Personal History: Affordable Housing Board - Currently I am on the NAR board for Affordable housing on our State level, and have been directly effected in the past personally by the housing crisis here in Orlando, and the effects of high rents, and the lack of units and housing in general in the Central Florida area, and am passionate about trying to make a change or an impact in this area, and have been trying to get on the Affordable Housing Board now for about 4 years, but keep missing the opportunity somehow. Likewise for the other 2 boards, I want to be a participant in change and talks regarding anything to do with Orlando as a whole, and hence, my 3rd interest in the Housing Finance board as well, which is all closely related. I feel with my over 20+ years of Real Estate & Development experience, and being someone that has been directly effected by these 3 main areas in various ways, I feel my input & experiences and knowledge in these areas could hopefully have a positive impact in one or all of these advisory groups in some capacity, and I would love to serve my community in one of these roles - but especially the "Affordable Housing" group.

Personal History: As a former employee of Orange County under Commissioner Jennifer Thompson, I have seen firsthand what Orange County's advisory boards have provided to our community. They are critical and local assets to how the County does business and creates opportunities for residents to stay engaged with our growing community. I had worked with every advisory board Orange County offers as an Administrative Aide and then Chief of Staff during my time at the County. We took great pride in working with the County's incredible staff and our residents to find solutions and create lanes for our District to be engaged with then-Mayor Jacobs' INVEST programming and dollars. I am interested in the Community Action Board due to my current role as a Public Policy Manager for Embrace Families. We are the lead CBC agency for Orange County's foster care system. To have a seat at the table to discuss the impacts of our foster system would be transformative. I have incredibly fond memories working with LaVonn and the District 4 Community Action team. I worked with Taft Community Center on back-to-school drives, community clean-ups, and educational programming for the youth. It would be a joy to serve this team that does so much for our County. I have lived in Orange County for 26 years and have a vested interest in giving back to my community. It would be an honor to serve in whatever capacity for Orange County Government.

Prior Relationship with County: Yes**Explain Prior Relationship:** My uncle is Chris Dawkins, the Executive Director for County Comptroller, Phil Diamond. I am also a former Lobbyist in Orange County record system. I also worked for Orange County Government under Commissioner Jennifer Thompson.
