DATE:	April 17, 2026

CSG Advisors serves as Financial Advisor to the Orange County Housing Finance Authority (the Authority) in connection with multifamily debt issues. In that capacity, we are asked to comment on proposed multifamily debt issues under certain circumstances prior to submitting the TEFRA approval request to Orange County.

Summary Description

The applicant for Stonebridge Landings is Stonebridge Landings Apartments, LLC, an affiliate of Spira Equity Partners (Spira). The primary contact person for Stonebridge Landings is Robert Lee, Managing Partner. Spira is a California-based affordable housing developer whose portfolio includes 23 LIHTC properties nationwide, 7 of which are in the state of Florida.

Stonebridge Landings Apartments is an existing 272-unit, garden-style multifamily apartment community situated on 18.97 acres of land located at 7603 Fort Desoto St in Orlando, Florida. The property is fully leased and currently encumbered by an existing LIHTC regulatory agreement, which the applicant will assume at closing and extend for an additional 50 years. The applicant is requesting \$47,000,000 in tax-exempt bonds to finance the acquisition and substantial rehabilitation of the project.

In accordance with the tax-exempt bond requirements, a minimum of 40% of the rental units will be set aside for rental to persons or families with household incomes of 60% or less of the Area Median Income. All units will be reserved for households earning at or below the 60% AMI level, consistent with the existing affordability restrictions.

The tax-exempt mortgage revenue bonds are expected to be issued in the not-to-exceed amount of \$47,000,000. The bonds are expected to be privately placed and will support permanent debt from Berkadia under the Freddie Mac Tax-Exempt Loan (TEL) structure, as well as construction financing from Citizens Bank. The bonds are not expected to be rated. Raymond James (or an

Orange County Housing Finance Authority
Multifamily Housing Revenue Bonds
(Stonebridge Landings)

underwriter approved by the Authority's bond issuance policy) will serve as bond underwriter / placement agent, and the bonds will conform to the Authority's underwriting requirements regarding unrated bonds.

The proposed financing plan anticipates acquisition and rehab costs, financing, construction interest and other development costs currently expected to total approximately \$100,491,100.

The sources of funds for this development include the following:

- First mortgage tax-exempt loan of \$47,000,000 as permanent bonds held by Berkadia;
- Federal tax credit equity in the expected amount of \$32,556,040;*
- \$15,558,700 in deferred developer fee;
- \$4,431,800 of operating cash flow; and
- \$944,600 of subordinate debt from Spira.

**During construction and prior to conversion and receipt of the full amount of federal tax credit equity, an additional taxable bridge loan from Citizens Bank is expected in the amount of \$27,700,000.*

Equity

The tax credits are anticipated to be purchased by Berkadia Affordable Tax Credits Solutions as the limited partner of Stonebridge Landings Apartments.

Credit Underwriting

Pursuant to the Authority's policy, the proposed financing will be subject to credit underwriting by a third-party firm qualified in affordable housing real estate underwriting and loan servicing. A credit underwriting report acceptable to the Orange County Housing Finance Authority will be required prior to authorizing the issuance of the bonds.

Investment of Proceeds

To the extent that proceeds will be available to be drawn down during construction, the Orange County Housing Finance Authority will require such proceeds be invested pursuant to its investment policy. If applicable, CSG Advisors will oversee competitive bidding of any investment agreements.
