**ORDINANCE NO. 2020-19**

**AN ORDINANCE AMENDMENT PERTAINING TO  
MINORITY/WOMEN BUSINESS ENTERPRISE  
PARTICIPATION, DELETING SECTION 17-321(D) FROM  
CHAPTER 17, ARTICLE III, ORANGE COUNTY CODE,  
DIVISION 4, SECTION 17-321 (“CONTRACT AND  
SUBCONTRACT GOALS”) AND PROVIDING FOR  
CODIFICATION AND AN EFFECTIVE DATE.**

**WHEREAS**, the Orange County Board of County Commissioners (the “**Board**”) has a demonstrated compelling government interest in remedying past and current discrimination in the procurement of goods and services by Orange County, Florida (the “**County**”); and

**WHEREAS**, in Chapter 17, Article III, Division 4 of the Orange County Code (the “**Minority/Business Enterprise Ordinance**”) the Board established contracting and subcontracting participation goals for minority and women business enterprises (“**M/WBE(s)**”) that are related to the County’s procurement of construction, professional services, other services, and goods (the “**M/WBE Participation Goal(s)**”); and

**WHEREAS**, under certain circumstances, subsection (d) of Section 17-321, Orange County Code, requires that the County award construction contracts to firms that have neither: (1) met the County’s M/WBE Participation Goal; nor (2) made a good faith effort in assisting the County in meeting its M/WBE Participation Goals; and

**WHEREAS**, based on lower than desired achievement of the M/WBE Participation Goal related to construction contracts, the Board now finds it necessary to amend Section 17-321, Orange County Code, to remove that above-referenced requirement.

**BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF  
ORANGE COUNTY, FLORIDA:**

**Section 17-321. Contract and subcontract goals.**

\* \* \*

~~(d) — If in the bidding for a construction contract the established level and percentage subcontract goals are not achieved by the low bidder, and it is deemed that a good faith effort for compliance has not been shown by the low bidder, then the bid shall be rejected by the purchasing manager as nonresponsive but only if the next lowest responsive bid does not exceed the low bid by more than:~~

~~(1) — Eight (8) percent on contract awards up to one hundred thousand dollars (\$100,000.00);~~

~~(2) — Seven (7) percent on contract awards from one hundred thousand dollars (\$100,000.00) to five hundred thousand dollars (\$500,000.00);~~

~~(3) — Six (6) percent on contract awards from five hundred thousand dollars and one cent (\$500,000.01) to seven hundred fifty thousand dollars (\$750,000.00);~~

~~(4) — Five (5) percent on contract awards from seven hundred fifty thousand dollars and one cent (\$750,000.01) to two million dollars (\$2,000,000.00);~~

~~(5) — Four (4) percent on contract awards from two million dollars and one cent (\$2,000,000.01) to five million dollars (\$5,000,000.00); or~~

~~(6) — Three (3) percent on contract awards over five million dollars and one cent (\$5,000,000.01).~~

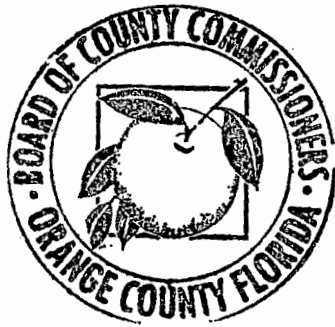

~~Notwithstanding the foregoing provisions, if the next low bid is responsive only because of the bidder having made good faith effort (not because of having met the goals set forth in subsection (a)), the board may award the contract to the next low bidder only if the value of its minority/women business enterprise participation will be equal to or greater than that of the low bidder.~~
