SUBJECT: January 28, 2020 – Consent Item
Renewal of the Florida Department of Transportation Joint
Participation Agreement Funding for Water Quality
Monitoring and Orange County Water Atlas Maintenance

The Environmental Protection Division is requesting approval of the renewal of the Joint Participation Agreement (JPA) and associated Resolution (Exhibit C) between the Florida Department of Transportation (FDOT) and Orange County for FDOT's participation in funding a portion of the costs associated with water quality monitoring and Orange County Water Atlas maintenance. The annual maintenance costs are \$67,040 with project partners paying for 63% of the annual maintenance. As one of those partners, FDOT contributes \$5,000 per year.

The Orange County Water Atlas (www.orange.wateratlas.org) is a joint project between Orange County and several municipalities and entities to provide water quality information and education to the public and other professionals.

On May 21, 2010, the Board approved the initial JPA between Orange County and FDOT. On March 24, 2015, the Board approved the second JPA agreement between Orange County and FDOT. This request is for the third consecutive agreement to continue the partnership between the two agencies for another five-year period.

The FDOT is one of 10 co-permittees with Orange County under the County's National Pollutant Discharge Elimination System (NPDES) permit. The County's NPDES permit requires monitoring and education regarding pollution and negative effects on water quality.

WHEREAS, the intent of this Agreement is to establish the terms and conditions of the funding and the production of this Project; and

NOW, THEREFORE, in consideration of the mutual benefits to be derived from the joint participation of this Agreement, the parties agree as follows:

1. PURPOSE OF AGREEMENT

A. The purpose of this Agreement is to provide funds to the LOCAL GOVERNMENT (Orange County Environmental Protection Division/Water Sciences), to share

in the costs associated with the Watershed Atlas Project, which will include a water quality monitoring program, a public education program, and solicitation of public input for identification of illicit discharges, to satisfy requirements of the DEPARTMENT and Co-Permittees Municipal Separate Storm Sewer System (MS4) NPDES permit FLS000011. If the LOCAL GOVERNMENT does not complete the Project within the time period allotted, this Agreement will expire on the last day of the scheduled completion as provided in this paragraph unless an extension of the time period is requested by the LOCAL GOVERNMENT and granted in writing by the DEPARTMENT prior to the expiration of the Agreement. Expiration of this Agreement will be considered termination of the Project.

2. SERVICES AND PERFORMANCES

A. The LOCAL GOVERNMENT shall commence and complete the Project with all practicable dispatch, in a sound, economical and efficient manner, and in accordance with the provisions hereof, and otherwise the LOCAL GOVERNMENT shall perform all other necessary work to complete the Project, as specified in Exhibit "A", Scope of Services attached hereto and by this reference made a part hereof. Nothing herein shall be construed as requiring the LOCAL GOVERNMENT to perform any activity which is outside of the scope of services of the Project.

B. The LOCAL GOVERNMENT agrees to undertake the design of the Project in accordance with all applicable federal, state and local statutes, rules and regulations, including DEPARTMENT standards and specifications. The LOCAL GOVERNMENT shall obtain or initiate, comply with and accomplish any election, referendum, approval, permit, notice, proceeding or authorization required by law to enable the LOCAL GOVERNMENT to enter into or perform this Agreement or to undertake the Project hereunder.

C. Submission of Proceedings, Contracts and Other Documents: The LOCAL GOVERNMENT shall submit to the DEPARTMENT such data, reports, records, contracts, and other documents relating to the Project as the DEPARTMENT may reasonably require. Upon request, the LOCAL GOVERNMENT agrees to provide progress reports to the DEPARTMENT in the standard format used by the LOCAL GOVERNMENT and at intervals established by the DEPARTMENT. Either party to the Agreement may request and shall, within a reasonable time thereafter, be granted a conference with the other party. Coordination shall be maintained by the LOCAL GOVERNMENT with representatives of the DEPARTMENT.

3. COMPENSATION AND REIMBURSEMENT

A. Project Cost: The total estimated cost of the Project is **\$25,000.00 (Twenty Five Thousand Dollars and No/100)**. The DEPARTMENT agrees to compensate the LOCAL GOVERNMENT for services described in Exhibit “A”, Scope of Services. This amount is based on Exhibit “B”, Method of Compensation, attached hereto.

B. DEPARTMENT Participation: The DEPARTMENT agrees to compensate the LOCAL GOVERNMENT in an amount not to exceed **\$25,000.00 (Twenty Five Thousand Dollars and No/100)** for the actual project costs incurred, excluding LOCAL GOVERNMENT overhead. The funding for this Project is contingent upon annual appropriation by the Florida Legislature. The LOCAL GOVERNMENT agrees to bear all expenses in excess of the DEPARTMENT’s participation.

This is a multi-year funded Agreement and is expected to be funded by multiple appropriations in the DEPARTMENT’S fiscal years 2019/2020, 2020/2021, 2021/2022, 2022/2023 and 2023/2024.

C. The LOCAL GOVERNMENT shall provide quantifiable, measurable, and verifiable units of deliverables. Each deliverable must specify the required minimum level of service to be performed and the criteria for evaluating successful completion. The Project, identified as Project Number 243844-1-78-03, and the quantifiable, measurable, and verifiable units of deliverables are described more fully in Exhibit "A", Scope of Services.

D. Invoices shall be submitted by the LOCAL GOVERNMENT in detail sufficient for a proper pre-audit and post-audit thereof, based on the quantifiable, measurable, and verifiable deliverables as established in Exhibit "A", Scope of Services. Deliverables must be received and accepted in writing by the Department's Project Manager or designee prior to payment.

E. Supporting documentation must establish that the deliverables were received and accepted in writing by the LOCAL GOVERNMENT and must also establish that the required minimum level of service to be performed based on the criteria for evaluating successful completion as specified in Exhibit "A", Scope of Services was met.

i) All costs invoiced shall be supported by properly executed payrolls, time records, invoices, contracts or vouchers evidencing in proper detail the nature and propriety of charges as described in Attachment "F" – Contract Payment Requirements.

ii) The LOCAL GOVERNMENT must submit the final invoice on the Project to the Department within 120 days after the completion of the Project. Invoices submitted after the 120-day time period may not be paid.

F. There shall be no reimbursement for travel expenses under this Agreement.

G. Payment shall be made only after receipt and approval of goods and services unless advance payments are authorized by the Chief Financial Officer of the State of Florida under Chapters 215 and 216, Florida Statutes. If the DEPARTMENT determines that the performance of the LOCAL GOVERNMENT is unsatisfactory, the DEPARTMENT shall notify the LOCAL GOVERNMENT of the deficiency to be corrected, which correction shall be made within a time-frame to be specified by the DEPARTMENT. The LOCAL GOVERNMENT shall, within five (5) days after notice from the DEPARTMENT, provide the DEPARTMENT with a corrective action plan describing how the LOCAL GOVERNMENT will address all issues of contract non-performance, unacceptable performance, failure to meet the minimum performance levels, deliverable deficiencies, or contract non-compliance. If the corrective action plan is unacceptable to the DEPARTMENT, the LOCAL GOVERNMENT shall be assessed a

non-performance retainage equivalent to ten percent (10%) of the total invoice amount. The retainage shall be applied to the invoice for the then-current billing period. The retainage shall be withheld until the LOCAL GOVERNMENT resolves the deficiency. If the deficiency is subsequently resolved, the LOCAL GOVERNMENT may bill the DEPARTMENT for the retained amount during the next billing period. If the LOCAL GOVERNMENT is unable to resolve the deficiency, the funds may be forfeited at the end of the Agreement term.

H. The LOCAL GOVERNMENT providing goods and services to the DEPARTMENT should be aware of the following time frames. Inspection and approval of goods or services shall take no longer than twenty (20) working days, upon receipt of an invoice. The DEPARTMENT has twenty (20) days to deliver a request for payment (voucher) to the Department of Financial Services. The twenty (20) days are measured from the latter of the date the invoice is received or the goods or services are received, inspected and approved.

I. If a payment is not available within forty (40) days, a separate interest penalty at a rate as established pursuant to Section 55.03(1), Florida Statutes, will be due and payable, in addition to the invoice amount to the LOCAL GOVERNMENT. Interest penalties of less than one dollar (\$1.00) will not be enforced unless the LOCAL GOVERNMENT requests payment. Invoices which have to be returned to the LOCAL GOVERNMENT because of LOCAL GOVERNMENT preparation errors will result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice is provided to the DEPARTMENT.

J. A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this individual include acting as an advocate for the LOCAL GOVERNMENT who may be experiencing problems in obtaining timely payment(s) from a state agency. The Vendor Ombudsman may be contacted at (850) 413-5516.

K. The LOCAL GOVERNMENT shall maintain an accounting system or separate account to ensure funds and projects are tracked separately. Records of costs incurred under terms of this Agreement shall be maintained and made available upon request to the DEPARTMENT at all times during the period of this Agreement and for five (5) years after final payment is made. Copies of these documents and records shall be furnished to the DEPARTMENT upon request. Records of costs incurred include the LOCAL GOVERNMENT'S general accounting records and the Project records, together with supporting documents and records, of the contractor and all subcontractors performing work on the Project, and all other records of the contractor and subcontractors considered necessary by the

DEPARTMENT for a proper audit of costs. Any discrepancies revealed by any such audit shall be resolved by a corrected final billing from the LOCAL GOVERNMENT to the DEPARTMENT.

L. The contractor/consultant/vendor agrees to comply with s.20.055(5), Florida Statutes, and to incorporate in all subcontracts the obligation to comply with s.20.055(5), Florida Statutes.

M. In the event this Agreement is in excess of \$25,000.00 (TWENTY-FIVE THOUSAND DOLLARS AND NO/100) and a term for a period of more than one (1) year, the provisions of Section 339.135(6)(a), Florida Statutes, are hereby incorporated as follows:

“The DEPARTMENT, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The DEPARTMENT shall require a statement from the Comptroller of the Department that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding one (1) year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years; and this paragraph shall be incorporated verbatim in all contracts of the DEPARTMENT which are for an amount in excess of \$25,000.00 and which have a term for a period of more than one (1) year.”

N. The DEPARTMENT’S performance and obligation to pay under this contract is contingent upon an annual appropriation by the Florida Legislature. The parties agree that in the event funds are not appropriated to the DEPARTMENT for the Project, this Agreement may be terminated, which shall be effective upon the DEPARTMENT giving notice to the LOCAL GOVERNMENT to that effect.

O. This contact does not involve the purchase of Tangible Personal Property as defined in Chapter 273, Florida Statutes.

P. If the DEPARTMENT determines that the performance of the LOCAL GOVERNMENT is not satisfactory, the DEPARTMENT shall have the option of (a) immediately terminating the Agreement, or (b) notifying the LOCAL GOVERNMENT of the

deficiency with a requirement that the deficiency be corrected within a specified time, otherwise the Agreement will be terminated at the end of such time, or (c) taking whatever action is deemed appropriate by the DEPARTMENT.

4. COMPLIANCE WITH LAWS

A. The LOCAL GOVERNMENT shall allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the LOCAL GOVERNMENT in conjunction with this Agreement. Failure by the LOCAL GOVERNMENT to grant such public access shall be grounds for immediate unilateral cancellation of this Agreement by the DEPARTMENT.

B. The LOCAL GOVERNMENT shall comply with all federal, state and local laws and ordinances applicable to the work or payment for work thereof. The LOCAL GOVERNMENT shall not discriminate on the grounds of race, color, religion, sex or national origin in the performance of work under this Agreement.

C. No funds received pursuant to this Agreement may be expended for lobbying the Legislature, the judicial branch, or a state agency.

D. The LOCAL GOVERNMENT and the DEPARTMENT agree that the LOCAL GOVERNMENT, its employees, and subcontractors are not agents of the DEPARTMENT as a result of this Contract.

5. TERMINATION AND DEFAULT

A. This Agreement may be canceled by the DEPARTMENT in whole or in part at any time the interest of the DEPARTMENT requires such termination. The DEPARTMENT also reserves the right to seek termination or cancellation of this Agreement in the event the LOCAL GOVERNMENT shall be placed in either voluntary or involuntary bankruptcy. The DEPARTMENT further reserves the right to terminate or cancel this Agreement in the event an assignment is made for the benefit of creditors. This Agreement may be canceled by the LOCAL GOVERNMENT upon sixty (60) days written notice to the DEPARTMENT.

B. If the DEPARTMENT determines that the performance of the LOCAL GOVERNMENT is not satisfactory, the DEPARTMENT shall have the option of (a) immediately terminating the Agreement, or (b) notifying the LOCAL GOVERNMENT of the deficiency with a requirement that the deficiency be corrected within a specified time, otherwise the Agreement will be terminated at the end of such time, or (c) taking whatever action is deemed appropriate by the DEPARTMENT.

C. If the DEPARTMENT requires termination of the Agreement for reasons other than unsatisfactory performance of the LOCAL GOVERNMENT, the DEPARTMENT shall notify the LOCAL GOVERNMENT of such termination, with instructions to the effective date of termination or specify the stage of work at which the Agreement is to be terminated.

D. If the Agreement is terminated before performance is completed, the LOCAL GOVERNMENT shall be paid only for that work satisfactorily performed for which costs can be substantiated. All work in progress will become the property of the DEPARTMENT and will be turned over promptly by the LOCAL GOVERNMENT.

6. MISCELLANEOUS

A. In no event shall the making by the DEPARTMENT of any payment to the LOCAL GOVERNMENT constitute or be construed as a waiver by the DEPARTMENT of any breach of covenant or any default which may then exist, on the part of the LOCAL GOVERNMENT, and the making of such payment by the DEPARTMENT while any such breach or default shall exist shall in no way impair or prejudice any right or remedy available to the DEPARTMENT with respect to such breach or default.

B. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Florida. Any provision herein determined by a court of competent jurisdiction, or any other legally constituted body having jurisdiction, to be invalid or unenforceable shall be severable and the remainder of this Agreement shall remain in full force and effect, provided that the invalidated or unenforceable provision is not material to the intended operation of this Agreement.

C. This Agreement shall be effective upon execution by both parties and shall continue in effect and be binding on the parties until the Project is completed, any subsequent litigation is complete and terminated, final costs are known, and legislatively appropriated reimbursements, if approved, are made by the DEPARTMENT.

D. **PUBLIC ENTITY CRIME INFORMATION AND ANTI-DISCRIMINATION STATEMENT:** A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact

i) The LOCAL GOVERNMENT shall utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of all new employees hired by the LOCAL GOVERNMENT during the term of the contract; and

ii) The LOCAL GOVERNMENT shall expressly require any contractors and subcontractors performing work or providing services pursuant to the state contract to likewise utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of all new employees hired by the contractor/subcontractor during the contract term.

CONTRACT PAYMENT REQUIREMENTS

Florida Department of Financial Services, Reference Guide for State Expenditures *Cost Reimbursement Contracts*

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.). Supporting documentation shall be submitted for each amount for which reimbursement is being claimed indicating that the item has been paid. Documentation for each amount for which reimbursement is being claimed must indicate that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved agreement budget may be reimbursed. These expenditures must be allowable (pursuant to law) and directly related to the services being provided.

Listed below are types and examples of supporting documentation for cost reimbursement agreements:

(1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.

(2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.

(3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means.

(4) Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State.

(5) In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable.

(6) Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

Contracts between state agencies, and or contracts between universities may submit alternative documentation to substantiate the reimbursement request that may be in the form of FLAIR reports or other detailed reports.
