**ADEQUATE PUBLIC FACILITIES AGREEMENT  
FOR LAKE REAMS NEIGHBORHOOD PD/DEVELOPCO INC PROPERTY  
(REAMS ROAD AND FICQUETTE ROAD)**

**THIS ADEQUATE PUBLIC FACILITIES AGREEMENT FOR LAKE REAMS NEIGHBORHOOD PD/DEVELOPCO INC PROPERTY (REAMS ROAD AND FICQUETTE ROAD)** (the "Agreement"), effective as of the latest date of execution (the "Effective Date"), is made and entered into by and between DEVELOPCO INC, a Florida corporation, whose mailing address is 2295 South Hiawasse Road, Suite 214, Orlando, Florida 32835-8747 ("OWNER"), and ORANGE COUNTY, a charter county and political subdivision of the State of Florida whose mailing address is P.O. Box 1393, Orlando, Florida 32802-1393 ("County").

**RECITALS:**

A. OWNER is the fee simple owner of certain real property located in Orange County, Florida, as shown in Exhibit "A" and as described on Exhibit "B", both of which Exhibits are attached hereto and made a part hereof by this reference (The "PD Property").

B. The PD Property is identified on the Orange County Comprehensive Plan 2010 – 2030 (the "Comprehensive Plan") Future Land Use map with the "Village" land use designation and constitutes a portion of the Lake Reams Neighborhood PD within Lakeside Village in Horizon West, as same is described and depicted in the Lakeside Village Specific Area Plan approved by the Board of County Commissioners of Orange County, Florida (the "BCC") on May 20, 1997 (the "Lakeside Village SAP").

C. The PD Property is included in the Horizon West Village Land Use Classification Area. The BCC adopted the Horizon West Village Land Use Classification Comprehensive Policy Plan ("CPP") amendment on June 5, 1995. The Horizon West Village Land Use Classification was the result of a public-private partnership between the BCC and Horizon West, Inc. The partnership conducted an extensive visioning and community consensus building process that was summarized in the Horizon West Study Report issued February 7, 1995.

D. The Lake Reams Neighborhood PD has relied on the prior approvals of the Horizon West Study and the Lakeside Village SAP, and on the Lakeside Village SAP approvals and studies included in the SAP.

E. The Lakeside Village SAP contemplates certain detached single family residential uses within the PD Property.

F. OWNER desires to develop the PD Property in accordance with the Lake Reams Neighborhood PD Amended Land Use Plan ("Lake Reams PD Land Use Plan") submitted by OWNER to COUNTY, and with the PD zoning application on file with COUNTY. In order to minimize the impact to residents to the south of the PD Property, OWNER is willing to cluster fifty-seven (57) single family homes and the stormwater pond on Parcel 25 and utilize Parcel 23 for compensating storage only.

G. The Goals, Objectives, and Policies contained in the Future Land Use Element of the Comprehensive Plan have been implemented through Chapter 30, Article XIV of the Orange County Code ("APF/TDR Ordinance") adopted by the BCC on May 20, 1997, as amended.

H. Division 2 of the APF/TDR Ordinance requires, in Section 30-712(b), that OWNER enter into a developer's agreement identifying required adequate public facilities within the development and addressing the conveyance to the COUNTY of such adequate public facilities lands prior to or in conjunction with PD approval, unless otherwise addressed in such agreement pursuant to Section 30-714(c).

I. The parties have agreed that this Agreement constitutes the aforementioned developer's agreement referenced in Division 2 of the APF/TDR Ordinance.

J. If OWNER is unable to convey sufficient adequate public facilities lands to County, the APF/TDR Ordinance, at Sections 30-712(b) and 30-714(d), states that OWNER may make payment of an adequate public facility lands fee to COUNTY. Additionally, the APF/TDR Ordinance, at Section 30-714(g), allows for application of APF acreage credits to satisfy an APF deficit.

K. OWNER is developing the PD Property for fifty-seven (57) detached single family residential uses as contemplated by the Lakeside Village SAP.

L. It is the intent of the parties that COUNTY will consider approval of the Lake Reams PD Land Use Plan with its consideration of this Agreement.

M. The PD Property contains approximately 15.95 acres of **net** developable land, and both the Lakeside Village SAP and Section 30-714 of the APF/TDR Ordinance require 1 acre of adequate public facilities acreage for every 6.5 acres of net developable land (the “APF Ratio”).

N. When applied to the PD Property, the APF Ratio requires approximately 2.45 acres of public facilities lands.

O. As shown on the Lake Reams PD Land Use Plan and as described in this Agreement, OWNER is providing 4.99 acres of adequate public facilities land (the “APF Lands”) to COUNTY, thereby creating an APF surplus of 2.54 acres.

**NOW THEREFORE**, for and in consideration of the above premises, the mutual covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

### AGREEMENT

1. Recitals. The above recitals are true and correct and are hereby incorporated as material provisions of this Agreement by this reference.

2. Dedication of APF Land by OWNER. OWNER shall convey land for APF requirements (APF Lands) as follows:

a) Right-of-way for the following transportation improvements/roads (depicted as APF Road ROW on the Lake Reams PD Land Use Plan):

Reams Road/Ficquette Road	4.99 acres (as described in the legal descriptions and sketches of description attached hereto as <u>Exhibit “C”</u> and incorporated by this reference)
---------------------------	--

3. APF Surplus/Acreage Credits. The APF Ratio requires that OWNER convey to County approximately 2.45 acres of APF Lands. This Agreement provides for conveyance of approximately 4.99 acres of APF Lands, thereby creating a 2.54-acre APF surplus. The County acknowledges that the APF surplus will result in APF acreage credits equivalent to 2.54 acres of APF Lands, which APF acreage credit may be sold and/or assigned by OWNER to other owners within the Lakeside Village SAP who do not have sufficient land within the boundaries of their respective PD’s to satisfy the APF Ratio requirements. Such APF acreage credit may only be used within the Lakeside Village SAP.

4. Conveyance Procedure. The conveyance of the APF Lands shall be by general warranty deed, free and clear of all liens and encumbrances, except for easements of record acceptable to County, if any. OWNER shall pay all costs associated with the conveyance of the APF Lands, including all recording fees and documentary stamps related to such conveyance. Ad valorem taxes in connection with the conveyance of the APF Lands shall be prorated as of the date of transfer of title and said prorated amount shall be paid by OWNER to Orange County, in escrow, pursuant to Section 196.295, Florida Statutes, unless the conveyance occurs between November 1 and December 31 of the year of conveyance, in which case ad valorem taxes shall be paid in full by OWNER for the year of conveyance.

a) *Title Policy.* No less than ninety (90) days prior to conveyance, OWNER shall deliver to County, at OWNER's sole cost and expense, an updated commitment to issue an Owner's Policy of Title Insurance naming County as the insured (the "Title Commitment"). The original Owner's Policy of Title Insurance (the "Title Policy") shall be delivered to County within thirty (30) days after the conveyance of the APF Lands.

b) *Environmental Audit.* No less than sixty (60) days prior to conveyance, OWNER shall submit to County a current (within 6 months of conveyance to County) Phase I environmental audit of the areas encompassed by the APF Lands. The Phase I environmental audit shall be conducted in accordance with the requirements of the All Appropriate Inquiries Final Rule, or with the standards set forth in the American Society for Testing and Materials (ASTM) E-1527-13. In the event the Phase I environmental audit presents a matter of concern, as determined by County, then prior to the conveyance, OWNER shall submit to County a Phase II environmental audit. The Phase II environmental audit shall be conducted in accordance with the requirements of the AAIFR and ASTM E-1903-11. If the Phase II environmental audit is performed and reveals the need for remediation to the APF Lands, one of the following events shall occur: (i) OWNER shall remediate the APF Lands to County's satisfaction prior to the conveyance; or (ii) OWNER and County shall negotiate and enter into a separate agreement whereby OWNER shall pay the full cost of remediation; or (iii) County may terminate this Agreement at its option.

c) *Compliance with Section 286.23, Florida Statutes.* OWNER shall execute and deliver to County the "Disclosure of Beneficial Interests" required pursuant to section 286.23, Florida Statutes.

d) *Value of APF Lands.* The parties agree that the value of the APF Lands, as determined in accordance with Chapter 23 of the Orange County Code, as amended, is \$112,275.00. This total results from an agreed-upon fair market value of \$22,500 per acre, or fraction thereof, and a total acreage of 4.99 acres. Promptly upon County's final acceptance of conveyance of the APF Lands, County shall credit on its books to the account of OWNER, for purposes of Chapter 23 of

the Orange County Code, as amended, transportation impact fee credits in the amount of such aforementioned value of the APF Lands.

5. Refinement of Size and Location of APF Lands. The size and location of all APF Lands as depicted on the Master PD Land Use Plan are approximate, although the final size and location shall be substantially similar to that shown on the Lake Reams PD Land Use Plan. The dimensions and locations for a particular component of the APF Lands shall be finalized by County and OWNER prior to County approval of the Preliminary Subdivision Plan or Development Plan ("PSP/DP") that includes the particular APF Lands, and shall be in full compliance with this Agreement. County and OWNER agree that the legal descriptions used to convey the APF Lands to County may be revised based upon final engineering.

6. Option on Conveyance to County. As an alternative to conveyance prior to or in connection with Planned Development approval, OWNER has elected to convey at a later time, as contemplated by Sec. 30-714 of the APF/TDR Ordinance, and shall convey no later than PSP/DP approval for fifty-seven (57) lots by the BCC. Conveyance shall be defined as submittal of all conveyance documents, approval by the board of county commissioners, and recordation of the deed(s).

The parties agree that, prior to conveyance to County, OWNER shall have the reasonable right to grade and to import or export fill material upon the APF Lands, subject to and in accordance with an approved grading permit and/or excavation fill permit. Further, OWNER agrees to relinquish control of the APF Lands, and convey such APF Lands to County, within 120 days of demand by County. If conveyance does not occur within such 120-day period, the Manager of County's Real Estate Division may grant one extension of up to 120 days to complete the conveyance. OWNER acknowledges and agrees that any development in connection with the PD Property shall not proceed beyond five percent (5%) of the PD Property's entitlements prior to such conveyance and/or payment of any APF fee in lieu of conveyance. For purposes of this Agreement, the parties agree that 5% of development is defined as three (3) dwelling units. Until such time as the conveyance process begins, OWNER may continue to use the APF Lands in a manner consistent with County's intended use.

With respect to the APF Lands, OWNER shall continue to be responsible for any and all risk of injury and property damage attributable to the acts or omissions of its officers and employees and agrees to defend, indemnify, and hold harmless County and its officers, employees, and agents from and against all claims, actions, losses, judgments, fines, liabilities, costs, and expenses in connection therewith. More specifically, to the extent permitted by law, OWNER shall indemnify and hold harmless County, its officers, agents, and employees from and against any all claims, liability, demands, damages, surcharges, expenses, fees, fines, penalties, suits, proceedings, and actions (including, without limitation, reasonable paralegal and attorney fees and expenses, whether in

court, out of court, in administrative proceedings, or on appeal), including damage to property or property rights that may arise and which are proximately caused by the acts, errors, or omissions of OWNER, its agents, and/or representatives, arising out of its activities related to the APF Lands. In addition, without limiting the foregoing, in the event that any act or omission of OWNER, its agents, and/or representatives, arising from or related to this Agreement, results in any spill or release of hazardous materials or other pollutants, as those terms are defined in federal and state environmental laws and regulations, including, without limitation, any petroleum-based substances, then, to the extent permitted by law, OWNER shall indemnify and hold harmless County, its officers, agents, and employees from and against any and all claims, liability, demands, damages, surcharges, expenses, fees, fines, penalties, suits, proceedings, and actions, including, without limitation, all reasonable, actual cleanup and/or remediation costs and expenses expended by County at the direction of any federal or state agency having jurisdiction, and further including, without limitation, reasonable paralegal and attorney fees and expenses, whether in court, out of court, in administrative proceedings, or on appeal. OWNER shall be responsible for the immediate notification to County of any environmental condition, spill, or release, or any other condition or occurrence of which it becomes aware that may result in a claim for damages, or that occurs as a result of OWNER's activities related to the APF Lands.

In the event that any of the above occurs, County may refuse to accept conveyance of the APF Lands and OWNER may be required to pay an APF fee in lieu of conveyance or to convey alternative adequate public facilities lands acceptable to County. Notwithstanding anything seemingly to the contrary above, the parties acknowledge and agree that satisfaction of OWNER's APF obligations must take place prior to County approval of the initial plat for the PD Property.

7. Recording. Within thirty (30) days of the Effective Date, this Agreement shall be recorded in the Public Records of Orange County, Florida, at OWNER's expense

8. Limitation of Remedies. County and OWNER expressly agree that the consideration, in part, for each of them entering this Agreement is the willingness of the other to limit the remedies for all actions arising out of or in connection with this Agreement.

a) Limitations on County's Remedies. Upon any failure by OWNER to perform its obligations under this Agreement, COUNTY shall be limited strictly to only the following remedies:

- (i) action for specific performance or injunction; or
- (ii) the right to set off, against the amounts of any impact fees to be credited in favor of OWNER under this Agreement, (A) any amounts due to County from OWNER under this Agreement but remaining unpaid and (B) the cost to County of performing any action or actions required to be done under this Agreement by OWNER, but which OWNER has failed or refused to do when required; or

- (iii) the withholding of development permits and other approvals and/or permits in connection with the Project and/or the PD Property; or
- (iv) any combination of the foregoing.

In addition to the foregoing, nothing in this Agreement prohibits or estops COUNTY from exercising its power of eminent domain with respect to the APF Lands or any portion of the PD Property as County may lawfully elect.

b) Limitations on OWNER'S Remedies. Upon any failure by COUNTY to perform its obligations under this Agreement, OWNER shall be limited strictly to only the following remedies:

- (i) action for specific performance; or
- (ii) action for injunction; or
- (iii) action for declaratory judgment regarding the rights and obligations of OWNER; or
- (iv) any combination of the foregoing.

Both parties expressly waive their respective rights to sue for damages of any type for breach of or default under this Agreement by the other. Venue for any actions initiated under or in connection with this Agreement shall be in the Circuit Court of the Ninth Judicial Circuit in and for Orange County, Florida.

9. Binding Effect. This Agreement shall be binding upon and shall inure to the benefit and burden of the parties hereto and their respective heirs, successors, and assigns and shall run with title to the PD Property and be binding upon any person, firm, corporation, or other entity acquiring any interest in all or any portion of the PD Property.

10. Severability. If any provision of this Agreement, the deletion of which would not adversely affect the receipt of any material benefits by any party hereunder nor substantially increase the burden of any party hereunder, shall be held to be invalid or unenforceable to any extent by a court of competent jurisdiction, the same shall not affect in any respect whatsoever the validity or enforceability of the remainder of this Agreement.

11. Notices. Any notice delivered with respect to this Agreement shall be in writing and shall be deemed to be delivered (whether or not actually received) (i) when hand delivered to the person(s) hereinafter designated, or (ii) upon deposit of such notice in the United States mail, postage prepaid, certified mail, return receipt requested, addressed to the person at the address set forth opposite the party's name below, or to such other address or to such other person as the party shall have specified by written notice to the other party delivered in accordance herewith.
