contained in this form may result in the procedures to effect compliance at 24 CFR §§ 1.8, 3.115, 8.57, or 146.39.

By submitting this form, you are stating that all assertions made in this form are true, accurate, and correct.

As the duly representative of the applicant, I certify that the applicant: [Insert below the Name and title of the Authorized Representative, name of Organization and the date of signature]:

*Authorized Representative Name:

Jerry L. Demings

*Title: Orange County Mayor

*Applicant/Recipient Organization:

Orange County, Florida

1. Has the legal authority to apply for Federal assistance, has the institutional, managerial and financial capability (including funds to pay the non-Federal share of program costs) to plan, manage and complete the program as described in the application and the governing body has duly authorized the submission of the application, including these assurances and certifications, and authorized me as the official representative of the application to act in connection with the application and to provide any additional information as may be required.

2. Will administer the grant in compliance with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(d)) and implementing regulations (24 CFR part 1), which provide that no person in the United States shall, on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any program or activity that receives Federal financial assistance OR if the applicant is a Federally recognized Indian tribe or its tribally designated housing entity, is subject to the Indian Civil Rights Act (25 U.S.C. 1301-1303).

3. Will administer the grant in compliance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and implementing regulations at 24 CFR part 8, the American Disabilities Act (42 U.S.C. §§ 12101 et seq.), and implementing regulations at 28 CFR part 35 or 36, as applicable, and the Age Discrimination Act of 1975 (42 U.S.C. 6101-07) as amended, and implementing regulations at 24 CFR part 146 which together provide that no person in the United States shall, on the grounds of disability or age, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance; except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.

4. Will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and the implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion sex (including gender identity and sexual orientation), disability, familial status, or national origin and will affirmatively further fair housing; except an

applicant which is an Indian tribe or its instrumentality which is excluded by statute from coverage does not make this certification; and further except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.

5. Will comply with all applicable Federal nondiscrimination requirements, including those listed at 24 CFR §§ 5.105(a) and 5.106 as applicable.

6. Will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601) and implementing regulations at 49 CFR part 24 and, as applicable, Section 104(d) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(d)) and implementing regulations at 24 CFR part 42, subpart A.

7. Will comply with the environmental requirements of the National Environmental Policy Act (42 U.S.C. 4321 et seq.) and related Federal authorities prior to the commitment or expenditure of funds for property.

8. That no Federal appropriated funds have been paid, or will be paid, by or on behalf of the applicant, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, and officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding of this Federal grant or its extension, renewal, amendment or modification. If funds other than Federal appropriated funds have or will be paid for influencing or attempting to influence the persons listed above, I shall complete and submit Standard Form-LLL, Disclosure Form to Report Lobbying. I certify that I shall require all subawards at all tiers (including sub-grants and contracts) to similarly certify and disclose accordingly. Federally recognized Indian Tribes and tribally designated housing entities (TDHEs) established by Federally-recognized Indian tribes as a result of the exercise of the tribe's sovereign power are excluded from coverage by the Byrd Amendment, but State-recognized Indian tribes and TDHs established under State law are not excluded from the statute's coverage.

I/We, the undersigned, certify under penalty of perjury that the information provided above is true and correct. WARNING: Anyone who knowingly submits a false claim or makes a false statement is subject to criminal and/or civil penalties, including confinement for up to 5 years, fines, and civil and administrative penalties. (18 U.S.C. §§287, 1001, 1010, 1012, 1014; 31 U.S.C. §3729, 3802)

Has the legal authority to apply for Federal assistance, has the institutional, managerial and financial capability (including funds to pay the non-Federal share of program costs) to plan, manage and complete the program as described in the application and the governing body has duly authorized the submission of the application, including these assurances and certifications, and authorized me as the official representative of the application to act in connection with the application and to provide any additional information as may be required.

2. Will administer the grant in compliance with Title VI of the Civil Rights Act of 1964 (42 U.S.C 2000(d)) and implementing regulations (24 CFR part 1), which provide that no person in the United States shall, on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under any program or activity that receives Federal financial assistance OR if the applicant is a Federally recognized Indian tribe or its tribally designated housing entity, is subject to the Indian Civil Rights Act (25 U.S.C. 1301-1303).

3. Will administer the grant in compliance with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and implementing regulations at 24 CFR part 8, the American Disabilities Act (42 U.S.C. §§ 12101 et.seq.), and implementing regulations at 28 CFR part 35 or 36, as applicable, and the Age Discrimination Act of 1975 (42 U.S.C. 6101-07) as amended, and implementing regulations at 24 CFR part 146 which together provide that no person in the United States shall, on the grounds of disability or age, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance; except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.

4. Will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and the implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion sex (including gender identity and sexual orientation), disability, familial status, or national origin and will affirmatively further fair housing; except an

applicant which is an Indian tribe or its instrumentality which is excluded by statute from coverage does not make this certification; and further except if the grant program authorizes or limits participation to designated populations, then the applicant will comply with the nondiscrimination requirements within the designated population.

5. Will comply with all applicable Federal nondiscrimination requirements, including those listed at 24 CFR §§ 5.105(a) and 5.106 as applicable.

6. Will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601) and implementing regulations at 49 CFR part 24 and, as applicable, Section 104(d) of the Housing and Community Development Act of 1974 (42 U.S.C. 5304(d)) and implementing regulations at 24 CFR part 42, subpart A.

7. Will comply with the environmental requirements of the National Environmental Policy Act (42 U.S.C. 4321 et.seq.) and related Federal authorities prior to the commitment or expenditure of funds for property.

8. That no Federal appropriated funds have been paid, or will be paid, by or on behalf of the applicant, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, and officer or employee of Congress, or an employee of a Member of Congress, in connection with the awarding of this Federal grant or its extension, renewal, amendment or modification. If funds other than Federal appropriated funds have or will be paid for influencing or attempting to influence the persons listed above, I shall complete and submit Standard Form-LLL, Disclosure Form to Report Lobbying. I certify that I shall require all subawards at all tiers (including sub-grants and contracts) to similarly certify and disclose accordingly. Federally recognized Indian Tribes and tribally designated housing entities (TDHEs) established by Federally-recognized Indian tribes as a result of the exercise of the tribe's sovereign power are excluded from coverage by the Byrd Amendment, but State-recognized Indian tribes and TDHs established under State law are not excluded from the statute's coverage.

I/We, the undersigned, certify under penalty of perjury that the information provided above is true and correct. WARNING: Anyone who knowingly submits a false claim or makes a false statement is subject to criminal and/or civil penalties, including confinement for up to 5 years, fines, and civil and administrative penalties. (18 U.S.C. §§287, 1001, 1010, 1012, 1014; 31 U.S.C. §3729, 3802)
