SUBJ: **Installation of "No Parking" signs on the south side of Tattant Boulevard from 80 feet east of Calderdale Avenue to 370 feet west of Serenity Bend**

The Orange County Sherriff's Office has requested Traffic Engineering install "No Parking" signs on the south side of Tattant Boulevard along the Horizon West Middle School frontage. Currently, parents are stopping on the roadway to let students out of their cars and avoid the parent drop-off/pick-up loop. The school resource officer is concerned for the safety of both pedestrians and vehicles at this location.

Traffic Engineering staff have determined that drivers using the traveled way to drop-off/pick-up students creates a safety hazard for both pedestrians and drivers on Tattant Boulevard.

Staff recommends the Board approve installation of "No Parking" signs on the south side of Tattant Boulevard from 80 feet east of Calderdale Avenue to 370 feet west of Serenity Bend.

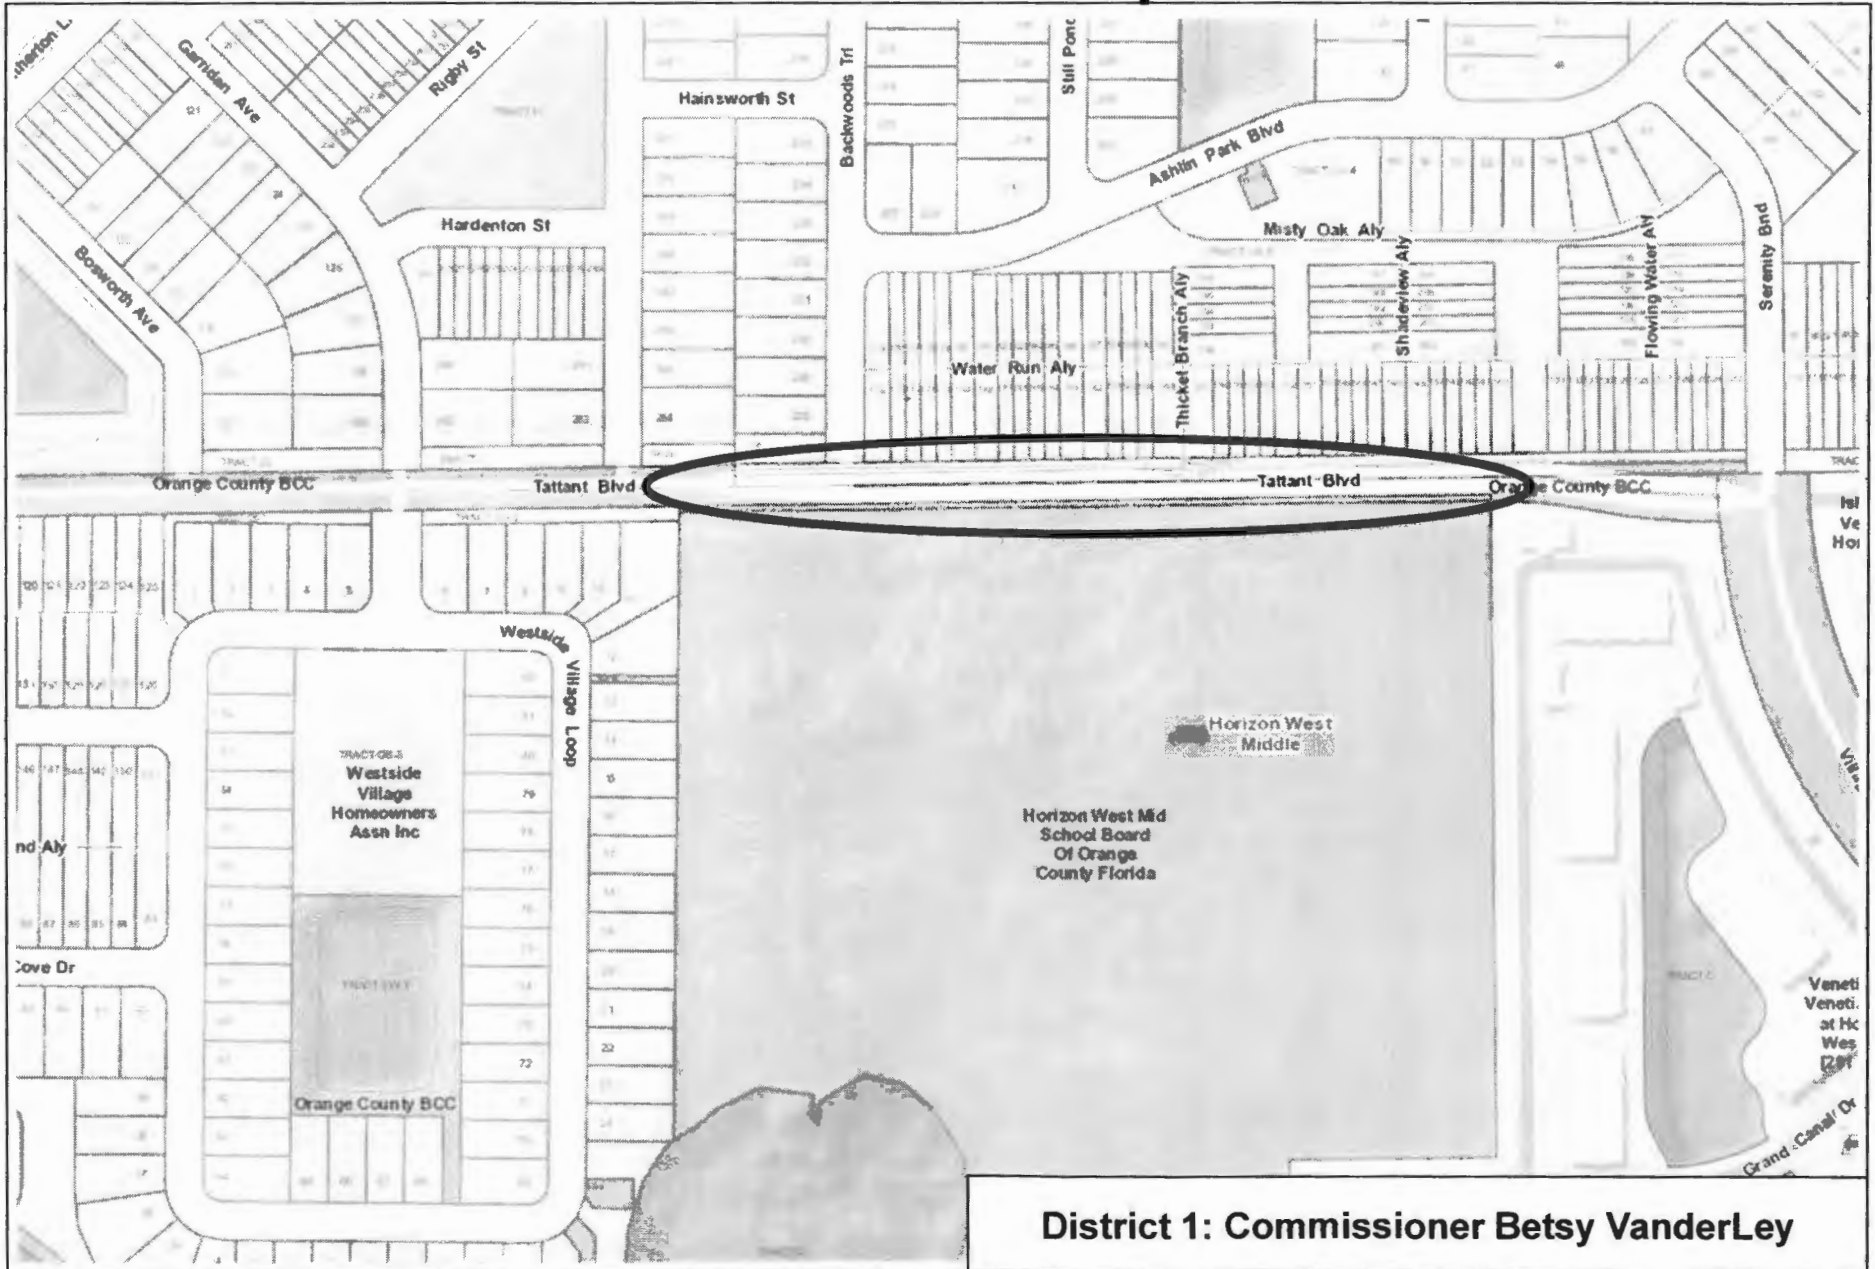

Action Requested: Approval of "No Parking" signs installation on the south side of Tattant Boulevard from 80 feet east of Calderdale Avenue to 370 feet west of Serenity Bend. District 1.
