Personal History: I have a huge passion for working with children. As a pediatric nurse, I have cared for children from all backgrounds and abilities. I have also served my community by organizing toy and food drives to benefit the Ronald McDonald House. I have advocated for mental health awareness in school-aged children during my time competing in the Miss Florida local pageant circuit. Because of my job as a pediatric nurse, I have experience working with a lot of the disparities affecting children, such as mental health, low socioeconomic status, bullying, and malnutrition. I have an interest in joining the Citizens' Commission on Children because I want to play a role in local government where I can use my knowledge and experience to help provide resources for this population.

Personal History: Prior to moving to Florida, I served as Commissioner; appointed by the County Executive of Erie County, PA for the Human Relations Commission. I also served as a Board member for the Greater Erie Alliance for Equality (Erie, PA). Additionally, I served on the Executive Committee for the District Parent Coordinating Council and as Vice President of the Special Education Parent Advisory Committee for Buffalo Public Schools; to name just a few. My interest in the Orange County Boards that I chose are rooted in Human Services, Emergency Preparedness, Crime Prevention, Disaster Relief, and the development of Orange Blossom Trail. As the parent of a young adult with Autism (my son is now 20 years old), my passion resides with the Human Service field and the availability of varying resources for families beyond disability services. Having overcome the inability to work for many years due to being a primary caregiver, I have lived experience in understanding the importance of funding non-profit agencies. Years ago, I became a certified EMT-B. Prior to that, I was the sports Mom who had every first aid kit item imaginable and then some! Fire extinguishers and weather radios are items that I keep handy; even when I lived up north! I instructed my children from an early age on the importance of safety and calm preparedness. Although I obtained certification as an EMT-B, I was not able to serve as an EMT; being the primary caregiver of a child with Autism. For 20 years, I have desired to educate others regarding safety. I have been a member of Oasis Impact Church for nearly 3 years located on OBT and we have served the OBT community in various outreach efforts. During my recent personal search in relocating to Orange County from Seminole, I searched extensively within the OBT corridor and literally, I became grieved in my soul. No one should have to live so devoid of the lifeblood of a neighborhood without growth opportunities, or in a food desert.

Prior Relationship with County: No

Explain Prior Relationship: I am unsure if this applies. However, I am an employee of Community Health Centers, Inc. I am not sure if that presents any type of conflict of interest. Therefore, I am disclosing this so that it is transparent in my application for Board appointment.

Personal History: I seek to offer my expertise as a life-long educator, business owner and Service-Disabled Veteran of the United States Navy. I am well versed in strategic planning, professional development, and overall implementation and development of programming. I have utilized no-blame resolution strategies to develop policies and equitable practices across business, local and government sectors. In order to better support the community I utilize an "Equity Lens" to ensure that historically underrepresented communities are able to navigate the resources available to them via government and private institutions. My participation on the board will offer me the opportunity to impact Orange County in positive ways and build my capacity within the government sector.
