The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R. Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition.

Article 35**Rehabilitation Act of 1973**

Recipients must comply with the requirements of Section 504 of the Rehabilitation Act of 1973, Pub. L. No. 93-112 (codified as amended at 29 U.S.C. § 794), which provides that no otherwise qualified handicapped individuals in the United States will, solely by reason of the handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

Article 36**Reporting Recipient Integrity and Performance Matters**

If the total value of any currently active grants, cooperative agreements, and procurement contracts from all federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of the federal award, then the recipient must comply with the requirements set forth in the government-wide federal award term and condition for Recipient Integrity and Performance Matters in 2 C.F.R. Part 200, Appendix XII, the full text of which is incorporated by reference.

Article 37**Reporting Subawards and Executive Compensation**

For federal awards that total or exceed \$30,000, recipients are required to comply with the requirements set forth in the government-wide federal award term and condition on Reporting Subawards and Executive Compensation set forth at 2 C.F.R. Part 170, Appendix A, the full text of which is incorporated by reference.

Article 38**Required Use of American Iron, Steel, Manufactured Products, and Construction Materials**

(1) Recipients of a federal award from a financial assistance program that provides funding for infrastructure are hereby notified that none of the funds provided under this federal award may be used for a project for infrastructure unless: (a) all iron and steel used in the project are produced in the United States—this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States; (b) all manufactured products used in the project are produced in the United States—this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and (c) all construction materials are manufactured in the United States—this means that all manufacturing processes for the construction material occurred in the United States. (2) The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project. (3) Waivers When necessary, recipients may apply for, and the agency may grant, a waiver from these requirements. The agency should notify the recipient for information on the process for requesting a waiver from these requirements. (a) When the Federal agency has determined that one of the following exceptions applies, the federal awarding official may waive the application of the domestic content procurement preference in any case in which the agency determines that: (i) applying the domestic content procurement preference would be inconsistent with the public interest; (ii) the types of iron, steel, manufactured products, or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality; or (iii) the inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than 25 percent. (b) A request to waive the application of the domestic content procurement preference must be in writing. The agency will provide instructions on the format, contents, and supporting materials required for any waiver request. Waiver requests are subject to public comment periods of no less than 15 days and must be reviewed by the Made in America Office. (c) There may be instances where a federal award qualifies, in whole or in part, for an existing waiver described at “Buy America” Preference in FEMA Financial Assistance Programs for Infrastructure | FEMA.gov. (4) Definitions. The definitions applicable to this term are set forth at 2 C.F.R. § 184.3, the full text of which is incorporated by reference.

Article 39	SAFECOM Recipients receiving federal awards made under programs that provide emergency communication equipment and its related activities must comply with the SAFECOM Guidance for Emergency Communication Grants, including provisions on technical standards that ensure and enhance interoperable communications. The SAFECOM Guidance is updated annually and can be found at Funding and Sustainment CISA .
Article 40	Subrecipient Monitoring and Management Pass-through entities must comply with the requirements for subrecipient monitoring and management as set forth in 2 C.F.R. §§ 200.331-333.
Article 41	System for Award Management and Unique Entity Identifier Requirements Recipients are required to comply with the requirements set forth in the governmentwide federal award term and condition regarding the System for Award Management and Unique Entity Identifier Requirements in 2 C.F.R. Part 25, Appendix A, the full text of which is incorporated reference.
Article 42	Termination of a Federal Award (1) By DHS. DHS may terminate a federal award, in whole or in part, for the following reasons: (a) If the recipient fails to comply with the terms and conditions of the federal award; (b) With the consent of the recipient, in which case the parties must agree upon the termination conditions, including the effective date, and in the case of partial termination, the portion to be terminated; or (c) Pursuant to the terms and conditions of the federal award, including, to the extent authorized by law, if the federal award no longer effectuates the program goals or agency priorities. (3) By the Recipient. The recipient may terminate the federal award, in whole or in part, by sending written notification to DHS stating the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. However, if DHS determines that the remaining portion of the federal award will not accomplish the purposes for which the federal award was made, DHS may terminate the federal award in its entirety. (4) Notice. Either party will provide written notice of intent to terminate for any reason to the other party no less than 30 calendar days prior to the effective date of the termination. (5) Compliance with Closeout Requirements for Terminated Awards. The recipient must continue to comply with closeout requirements in 2 C.F.R. §§ 200.344-200.345 after an award is terminated.
Article 43	Terrorist Financing Recipients must comply with Executive Order 13224 and applicable statutory prohibitions on transactions with, and the provisions of resources and support to, individuals and organizations associated with terrorism. Recipients are legally responsible for ensuring compliance with the Executive Order and laws.

Article 44 Trafficking Victims Protection Act of 2000(TVPA)
Recipients must comply with the requirements of the government-wide federal award term and condition which implements Trafficking Victims Protection Act of 2000, Pub. L. No. 106-386, § 106 (codified as amended at 22 U.S.C. § 7104). The federal award term and condition is in 2 C.F.R. § 175.105, the full text of which is incorporated by reference.

Article 46 Use of DHS Seal, Logo and Flags
Recipients must obtain written permission from DHS prior to using the DHS seals, logos, crests, or reproductions of flags, or likenesses of DHS agency officials. This includes use of DHS component (e.g., FEMA, CISA, etc.) seals, logos, crests, or reproductions of flags, or likenesses of component officials.

Article 47 Whistleblower Protection Act
Recipients must comply with the statutory requirements for whistleblower protections in 10 U.S.C § 470141 U.S.C. § 4712.

Article 48**Environmental Planning and Historic Preservation (EHP) Review**

DHS/FEMA funded activities that could have an impact on the environment are subject to the FEMA EHP review process. This review does not address all federal, state, and local requirements. Acceptance of federal funding requires the recipient to comply with all federal, state, and local laws. DHS/FEMA is required to consider the potential impacts to natural and cultural resources of all projects funded by DHS/FEMA grant funds, through its EHP review process, as mandated by: the National Environmental Policy Act; Endangered Species Act; National Historic Preservation Act of 1966, as amended; Clean Water Act; Clean Air Act; National Flood Insurance Program regulations; and any other applicable laws, regulations and executive orders. General guidance for FEMA's EHP process is available on the DHS/FEMA Website. Specific applicant guidance on how to submit information for EHP review depends on the individual grant program. Applicants should contact their grant Program Officer to be put into contact with EHP staff responsible for assisting their specific grant program. The FEMA EHP review process must be completed before funds are released to carry out the proposed project, otherwise, DHS/FEMA may not be able to fund the project due to noncompliance with EHP laws, executive orders, regulations, and policies. DHS/FEMA may also need to perform a project closeout review to ensure the applicant complied with all required EHP conditions identified in the initial review. If ground disturbing activities occur during construction, the applicant will monitor the ground disturbance, and if any potential archaeological resources are discovered, the applicant will immediately cease work in that area and notify the pass-through entity, if applicable, and DHS/FEMA. EO 11988, Floodplain Management, and EO 11990, Protection of Wetlands, require that all federal actions in or affecting the floodplain or wetlands be reviewed for opportunities to relocate, and be evaluated for social, economic, historical, environmental, legal, and safety considerations. FEMA's regulations at 44 C.F.R. Part 9 implement the EOs and require an eight-step review process if a proposed action is in a floodplain or wetland or has the potential to affect or be affected by a floodplain or wetland. The regulation also requires that the federal agency provide public notice of the proposed action at the earliest possible time to provide the opportunity for public involvement in the decision-making process (44 C.F.R. § 9.8). Where there is no opportunity to relocate the federal action, FEMA is required to undertake a detailed review to determine what measures can be taken to minimize future damages to the floodplain or wetland.

Article 49**Applicability of DHS Standard Terms and Conditions to Tribal Nations**

The DHS Standard Terms and Conditions are a restatement of general requirements imposed upon recipients and flow down to sub-recipients as a matter of law, regulation, or executive order. If the requirement does not apply to Tribal Nations, or there is a federal law or regulation exempting its application to Tribal Nations, then the acceptance by Tribal Nations, or acquiescence to DHS Standard Terms and Conditions does not change or alter its inapplicability to a Tribal Nation. The execution of grant documents is not intended to change, alter, amend, or impose additional liability or responsibility upon the Tribal Nations where it does not already exist.

Article 50**Acceptance of Post Award Changes**

In the event FEMA determines that an error in the award package has been made, or if an administrative change must be made to the award package, recipients will be notified of the change in writing. Once the notification has been made, any subsequent requests for funds will indicate recipient acceptance of the changes to the award. Please email FEMA Grant Management Operations at: ASK-GMD@fema.dhs.gov for any questions.

Article 51**Disposition of Equipment Acquired Under the Federal Award**

When original or replacement equipment acquired under this award is no longer needed for the original project or program or for other activities currently or previously supported by a federal awarding agency, the non-state recipient or subrecipient (including subrecipients of a State or Tribal Nation), must request instructions from FEMA to make proper disposition of the equipment pursuant to 2 C.F.R. section 200.313(e). State recipients must follow the disposition requirements in accordance with State laws and procedures. 2 C.F.R. section 200.313(b). Tribal Nations must follow the disposition requirements in accordance with Tribal laws and procedures noted in 2 C.F.R. section 200.313(b); and if such laws and procedures do not exist, then Tribal Nations must follow the disposition instructions in 2 C.F.R. section 200.313(e).

Article 52**Prior Approval for Modification of Approved Budget**

Before making any change to the FEMA approved budget for this award, a written request must be submitted and approved by FEMA as required by 2 C.F.R. section 200.308. For purposes of non-construction projects, FEMA is utilizing its discretion to impose an additional restriction under 2 C.F.R. section 200.308(i) regarding the transfer of funds among direct cost categories, programs, functions, or activities. For awards with an approved budget where the federal share is greater than the simplified acquisition threshold (currently \$250,000) and where the cumulative amount of such transfers exceeds or is expected to exceed ten percent (10%) of the total budget FEMA last approved, transferring funds among direct cost categories, programs, functions, or activities is unallowable without prior written approval from FEMA. For purposes of awards that support both construction and non-construction work, 2 C.F.R. section 200.308((f)(9) requires the recipient to obtain prior written approval from FEMA before making any fund or budget transfers between the two types of work. Any deviations from a FEMA approved budget must be reported in the first Federal Financial Report (SF-425) that is submitted following any budget deviation, regardless of whether the budget deviation requires prior written approval.

Article 53**Indirect Cost Rate**

2 C.F.R. section 200.211(b)(16) requires the terms of the award to include the indirect cost rate for the federal award. If applicable, the indirect cost rate for the award is stated in the budget documents or other materials approved by FEMA and included in the award file.

Article 54**Build America, Buy America Act (BABAA) Required Contract Provision & Self-Certification**

In addition to the DHS Standard Terms & Conditions regarding Required Use of American Iron, Steel, Manufactured Products, and Construction Materials, recipients and subrecipients of FEMA financial assistance for programs that are subject to BABAA must include a Buy America preference contract provision as noted in 2 C.F.R. section 184.4 and a self-certification as required by the FEMA Buy America Preference in FEMA Financial Assistance Programs for Infrastructure (FEMA Interim Policy #207-22-0001). This requirement applies to all subawards, contracts, and purchase orders for work performed, or products supplied under the FEMA award subject to BABAA.

Article 55**Award Performance Goals**

FEMA will measure the recipient's performance of the grant by comparing the number of items requested in its application, the numbers acquired (ordered, paid, and received) within the period of performance. In order to measure performance, FEMA may request information throughout the period of performance. In its final performance report submitted at closeout, the recipient is required to report on the recipients compliance with the applicable industry, local, state and national standards described in the NOFO.

Article 56**Termination of the Federal Award (Updated)**

1. Paragraph C.XL of the FY 2025 DHS Standard Terms and Conditions, v.3 sets forth a term and condition entitled "Termination of a Federal Award." The termination provision condition listed below applies to the grant award and the term and condition in Paragraph C.XL of the FY 2025 DHS Standard Terms and Conditions, v.3 does not.

2. Termination of the Federal Award by FEMA

FEMA may terminate the federal award in whole or in part for one of the following reasons identified in 2 C.F.R. § 200.340:

a. If the recipient or subrecipient fails to comply with the terms and conditions of the federal award.

b. With the consent of the recipient, in which case FEMA and the recipient must agree upon the termination conditions. These conditions include the effective date and, in the case of partial termination, the portion to be terminated.

c. If the federal award no longer effectuates the program goals or agency priorities. Under this provision, FEMA may terminate the award for these purposes if any of the following reasons apply:

i. If DHS/FEMA, in its sole discretion, determines that a specific award objective is ineffective at achieving program goals as described in this NOFO;

ii. If DHS/FEMA, in its sole discretion, determines that an objective of the award as described in this NOFO will be ineffective at achieving program goals or agency priorities;

iii. If DHS/FEMA, in its sole discretion, determines that the design of the grant program is flawed relative to program goals or agency priorities;

iv. If DHS/FEMA, in its sole discretion, determines that the grant program is not aligned to either the DHS Strategic Plan, the FEMA Strategic Plan, or successor policies or documents;

v. If DHS/FEMA, in its sole discretion, changes or re-evaluates the goals or priorities of the grant program and determines that the award will be ineffective at achieving the updated program goals or agency priorities; or

vi. For other reasons based on program goals or agency priorities described in the termination notice provided to the recipient pursuant to 2 C.F.R. § 200.341.

vii. If the awardee falls out of compliance with the Agency's statutory or regulatory authority, award terms and conditions, or other applicable laws.

3. Termination of a Subaward by the Pass-Through Entity

The pass-through entity may terminate a subaward in whole or in part for one of the following reasons identified in 2 C.F.R. § 200.340:

- a. If the subrecipient fails to comply with the terms and conditions of the federal award.
- b. With the consent of the subrecipient, in which case the pass-through entity and the subrecipient must agree upon the termination conditions. These conditions include the effective date and, in the case of partial termination, the portion to be terminated.
- c. If the pass-through entity's award has been terminated, the pass-through recipient will terminate its subawards.

4. Termination by the Recipient or Subrecipient

The recipient or subrecipient may terminate the federal award in whole or in part for the following reasons identified in 2 C.F.R. § 200.340: Upon sending FEMA or the pass-through entity a written notification of the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if FEMA or the pass-through entity determines that the remaining portion of the federal award will not accomplish the purposes for which the federal award was made, FEMA or the pass-through entity may terminate the federal award in its entirety.

5. Impacts of Termination

- a. When FEMA terminates the federal award prior to the end of the period of performance due to the recipient's material failure to comply with the terms and conditions of the federal award, FEMA will report the termination in SAM.gov in the manner described at 2 C.F.R. § 200.340(c).
- b. When the federal award is terminated in part or its entirety, FEMA or the pass-through entity and the recipient or subrecipient remain responsible for compliance with the requirements in 2 C.F.R. §§ 200.344 and 200.345.

6. Notification Requirements

FEMA or the pass-through entity must provide written notice of the termination in a manner consistent with 2 C.F.R. § 200.341. The federal award will be terminated on the date of the notification unless stated otherwise in the notification.

7. Opportunities to Object and Appeals

Where applicable, when FEMA terminates the federal award, the written notification of termination will provide the opportunity, and describe the process, to object and provide information challenging the action, pursuant to 2 C.F.R. § 200.342.

8. Effects of Suspension and Termination

The allowability of costs to the recipient or subrecipient resulting from financial obligations incurred by the recipient or subrecipient during a suspension or after the termination of a federal award are subject to 2 C.F.R. § 200.343.

Article 57**Payment Information (Updated)**

Recipients will submit payment requests in FEMA GO for FY25 awards under this program.

Instructions to Grant Recipients Pursuing Payments

FEMA reviews all grant payments and obligations to ensure allowability in accordance with 2 C.F.R. § 200.305. These measures ensure funds are disbursed appropriately while continuing to support and prioritize communities who rely on FEMA for assistance. Once a recipient submits a payment request in FEMA GO, FEMA will review the request. If FEMA approves a payment, it will process the payment through FEMA GO and the payment will be delivered pursuant to the recipients SAM.gov financial information. If FEMA disapproves a payment, FEMA will inform the recipient.

Processing and Payment Timeline

FEMA must comply with regulations governing payments to grant recipients. See 2 C.F.R. § 200.305. For grant recipients other than States, 2 C.F.R. § 200.305(b)(3) stipulates that FEMA is to make payments on a reimbursement basis within 30 days after receipt of the payment request, unless FEMA reasonably believes the request to be improper. For state recipients, 2 C.F.R. § 200.305(a) instructs that federal grant payments are governed by Treasury-State Cash Management Improvement Act (CMIA) agreements ("Treasury-State agreement") and default procedures codified at 31 C.F.R. part 205 and Treasury Financial Manual (TFM) 4A-2000, "Overall Disbursing Rules for All Federal Agencies." See 2 C.F.R. § 200.305(a).

Treasury-State agreements generally apply to "major federal assistance programs" that are governed by 31 C.F.R. part 205, subpart A and are identified in the Treasury-State agreement. 31 C.F.R. §§ 205.2, 205.6. Where a federal assistance (grant) program is not governed by subpart A, payment and funds transfers from FEMA to the state are subject to 31 C.F.R. part 205, subpart B. Subpart B requires FEMA to "limit a funds transfer to a state to the minimum amounts needed by the state and must time the disbursement to be in accord with the actual, immediate cash requirements of the state in carrying out a federal assistance program or project. The timing and amount of funds transfers must be as close as is administratively feasible to a state's actual cash outlay for direct program costs and the proportionate share of any allowable indirect costs." 31 C.F.R. § 205.33(a). Nearly all FEMA grants are not "major federal assistance programs." As a result, payments to states for those grants are subject to the "default" rules of 31 C.F.R. part 205, subpart B.

If additional information is needed, a request for information will be issued by FEMA to the recipient; recipients are strongly encouraged to respond to any additional FEMA request for information inquiries within three business days. If an adequate response is not received, the request may be denied, and the entity may need to submit a new reimbursement request; this will re-start the 30-day timeline.

Submission Process

All non-disaster grant program reimbursement requests must be reviewed and approved by FEMA prior to drawdowns.

For all non-disaster reimbursement requests (regardless of system), please ensure submittal of the following information:

1. Grant ID / Award Number
2. Total amount requested for drawdown
3. Purpose of drawdown and timeframe covered (must be within the award performance period)
4. Subrecipient Funding Details (if applicable).
 - Is funding provided directly or indirectly to a subrecipient?
 - If no, include statement "This grant funding is not being directed to a subrecipient."
 - If yes, provide the following details:
 - The name, mission statement, and purpose of each subrecipient receiving funds, along with the amount allocated and the specific role or activity being reimbursed.
 - Whether the subrecipient's work or mission involves supporting aliens, regardless of whether FEMA funds support such activities.
 - Whether the payment request includes an activity involving support to aliens?
 - Whether the subrecipient has any diversity, equity, and inclusion practices.
5. Supporting documentation to demonstrate that expenses are allowable, allocable, reasonable, and necessary under 2 C.F.R. Part 200 and in compliance with the grant's NOFO, award terms, and applicable federal regulations.

Article 58**Non-Applicability of Specific Agreement Articles**

Notwithstanding their inclusion in this award package, the following Agreement Articles do not apply to this grant award:

1. Communication and Cooperation with the Department of Homeland Security and Immigration Officials.
2. Paragraph (2)(a)(iii) of Anti-Discrimination.

Article 59**Non-Applicability of Specific Agreement Articles**

Notwithstanding their inclusion in this award package, the following Agreement Article does not apply to this grant award:
