SUBJECT: Business Development Division M/WBE Bid Evaluation

PROJECT: **Y22-768-R2 / L.B. McLeod Road Bridge Over Shingle Creek No. 755800
Slope Protection Deficiency Repairs Phase 1**

The Business Development Division evaluated one bid submitted for this project. The Business Development Division completed an M/WBE Availability Analysis. The scope of services for this project had Minority/Women Business Enterprise availability. As a result, the M/WBE goal will remain at 25%. At the time of bid opening, at least 58 M/WBE firms were certified to provide the scope of services at the subcontract level

The apparent low bidder, submitted by Proshot Concrete, Inc., reported 7.10% in M/WBE participation. While they listed M/WBE firm G.W. Trucking in their bid, they did not specify scope of service on attachment C-2, unable to confirm participation. They did not meet the 25% M/WBE participation goal and did achieve good faith effort documentation. Please note the following certified M/WBE participation:

MBE-HM	La Costa Sod, LLC	\$5,700.00
WBE-WF	LP Video Productions	\$400.00
WBE-WF	John B. Webb & Associates	\$14,800.00
MBE-AFAM	G.W. Trucking	\$8,160.00
Total MWBE Participation		\$20,900.00 (7.10%)

Our evaluation of this bid was based on the participation listed on the subcontractor/supplier page. Attached is a spreadsheet reconciling the bidder's compliance with the Invitation for Bid's M/WBE requirements, including the percentage breakdown.
