Two bids were received in response to this Invitation for Bids (IFB) and were evaluated for responsiveness, responsibility, and price reasonableness. The bid from Kiewit Infrastructure South Co. was deemed non-responsible for failure to satisfy the similar project reference requirements outlined in the IFB. Hubbard Construction Company satisfied the similar project requirements and has been determined to be responsible. Therefore, award is recommended to Hubbard Construction Company.

SUBJECT: Business Development Division M/WBE Bid Evaluation

PROJECT: Y23-743-MB / Orange County Convention Center Campus Roadway and Parking Improvements (Base Bid plus Additive #1-4)

The Business Development Division evaluated two bids submitted for this project. The Business Development Division completed an M/WBE Availability Analysis. The scope of services for this project had Minority/Women Business Enterprise availability. As a result, the M/WBE goal remained at 25%. At the time of bid opening, at least 85 M/WBE firms were certified to provide the scope of services at the subcontract level.

The apparent low bid, submitted by Hubbard Construction Company, reported 32.42% in M/WBE participation and met the Orange County M/WBE participation goal **per the Ordinance requirement**. While they listed MWBE firms with the bid they did not provide the scope of classification on Attachment C-2.

Business Development issued a Submittal of Clarification email request on February 13, 2023, for the low bidder to submit:

- The prime and sub-contractors' scopes of classification omitted from Attachment C-2.

On February 14, 2023, the low bidder responded and submitted:

- an updated Attachment C-2 with the prime and sub-contractors' scopes of classifications

Please note the following certified M/WBE participation:

MBE-HM	Transpremier	\$55,000
MBE-HM	EM Paving	\$2,743,000
WBE-WF	Angco	\$571,000
Total MWBE Participation		\$3,369,000 (32.42%)

Interoffice Memorandum

The second low bid, submitted by Kiewit Infrastructure South Co., reported 25.38% in M/WBE participation and met the Orange County M/WBE participation goal **per the Ordinance requirement**. Please note the following certified M/WBE participation:

MBE-HM	Diversified Supply	\$7,525.21
MBE-HM	Central Hauling & Excavating	\$84,796.05
MBE-HM	EM Paving	\$2,061,364.00
WBE-WF	Angco	\$375,484.53
MBE-HM	Qualis Concrete	\$87,058.00
MBE-HM	Garcia Civil Contractors	\$155,653.59
Total MWBE Participation		\$2,771,881.38 (25.38%)

Our evaluation of these bids was based on the participation listed on the subcontractor/supplier page. Attached is a spreadsheet reconciling the bidders' compliance with the Invitation for Bid's M/WBE requirements, including the percentage breakdown for all bidders and a comparison of the relative bids versus participation percentages.

Also, I confirm my recommendation is free of conflicts of interest.
